DEPARTMENT: Parks	

RECOMMENDATION

It is recommended that the Board of Supervisors:

Approve the application from Joel and Shanna Fineberg to add the Louise G. Rose House to the County's Local Official Register of Historic Resources, as recommended by the County's Historic Resources Review Board.

SUMMARY/DISCUSSION

The County's Historic Resources Review Board has reviewed the application submitted by Joel and Shanna Fineberg, and recommends that the application to add the Louise G. Rose House to the County's Local Official Register of Historic Resources be approved. The Louise G. Rose House is located at 165 Spindrift Road, Carmel Highlands (APN 241-251-011) and property owners, Joel and Shanna Fineberg have agreed to comply with Chapter 18.25 of the Monterey County Code.

Having considered all the written and documentary information submitted, oral testimony, and other evidence presented before the HRRB, the HRRB rendered its decision to adopt the findings and evidence to recommend approval of the application for historic designation, subject to the following findings:

Finding: The proposed designation of the Louise G. Rose House meets one or more of the review criteria set forth in Chapter 18.25.070 of the Monterey County Code specifically:

1. The resource proposed for designation is particularly representative of a distinct historical period.
2. The resource proposed for designation exemplifies a particular architectural style.
3. The resource proposed for designation represents the work of a master architect.

Evidence:

1. Application and other materials in file 1103 (Louise G. Rose House).
2. Historic Resource designation criteria as found in Chapter 18.25 of the Monterey County Code.
3. Oral testimony and HRRB discussion during the public hearing and the administrative record.

The Louise G. Rose House listing in the County's Historic Register would require the property owner to comply with Chapter 18.25 of the Monterey County Code that requires that the County's Historic Resources Review Board review and approve any proposal to alter the character-defining features of the resource prior to issuance of a building permit. The applicant requests this action and consents to the restrictions placed on the property under Chapter 18.25.

OTHER AGENCY INVOLVEMENT

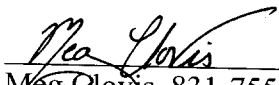

On May 5, 2011, the County's Historic Resources Review Board voted unanimously to recommend that the Board of Supervisors add the Louise G. Rose House to the County's Local Official Register of Historic Resources. The Office of County Counsel, the County's Planning Department and the Office of Housing and Redevelopment have reviewed this request, and concur with the recommendation.
