- B. The mission of the COUNTY is to excel at providing quality services for the benefit of all Monterey County residents while developing, maintaining and enhancing the resources of the region.
- C. COUNTY and Institution recognize the opportunity for meaningful learning experiences for Institution, COUNTY and students. Institution supports the goals and objectives of the COUNTY program in which students will participate.
- D. Health services provided and administered by the COUNTY are governed by but not limited to: Health Insurance Portability and Accountability Act of 1996, 45 C.F.R.
