Therefore, CONTRACTOR must comply with all Federal laws and regulations applicable to the receipt of FEMA grants, including, but not limited to, the contractual provision set forth in Title 2 of the Code of Federal Regulations, Part 200, in connection with CONTRACTOR’s performance of the work or services covered by the Agreement (the “Project”). All such Federal laws and regulations shall be deemed to be inserted in the Agreement and the Agreement shall be read and enforced as though such Federal laws and regulations were included therein.

Anything to the contrary herein notwithstanding, all FEMA-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in the Agreement. CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any County request that would cause County to be in violation of these FEMA terms and conditions or any other Federal law or regulation applicable to the receipt of FEMA grants. If any provision of the Agreement shall be such as to effect noncompliance with any FEMA requirement, such provision shall not be deemed to form a part thereof, but the balance of the Agreement shall remain in full force and effect.

In addition, CONTRACTOR agrees to the following specific provisions:

1.1. No Obligation by Federal Government

The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the non-Federal entity.

1.2. Acknowledgement of FEMA Funding

This is an acknowledgement that FEMA financial assistance will be used to fund the Agreement only. CONTRACTOR shall comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

1.3. Program Fraud and False or Fraudulent Statements or Related Acts

CONTRACTOR acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the CONTRACTOR's actions pertaining to this Agreement.

1.4. DHS Seal, Logo and Flags

CONTRACTOR shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA preapproval.

1.5. EPA – Compliant Purchasing

(1) In the performance of this Agreement, CONTRACTOR shall make maximum use of products containing recovered materials that are Environmental Protection Agency (EPA) designated items unless the product cannot be acquired:

**EXHIBIT D – FEDERAL EMERGENCY MANAGEMENT AGENCY
FEDERAL PROVISIONS**

- (iii) At a reasonable price.

(2) Information about this requirement is available at EPA's Comprehensive Procurement Guidelines website, <http://www.epa.gov/cpg/>. The list of EPA-designate items is available at <https://www.epa.gov/smm/regulatory-background-comprehensive-procurement-guideline-program-cpg>.

1.6. Equal Employment Opportunity Clause – All “Federally assisted Agreements” as defined in 41 CFR 60-1.3

During the performance of this Agreement, CONTRACTOR agrees as follows:

(1) CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) CONTRACTOR shall, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) CONTRACTOR shall not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with CONTRACTOR's legal duty to furnish information.

**EXHIBIT D – FEDERAL EMERGENCY MANAGEMENT AGENCY
FEDERAL PROVISIONS**

- (7) In the event of CONTRACTOR's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) CONTRACTOR shall include the portion of the sentence immediately preceding Paragraph (1) and the provisions of Paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. CONTRACTOR shall take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.
