Other Board Matters

16. Board Comments
- Supervisor Armenta requested the County respond to the letter received from Mayor Joe Gunter regarding the Juvenile Hall site selection and relocation of the Monterey County Youth Center. He cited his disappointment that the City Council of Salinas and the Mayor of Salinas held a press conference last night because it gives the appearance that the County and City are not working together, which is factually incorrect. We should respond to the letter and make it clear to the residents of Salinas and Monterey County residents where we are in the process. We have had many formal and informal community forums regarding the siting of Juvenile Hall and relocation of the Youth Center.**
- Supervisor Parker advised there are resolutions being adopted today honoring 11 outstanding women for Monterey County for their work in the community. She invited everyone to attend the celebration on Sunday at 2 pm at the Monterey Institute of International Studies at the Irvine Auditorium. It's a great opportunity to learn about people and activities going on in the county and it's a way of recognizing the good work going on in our community.**
- Supervisor Parker reminded the public of the last two weeks to sign-up for Covered California. For assistance with sign-ups, call 2-1-1.**

Receive an oral report regarding recent factors that may influence preparation of a reusable bag ordinance to restrict single use carry out plastic bags and encourage use of reusable bags; and b. Provided direction to staff on alternative approaches to development of the ordinance approving OPTION 2: A) County and each city separately adopt ordinances with independent environmental review; County could likely proceed with categorical exemption for County-only ordinance; B) County assists the cities by hiring consultant to draft ordinances and findings and conduct supporting research. City participation would be voluntary; C) the draft County ordinance would propose a 10 cents/bag charge with subsequent evaluation after a set period of time, subject to hearing by the Board of Supervisors. The cities could decide whether to have the same or different charge. 4-0 (Supervisor Salinas Absent)
