LOCAL AGENCY FORMATION COMMISSION OF MONTEREY COUNTY

CONFLICT OF INTEREST CODE OF THE  
LOCAL AGENCY FORMATION COMMISSION OF MONTEREY COUNTY

December 7, 2020 Proposed Update – Clean Version

The Political Reform Act of 1974, Government Code section 81000 *et seq.*, requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard Conflict of Interest Code that can be incorporated by reference in an agency's code. After public notice and hearing, the Fair Political Practices Commission may amend the standard code to conform to amendments of the Political Reform Act. Therefore, the terms of section 18730 of Title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission together with the attached Appendices designating positions and establishing disclosure categories are hereby incorporated by reference and together constitute the Conflict of Interest Code of the Local Agency Formation Commission of Monterey County (hereinafter "LAFCO").

Individuals holding designated positions shall file their statement of economic interests with their agency. Upon receipt of the statement of the LAFCO Commissioners, the agency shall make and retain copies and forward the original of the statements to the code reviewing body, the Monterey County Board of Supervisors, by providing the documents to the office of the Monterey County Clerk to the Board. Statements for all other designated positions shall be retained by the agency.

<sup>1</sup> Public officials who manage public investments are not covered by the Conflict of Interest Code because they must file a statement of economic interest pursuant to Government Code section 87200. Therefore, those positions are listed under Designated Positions for information purposes only.

<sup>2</sup> Designated positions who are required to file statements of economic interests under any other agency's conflict of interest code, or under Article 2 for a different jurisdiction, may expand their statement of economic interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated position as if it were an original. See Government Code section 81004.

<sup>3</sup> For purposes of this Code, "consultant" has the same meaning as set forth in section 18701 (a)(2) of Title 2 of California Code of Regulations as follows:

"Consultant" means an individual who, pursuant to a contract with a state or local government agency:

(A) Makes a governmental decision whether to:

1. Approved a rate, rule, or regulation;
2. Adopt or enforce a law;
3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
4. Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract which requires agency approval;
5. Grant agency approval to a contract which requires agency approval and in which the agency is a party or to the specifications for such a contract;
6. Grant agency approval to a plan, design, report, study, or similar item;
7. Adopt, or grant agency approval of policies, standards, or guidelines for the agency, or for any subdivision thereof, or

(B) Serves in a staff capacity with the agency and in that capacity participates in making a governmental decision or performs the same or substantially all the same duties for the agency that would otherwise be performed by an individual holding a position specified in the agency's Conflict of Interest Code.

Consultants to LAFCO shall be subject to disclosure under Category 1, subject to the following limitation:

The LAFCO Executive Officer may determine in writing that a particular consultant, although a "Designated Position," is hired to perform a range of duties that is limited in scope and thus is not required to comply with the disclosure requirements of Category 1. In such cases, the LAFCO Executive Officer may designate a different disclosure requirement. Such determination must be made in writing and shall include a description of the consultant's duties and, based upon that description, a statement of the extent of the consultant's disclosure requirements. Such determination by the LAFCO Executive Officer is a public record and shall be retained for public inspection in the same manner and location as LAFCO's Conflict of Interest Code.
