Authorize the Auditor-Controller to process a payment to Motorola Solutions Credit Co. LLC for a specified outstanding invoice in the amount of \$28,378 for the final lease payment for portable digital radios for the Office of the District Attorney.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Authorize the Auditor-Controller to process a payment to Motorola Solutions Credit Co. LLC for a specified outstanding invoice in the amount of \$28,378 for the final lease payment for portable digital radios for the Office of the District Attorney.

SUMMARY/DISCUSSION:

The Office of the District Attorney (DA) entered into a leasing agreement with Motorola Solutions, Inc on December 1, 2017, to lease 36 digital radios for its Investigative Bureau, with annual payments of \$28,378, and the final payment scheduled for December 2024. During the leasing period, several digital upgrades to the radios were completed, significantly increasing the capabilities of these radios, and funds reserved for the original agreement were used in these prior fiscal periods. The funds for the current fiscal period, for this final payment, are budgeted in FY 2024-25, however the purchase order for the original amount in 2017 of \$199,000, has been exceeded. Once this final payment is completed, the lease requirements are fulfilled, and the radios are the property of Monterey County.

OTHER AGENCY INVOLVEMENT:

The County Administrative Office and County Counsel have reviewed this report and support its authorization.

FINANCING:

Funding for this payment is currently budgeted and will not require any additional general funds.
