SUMMARY/DISCUSSION:

Since FY 2009-10 the County Board of Supervisors has directed the Agricultural Commissioner's Office to provide support of agricultural education efforts in Monterey County. The intent was to collaborate for mutual benefit with respect to agricultural education programs and activities, more specifically programs and activities directly related to pest management and control, quarantine and invasive species activities, pesticide use and enforcement, fruit and vegetable standardization, and crop statistics.

The Grower-Shipper Association Foundation (GSAF) is a nonprofit organization that provides educational programs to professionals and the public throughout Monterey County. GSAF programs include the "AgKnowledge" program. Under its MOU, GSAF collaborates with the Agricultural Commissioner's Office to develop and deliver a nine- (9) month professional development program to community leaders within Monterey County.

OTHER AGENCY INVOLVEMENT:

The Grower-Shipper Association Foundation supports this action.

FINANCING:

There is no financial impact to the General Fund. Sufficient funds are available in the Agricultural Commissioner's Office Budget for FY 2015-16. Ongoing funding is subject to availability as determined through the County's annual Adopted Budget review and approval process.
