Yes

I have served on this advisory group for 9 years and I have learned a lot through this process.

Please tell us about yourself and why you want serve:

My name is Manuel and I was born in Jalisco, Mexico. I came to the US when I was 19. I have been on the committee for the past 9 years. I want to contribute to the community and let people know what the purpose of the Fish and Game advisory is about. I want to help expose kids to the outdoors more and support learning about outdoor safety and how to treat arms safety.

Please state the reason you would like to be a member of this board committee/commission/district:

I want to continue to help the community. The yearly funds distribution to help support different youth programs is critical for today's youths' safety, when so many spend time indoors and unconnected with nature.

How did you hear about the position?:

I was invited to reapply by Marilyn Vierra.
