

**CONFLICT OF INTEREST CODE  
OF THE  
COUNTY ADMINISTRATIVE OFFICE OF THE COUNTY OF MONTEREY**

The Political Reform Act of 1974 (Government Code sections 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard conflict of interest code that can be incorporated by reference in a Department's code. After public notice and hearing, the Fair Political Practices Commission may amend the standard code to conform to amendments of the Political Reform Act. Therefore, the terms of section 18730 of title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission together with the attached Appendices designating positions and establishing disclosure categories are hereby incorporated by reference and together constitute the Conflict of Interest Code of the County Administrative Office (hereafter "Department").

Individuals holding designated positions shall file their statement of economic interests with the County Administrative Office, which will make the statements available for public inspection and reproduction pursuant to Government Code section 81008. The County Administrative Officer shall file one original statement of economic interests with the County Clerk who shall make and retain a copy and forward the original statement to the Fair Political Practices Commission, which shall be the filing officer. Statements for all other designated positions shall be retained by the Agency. Statements for all other designated positions shall be retained by the Department.
