  - c) On-Site or Remote Response within twenty-four (24) hours of initial call from County, for minor failures, provided at hourly rates set forth in Section IV below.

shipment of a replacement board to County at no charge. The MD-110 boards provided to County will be in good working condition and may be new or refurbished. County will ship MD-110 boards that fail to D & S where they will be repaired and become the property of D & S.

i) D & S will set aside and hold in reserve critical MD-110 boards for County at D & S facilities

ii) The Hardware Assurance Program does not cover non-MD-110 trunk equipment such as peripheral equipment (PC's, servers, headsets, etc.) The Hardware Assurance Program also does not apply to extension or trunk equipment, telephones, batteries, firmware, or software, or consumables such as batteries or fuses.

d) The equipment covered by the Hardware Assurance Program is listed in Exhibit C attached.

e) Aastra/Mitel Software Assurance & Escalation

i) Aastra/Mitel will provide software upgrades to the County as required in order to keep software components under full manufacturer's support.

ii) D & S will engage Aastra/Mitel as needed to escalate technical support issues related to bug-fix of purchased software products.

f) AVST XpressCare

i) AVST will provide software upgrades to the County as required in order to keep software components under full manufacturer's support.

ii) D & S will engage AVST as needed to escalate technical support issues related to bug-fix of purchased software products.

**B) D & S Responsibilities:**

- 1) D & S shall replace all products listed in Exhibit C, attached as described in the Hardware Assurance Plan in "Scope of Services" (section A,3,c).
- 2) D & S shall perform and respond to all calls for Corrective Maintenance placed during coverage hours noted in section A)2)a) above.
- 3) Should Manufacturer discontinue products or services that affect D & S's ability to perform this agreement, D & S shall meet with the County to discuss alternative solutions and pricing.
- 4) When required, D & S may change maintenance level passwords in accordance with the County of Monterey Information Technology Security Policy. These passwords are for the use of service personnel. D & S may provide the password to the manufacturer of the Product for escalated technical support from the manufacturer. D & S will create a system administration password for the County's use to perform agreed-upon tasks, using the database configuration outlined in D &

- c) The County acknowledges that the Products serviced here under are vulnerable to network interference or to fraudulent or unauthorized calls or access, and any such charges shall be the responsibility of the County.
- D) Relocation of Products  
Upon ninety (90) days prior written notice, the County may, at the County's expense, relocate and reinstall the Products within the boundaries of the County of Monterey and this agreement will remain in effect.

### **III. Term of the Agreement**

The term of this Agreement shall be from May 1, 2015 to December 31, 2018.

### **IV Schedule of Rates**
