

## **Add-On Order**

This Add-On Order ("Add-On Order") to the Solution Order No. IWS-282513, dated July 23, 2019 ("Agreement") is between Change Healthcare Technologies, LLC ("CHC") and the customer identified below ("Customer"). This Add-On Order is effective as of the latest date below ("Add-On Order Effective Date").

### **Purpose**

Customer previously purchased or licensed CHC Solutions from CHC under the Agreement. The parties now want to add additional Products and Services to the Agreement.

The parties agree to the following terms.

### **Terms**

#### **1. Add-On Order.**

- 1.1. The terms of the Agreement are incorporated in this Add-On Order and apply to this Add-On Order. Any further amendments to the Agreement will also apply to this Add-On Order.
- 1.2. The Agreement is amended to add the Products and Services shown in Attachment 1.

#### **2. Payment Schedule**

##### **2.1. Implementation Services:**

Not Applicable.

3. Customer is responsible for determining if there has been any impact on its previously-filed cost reports regarding the subject matter of this Add-On Order.
4. This Add-On Order contains all the terms agreed upon by the parties regarding the subject matter of this Add-On Order and supersedes any other communications relating to the subject matter of this Add-On Order. Capitalized terms not defined in this Add-On Order are defined in the Agreement. All terms in the Agreement not modified by this Add-On Order are still in force.

#### **5. Accommodation**

- 5.1. The parties executed Solution Order No. IWS-282513, dated June 27, 2019. There were delays implementing Change Healthcare Cardiology™ Solutions ("CPACS") version 14.1 and once implementation was back on schedule, Change Healthcare upgraded

Customer to CPACS version 14.2 since this version was available and there was no additional cost to upgrade customer to this version. However, there were other discussions between the parties about upgrading Customer to CPACS version 14.3. The parties are in disagreement as to what was promised, what the costs were, and what was included in upgrading Customer to CPACS version 14.3 (the "Dispute"). In a good faith effort to resolve the Dispute, Change Healthcare is providing the Implementation Services and Education Services in the quote attached to this Solution Order at no cost to Customer.

6. If Amendment No. P202110045950 is not executed by the parties with or before this Add-On Order, then this Add-On Order will be void.
