Bright Beginnings is an opportunity for the community to work together to ensure that children from the prenatal stage through age eight have what they need to succeed.

Children's Medical Services (CMS) provides services to improve health status, mitigate morbidity, and reduce health disparities by ensuring access to quality preventive and specialty medical care for all Monterey County children.

Nurse Family Partnership (NFP) has been shown to improve health outcomes among participants, including decreased prenatal cigarette smoking, reduced hypertensive disorders of pregnancy, decreased childhood injuries, reduced subsequent pregnancies, and increased intervals between births. Maternal, Child, and Adolescent Health (MCAH) provides resources and information about reproductive health, family planning, and pregnancy. The focus is on the individual's physical, emotional, and mental health.

The requested transfer is summarized below:

Bright Beginnings	\$250,000
Children's Medical Services	\$1,218,318
NFP and MCAH	<u>\$402,726</u>
