"CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

XII. INSURANCE

- A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

- B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.
- C. Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:
1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.
 2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over \$100,000 or of not less than \$500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is \$100,000 and less.
 3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

4. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

D. Other Insurance Requirements, All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY'S contract administrator and the COUNTY'S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify

or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Administrator and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section IV.

If Exhibit I is not a part of this Agreement, CONTRACTOR shall prepare and submit to COUNTY a cost report and any applicable reports as requested by the COUNTY.
- C. Non-submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. Failure to submit the Annual Report(s) and/or the CONTRACTOR'S Year-End Cost Report Settlement, described in Section XIV (A), within thirty (30) calendar days after COUNTY'S applicable due date(s) is a breach of this Agreement, which entitles COUNTY, in its sole and absolute discretion, to (1) disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding, (2) withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR, and/or (3) terminate this Agreement pursuant to Section IV. CONTRACTOR shall comply with Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement requirements as set forth in Exhibit I, if Exhibit I is made part of this Agreement.
- D. Cost Report Training. CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.
- C. Overpayment. If the results of any audit, CONTRACTOR'S Year-End Cost Report Settlement, or State Cost Report Settlement shows that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.
- D. Responsibility for Audit and/or Cost Report Settlement Exceptions. Any and all audit and/or Cost Report Settlement exceptions by COUNTY or any Federal or State agency resulting from an audit and/or Cost Report Settlement of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.

Target # of Consumers: One hundred (100+) consumers

Community Housing is a permanent supportive housing program, which provides 100+ affordable housing placements for community independent living for adults with serious and persistent, long term psychiatric disabilities. These placements are provided as individual apartments and/or cooperative group housing units. Interim, Inc. provides case coordination, case management, crisis intervention, and mental health treatment services for residents in all the supported housing programs in accordance with state guidelines established under the rehabilitation option.

3. **Program Purpose**

Community Housing provides mental health services and permanent supportive housing to low income individuals with a serious and long term psychiatric disability. Mental health services are interventions

designed to minimize disability and maximize the restoration or maintenance of functioning consistent with the requirements for learning, development, independent living, and enhancing self-sufficiency.

4. Desired Results

The primary public health benefit is providing and assisting low income individuals with serious psychiatric disabilities to maintain safe, affordable, supportive permanent housing. This prevents people from homelessness or institutional placement, and improves their quality of life. Federal law requires public mental health systems to provide services in integrated community settings, and Permanent Supportive Housing is a proven approach for doing so. It presents an alternative to hospitals, shelters, and other settings that segregate people by disability, such as nursing homes, board and care homes, and other residential care facilities, in which residency is tied to receiving the particular services the facility offered. Once an individual achieves a higher level of recovery and no longer meets the medical necessity criteria, only with resident consent, Interim will work on locating other sources of permanent housing.

5. What evidence-based practice(s) will be used? How will fidelity be monitored? What are the measurable goals for the program (how will the program assess successful outcomes?)

Evidenced Based Practice: Motivational Interviewing, Wellness Recovery Action Plan (WRAP), Trauma-Informed approaches, and Permanent Supportive Housing. Licensed/licensed eligible staff provides Cognitive Behavioral Therapy and Dialectical Behavioral Therapy.

Goal	Measurement & Data Source
1. 90% of the residents will maintain or improve their mental health recovery.	<ul style="list-style-type: none"> • Measured at entry, annually, and at exit thereafter via the “Milestones of Recovery Scale” assessment. • Complementary Data source: Clients’ EMR/Avatar as related to mental health, and monthly QA Reports.
2. 90% of residents will meet with a PCP at least annually.	<ul style="list-style-type: none"> • Measured by staff observations and clients’ self-reports of engagement in primary care physician appointments. • Data source: Data collected in Excel Worksheet and documented in EMR/Avatar as related to mental health needs.
3. 80% of clients will report satisfaction with the quality of services.	<ul style="list-style-type: none"> • Outcome measured by client self-report via survey instrument conducted twice per year. Survey respondents will answer strongly agree or agree to questions relating to program satisfaction.

6. **Who are the partners involved in program implementation?**

Interim works with the County of Monterey Housing Authority to provide Section 8 housing subsidies for units when possible. Interim administers other rent subsidies through a HUD funded program.

7. **What is the eligibility criteria for admission to the program?**

- Financial Eligibility: Short-Doyle/Medi-Cal eligible or meet the standards for low-income status.
- Referral through Interim Case Coordinators or MCBHB Service Coordinators with admission approval by Interim, Inc. staff.
- The populations to be served are adults with major psychiatric disabilities and transition age youth age 18 and older who have mental health disorders that substantially interfere with their functional ability to carry out primary aspects of daily living in the community and are receiving psychiatric services through MCBHB or a designee. Upon discharge from MCBHB services or Interim, rehabilitative mental health and case management services will be terminated. However, housing may not be terminated except as allowed under the lease.
- Housing eligibility is governed by funding sources regulatory agreements; some housing is limited to people with specific income levels. Each property has specific income and asset limitations. Some properties have specific limitations related to criminal records of applicants or rental history.

When a client is referred, but staff at Interim conclude client is not appropriate for the program, how will this be resolved? What is the discharge level of care? What is the anticipated length of service?

- Program staff will collaborate with case coordinators to create an alternative referral plan for appropriate services.
- Clients aren't involuntarily discharged from housing unless they violate their lease agreement. Anticipated length of service doesn't pertain to permanent supportive housing.
- Clients who no longer need this level of care of supportive housing are encouraged and assisted with discharge plans into available affordable housing in the community.

8. **What are the health equity goals (how the program will address health disparities and access to services, especially by underserved/unserved populations)?**

MCBHB refers all clients. Interim serves economically disadvantaged populations who meet the standards for low-income status or are Short-Doyle/Medi-Cal eligible. The program addresses one of the top goals of the Monterey County Lead Me Home 10 year Plan by providing affordable permanent supportive housing. Interim is the only provider of permanent supportive housing for adults with mental illness in Monterey County.

9. How does the program demonstrate the following principles: Family and Consumer Driven; Accessible and Timely Services; Wellness and Recovery; Culturally and Linguistically Competent; Strength and Resiliency; Integrated and Coordinated Services.

Staff is trained in Motivational Interviewing to ensure services align with the consumer’s readiness for change. They are trained in and use a strengths-based and recovery focused model and deliver services that are based on individualized goals, set jointly between staff and individuals seeking services. Psychosocial educational and skill development groups are based on observed needs as well as ongoing feedback from participants. All services are voluntary, and staff are available on-call 24-hours a day to provide emergency support.

Input from residents is provided through the consumer run Recovery Taskforce as well as resident council and resident community meetings. Interim offers support team meetings that include family members and other support team members as designated by consumers. PROGRAM ELEVEN:

1. **Program Name:** Dual Recovery Services

2. **Program Description:**

Address of Delivery Site: 339 Pajaro St., Salinas, CA 93901

Program Schedule: Monday through Friday, 8am – 5pm.

Limitation of Service Clients are referred by the Monterey County Behavioral Health Staff or Interim Inc. Case Coordinators.

Target # of Consumers: 85

Dual Recovery Services (DRS) is an outpatient program for adults with co-occurring serious mental illness and substance use disorders. The program aims to assist clients in developing dual recovery skills to maintain successful community living, and to promote a clean and sober lifestyle as they transition out of dual recovery residential programs. Interim staff provides individual and group counseling to help clients develop skills to adjust to community living and/or maintain housing through the evidenced based practice of Motivational Interviewing. Clients develop goals that are focused on increasing daily structure, improving symptom management skills, personal and social functioning, and substance use recovery skills.

3. **Program Purpose**

DRS uses behavioral health wellness and recovery principles to assist clients to develop the coping and recovery skills needed to successfully live in the community. It provides assessment/evaluation,

rehabilitation, and group and individual mental health services to maintain or restore mental health, personal independence and functioning and sobriety.

Best evidence practice indicates that in order to make a successful adjustment back to community living for individuals with dual recovery issues, consumers need activities every day that promote a clean and sober life style. The staff and the consumer develop written daily schedules for individuals to have and to follow. These schedules include various treatment options that include: skill building groups, recovery oriented community based groups and other structured activities which promote healthy community living and help to reduce the triggers that lead to relapse of substance use. Individual written service plans are developed for each consumer moving into this phase of community based treatment and help teach consumers how to avoid drug and alcohol use while strengthening healthy social supports using wellness and recovery principles.

4. Desired Results

DRS aims to increase consumers’ successful adjustment to community living after completion of dual recovery residential program by reducing the relapse rate.

5. What evidence-based practice(s) will be used? How will fidelity be monitored? What are the measurable goals for the program (how will the program assess successful outcomes?)

1. **Program Name:** Supported Education Services (SEES)

2. **Program Description:**

Address of Delivery Site: 339 Pajaro St., Salinas, CA 93901

Program Schedule: Monday through Friday, 8am – 5pm

Limitation of Service Clients are referred by the Monterey County Behavioral Health Department.

Target # of Consumers: 40

The Supported Education Services program (SEES) assists adults with psychiatric disabilities to be successful in the educational environment of their choice. The program's services include assistance with class enrollment, coordination of services with the educational institution, and ongoing support while consumers are pursuing their educational endeavors. The SEES program provides at least eight (8) informational presentations within Interim and MCBHB on Supported Education Services, and facilitates two (2) Peer Support Groups each week.

3. **Program Purpose**

SEES provides consumers with the ability to access and sustain their educational endeavors as well as establish possible vocational plans.

4. **Desired Results**

Supported Education is a SAMHSA Evidence Based Practice. The community benefits include consumers having access and continuing to use the educational environment of their choice. Also, this program allows for diversity within the educational system. The onset of mental illness most commonly occurs between the ages of 15 and 21 when young people are beginning to develop their adult roles. During this time, they are completing their education that prepares them to work, developing relationships that create a social network, and learning their rights and responsibilities within their communities. The onset of a mental illness disrupts this process. Once disrupted, it is extraordinarily difficult to recreate.

Supported Education programs help consumers pursue their individual educational goals. Offered in tandem with Supported Employment, these programs help consumers develop a sense of self-efficacy and independence. Supported Education encourages consumers to think about and plan for their future. It provides an important step to help consumers use their innate talents and abilities and pursue their personal recovery goals. Also, Supported Education promotes career development to improve long-term work opportunities.

Supported Education follows the “choose-get-keep” model, which helps consumers make choices about paths for education and training, get appropriate education and training opportunities, and keep their student status until they achieve their goals.

5. **What evidence-based practice(s) will be used? How will fidelity be monitored? What are the measurable goals for the program (how will the program assess successful outcomes?)**

PROGRAM FOURTEEN:

1. **Program Name:** Workforce Education & Training (WET)

2. **Program Description:**

Address of Delivery Site: 339 Pajaro St., Salinas, CA 93901

Program Schedule: Monday through Friday, 8am – 5pm

Limitation of Service: Clients are self – referred

Target # of Consumers: 60

Workforce Education & Training (WET) promotes successful employment of consumers and family members in the public mental health system in Monterey County. The program provides outreach, recruitment, employment support services, job analysis, training, and job coaching for mental health consumers or family members to promote a diverse and stable mental health workforce. The WET program provides twenty-four (24) trainings per fiscal year on skill development and facilitates three (3) vocational support groups per month.

All services are consistent with MHSA guidelines and incorporate the General Standards set forth in Title 9, California Code of Regulations (CCR), Section 3320:1) wellness, recovery and resilience, 2)

cultural competence, 3) consumer and family driven mental health services, 4) an integrated service experience, and 5) collaboration with the community.

3. Program Purpose

WET provides consumers with gainful employment in the mental health workforce thereby giving them an ability to influence the system of care. This program also helps promote recovery, and creates a more collaborative community.

4. Desired Results

The community benefits include having those who understand and who have experienced the mental health system as consumers or family members share their first-hand experience. Also, this program allows for diversity and improvement to the mental health workforce. Consumer operated or peer support services are an evidence based practice recognized by SAMHSA. Consumer-operated services have diverse sets of practices, but research has recognized four basic types of functions: mutual support, community building, providing services, and advocacy. Some consumer-operated services assume all four of these functions; others emphasize only some of them. People with common life experiences have a unique capacity to help each other because they share a deep understanding that might not exist in other relationships. Mutual support exemplifies the “helper’s principle” which means that both parties benefit from the process. When peers support each other in this way, there is no need to designate who is the “helper” and who is the “helpee.” They might switch back and forth in these roles or act simultaneously. The WET program recruits and trains peers and family member to work in the public mental health system and provides training and support to help consumers and family members effectively work in their jobs.

5. What evidence-based practice(s) will be used? How will fidelity be monitored? What are the measurable goals for the program (how will the program assess successful outcomes?)

The WNs also follow up with a visit or phone call to continue linking clients to services. The Peer Partners for Health is a voluntary training and peer support program focusing on clients who are either in the crisis residential program at Manzanita and/or the Natividad Medical Center in-patient unit to help them with their transition into the community after they are discharged. PROGRAM TWENTY:

- 1. **Program Name:** Chinatown Community Learning Center with California State University at Monterey Bay (CSUMB)
- 2. **Program Description:**

Address of Delivery Site: 20 Soledad St., Salinas, CA 93901

Program Schedule: Monday through Friday, 9am – 5pm.

Target # of Consumers: 300

Interim continues to sub-contract this service to CSUMB and provides oversight for CSUMB’s Chinatown Community Learning Center (CCLC) initiative. The purpose of the collaboration is to enable CSUMB to continue to offer qualified Master of Social Work (MSW) support for the homeless and other marginalized populations in the Chinatown neighborhood of Salinas at the Chinatown Community Learning Center. The Community Learning Center is a resource center with office and classroom space devoted to serving the needs of the homeless and other marginalized residents of the Chinatown neighborhood and surrounding areas. The Center’s staff provides structured learning opportunities, access to social services, and supports the development of micro-enterprise activities that serve the needs of the homeless and marginalized in Chinatown, many of whom are also struggling with mental health and addiction issues. Interim provides guidance on setting and meeting goals as well as monitor contract outcomes.

In 2015-16, CSUMB expanded their efforts to include a cohort of 4 MSW students working under the supervision of a faculty member. This unique faculty-led model allows for additional supportive training opportunities in agencies or communities with a dearth of professional social workers who can provide field supervision, or in high-risk, disenfranchised communities where student support is critical. This cohort of MSW students work as a team and provide 64 hours per week of social work service to Chinatown residents. The primary function of the team is to provide ongoing supportive counseling to clients, with a focus on pathways to housing and employment. Students are onsite and available to offer supportive case management, attempting to meet the challenges faced by client residents of Chinatown. They also work closely with related service providers to help clients move off the street and into housing and viable employment.

3. **Program Purpose**

The Chinatown community faces many challenges, as it serves as the main gathering place for homeless persons in our region. With a service-provider-to-client ratio that is sorely tipped toward under-

provision, the numbers of encampments growing, and a significant rise in violence and crime over the past year, the neighborhood and its residents continue to be at-risk, disenfranchised, marginalized and woefully underserved.

The Chinatown Community Learning Center program addresses a number of community needs including: providing clients with cognitive behavioral and other psychosocial education classes, which help clients develop coping skills; helping clients enroll in Medi-Cal and thereby helping them care for their health; helping clients enroll in CalFresh, and providing them with snacks, thereby helping clients increase their basic nutrition ; assisting clients with social security issues thereby helping some of them secure their own housing; assisting some clients secure employment within the Center, which helps them develop work skills, increases their income, and for some, allows them to provide for their own housing.

4. Desired Results

The Center provides a safe, warm, respectful, and inviting resource center devoted to serving the needs of the homeless and other marginalized residents of Chinatown. The Center contributes to a safer neighborhood by teaching a portion of the population coping skills, communication skills, conflict resolution skills, mood/anger management skills which all likely result in reduced violence.

5. What evidence-based practice(s) will be used? How will fidelity be monitored? What are the measurable goals for the program (how will the program assess successful outcomes?)

Evidenced Based Practice: Motivational Interviewing

Fidelity will be monitored through training, ongoing supervision and observation of intern practice.

Goal	Measurement & Data Source

6. Who are the partners involved in program implementation?

The Community Learning Center enjoys active collaboration with Interim’s MCHOME program as well as other service providers in the Chinatown area including Sun Street Centers, Clinica de Salud, Dorothy’s Place, Victory Mission, Center for Independent Living, etc.

7. What are the eligibility criteria for admission to the program?

The population to be served is homeless adults in Chinatown Salinas, who may have a serious mental illness and/or substance use disorder. There are no eligibility criteria for engaging in the services the Chinatown Community Learning Center offers. They are voluntary clients who freely engage in services at their will.

8. What are the health equity goals (how the program will address health disparities and access to services, especially by underserved/unserved populations)?

The Community Learning Center program serves clients living in Chinatown area. These (approximately 170) people live in makeshift shelters and tents. They are generally jobless. They generally suffer from various degrees of mental health issues. Many are actively addicted to street drugs. Most are disconnected from family or other supportive networks. Many suffer significant health issues. They are a disenfranchised population in a medically underserved area. The Community Learning Center is open to all of them, and as such works to address health disparities through a program of supportive community case management and numerous other supportive education and counseling opportunities, all with a goal of helping this population access services.

9. How does the program demonstrate the following principles: Family and Consumer Driven; Accessible and Timely Services; Wellness and Recovery; Culturally and Linguistically Competent; Strength and Resiliency; Integrated and Coordinated Services.

The CSUMB Chinatown Community Learning Center MSW interns and center staff use Motivational Interviewing to ensure services align with the consumer’s readiness for change. They are trained in and use a strengths-based and recovery focused model and deliver services that are based on individualized goals, set jointly between staff and individuals seeking services. Psychosocial educational and skill development groups are based on observed needs as well as ongoing feedback from participants. All services are voluntary.

Because the Center is located within the living environment of the homeless population and is open every day for voluntary walk-ins, services are accessible and timely. The addition of the MSW cohort has insured cultural/linguistic diversity among the service providers.

Services are integrated and coordinated with members of the Coalition of Homeless Services Providers and other providers in the Chinatown area.

10. Program Capacity and Total Annual Number to Be Served in the Program.

CSUMB’s Chinatown Community Learning Center’s Program has the capacity to serve up to 20-30 unique service users per day in the wide variety of services and classes offered. The annual number to be served is 300 unique individuals.

IV. PAYMENT CONDITIONS

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act ("MHSA"), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Allowances (CMA), which is based on the most recent State's Schedule of Maximum Allowances (SMA) as established by the State's Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section V.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have

funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.

- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The

County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$ 30,833,764** for services rendered under this Agreement.
- B. Maximum Annual Liability:

AGREEMENT TOTAL MAXIMUM COUNTY LIABILITY	\$ 30,833,764		

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI HEALTHY FAMILIES

The Short-Doyle/Medi-Cal (SD/MC) claims processing system enables California county Mental Health Plans (MHPs) to obtain reimbursement of Federal funds for medically necessary specialty mental health services provided to Medi-Cal-eligible beneficiaries and to Healthy Families subscribers diagnosed as Seriously Emotionally Disturbed (SED). The Mental Health Medi-Cal program oversees the SD/MC claims processing

system. Authority for the Mental Health Medi-Cal program is governed by Federal and California statutes.

A. If, under this Agreement, CONTRACTOR has Funded Programs that include Short-Doyle/Medi-Cal services and/or Healthy Families services, CONTRACTOR shall certify in writing annually, by August 1 of each year, that all necessary documentation shall exist at the time any claims for Short-Doyle/Medi-Cal services and/or Healthy Families services are submitted by CONTRACTOR to COUNTY.

CONTRACTOR shall be solely liable and responsible for all service data and information submitted by CONTRACTOR.

B. CONTRACTOR acknowledges and agrees that the COUNTY, in under taking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Mental Health Plan for the Federal, State and local governments.

C. CONTRACTOR shall submit to COUNTY all Short-Doyle/Medi-Cal, and/or Healthy Families claims or other State required claims data within the thirty (30) calendar day time frame(s) as prescribed by this Agreement to allow the COUNTY to meet the time frames prescribed by the Federal and State governments. COUNTY shall have no liability for CONTRACTOR'S failure to comply with the time frames established under this Agreement and/or Federal and State time frames, except to the extent that such failure was through no fault of CONTRACTOR.

D. COUNTY, as the Mental Health Plan, shall submit to the State in a timely manner claims for Short-Doyle/Medi-Cal services, and/or Healthy Families services only for those services/activities identified and entered into the COUNTY'S claims processing information system which are compliant with Federal and State requirements. COUNTY shall make available to CONTRACTOR any subsequent State approvals or denials of such claims upon request by the CONTRACTOR.

E. CONTRACTOR acknowledges and agrees that COUNTY'S final payment for services and activities claimed by CONTRACTOR Short-Doyle/Medi-Cal services and/or Healthy Families services is contingent upon reimbursement from the Federal and State governments and that COUNTY'S provisional payment for said services does not render COUNTY in any way responsible for payment of, or liable for, CONTRACTOR'S claims for payment for these services.

F. CONTRACTOR'S ability to retain payment for such services and/or activities is entirely dependent upon CONTRACTOR'S compliance with all laws and regulations related to same.

G. Notwithstanding any other provision of this Agreement, CONTRACTOR shall hold COUNTY harmless from and against any loss to CONTRACTOR resulting from the denial or disallowance of claim(s) for or any audit disallowances related to said services, including any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-

Cal Administrative Activities, and/or Title XXI Healthy Families services/activities, by the Federal, State or COUNTY governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the COUNTY.

- H. CONTRACTOR shall repay to COUNTY the amount paid by COUNTY to CONTRACTOR for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services/ activities subsequently denied or disallowed by Federal, State and/or COUNTY government.
- I. Notwithstanding any other provision of this Agreement, CONTRACTOR agrees that the COUNTY may off set future payments to the CONTRACTOR and/or demand repayment from CONTRACTOR when amounts are owed to the COUNTY pursuant to Subparagraphs G. and H. above. Such demand for repayment and CONTRACTOR'S repayment shall be in accordance with Exhibit I, Section IV (Method of Payments for Amounts Due to County) of this Agreement.
- J. CONTRACTOR shall comply with all written instructions provided to CONTRACTOR by the COUNTY, State or other applicable payer source regarding claiming and documentation.
- K. Nothing in this Section VIII shall be construed to limit CONTRACTOR'S rights to appeal Federal and State settlement and/or audit findings in accordance with the applicable Federal and State regulations.

IX. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

- A. CONTRACTOR shall comply with all Federal, State and COUNTY requirements and procedures relating to:
 - (a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with the State Department of Mental Health guidelines and WIC sections 5709 and 5710.
 - (b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicaid, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. CONTRACTOR shall pursue and report collection of all patient/client and other revenue.
- B. All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by CONTRACTOR only for the delivery of mental health service/activities specified in this Agreement.

- C. CONTRACTOR may retain unanticipated program revenue, under this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Agreement. CONTRACTOR shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Report(s) and Cost Report Settlement submitted by CONTRACTOR to COUNTY.
- D. CONTRACTOR shall not retain any fees paid by any sources for, or on behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental health services for which fees were paid.
- E. CONTRACTOR may retain any interest and/or return which may be received, earned or collected from any funds paid by COUNTY to CONTRACTOR, provided that CONTRACTOR shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Agreement.
- F. Failure of CONTRACTOR to report in all its claims and in its Annual Report(s) and Cost Report Settlement all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, and all interest and return on funds paid by COUNTY to CONTRACTOR, shall result in:
 - 1. CONTRACTOR'S submission of a revised claim statement and/or Annual Report(s) and Cost Report Settlement showing all such non-reported revenue.
 - 2. A report by COUNTY to State of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries and/or COUNTY'S revision of the Annual Report(s).
 - 3. Any appropriate financial adjustment to CONTRACTOR'S reimbursement.

X. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ ACTIVITIES TO BE RENDERED OR FIXED RATE PAYMENTS

- A. The Maximum Contract Amount for each period of this Agreement includes Cash Flow Advance (CFA) or fixed rate payments which is an advance of funds to be repaid by CONTRACTOR through the provision of appropriate services/activities under this Agreement during the applicable period.
- B. For each month of each period of this Agreement, COUNTY shall reimburse CONTRACTOR based upon CONTRACTOR'S submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes.
- C. CFA shall consist of, and shall be payable only from, the Maximum Contract Amount for the particular fiscal year in which the related services are to be rendered and upon which the request(s) is (are) based.

- D. CFA is intended to provide cash flow to CONTRACTOR pending CONTRACTOR'S rendering and billing of eligible services/activities, as identified in this Exhibit B, Sections III. and V., and COUNTY payment thereof. CONTRACTOR may request each monthly Cash Flow Advance only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.
- E. Cash Flow Advance (CFA) Invoice. For each month for which CONTRACTOR is eligible to request and receive a CFA, CONTRACTOR must submit to the COUNTY an invoice of a CFA in a format that is in compliance with the funding source and the amount of CFA CONTRACTOR is requesting. In addition, the CONTRACTOR must submit supporting documentation of expenses incurred in the prior month to receive future CFAs.
- F. Upon receipt of the Invoice, COUNTY, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.
- G. If a CFA is not approved, COUNTY will notify CONTRACTOR within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, CONTRACTOR may, within fifteen (15) calendar days, request reconsideration of the decision.
- H. Year-end Settlement. CONTRACTOR shall adhere to all settlement and audit provisions specified in Exhibit I, of this Agreement, for all CFAs received during the fiscal year.
- I. Should CONTRACTOR request and receive CFAs, CONTRACTOR shall exercise cash management of such CFAs in a prudent manner.

In addition, CONTRACTOR shall obtain COUNTY's authorization to such disclosure prior to any release of confidential information. **EXHIBIT E:
ASSURANCE OF COMPLIANCE WITH
MONTEREY COUNTY CULTURAL COMPETENCY POLICY**

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.

- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Triqui and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Triqui, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate

reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond in an appropriate and respectful manner.
4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

(“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

1. DEFINITIONS

2. PERMITTED USES AND DISCLOSURES OF PHI

2.1 Unless otherwise limited herein, Business Associate may:

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume

responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

4. TERMS AND TERMINATION

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

 1. Failure to submit the CONTRACTOR'S Year-End Cost Report Settlement within thirty (30) calendar days after the due date specified by written notice of the COUNTY is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:
 - a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A)

to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the CONTRACTOR'S Year-End Cost Report Settlement is submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified by the COUNTY, of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the CONTRACTOR'S Year-End Cost Report Settlement to avoid disallowance of claim(s) or withholding of payment(s).

b. In such instance that CONTRACTOR does not submit the CONTRACTOR'S Year-End Cost Report Settlement by thirty (30) calendar days after the applicable due date specified by written notice of the COUNTY, COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.

B. All payments made to the CONTRACTOR and the actual Federal Financial Participation (FFP) revenue generated by the CONTRACTOR shall be reconciled with CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement. CONTRACTOR'S Year-End Cost Report Settlement shall be based upon the allowable costs as stipulated in Exhibit B, Section VI, Subsection B, less any deductible revenues collected by CONTRACTOR from other payor sources. FFP revenue shall be based upon the FFP claimed by the CONTRACTOR in accordance to the provision of Exhibit B and the reconciled amount of FFP as reflected in the State Cost Report Settlement. Such settlement shall be subject to the terms and conditions of this Agreement and all other applicable Federal, State and local statutes, regulations, policies, procedures and/or other requirements. In addition, audit procedures may be performed by the COUNTY in accordance with the Generally Accepted Accounting Principles and Generally Accepted Auditing Standards.

C. COUNTY shall issue its findings regarding CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement ("COUNTY'S Findings") at any time after the COUNTY received the calculation of the cost settlement from the CONTRACTOR and/or COUNTY completed the State Cost Settlement process.

1. As part of its cost report settlement, COUNTY shall identify any amounts due to CONTRACTOR by the COUNTY or due from the CONTRACTOR to the COUNTY.

2. Upon issuance of the COUNTY'S Findings, CONTRACTOR may, within thirty (30) calendar days, submit a written request to the COUNTY for review of the Findings.
 - a. Upon receipt by COUNTY of the CONTRACTOR'S written request, the COUNTY shall, within thirty (30) calendar days, meet with the CONTRACTOR to review the COUNTY'S Findings and to consider any documentation or information presented by the CONTRACTOR. CONTRACTOR may waive such meeting and elect to proceed based on written submission at its sole discretion.
 - b. Within thirty (30) calendar days of the meeting specified in Subsection C., 2., a. above, or if no meeting is requested, within thirty (30) calendar days of the issuance of the COUNTY'S Findings, COUNTY shall issue a final cost report settlement finding to the CONTRACTOR including confirming or adjusting any amounts due to CONTRACTOR by the COUNTY or due from CONTRACTOR to the COUNTY.
3. In the event that the COUNTY'S Findings indicates that the CONTRACTOR is due payment from the COUNTY, COUNTY shall make payment to CONTRACTOR within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2., b. above, whichever is later.
4. In the event that the COUNTY'S Findings indicates that the CONTRACTOR owes payments to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2. b. above, whichever is later. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.
5. Regardless of any other provision of this Section II, reimbursement to CONTRACTOR shall not exceed the Maximum Contract Amount and shall not exceed the Maximum Program Amount for each Funded Program, as identified in Exhibit B.

III. COST REPORT TRAINING

CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further cost report training as needed and/or as required according to changes in the State cost report requirements. Failure by the CONTRACTOR to attend the one-time mandatory cost report training, and subsequent training(s), as needed and requested by the COUNTY, may result in disallowance of any claims for payment. If CONTRACTOR continues to neglect attendance to scheduled

training(s), claims for payment shall be disallowed due to delayed training completion or non-compliance.

IV. AUDIT(S) AND AUDIT APPEALS

- A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.
- B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.
- C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.
1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.
 2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.
 3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

- D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.
1. For Federal audit exceptions, Federal audit appeal processes shall be followed.
 2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.
 3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.
 - a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.
 - b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.
- E. Notwithstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.
- F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report within which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

V. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY

- A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

Any such amount shall be:

1. paid in one cash payment by CONTRACTOR to COUNTY;
 2. deducted from future claims over a period not to exceed six (6) months;
 3. deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;
 4. paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; or
 5. a combination of any or all of the above.
- B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.
