PUBLIC COMMENT:

Name	Site Neighbor?	Issues / Concerns (suggested changes)

Public Comment Neighbor

Suggested Changes

	YES	NO	
1. Courtney Meyer New deck addition will block light to office. Mass and bulk has impact on material light to her residence.	✓		Consider open railing around top of deck where solid wall is presently proposed.
2. Jay Sinclair - concerns for mass of proposed residence. Eaves of residence intrude on side yard set backs.	✓		Eaves cannot extend into set backs more than 2 1/2 ft. Title 20, Section 20.62.040, C. Reduce eaves particularly at southeast corner of proposed home.
3. Mark Larsen has concerns regarding drainage. He is neighbor to the north. Where will rain water go?	✓		Applicant must show drainage system and where rain water will be collected and dispersed.
4. Pat Sinclair - neighbor directly across Prater Rd. Stucco wall of deck adds to mass of home. Wall at top of deck should be a design of railings that provide safety but also reduces mass of solid deck wall.	✓		See-Three type of railings that let light thru and also help reduce impact of mass in area where deck is proposed.

LUAC Committee Comments:

- Lighting of deck and at front entrance and garage and along walls of patio must meet county ordinance. Steps up to deck floor, along stair way - to deck area should be at foot level. No lights should be allowed along top of wall that is shown, pg. A1.3, a round perimeter of residence (wood fence or concrete wall) not to exceed 6 ft. as required by county.
- Smoke concerns from outdoor fire place designed in front patio. Applicant was stated that gas will be source of heat in outdoor patio fireplace.
- Privacy for neighbors from proposed deck, massing of proposed deck, and integrated into the proposed architecture.

LUAC AREAS OF CONCERN

Concerns / Issues (e.g. site layout, neighborhood compatibility; visual impact, etc)	Policy/Ordinance Reference (If Known)	Suggested Changes - to address concerns (e.g. relocate; reduce height; move road access, etc)

ADDITIONAL LUAC COMMENTS

RECOMMENDATION:

Motion by: B. Rainer - to approve (LUAC Member's Name)

with conditions #1. correct eave overhang that extends over 2 1/2 ft. into set-back. #2. Concern for privacy where

Second by: B. Littell (LUAC Member's Name)

deck and stairs to deck are proposed. Wall of deck should be open railing, not solid stucco wall (helps reduce mass) #3. All outdoor lighting must meet County ordinance and steps to outdoor deck should be at foot level. #4. Address drainage concerns at north side yard of project.
