negligence or willful misconduct of County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

8.0 INSURANCE

8.1 Evidence of Coverage:

8.1.1 Prior to commencement of this AGREEMENT, CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition CONTRACTOR upon request shall provide a certified copy of the policy or policies.

8.1.2 This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. CONTRACTOR shall not receive a "Notice to Proceed" with the work under this AGREEMENT until it has obtained all insurance required and such, insurance has been approved by County. This approval of insurance shall neither relieve nor decrease the liability of CONTRACTOR.

8.2 Qualifying Insurers: All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by County's Purchasing Officer.

8.3 Insurance Coverage Requirements:

8.3.1 Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this AGREEMENT a policy or policies of insurance with the following minimum limits of liability:

8.3.1.1 Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

8.3.2 Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this AGREEMENT, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

8.3.3 Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this AGREEMENT, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less

than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

8.3.4 Professional liability insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, CONTRACTOR shall, upon the expiration or earlier termination of this AGREEMENT, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this AGREEMENT.

8.4 Other Insurance Requirements:

8.4.1 All insurance required by this AGREEMENT shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this AGREEMENT, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this AGREEMENT.

8.4.2 Each liability policy shall provide that County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this AGREEMENT, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

8.4.3 Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

8.4.4 Prior to the execution of this AGREEMENT by County, CONTRACTOR shall file certificates of insurance with County's contract administrator and County's

Contracts/Purchasing Division, showing that CONTRACTOR has in effect the insurance required by this AGREEMENT. CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this AGREEMENT, which shall continue in full force and effect.

- 8.4.5 CONTRACTOR shall at all times during the term of this AGREEMENT maintain in force the insurance coverage required under this AGREEMENT and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this AGREEMENT, which entitles County, at its sole discretion, to terminate this AGREEMENT immediately.

9.0 ADDITIONAL REQUIREMENTS

- 9.1 CONTRACTOR shall submit a list of all employees performing work under this AGREEMENT within ten (10) days from the start of this AGREEMENT.
- 9.2 Criminal Background Checks: CONTRACTOR shall have all employees fingerprinted and background checks initiated within ten (10) days from the start of the AGREEMENT unless there are extenuating circumstances beyond the CONTRACTOR'S control. If such circumstances occur, the County shall be so advised in writing prior to the tenth (10th) day of the AGREEMENT and a new deadline approved by the County. If the CONTRACTOR fails to have the designated employees processed within the time limit, payment for services rendered may be withheld. Background check shall be completed prior to allowing an employee to begin work on County premises.
- 9.2.1 A California licensed Investigator must perform the required State level criminal background check(s) which shall then be submitted to the County prior to the personnel being allowed to work within such County facilities. CONTRACTOR is responsible for the cost of the State level criminal background checks.
- 9.2.2 Exception: personnel who are designated to provide services at any of the Sheriff's facilities shall undergo fingerprinting and background checks through the Sheriff's main office, at no cost to CONTRACTOR. - 10.3 Termination for Breach and/or Default; Except in the case of delay or failure resulting from circumstances beyond the control and without the fault or negligence of CONTRACTOR and/or its subcontractor(s) or suppliers, the COUNTY shall be entitled, by written or oral notice, to cancel and terminate this AGREEMENT in its entirety or in part.

11.0 RIGHTS AND REMEDIES OF THE COUNTY FOR DEFAULT

In the case of default by CONTRACTOR, the County may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due the CONTRACTOR or by proceeding against any performance bond of CONTRACTOR, if any, or by suit against CONTRACTOR. The prices paid to the County shall be considered liquidated damages and calculated at 2% of the monthly location bill for each occurrence. Inspections of deliveries or offers for deliveries that do not meet specifications shall be made at the expense of CONTRACTOR.

CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code, §12900, et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, §7285.0, et seq.).
- 13.2 The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, §12990, et seq., set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.

14.0 INDEPENDENT CONTRACTOR

- 14.1 CONTRACTOR shall be an independent contractor and shall not be an employee of County, nor immediate family of an employee of the County. CONTRACTOR shall be responsible for all insurance (General Liability, Automobile, Workers' Compensation, unemployment, etc.) and all payroll-related taxes. CONTRACTOR shall not be entitled to any employee benefits. The CONTRACTOR shall control the manner and means of accomplishing the result contracted for herein.
- 14.2 Non-Assignment: CONTRACTOR shall not assign this contract without the prior written consent of the County.
