22. County Administration Officer Comments and Referrals

Charles McKee, County Administrative Officer from the County Administrative office made no comments and shared there are two new referrals this week:

One new referral from Supervisor Mary L. Adams: Referral 2021.11
Referral Purpose: To establish June 19th, also known as Juneteenth, as an official County holiday.

One new referral from Supervisor John M. Phillips: Referral 2021.12:
Referral Purpose: To consider a review of the Cannabis Program's efficiencies, particularly the processes for permit review and compliance inspections. Insignificant progress has been made towards local authorizations for cannabis operators related to land use and building permits, which impacts the industry's ability to be considered for state annual licenses. Disparate departmental staff funded solely by cannabis revenue should report directly to the Cannabis Program Manager to expedite permit submittal and reporting efficiencies. This would serve to not only expedite current cannabis permitting, but would in-turn free up staff dedicated to cannabis to more quickly focus on other programs.
