The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

JUSTIFICATION OF SOLE SOURCE/SOLE BRAND REQUEST

Purchase Requisition Number N/A Date 07.06.17

Description of Item: Operated Equipment Rental: Asphalt Grinder

1. Please indicate the following:

Procurement: ☐ Goods
☒ Services

(Check One)

☒ Sole Source: Item is available from one source only. Item is a one-of-a kind and is not sold through distributors. Manufacturer is exclusive distributor.

☐ Sole Brand: Various sources can supply the specified model and brand and competitive bids will be solicited for the requested brand only. Meets form, fit and function- nothing else will do.

Note: Sole Source/Sole Brand Requests are not maintained as a standing request.
Each request is for a single one-time purchase only.

2. Vendor Selection:

☐ Preferred Vendor
☒ Sole Source

Vendor Name: Granite Rock Company, dba FMG
Address: PO Box 50001, Watsonville, CA 95077
Phone Number: (408) 573-9364 Fax: (408) 573-8364
Contact Person: Ricardo Buenrostro Title: Operations Manager
Federal Employer #: 77-0538941

3. Provide a brief description of the goods/services to be purchased and why this purchase is being proposed under a sole source acquisition.

a) Why were product and/or vendor chosen?

- Correct size and type of equipment needed.
- Large inventory of locally available machines and operators.
- Close proximity/location of office and service facility.
- Reputation for reliable performance, service and cost effectiveness.
- Excellent safety record.

b) What are the unique performance features of the product/brand requested that are not available in any other product/brand? For Services: what unique qualifications, rights, and licenses does the vendor possess to qualify as a sole source/brand request?

- FMG is the only source of an operated and maintained track-mounted paving machine small enough to fit within a 4' wide excavation, which is necessary to pave back the road section that is removed during our pavement repair projects. No other company has such a piece of equipment available in Northern California. It is not possible to rent this machine "bare" from any source.

c) Why are these specific features/qualifications required?

- Track-type asphalt grinders and pavers are fully operated and maintained.
- Machines are designed specifically for the size and type of asphalt grinding and paving we are currently performing and need to continue to perform for years to come.
- Quinn, United Rentals, Hertz-do not have these machines available to rent.
- Contractors Don Chapin, Monterey Peninsula Engineering, Granite, Dryco, ABSL, ANRAK & Galeridge-either don't have grinders to rent, don't have the correct size or type and none have the 4' paving machine.

d) Why are other sources providing like goods or services unacceptable (please give a full meaningful explanation)?

- No one is providing like goods or services in Northern California-no one has a 4' paving machine, other than Granite Rock dba FMG.

e) What are the unique performance features REQUIRED (not merely preferred), and how would your requirement be inhibited without this particular item or service?

- Correct size and type of paving machine.
- Could not perform the road repairs efficiently, safely or to the quality standards required.

f) Estimated Costs:

- \$100,000-200,000/year, based on historical Road Fund budget.

4. Is there an unusual or compelling urgency associated with this project?
