APN: Monterey County, 419-141-015

LICENSE AGREEMENT

Jonathan C. and Margaret Jane Wooster, Trustees of the 1993 Wooster Revocable Trust dated December 1, 1993, hereinafter referred to as "Grantors", grant to the County of Monterey, a Political Subdivision of the State of California, hereinafter referred to as the "County", a license over, upon, and across a portion of that real property in the County of Monterey, State of California, described in Exhibit 1 (hereinafter, the "Licensed Area"), attached hereto and incorporated herein by this reference. Grantors and the County are collectively referred to herein as the "Parties".

County desires to acquire this license ("License") for the purpose of inspecting, maintaining, and repairing the Lonoak Road Bridge located adjacent to the Licensed Area.

This License is granted under the express conditions listed below:

1. The County shall pay to Grantors monetary compensation in the amount of \$1,000 for the granting of this License as set forth in the Amendment to the Real Property Purchase Agreement executed by the County and Grantors effective as of December 11, 2012. Upon receipt of this License Agreement, duly executed and acknowledged, the County shall arrange for its recordation. The County shall pay any and all costs associated with this transaction.
2. Grantors grant to the County a License to enter the Licensed Area for the sole and exclusive purposes of inspecting, maintaining, and repairing the Lonoak Road Bridge located adjacent to the Licensed Area. All other uses are prohibited. The County covenants that no equipment, materials or supplies will be stored in the Licensed Area. In exercising its rights hereunder, the County shall use reasonable care and may not unreasonably increase the burden on the Licensed Area.
3. The License shall continue until terminated pursuant to Section 4 hereof.
4. Grantors may terminate this License upon the County breaching any of the terms or conditions of this License by sending the County written notice of the termination. In

the event that Grantors transfer ownership of the Licensed Area to a non-related entity, then the License shall terminate, and the County shall instead have an easement over the Licensed Area for use under the same terms set forth in this License. This section shall not apply to transfers of ownership to related entities, including but not limited to transfers to Grantors' relatives or to any entity fully or partially owned by Grantors or Grantors' relatives.

5. Should the County damage or otherwise affect the Licensed Area in any non-permitted manner, the County shall, at the County's sole expense, promptly restore and repair any such damage.

6. The County, as a material part of the consideration to be rendered to Grantors under this Agreement, waives all claims against Grantors for injuries to persons, death, or injury to or loss of property in or about the Licensed Area, from any cause arising at any time, arising out of or in connection with the County's use of the License Area, excepting loss, injury, or damage caused by the negligence or willful misconduct of Grantor or Grantor's agents, employees, invitees, and contractors. The County shall indemnify, defend (with counsel reasonably acceptable to Grantors), protect and hold Grantors and its members, partners, employees and agents harmless from any action, cause of action, claim, cost, damage, demand, expense (including reasonable attorneys' fees and costs of suit), fine, judgment, liability, loss or penalty that arises from, or relates to, this License or the entry onto the Licensed Area by the County or its agents, employees, invitees, contractors and subcontractors or the use of the License Area by the County or its agents, employees, invitees, contractors and subcontractors excepting those caused by the negligence or willful misconduct of Grantor or Grantor's agents, employees, invitees, and contractors.

7. This License and the Amendment to the Real Property Purchase Agreement executed by the County and Grantors effective as of December 11, 2012 contain the entire agreement between the Parties regarding the License, and they may not be amended, modified or supplemented except by a written agreement executed by all the Parties.

8. This License is personal to the County and shall not be assigned without Grantors' prior written consent. Any attempted assignment by the County without Grantors' prior written consent shall automatically terminate the License. No legal title or leasehold interest in the Licensed Area is created or vested in the County by the grant of this License.

9. In the event any party hereto institutes an action or proceeding to enforce any rights arising under this License, the party prevailing in such action or proceeding shall be paid all reasonable attorneys' fees and costs. These costs include, without limitation, expert witness fees, investigation costs, costs of tests and analysis, travel and accommodation expenses, deposition and trial transcript costs and court costs.

10. This License shall be binding upon and shall inure to the benefit of the Parties hereto and their permitted successors and assigns.

IN WITNESS WHEREOF, the Parties have executed this License Agreement as of the date first written above.
