LAND CONSERVATION AGREEMENT

OFFICE OF THE CLERK
COUNTY OF MONTEREY
SALINAS, CALIFORNIA

NO FEE
NO FEE

THIS AGREEMENT made and entered into this 31st day of January, 1969, ~~1968~~, by and between the COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter called "County", and LUCIO ECHENIQUE, LUIS P. ECHENIQUE, FRANCIS D. ECHENIQUE and RICARDO ECHENIQUE hereinafter called "Owner".

WITNESSETH:

WHEREAS, Owner possesses certain real property located within the County of Monterey, State of California, which is presently devoted to the production of food and fibre and is described in Exhibit A attached hereto and made a part hereof; and

WHEREAS, the property is located in an agricultural preserve (No. 69-12) heretofore established by County by Resolution No. 69-35-12; and

WHEREAS, both Owner and County desire to limit the use of the property to agricultural and compatible uses; and

NOW, THEREFORE, County and Owner agree as follows:

1. AGREEMENT SUBJECT TO CALIFORNIA LAND CONSERVATION ACT OF 1965

This agreement is entered into pursuant to Chapter 7 (commencing with Section 51200) of Part 1, Division 1, Title 5 of the Government Code, which is known as the California Land Conservation Act of 1965. This agreement is subject to all of the provisions of this Act including any amendments thereto which may be enacted from time to time which are specifically applicable to agreements under Article 3.5 of Chapter 7.

2. RESTRICTION ON USE OF PROPERTY

During the term of this agreement, and any and all renewals thereof, the property described in Exhibit A shall not be used by Owner, or Owner's successors in interest, for any purpose other than the production of food and fibre for commercial purposes and uses compatible thereto. A list of all such compatible uses is set forth in Exhibit B, attached hereto and by this reference incorporated herein. County, by uniform rule adopted by the Board of Supervisors of County, may from time to time during the term of this agreement and all renewals thereof, add to the list of compatible uses which shall be uniform throughout the agricultural preserve in which the property in Exhibit A is located; provided, however, County may not during the term of this agreement or any renewal thereof, without the prior written consent of Owner, remove any of the compatible uses for the subject property which are set forth in Exhibit B. The provisions of this agreement and any uniform rule supplementing the list of compatible uses are not intended to limit or supersede the planning and zoning powers of County.

3. TERM OF AGREEMENT

This agreement shall become effective on the 28th day of

G 05455

February, 1969, and shall remain in full force and effect for an initial term of twenty years. The initial term of twenty years shall be measured commencing as of the first day of January next succeeding the date of execution. Each succeeding first day of January shall be deemed to be the annual renewal date of this agreement. This agreement shall be automatically renewed on each succeeding January 1 and one additional year shall be added automatically to the initial term unless notice of nonrenewal is given as provided in paragraph 4.

4. NOTICE OF NONRENEWAL

(a) If either party desires in any year not to renew this agreement, that party shall serve written notice of nonrenewal upon the other party in advance of the annual renewal date of this agreement. Unless such written notice of nonrenewal is served by Owner at least 90 days prior to the renewal date, or by County at least 60 days prior to the renewal date, this agreement shall be considered renewed as provided in paragraph 3 above.

(b) If either party serves written notice of nonrenewal in any year within the time limits of (a) above, this agreement shall remain in effect for the balance of the period remaining since the original execution or the last renewal of this agreement, as the case may be.

5. NO COMPENSATION

Owner shall not receive any payment from County in consideration of the obligations imposed under this agreement, it being recognized and agreed that the consideration for the execution of this agreement is the substantial benefit to be derived therefrom, and the advantage that may accrue to Owner as a result of the effect upon the assessed value of the property on account of the restrictions on the use of the property contained herein.

6. SUCCESSORS IN INTEREST

This agreement and the restrictions imposed hereunder shall run with the property described in Exhibit A and shall be binding upon the heirs, executors, administrators, trustees, successors and assigns of Owner. This agreement shall also be transferred from County to any succeeding city or county acquiring jurisdiction over the property described in Exhibit A. On the completion of annexation proceedings by a city, that city shall succeed to all rights, duties and powers of the County under this agreement for that portion of the property described in Exhibit A annexed to the city.

7. DIVISION OF LAND

This agreement is divisible in the event the property described in Exhibit A is divided. Owner agrees to submit a proposed division to County for its approval, and County shall, as a condition of its approval of the division, require the execution by Owner of an agreement identical to this agreement on each parcel created by the division. Owner agrees to execute such agreement.

8. CONDEMNATION

When any action in eminent domain for the condemnation of the fee title of any land described in Exhibit A is filed or when such land is acquired in lieu of eminent domain for a public improvement by a public agency or person, or whenever there is any such action or acquisition by the federal government, or any

person, instrumentality or agency acting under authority or power of the federal government, this agreement becomes null and void as to the land actually being condemned or so acquired as of the date the action is filed or so acquired.

9. CANCELLATION

This agreement may be canceled by the mutual agreement of the parties hereto and the approval of the State of California in the manner provided in this paragraph. It is understood by the parties hereto that the existence of an opportunity for another use of the property shall not be sufficient reason for the cancellation of this agreement. A potential alternative use of the property may be considered only if there is no proximate non-restricted land suitable for the use to which it is proposed that this property be put. The parties further understand that the uneconomic character of an existing agricultural use shall not be sufficient reason for cancellation of this agreement, but may be considered only if there is no other reasonable or comparable agricultural use to which the land may be put.

(a) Upon the written request of Owner to cancel this agreement, the Board of Supervisors of the County of Monterey may adopt a resolution consenting to such request. Prior to the adoption of a resolution consenting to the request of the landowner to cancel this agreement, the Board of Supervisors of County shall hold a public hearing on the matter. Notice of the hearing shall be mailed to each and every owner of property under agreement within the agricultural preserve in which the property described in Exhibit A is located, and shall be published pursuant to Section 6061 of the Government Code. If at the hearing, or prior thereto, the owners of 51 percent of the acreage under agreement in the agricultural preserve protest the cancellation of this agreement, the Board of Supervisors shall not consent to cancel this agreement.

(b) If the Board of Supervisors adopts a resolution consenting to the request of Owner to cancel this agreement, the parties shall request that the cancellation be approved by the State Director of Agriculture upon the recommendation of the State Board of Agriculture. The State Board of Agriculture may recommend and the State Director of Agriculture may approve the cancellation only if they find: (1) The cancellation is not inconsistent with the purposes of the California Land Conservation Act of 1965; and (2) the cancellation is in the public interest.

(c) The provisions of sub-paragraph (b) of this paragraph 9 relating to the State Board of Agriculture and the Director of Agriculture shall be applicable only if both the State Board and the State Director consent to act as described herein. If either the State Board or the State Director fail or refuse to act within 60 days after being requested to do so, the Board of Supervisors of the County of Monterey shall act in the place and stead of the State Board and State Director and shall make all findings and decisions required by sub-paragraph (b).

10. LIABILITY OF OWNER UPON CANCELLATION

(a) Upon cancellation of this agreement, and as soon thereafter as the property to which it relates is reassessed by Assessor, Owner shall pay to the County Treasurer, as deferred taxes, an amount equal to 50 percent of the new equalized assessed valuation of the property; provided, however, if after the date this agreement was initially entered into the publicly announced County ratio of assessed to full cash value is changed, the percentage

payments shall be changed so no greater percent of full cash value will be paid than would have been paid had there been no change in ratio. It is agreed by the parties hereto that the publicly announced County ratio at the time this agreement is executed is 25 percent of full cash value.

(b) If the State Board of Agriculture recommends that it is in the public interest to do so, and the State Director of Agriculture so finds, the Director may waive any such payment or any portion thereof, or may make such payment or portion thereof, contingent upon the future use made of the property and its economic return to Owner for a period of time not to exceed the unexpired term of the agreement had it not been canceled, provided: (i) the cancellation is caused by a nonvoluntary transfer or change in the use which may be made of the property and the property is not immediately suitable, nor will be immediately used, for a purpose which produces a greater economic return to Owner; and (ii) County has recommended to the State Board of Agriculture that no such payment be required or that the deferment of such payment or portion thereof be allowed, and the board has determined it is in the best interests of the public conservation of agricultural land and that such payment be either deferred or not required.

(c) The provisions of sub-paragraph (b) of this paragraph 10 relating to the State Board of Agriculture and the Director of Agriculture shall be applicable only if the State Board and the State Director both consent to act as described herein. If either the State Board or the State Director fail or refuse to act within 60 days after being requested to do so, the Board of Supervisors of the County of Monterey shall act in the place and stead of the State Board and the State Director and shall make all findings and decisions required by sub-paragraph (b).

11. NOTICES

All notices required or permitted by this agreement shall be given in writing and may be mailed or delivered in person. If mailed the address of Owner shall be the last known address on the assessment records of County, and County's address shall be In Care Of Board of Supervisors, Courthouse, Salinas, California, and deposit in the mail, postage prepaid, shall be deemed receipt thereof.

12. COSTS OF LITIGATION

In case County shall, without any fault on its part, be made a party to any litigation commenced by or against Owner, then Owner shall and will pay all costs and reasonable attorneys' fees incurred by or imposed upon County by or in connection with such litigation; and Owner shall and will pay all costs and reasonable attorneys' fees which may be incurred or paid by County in enforcing the covenants and agreements of this agreement.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be executed: by Owner on February 12, 1969 and by County on February 18, 1969.
