Referral Title: Increased Fines for Big Sur Roadside Camping Prohibition		
Referral Purpose: The purpose of this referral is to increase the administrative citation and fine amount for citations issued under Monterey County Code Section 14.18.020.A.		
Brief Referral Description (attach additional sheet as required):		
<p>On October 9, 2019, I made a Board referral entitled "Big Sur Roadside Camping Prohibition Enforcement" (attached). This is a follow up referral to request a specific fine increase, pursuant to Monterey County Code Section 1.22.100, for citations issued under Section 14.18.020.A, to the amount of \$1,000.</p> <p>Monterey County Code Section 14.18.020.A. states, "No person shall camp in the right-of-way of State Highway One between the Carmel River and the Monterey-San Luis Obispo County Line at any time." This County Code Section is enforced not just by the Sheriff's Office, but also by California State Parks, California Highway Patrol, and other law enforcement agencies active in the Big Sur Area. These agencies have provided input to the District 5 Office that enforcement could be strengthened by increasing the amount of the citation under the existing code. They recommend the fine should be significantly greater than the cost of established, permitted camping areas within the Big Sur area and that the fine amount should be consistent with litter fines of \$1,000, known to be an effective deterrent.</p>

Referral Title: Big Sur Roadside Camping Prohibition Enforcement		
Referral Purpose: Review of County Code Chapter 14.18 - Camping Prohibited to identify potential amendments to improve, clarify, and strengthen enforcement of Section 14.18.020.A.		
Brief Referral Description (attach additional sheet as required): Illegal roadside camping in the Big Sur area has created public health and safety concerns for the community, particularly regarding fire safety and dumping of waste, including human waste. Monterey County Code Section 14.18.020.A. states, "No person shall camp in the right-of-way of State Highway One between the Carmel River and the Monterey-San Luis Obispo County Line at any time." Section 14.18.040 – Enforcement, while providing discretion to peace officer, also can be interpreted as implying that citations should primarily be issued in locations with no parking signage. "No Parking" signage, or "No Roadside Camping" signage, is not in place in most turnouts on State Highway One through the Big Sur area, thereby limiting the ability of the Monterey County Sheriff's Office to issue citations. Further, the citation process requires the peace officer to obtain signatures from the occupants of the vehicle rather than being able to leave a ticket on a vehicle windshield, as is done by California State Parks enforcement officers within their jurisdiction on the Big Sur coast. The purpose of this referral is to request an analysis of this Chapter and recommendations for code amendments to improve, clarify, and strengthen the ability for Monterey County Sheriff's Office peace officers to enforce and better implement the intent of Code Section 14.18.020A.
