Subject: PLN040103EXT1 Project Continuation Status

Hi Alan,

Mr. Hansen has requested a project withdraw for the Country Lake Estates vesting tentative map extension, the vesting tentative map will expired once the project has been withdraw. As of the property owner, we would like to know if you would like to continue with the project.

The Planning Commission has denied the fee waiver request on the map extension project on July 28, 2021. To continue the project, the fees has to be paid or staff will recommend the item to be continued to a date uncertain until the fees are paid. Please let me know as soon as possible how you would want to proceed with the project.

Thanks,

Michelle
