Vision

All children reach their unique potential in a family and community that values, respects, and invests in early childhood.

Mission

We enrich the lives of children, prenatal through age five, and their families by strengthening connections and advancing quality within a whole system of care and support.

“**I have hope.**

I felt that people were working to help my family, to help me and my daughter.”

Connected to Community

Impact 1: Children receive services that contribute to their overall health and safety

3,660 children and parent received personalized connections to services:

- speech therapy
- mental health therapy
- parenting groups

1,057 children were screened to improve children's health and prevent learning delays

1,291 home visits supported the positive development of pregnant parents and young children ages 0-2

Impact 2: Children have high-quality early childhood experiences, child care and education

653 parents engaged with early childhood educators in dual language learning program

533 children participated in a dual language learning program in English and Spanish

“I am so happy to hear how parents are talking with their children about the books and they say “we have another book to add to our library.”

I can see how parents are connecting with their children. It touches my heart.

It is reinforcing their culture and it is beautiful.”

~ Esperanza Ortiz

Impact 2: Children have high-quality early childhood experiences, child care and education

524 Hartnell and MPC students supported to complete their early childhood education degree to address the teacher shortage

874 trainings for early childhood educators, child care providers and social service partners to ensure high quality service delivery to an estimated 7,000 children

Impact 3: Children are at the center of policies and legislation

500+ advocates supported through workshops, information sharing, and meetings with legislators

6 Legislative asks supported by F5MC were enacted into legislation

~ 70 advocates met with state and federal legislators

~150 parents trained on advocacy skills
