- c. Authorize a contingency (not to exceed 10% of the Contract amount) to provide funding for approved contract change orders; and
- d. Authorize the Director of Public Works to execute the contract and subject to the terms of the Public Contract Code, approve change orders to the contract that do not exceed 10% of the original contract amount and do not significantly change the scope of work.

SUMMARY/DISCUSSION:

The Board approved the Plans and Special Provisions for the Lonoak Road Bridge at Lewis Creek Replacement Project, Bridge No. 402, Federal Aid Project No. BRLOZB-5944 (035), Project No. 11-220565, on March 15, 2011. The project was subsequently advertised and bids were solicited. The bids were opened on April 14, 2011, and the lowest responsible base bidder was MCM Construction, Inc. in the amount of \$1,499,999. The Engineer's Estimate is \$2,000,000 for the project.

The Lonoak Road Bridge at Lewis Creek Replacement Project consists of construction of a new two lane bridge on the existing alignment, a detour constructed adjacent to the existing bridge, associated approach embankment grading and paving, removal of the existing bridge, and associated improvements on Lewis Creek and Lonoak Road.

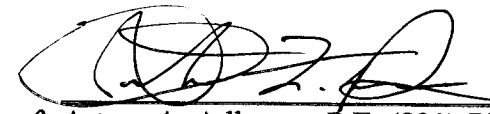

OTHER AGENCY INVOLVEMENT:

County Counsel and Contracts/Purchasing attended the bid opening and reviewed the low bid for conformance with applicable regulations. County Counsel and Risk Management approved the Contract and Bonds as to form, and insurance provisions, respectively.

FINANCING:

There is no financial impact to the General Fund for FY 2010/11 or FY 2011/12. The estimated total cost of the project, including engineering, environmental, right-of-way and construction, is \$3,227,675. The project is funded by Federal Highway Administration (FHWA) and Highway Bridge Replacement and Rehabilitation Program (HBRR) funds, State Seismic Retrofit Funds and Road Funds.
