

# County of Monterey

Item No.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

Legistar File Number: WRAFIN 25-016

February 07, 2025

**Introduced:** 2/3/2025

**Current Status:** Agenda Ready

**Version:** 1

**Matter Type:** WRA Finance Item

Consider recommending that the Monterey County Water Resources Agency Board of Directors authorize the General Manager to enter into an Amended Subgrant Agreement with the Salinas Valley Basin Groundwater Sustainability Agency to receive funding for services in support of Sustainable Groundwater Management Round 2 Implementation Grants #4600015881 (SVBGSA) and #4600015624 (MCWDGSA), in the amount not to exceed \$400,000; and recommend that the Monterey County Water Resources Agency Board of Directors authorize the General Manager to execute up to two no-cost amendments to the Subgrant Agreement.

### RECOMMENDATION:

It is recommended that the Finance Committee:

- a. Recommend that the Monterey County Water Resources Agency Board of Directors authorize the General Manager to enter into an Amended Subgrant Agreement with the Salinas Valley Basin Groundwater Sustainability Agency to receive funding for services in support of Sustainable Groundwater Management Round 2 Implementation Grants #4600015881 (SVBGSA) and #4600015624 (MCWDGSA), in the amount not to exceed \$400,000; and
- b. Recommend that the Monterey County Water Resources Agency Board of Directors authorize the General Manager to execute up to two no-cost amendments to the Subgrant Agreement.

### SUMMARY/DISCUSSION:

In 2022, the Salinas Valley Basin Groundwater Sustainability Agency (“SVBGSA”) adopted Groundwater Sustainability Plans (“GSP or GSPs”) for the Eastside Aquifer, Forebay Aquifer, Langley Area, and Upper Valley Aquifer Subbasins. Also in 2022, the SVBGSA and Marina Coast Water District Groundwater Sustainability Agency (“MCWDGSA”) adopted a GSP for the Monterey Subbasin.

In 2024, the SVBGSA and MCWDGSA were awarded funding from the State of California Department of Water Resources for Sustainable Groundwater Management Round 2 (“SGM Round 2”) Implementation Grants. The SGM Round 2 grants to the SVBGSA and MCWDGSA include tasks related to expanding well registration and groundwater extraction reporting programs for compliance with the Sustainable Groundwater Management Act (“SGMA”); these tasks are a continuation of work that the Monterey County Water Resources Agency (“Agency”) has been collaborating on with the SVBGSA through a Round 1 Subgrant Agreement that was authorized by the Agency Board of Directors in September 2022. The SGM Round 2 Implementation Grant also includes work to engage interested parties in to further develop and study various GSP implementation

projects.

The Agency Board of Directors approved the Subgrant Agreement on January 21, 2025, which included tasks related to expanding well registration and groundwater extraction reporting programs, in the amount of \$250,000. Agency staff has been working on a revised workplan to include implementation project studies that are related to Agency operations, facilities and permits, for a total amount of \$150,000 of staff time. Those studies include the Castroville Seawater Intrusion Expansion, Brackish Groundwater Restoration Project, Reservoir Re-operations, and the Castroville and Eastside Canals Project and Salinas River Water Right 11043 Analysis. Work on tasks described in the Subgrant Agreement will begin immediately and must be completed by March 31, 2026.

Agency efforts on the work covered by the SGM Round 2 Subgrant Agreement align with Agency Strategic Plan Goal B - Strategy 2: Collaborate with location Groundwater Sustainability Agencies, define MCWRA's role, and implement a GSA integration plan and Goals C - Strategy 6: Pursue grant funding and cost saving opportunities from all available sources, including collaborating with the GSA.

OTHER AGENCY INVOLVEMENT:

California Department of Water Resources, Marina Coast Water District Groundwater Sustainability Agency, and Salinas Valley Basin Groundwater Sustainability Agency

FINANCING:

Grant funds will cover the full amount of the work and deliverables described in the SGM Round 2 Subgrant Amendment. No cost share is required by the subgrantee.

Prepared by: Shaunna Murray, Deputy General Manager, (831) 755-4860

Approved by: Ara Azhderian, General Manager, (831) 755-4860
