 (REF130044/Climate Adaptation Planning Grant))

WHEREAS, the California Ocean Protection Council, under the authority of the Ocean Protection Act, approved a competitive grant program to provide financial assistance for local and regional vulnerability assessments and updates to Local Coastal Programs (LCPs) and other Coastal Act authorized plans to address sea-level rise, coastal hazards and other climate change-related impacts; and

WHEREAS, the State Coastal Conservancy, California Ocean Protection Council, and the California Coastal Commission have developed a specific grant program called “Local Coastal Program Sea Level Rise Adaptation Grant Program” and are accepting applications from local jurisdictions and other entities; and

WHEREAS, the goal of this grant program is to develop updates to LCPs or other Coastal Act authorized plans to address sea-level rise and other climate change impacts, and

WHEREAS, grant proposals submitted under this grant program must address at least one certified LCP segment; and

WHEREAS, the County of Monterey, has a certified LCP; and

WHEREAS, the Counties of Monterey and Santa Cruz, and the City of Capitola are developing various LCP updates to address sea-level rise, coastal hazards and other climate change-related impacts that would all benefit from a regional vulnerability assessment funded under this grant program; and

WHEREAS, the County of Monterey, recognizing the problems and issues associated with climate change desires to create a regional partnership with the County of Santa Cruz, the City of

Capitola, and Moss Landing Marine Laboratories to apply for funding under this grant program and undertake a regional project to address sea level rise and climate change; and

WHEREAS, if awarded, funding would be provided to Moss Landing Marine Laboratories, which would be responsible for entering into the consultant contracts, managing the scope of work and schedule, coordinating with the County of Santa Cruz and the City of Capitola, and performing most of the grant administration work; and

WHEREAS, the County of Monterey agrees to serve as the lead agency in applying for the grant funding in collaboration with the County of Santa Cruz, the City of Capitola, and Moss Landing Marine Laboratories under agreements that would be considered with the grant acceptance by the Board of Supervisors; and

WHEREAS, the County of Monterey will coordinate with the staff of the California Coastal Commission, the State Coastal Conservancy and the Ocean Protection Council in undertaking the project, if approved; and

WHEREAS, action by the County to submit an application for the Local Coastal Program Sea Level Rise Adaptation Grant is determined to be Statutorily Exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15262 of the CEQA Guidelines as an activity involving only feasibility or planning studies.

DECISION

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors does hereby:
