The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

1.02 Allowable Costs: Allowable costs shall be the CONTRACTOR's actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the budget, attached hereto as **Exhibit F**. Therefore, an increase in one line item will require corresponding decreases in other line items.

1.04 Payment in Full:

(a) If COUNTY certifies and pays the amount requested by CONTRACTOR, such payment shall be deemed payment in full for the month in question and may not thereafter be reviewed or modified, except to permit COUNTY's recovery of overpayments.

If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

1.05 Disputed payment amount: If COUNTY pays a lesser amount than the amount requested, and if CONTRACTOR submits a written notice of protest to COUNTY within twenty (20) days after CONTRACTOR's receipt of the certification, then the parties shall promptly meet to review the dispute and resolve it on a mutually acceptable basis. SERVICE LEVEL AGREEMENT (SLA)/APPLICATION
SERVICE PROVIDER LEVEL

I. SERVICE LEVEL AGREEMENT

The Managed Hosting Solution provides a vault-like facility with abundant reliable bandwidth provided through a Cisco powered network and always-on power where CONTRACTOR will house their mission-critical servers and databases. The CONTRACTOR'S Data Centers are staffed 24 X 7 X 365 by highly trained and certified engineers who monitor all security, network, and power systems to ensure maximum uptime. County gets a solution that is optimized for their business needs. This document provides information regarding the Data Centers comprehensive service level commitments.

Definitions:

For purposes of this Agreement, the following definitions shall apply:

- (i) "Ambient Room Temperature" shall mean the temperature as measured by ambient room probes mounted on the columns and walls of the IDC.
- (ii) "Core Network" – shall mean the network from port at the Data Centers serving switch to outbound port on the MegaPOP border router. The SLA will cover all links in between. In a private port scenario, core network is defined as server A's port on serving switch through the IDC network to Server B's port on serving switch. Redundant ports will have diverse paths and terminate on separate switches.
- (iii) "COUNTY Site Environment" – shall mean the platform from which COUNTY operates its applications within the Internet Data Center.
- (iv) "Downtime"—shall mean failure to meet the standards set forth below with respect to latency, packet loss, core network, and power availability. Downtime shall not include any packet loss, power unavailability or network unavailability during SBC's scheduled maintenance of the Internet Data Centers, network and Service(s), as described herein, or due to Force Majeure.
- (v) "End to End" shall mean from COUNTY'S ports on serving switch to outbound ports on MegaPOP border routers.
- (vi) "Latency" shall mean transmission time between the COUNTY'S port on serving switch to outbound port on the MegaPOP border router and back.
- (vii) "Packet Loss" shall mean a single packet of data that does not reach the router at the POP(s) designated by SBC from the IDC, but shall not include intentionally dropped packets due to COUNTY'S sending data faster than the Internet bandwidth that it is provided with, i.e. T1, DSL, or dial-up service.
- (viii) "Power Availability" shall mean Electrical Power to outbound port on COUNTY serving Power Distribution Unit.
- (ix) "Uptime" – sync port process access.

Service Levels:

Dedicated Hosting:

- (i) *Availability* – COUNTY’S Site Environment will be available 99.9% (excluding exceptions).
- (ii) *Response Time* – Data Center will respond to any service impacting issue within 15 minutes.
- (iii) *Network Availability* – Core Network will be at 100% availability.
- (iv) *Power Availability* – Power at the Data Center will be at 100% availability.
- (v) *HVAC Availability* - Ambient Room Temperature will not exceed 75° Fahrenheit in the server area. Relative humidity in the IDC will not exceed 55% in the server area.
- (vi) *Latency* - Average latency will not exceed 30 milliseconds roundtrip from end to end in any given 30-day period.

CONTRACTOR is responsible for all content and applications that reside on the server. Downtime caused by content, applications or COUNTY are not expressly covered.

Exceptions:

Although scheduled maintenance is not expected to impact the network, power or other service levels, the Service Level Agreement is not effective as to those periods, in conditions of Force Majeure, or for COUNTY enabled faults. CONTRACTOR is responsible for all content and applications that reside on the server, therefore, any downtime or failure to meet an SLA that is directly or indirectly caused by content, applications, or CONTRACTOR actions or inaction will not be covered by these SLAs.

Core Failure:

Within 15 minutes of core IDC component failure, CONTRACTOR and COUNTY will be notified via bulk email or public web site regarding any potential downtime. Core component failure is defined as a failure of any component of the IDC that has the potential of effecting more than one COUNTY.

Individual COUNTY Failure:

Any individual COUNTY failure will be notified via fax, pager, email, or phone within fifteen minutes of failure. Individual COUNTY failure is defined as a failure of any component of the IDC that will only affects an individual COUNTY (cabling, port, etc). This will include any failure resulting in inability of IDC operations to “test” COUNTY server via a ping watch (including reasons outside of IDC control, i.e. COUNTY server failure, etc).

If Covered Entity reasonably believes that Business Associate will violate a material term of this Agreement and, where practicable, Covered Entity gives written notice to Business Associate of such belief within a reasonable time after forming such belief, and Business Associate fails to provide adequate written assurances to Covered Entity that it will not breach the cited term of this Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then Covered Entity shall have the right to terminate this Agreement and the Arrangement Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to this Agreement do not intend to create any rights in any third parties. The obligations of Business Associate under this Section shall survive the expiration, termination, or cancellation of this Agreement, the Arrangement Agreement and/or the business relationship of the parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein.

This Agreement may be amended or modified only in a writing signed by the Parties. No Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party. None of the provisions of this Agreement are intended to create, nor will they be deemed to create any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship. This Agreement will be governed by the laws of the State of California. No change, waiver or discharge of any liability or obligation hereunder

EXHIBIT M

on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

The parties agree that, in the event that any documentation of the arrangement pursuant to which Business Associate provides services to Covered Entity contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Agreement, the provisions of the more restrictive documentation will control. The provisions of this Agreement are intended to establish the minimum requirements regarding Business Associate's use and disclosure of Protected Health Information.

In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect. In addition, in the event a party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty days, the parties shall address in good faith such concern and amend the terms of this Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year written above.
