## Interests & Experiences

Please tell us about yourself and why you want serve

A moto I live by is a moto I learned in Rotary, "service about self". I have spent my personal and professional career serving others. I spent 23 years as a banker working my way up, holding several key positions. Such as VP/Commercial Loan Officer, managing a \$25M portfolio, VP Bank Manager of the largest retail bank in the state of California, I established a new Bank Branch (De Novo) and grew the market share by 50%, and currently I am the CEO of the Soledad Community Health Care District, with strategic planning experience. Doing all this while working actively with the Latino Community and the underserved. I want to serve because it will give me an opportunity to share my talents with the committee to support important topics brought to the committee. My interest includes spending time with my family and being a lifelong learner. I am currently pursuing my PhD in Business Administration.

Please state the reason you would like to be a member of this board committee/commission/district.

As stated above, I believe the talents I have cultivated across my 25-year career can be of a value to the committee. My diversified background working in the finance industry and health care can be of value to the committee. I was born and raised in Southern Monterey County and it is the place where I continue to live, work, and raise my family. I have a passion of working to make our community a better place to live, work, and play. I believe that serving as a member of the board would give me an opportunity to work collaborative with other members of the board to accomplish these goals.
