

**AGREEMENT BETWEEN
CITY OF MONTEREY AND COUNTY OF MONTEREY
FOR TOBACCO RETAIL LICENSE ADMINISTRATION SERVICES**

THIS AGREEMENT (“Agreement”) is made and entered into this 1st day of June 2016 (“Effective Date”), by and between the City of Monterey, a municipal corporation of the State of California (“City”), and the County of Monterey, a political subdivision of the State of California (“County”).

RECITALS

WHEREAS, the City, by Ordinance No. 3508 (“Ordinance”), has adopted a tobacco retail license program; and

WHEREAS, the City enacted the Ordinance in order to encourage responsible tobacco retailing and to discourage violations of tobacco-related laws, particularly those which prohibit or discourage the sale or distribution of tobacco products to minors; and

WHEREAS, the County agrees to assist the City in enforcing the Ordinance by providing such administrative and enforcement services as are specified under the Ordinance, on the terms and condition specified in this Agreement; and

WHEREAS, any costs borne by the County to administer and enforce the Ordinance within the City limits shall be recovered by the fees approved by the City and received by the County from tobacco retailers within the City, pursuant to the Ordinance.

AGREEMENT

NOW, THEREFORE, the City and County agree as follows:

Section 1. Incorporation of Recitals.

The above recitals, including the paragraph preceding the recitals, are hereby incorporated into this Agreement as if set forth herein in full.

Section 2. Responsibilities under the Agreement.

a. County Responsibilities. County shall do the following:

1. Subject to the terms of this Agreement, and provided that the terms of Section 2(b) below have been satisfied, the County shall provide all of the administrative and enforcement services specified under the Ordinance, including but not limited to: receiving, reviewing, and processing the tobacco retail application and the information contained therein; issuing the license; administering the license program, retailer education, retailer inspection and compliance checks; documenting violations; issuing and collecting penalties; and hearing any appeals (“Services”).

2. Meet with the appropriate City personnel on a yearly basis, at a time and location to be chosen convenient for both parties, to assess the status of this Agreement and the Services to discuss any modifications thereto.

3. Communicate from time to time with the City, as needed or requested, regarding the administrative and enforcement services provided by the County under this Agreement.

b. City Responsibilities. City shall do the following:

1. Provide information regarding the Ordinance to any business applying for a business license under Chapter 19 of the Monterey City Code.

2. Communicate from time to time, as needed, with Tobacco Retailers (as that term is defined in the Ordinance) regarding the Ordinance.

3. Not interfere with, or in any way hinder, County's, or any of County's employees, officers, agents, or designated representatives in the performance of their duties pursuant to this Agreement.

4. Assist the County so far as reasonably appropriate in carrying out the terms of this Agreement.

5. Meet with the appropriate County personnel on a yearly basis, at the time and location chosen convenient for both parties, to assess the status of this Agreement and to discuss any modifications thereto.

c. County and City Responsibilities. The responsibilities listed hereunder shall not be construed so as to preclude existing or future County or City rights and responsibilities.

Section 3. Compensation and Fees.

The parties agree that the City will not directly compensate the County for providing the Services specified herein. The County shall be fully reimbursed for its costs through the fees it will collect from Retailers pursuant to the Ordinance, including fees charged to obtain or renew a License (as that term is defined in the Ordinance). Such fees shall be established by the City, and collected by the County, and the City shall make no claim to any portion of such fees during the term of this Agreement.

Section 4. Term.

This Agreement shall commence on the Effective Date and shall remain in effect so long as not terminated by either party pursuant to Section 7.

Section 5. Indemnification.

In lieu of and notwithstanding the pro rata risk allocation that might otherwise be imposed between the parties pursuant to Government Code section 895.6, the parties agree that any and all claims, lawsuits, consequential damages, losses or liabilities incurred by a party shall not be shared pro rata, but instead the parties agree that pursuant to Government Code Section 895.4, the City shall indemnify, defend (with counsel selected by the City and reasonably acceptable to the County) and hold harmless the County, its employees, and its elected officials from all claims (including any and all actions, causes of action, claims,

attorney's fees, costs, demands, lawsuits, liens, and liabilities of any kind and nature) that arise from or administratively challenge the City's Ordinance, the County's administration or otherwise arising out of the enforcement of the Ordinance as provided for in this Agreement, or the fee schedule as established by resolution of the City Council, pursuant to the Ordinance, provided, however:

1. The City's duty to indemnify shall not apply to any claim (including any and all actions, causes of action, claims, attorney's fees, costs, demands, lawsuit, liens, and liabilities of any kind and nature) to the extent it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted solely from the County's, County employees', or County elected officials' gross negligence or willful misconduct.
2. If it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) that the County, its employees, or its elected officials committed gross negligence or willful misconduct in the administration or enforcement of the Ordinance, the City shall be entitled to reimbursement of its defense costs.
3. The City's duty to defend shall not apply when it is clear that a County employee has committed a willful or intentional act outside of his or her employment. However, in cases where the City has failed to provide a defense to a County employee, and it is found through a final judgment by a court of competent jurisdiction, that the County employee's actions fell within the scope of his or her employment, then the City agrees to reimburse to the County the cost of defense for the County employee.
4. The City and the County shall meet and confer in good faith for the purpose of resolving any problem or dispute between the City and the County that may arise concerning the provision of a defense or indemnification to a claim, as described in this Section.

The City further agrees that it will not, without the prior consent of the County, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect to which the County seeks indemnification hereunder (whether or not the County is an actual party to such claim, action, suit or proceeding) unless such settlement, compromise, or consent includes an unconditional release of the County and its officers, agents and employees from all liabilities arising out of such claim, action, suit or proceeding. In the event that a claim or litigation against City is initiated or filed and arises from the City's Ordinance or the County's administration or enforcement of the Ordinance, County agrees to fully cooperate with City in its attempts to resolve or defend such challenge.

If any term, provision or application of Section 5 is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Agreement and such other terms and provisions shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Agreement and California law, the broadest indemnity protection for the County under this Agreement that is permitted by law shall be provided by City.

Section 6. Insurance.

Each party recognizes and accepts the other party is self-insured. Either party may purchase commercial insurance to cover its exposure hereunder, in whole or in part.

Section 7. Termination.

This Agreement may be terminated by either party for the following reasons:

a. Upon the termination of the Ordinance or the County's Tobacco Retail License Ordinance, or a substantial change in either one; or

b. For any reason by either party at any time during the term of this Agreement, provided that written notice is given pursuant to Section 11 at least six (6) months prior to the effective date of termination.

Section 8. Conflict between Agreement and Ordinance.

Any conflict between the terms of this Agreement and the Ordinance shall be resolved in favor of the Ordinance.

Section 9. Applicable Laws/Venue.

In the performance of the Services required by this Agreement, both parties shall comply with all applicable Federal, State, County and City statutes, ordinances, regulations, directives, and laws. The interpretation and performance of this Agreement shall be governed by the laws of the State of California. Any action or proceeding arising out of this Agreement shall be filed in the Superior Court of the County of Monterey.

Section 10. Ownership of Documents.

All reports, data, and other documents prepared by the County pursuant to this Agreement ("Reports and Other Documents") are the property of the County. In accordance with statutes specifically exempting from disclosure certain records, the County shall have the unrestricted authority to publish, disclose, distribute, and otherwise use in whole or in part, any Reports and Other Documents prepared by the County pursuant to this Agreement.

Upon termination of this Agreement, the County shall transfer copies of such Reports and Other Documents necessary for the City, should it so choose, to provide the County Responsibilities enumerated in Section 2(a).

Section 11. Notice.

All notices, consents, demands, and other communications from one party to the other given pursuant to the terms of this Agreement or under the laws of the State of California, shall be deemed to have been delivered when deposited in the United States mail, certified or registered, postage prepaid, addressed to City or County at the respective addresses specified below or to such other place as City or County may from time to time designate in a written notice to the other:

There are no representations between City and County other than those contained in this Agreement, and all reliance with respect to any representation is based solely upon the terms of this Agreement.

Section 17. Non-liability of Officials, Employees and Agents.

No governing board member, official, employee, agent, or volunteer of either party shall be personally liable for any damages related to any default or breach by the other party, or for any obligations under the terms of this Agreement. Nothing in this Agreement shall create, or be

The City warrants that the execution of this Agreement been approved and authorized by City, and that the person who executes this Agreement has been authorized to perform said act.
