Re: Conflict of Interest Codes for Special Districts

---

This is to provide clarification to eight (8) of the Conflict of Interest Codes for certain special districts that are on the consent agenda for the February 26<sup>th</sup> Board meeting. This memo only relates to: the Soledad Mission Recreation District, the Soledad Unified School District, the Gonzales Unified School District, the Spreckels Union School District, Big Sur Unified School District, South Monterey County Joint Union High School District, Community Human Services and Monterey Peninsula Water Management District.

In order to clarify the language concerning the requirements for which designated positions' statements of economic interest (Form 700) must be forwarded to the Board of Supervisors as the code reviewing body for the special district, and in order not to delay the processing of the special districts' Conflict of Interest Codes, County Counsel's Office recommends that, as to these seven named special districts, these Conflict of Interest Codes be revised pursuant to Government Code section 87303 and that all the designated positions in the special districts' Conflict of Interest Codes be required to file their Statement of Economic Interests (Form 700) with the clerk of the Monterey County Board of Supervisors as code reviewing body. The special districts shall make and retain copies of the statements and shall forward the original of the statements to the code reviewing body.

**CONFLICT OF INTEREST CODE  
OF THE  
COMMUNITY HUMAN SERVICES**

The Political Reform Act of 1974 (Government Code sections 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard conflict of interest code that can be incorporated by reference in an agency's code. After public notice and hearing, the Fair Political Practices Commission may amend the standard code to conform to amendments of the Political Reform Act. Therefore, the terms of section 18730 of title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission together with the attached Appendices designating positions and establishing disclosure categories are hereby incorporated by reference and together constitute the Conflict of Interest Code of **Community Human Services** (hereafter "Agency").

Individuals holding designated positions shall file their statement of economic interests with **Community Human Services**, which will make the statements available for public inspection and reproduction pursuant to Government Code section 81008. Upon receipt of the statements for the Agency shall make and retain copies and forward the original of the statements to the code reviewing body. Statements for all other designated positions shall be retained by the Agency.

<sup>2</sup> Consultants are included in the list of designated positions. For purposes of this Code, "consultant" has the same meaning as set forth in 2 Cal. Code Regs., tit. 2, section 18701(a)(2), as follows:

## APPENDIX B: DISCLOSURE CATEGORIES

### General Provisions Applicable to All Categories

When an individual who holds a designated position is required to disclose investments and sources of income, he or she shall disclose investments in business entities and sources of income which do business in the jurisdiction, plan to do business in the jurisdiction, or have done business in the jurisdiction within the past two years. In addition to other activities, a business entity is doing business within the jurisdiction if it owns real property within the jurisdiction.

When an individual who holds a designated position is required to disclose sources of income, he or she shall include gifts received from donors located inside as well as outside the jurisdiction.

The **Chief Executive Officer** may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to comply with the disclosure requirements of Category 1. In such cases, the **Chief Executive Officer** may designate a different disclosure requirement. Such determination must be made in writing and shall include a description of the consultant's duties and, based upon that description, a statement of the extent of the consultant's disclosure requirements. Such determination by the **Chief Executive Officer** is a public record and shall be retained for public inspection in the same manner and location as the Agency's Conflict of Interest Code.
