2019 NOTICE OF FUNDING AVAILABILITY LOCAL EARLY ACTION PLANNING GRANTS PROGRAM

I. Introduction

The California Department of Housing and Community Development (Department) is pleased to announce the release of this Notice of Funding Availability (NOFA) for approximately \$119,040,000 as part of the Local Early Action Planning Grants Program (LEAP or Program). LEAP is made available as a portion of the Local Government Planning Support Grants Program pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515.03 (Chapter 159, Statutes of 2019)). The Program provides funding to jurisdictions for the preparation and adoption of planning documents, process improvements that accelerate housing production, and facilitate compliance in implementing the sixth cycle of the RHNA.

II. Authority and Scope

This NOFA is authorized pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515 to 50515.05). The NOFA implements, interprets, and makes specific provisions for purposes of implementing planning grants to jurisdictions pursuant to 50515.03 (hereinafter “LEAP”).

This NOFA establishes terms, conditions, forms, procedures and other mechanisms as the Department deems necessary to exercise the powers and perform the duties conferred by Chapter 3.1.

The matters set forth herein are regulatory mandates, and are adopted in accordance with the authorities set forth below:

Quasi-legislative regulations ... have the dignity of statutes ... [and]... delegation of legislative authority includes the power to elaborate the meaning of key statutory terms...

Ramirez v. Yosemite Water Co., 20 Cal. 4th 785, 800 (1999)

Further, the Department may implement the Program through the issuance of forms, guidelines, and one or more NOFAs, as the Department deems necessary, to exercise the powers and perform the duties conferred on it by this chapter. Any forms, guidelines, and notices of funding availability adopted pursuant to this section are hereby exempted from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). (Health and Safety Code Section 50515.04(f)).

The Department reserves the right, at its sole discretion, to suspend or amend the provisions of this NOFA, including, but not limited to, grant award amounts.

III. Program Summary

The Local Early Action Planning Grants Program (LEAP or Program) is part of the broader Program formerly known as the Local Government Planning Support Grants Program, which was established as part of the 2019-20 Budget Act. The 2019-20 Budget Act provides a spectrum of support, incentives, resources and accountability to meet California’s housing goals. Some specific elements include:

- Planning Support (local and regional planning grants)
- Incentives (Prohousing preference and infill incentive grants)
- Funding Resources
- Accountability (penalties for noncompliant housing plans)
- Reform (collaborative processes to reform regional housing needs)

The Local Government Planning Support Grants Program provides one-time grant funding to regions and jurisdictions for technical assistance, preparation and adoption of planning documents, and process improvements. The over-arching goals of the Program are to (1) accelerate housing production; and (2) facilitate compliance to implement the sixth cycle of the regional housing need assessment (RHNA).

IV. Program Timeline

Grants will be available to eligible applicants on a noncompetitive, Over-the-Counter (OTC) basis. Applications will be accepted from the date of the release of this NOFA and up until July 1, 2020. See Table 1 below for the anticipated timeline for awards for the OTC period.

Event	Date

V. Award Amounts

This Program will make \$119,040,000 dollars available to jurisdictions for Program implementation, including state operations and expenditures, and technical assistance. Maximum award amounts are based on population estimates as of January 1, 2019.¹ The minimum award amount is \$25,000. The maximum amount that a jurisdiction may receive pursuant to this subdivision shall be as follows:

Jurisdiction Size (in population)	Maximum Award Amount
750,000 or greater	\$1,500,000
300,000 to 749,999	\$750,000
100,000 to 299,999	\$500,000
60,000 to 99,999	\$300,000

VI. Eligible Applicants

Eligible applicants are limited to local governments, i.e., cities and counties. However, local governments may partner through legally binding agreements with other forms of governments or entities where the proposal will have a direct effect

¹ Population estimates, posted as of January 1, 2019, are based on the Department of Finance E-1 report. Official maximum amounts per jurisdiction can be found at the Department’s website at <https://www.hcd.ca.gov/grants-funding/active-funding/leap.shtml>.

on land-use or development within the participating localities. This includes, but is not limited to, partnerships with other localities, regional governments, housing authorities, school districts, special districts, community-based organizations, or any duly constituted governing body of an Indian Reservation or Rancheria. Eligible activities are not necessarily jurisdiction-wide and may include a smaller geography with a significant impact on housing production. For example, eligible activities may include a housing development-related project with a significant community level impact, or planning or process improvement for a project with an ongoing community impact beyond the project. Eligible activities may include a variety of planning documents and processes, including, but not limited to, the following as set forth in Health and Safety Code section 50515.03(c):

1. Rezoning and encouraging development by updating planning documents and zoning ordinances, such as General Plans, community plans, specific plans, implementation of sustainable communities' strategies, and local coastal programs;
2. Completing environmental clearance to eliminate the need for project-specific review;
3. Establishing housing incentive zones or other area-based housing incentives beyond State Density Bonus Law such as a workforce housing opportunity zone pursuant to Article 10.10 (commencing with Section 65620) of Chapter 3 of Division 1 of Title 7 of the Government Code, or a housing sustainability district pursuant to Chapter 11 (commencing with Section 66200) of Division 1 of Title 7 of the Government Code;
4. Performing infrastructure planning, including for sewers, water systems, transit, roads, or other public facilities necessary to support new housing and new residents;

7. Developing or improving an accessory dwelling unit ordinance in compliance with Section 65852.2 of the Government Code;

9. Rezoning to meet requirements pursuant to Gov. Code Section 65583(c)(1), and other rezoning efforts to comply with Housing Element requirements, including Gov. Code Section 65583.2(c) (AB 1397, Statutes of 2018);
10. Upzoning or other implementation measures to intensify land use patterns in strategic locations, such as close proximity to transit, jobs or other amenities;
11. Rezoning for multifamily housing in high resource areas (according to Tax Credit Allocation Committee/Housing Community Development Opportunity Area Maps);
12. Establishing pre-approved architectural and site plans;
13. Preparing and adopting Housing Elements of the General Plan that include an implementation component to facilitate compliance with the sixth cycle RHNA;

19. Other planning documents or process improvements that demonstrate an increase in housing related planning activities and facilitate accelerating housing production; and
20. Establishing Prohousing Policies, as follows:

Prohousing Policies

The Department encourages applicants to consider LEAP funds to facilitate designation as a Prohousing jurisdiction.

The 2019-20 Budget Act requires the Department to develop the Prohousing designation emergency regulations by no later than July 1, 2021. This program will allow the Department to designate jurisdictions as “Prohousing,” when they demonstrate policies and strategies to accelerate housing production. In turn, Prohousing jurisdictions will be awarded additional points or preference in programs such as the Affordable Housing and Sustainable Communities (AHSC), Transformative Climate Communities (TCC), Infill Infrastructure Grant (IIG) programs and other state funding programs. The Department anticipates developing emergency regulations and Prohousing designations prior to July 1, 2021, and will seek to designate jurisdictions prior to future rounds of AHSC, TCC and IIG

programs.

Pursuant to Gov. Code Section 65589.9(f)(2), “Prohousing” policies mean policies that facilitate the planning, approval, or construction of housing. These policies may include, but are not limited to, the following:

- A. Planning for local financial incentives for housing, including, but not limited to, establishing a local housing trust fund;
- B. Reducing parking requirements for sites that are zoned for residential development;
- C. Adoption of zoning allowing for use by right for residential and mixed-use development;
- D. Zoning more sites for residential development or zoning sites at higher densities than is required to accommodate the minimum existing RHNA for the current Housing Element cycle;
- E. Adoption of accessory dwelling unit ordinances or other mechanisms that reduce barriers for property owners to create accessory dwelling units beyond the requirements outlined in Section 65852.2, as determined by the Department;
- F. Process improvements that reduce permit processing time;
- G. Creating of objective development standards;
- H. Studies and implementing actions that reduce development impact fees; and
- I. Establishing a Workforce Housing Opportunity Zone, as defined in Section 65620, or a housing sustainability district, as defined in Section 66200.”

VIII. Ineligible Activities

1. Activities unrelated to preparation and adoption of planning documents, and process improvements to accelerate housing production and facilitate compliance to implement the sixth cycle of the RHNA;
2. Activities that obstruct or hinder housing production, e.g., moratoriums, downzoning, planning documents with conditional use permits that significantly impact supply, cost, approval certainty and timing, planned development, or other similarly constraining processes; and
3. Project specific planning documents that do not have a significant impact on accelerating housing production or significant community level or re-occurring benefit beyond the project.
4. The Department may consider proposals that are combined with larger proposals that have a positive housing component and the net effect on accelerating housing production is significant. For example, an applicant may propose combining an open-space designation, downzoning, or anti-displacement measures with by-right upzoning that has a significant net gain in housing capacity.

IX. Eligible Uses

1. Grant funds may cover the costs of temporary staffing or consultant needs associated with eligible activities;
2. Grant funds shall be used for the costs of preparing and adopting the proposed activity;
3. A jurisdiction that receives funds under this Program may use a subcontractor. The subcontract shall provide for compliance with all the requirements of the Program. The subcontract shall not relieve the jurisdiction of its responsibilities under the Program;
4. Eligible expenditures may be incurred and expended for the project(s) subject to the terms and conditions of the Standard Agreement; and
5. Only approved and eligible costs incurred for work after the NOFA date, continued past the date of the Standard Agreement, and completed during the grant term, will be reimbursable.

X. Ineligible Uses

1. Program grant funds may not be used for administrative costs of persons employed by the grantee for activities not directly related to the preparation and adoption of the proposed activity;
2. No more than 5 percent of the grant amount may be used for administrative costs for any proposed use, to be approved by the Department upon disbursement; and
3. Approved and eligible costs incurred prior to the NOFA date are ineligible.

XI. Application Requirements

Until July 1, 2020, a jurisdiction may request an allocation of funds pursuant to this section by submitting a complete application to the Department that demonstrates:
