This Agreement is of no force or effect until signed by both CONTRACTOR and COUNTY and with COUNTY signing last, and CONTRACTOR may not commence work before COUNTY signs this Agreement.

5.2 The term of this Agreement shall remain in effect until terminated as provided below:

5.2.1 Termination. During the term of this Agreement, either party may terminate the Agreement by giving written notice of termination to the other party at least thirty (30)

days before the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided before the date of termination.

5.2.2 Termination for cause. COUNTY may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If COUNTY terminates this Agreement for good cause, COUNTY may be relieved of the payment of any consideration to CONTRACTOR, and COUNTY may proceed with the work in any manner that COUNTY deems proper. The cost to COUNTY shall be deducted from any sum due the CONTRACTOR under this Agreement.

5.2.3 Partial termination. If CONTRACTOR is partially funded by Non-Drug/Medi-Cal funds and CONTRACTOR is unwilling or unable to continue that portion of the contract, the contract shall remain in effect, provided however that the COUNTY may amend the contract, with the written consent of the CONTRACTOR, as necessary and appropriate. In like manner, if CONTRACTOR is partially funded based on Drug/Medi-Cal certification and CONTRACTOR is expelled or suspended from Drug/Medi-Cal certification, the contract shall remain in effect, provided however that the COUNTY may amend the contract, with the written consent of the CONTRACTOR, as necessary and appropriate.

5.3.4 CONTRACTOR will continue to remain obligated with respect to confidentiality and transfer of patient records; and

6. TERMINATIONS OR REDUCTION OF GOVERNMENT FUNDING

6.1 This Agreement is made with the understanding that the State or Federal Governments are providing and will continue to provide funds to COUNTY so that COUNTY can make the payments to CONTRACTOR under this contract. The funds identified for the fiscal years are subject to increase or decrease dependent upon the availability of the appropriations by the State Legislature and the Federal Government. Increases or decreases in the amount COUNTY allocates to the CONTRACTOR as identified in Exhibit B will require a written amendment to this contract in accordance with Section 20.

6.2 Notwithstanding any other provision of this Agreement, if the State or Federal Government terminates or reduces its funding to the COUNTY for the client services that are to be provided under this Agreement, then COUNTY may, after consultation with the CONTRACTOR, elect to terminate this contract by giving written notice of such election to CONTRACTOR, effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, it is mutually agreed that the contract may be amended to reflect any reduction in funding in Exhibit B, in accordance with Section 20.

7. INDEPENDENT CONTRACTOR STATUS

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith CONTRACTOR shall defend, indemnify, and hold COUNTY harmless from any and all liability, which COUNTY may incur because of CONTRACTOR's failure to pay such taxes.

8. INDEMNIFICATIONS AND INSURANCE

8.1 Indemnification: CONTRACTOR shall indemnify, defend and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorney's fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

8.2 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability

Valley Health Associates
Alcohol and/or Drug Service Contract
FY 2016-2019

8.2.1 Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than one million dollars (\$1,000,000) per occurrence.

8.2.2 Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and property Damage of not less than one million dollars (\$1,000,000) per occurrence.

8.2.3 Workers Compensation Insurance. If CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than one million dollars (\$1,000,000) each person, one million dollars (\$1,000,000) each accident and one million dollars (\$1,000,000) each disease.

8.2.4 Professional Liability Insurance. If required for the professional service being provided, in the amount of not less than one million dollars (\$1,000,000) per claim and two million dollars (\$2,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

8.3 Other Insurance Requirements: All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

8.3.1 Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty days in advance of any change, cancellation, or non-renewal thereof. Each policy shall provide coverage for CONTRACTOR additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance showing each subcontractor has identical insurance coverage to the above requirements.

8.3.2 Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR's insurance.

8.3.3 Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY's contract administrator and the

COUNTY's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within 5 days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

8.3.4 CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY's Contract Administrator and COUNTY's Contracts/Purchasing Division. If the certificate is not received by the expiration date, COUNTY shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles COUNTY, at its sole discretion, to terminate this Agreement immediately.

9. NONDISCRIMINATION

9.1 During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40), sex, or sexual preference, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. Qualified applicants shall have an equal opportunity for employment. CONTRACTOR shall insure that actions such as but not limited to employment, upgrading, demotion, or transfer recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, career development opportunities, and selection for training, including apprenticeship shall be free of discrimination. The term also includes any act of retaliation.

9.3 The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this contract, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free of discrimination, as required by Chapter 2.80. Complaints of discrimination made by CONTRACTOR against the COUNTY or by recipients of services against CONTRACTOR may

be pursued using the procedures established by Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for the prompt and fair resolution of discrimination complaints made against CONTRACTOR by its own employees and agents, and shall provide a copy of such procedures to COUNTY on demand by COUNTY.

9.4 Written Assurances. Such statement shall be posted and also be available to employees, recipients of services, and members of the public, upon request. In addition, the clients' rights statement provided by CONTRACTOR shall inform recipients of services of CONTRACTOR'S nondiscrimination policies, including the right to file a complaint alleging discrimination or a violation of civil rights, and the right to be free from sexual harassment and prohibited sexual contact.

9.6 Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under paragraphs 9.1 through 9.3 to labor organizations with which it has a collective bargaining or other agreement.

CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any State agency providing funds for this Agreement upon reasonable notice at any time during normal business hours, but in no case less than 24 hours notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.

9.8 Binding on Subcontractors. The provisions of paragraphs 9.1 through 9.7 shall also apply to all of CONTRACTOR's subcontractors. CONTRACTOR shall include the nondiscrimination and compliance provisions of these paragraphs in all subcontracts to perform work or provide services under this Agreement.

EXHIBIT F: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.

- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

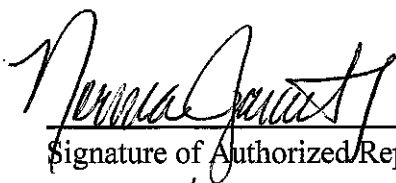

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County;

providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond in an appropriate and respectful manner.
4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

STANDARDS FOR THE OPERATION OF CERTIFIED DRUG DIVERSION PROGRAMS

I. INTRODUCTION

This document establishes the Standards for the Operation of Certified Drug Diversion Programs (Standards) as minimum standards for the operation of drug diversion services by Providers in Monterey County in compliance with SB 1369, Chapter 1132. The Monterey County Health Department Behavioral Health Division Alcohol and Drug Programs (County) will only certify Providers that meet these standards. These Standards are based on SB 1369, Chapter 1132, approved by the California Legislature on September 30, 1996, revised portions of the Penal Code (amending Sections 1000, 1000.1, 1000.2, and 1000.3 and to amend, renumber, and add Section 1000.5 of the Penal Code, relating to drug abuse. Existing law provides for the County Drug Program Services Manager to administer and monitor the County drug programs. This bill requires the County Drug Program Services Manager to implement a certification procedure for drug diversion Providers. Drug diversion services offer clients two primary opportunities:

- A. Avoidance of criminal sanctions with successful program completion, and
- B. Education and counseling to support examination of drug use behavior in order to reduce or eliminate further problems with illicit drugs. Clients may be at the stage of experimenting with illicit drugs, or be far along the progression of addiction. Diversion services can be effective means both to curtail drug experimentation and to bring addicts into recovery.

II. OVERVIEW OF THE MONTEREY COUNTY DRUG DIVERSION PROGRAM

- A. In Monterey County, the Courts may grant drug diversion, at the defendant's request through defendant's attorney. The district attorney determines whether or not drug diversion is applicable to the defendant and advises the defendant and defendant's attorney of that determination.
- B. Certified Providers, as defined by these Standards, currently operate drug diversion programs in the locations indicated on Exhibit A of the Agreement. The program is two tiered, with Level I being a four (4) month program consisting often (10) hours of education and ten (10) hours of group sessions, a minimum of four (4) random drug screenings and a minimum of three (3) additional individual counseling sessions, and attendance at 12 Step meetings. The Level II program is also a four (4) month program providing twenty (20) hours of group counseling and eight (8) hours of individual or four (4) hours of family counseling, a minimum three (3) random drug screenings, and attendance at 12 Step meetings.
- C. The formal diversion program includes both Level I and Level II. If individuals successfully complete the Level I program, they will be referred back to the Court without being required to enroll in the Level II program. Participants who do not successfully complete Level I will be required to continue in the Level II drug diversion program. Positive test results for illicit drugs will forfeit the individual's opportunity to complete Level I. Participants with two (2) positive drug urinalysis results while participating in Level I will automatically be required to switch participation to the Level II program. Participants with (1) positive drug urinalysis while participating in Level II will automatically be discharged and referred back to the Court for disposition.

III. REFERRAL BY THE COURTS

- A. The District Attorney determines eligibility for drug diversion. If the District Attorney determines that PC 1000.5 is applicable to the defendant, the defendant and defendant's attorney will be informed in writing of that determination.
- B. If the defendant enters a Deferred Entry of Judgment, the Court may grant diversion. The Court shall make the final determination regarding suitability of diversion for the defendant.

- C. According to PC 1000.1 (3), the period during which criminal proceedings against the defendant could result in drug diversion shall last no less than eighteen (18) months, nor longer than three (3) years. It is anticipated that most individuals will complete the diversion program within six (6) months with the maximum length of time of one (1) year for completion of Level I and Level II programs.
- D. When a defendant is referred by the Court to diversion, the Court will provide instructions of the enrollment process.
- E. The Court then sets a return date within three (3) weeks for defendant to provide proof of enrollment in the drug diversion program (Enrollment Status form in the Appendix). If the defendant provides a completed Enrollment Status form, the Court will place the defendant formally on diversion. The defendant is then ordered to appear for a review hearing, usually six (6) months later. Most defendants will have completed the program within six (6) months. The Court will set a second review hearing for those who have not finished diversion at the date of the review hearing for four to six (4 - 6) months later.

IV. PROGRAM REQUIREMENTS

- A. **Enrollment:** The defendant must contact the Provider within five (5) working days after the Court has made the referral in order to schedule an intake appointment for enrollment. The Provider must complete intake/assessment within fifteen (15) working days and provide information to the defendant to submit to the Court.  4. **Make up of Absences:** Prior to program completion, Provider shall require the participant to make up all scheduled program activities missed.
 5. **Length of Leave of Absence:** The maximum leave of absence is thirty (30) days, unless the participant renews the request in writing and Provider approves. In no case, may the leave extend beyond the time available to complete diversion, which has been set by the Standards as one year in Monterey County.
 6. **Court Hearings:** Participants are responsible for appearing at required Court hearings regardless if they are on a leave of absence or not during the time of the hearings.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or Assistant Director of Health to execute a three fiscal year term Alcohol and or Drug Service Contract Agreement with Valley Health Associates for the provision of alcohol and drug recovery services in the amount of \$829,621 for Fiscal Year (FY) 2016-17; \$829,621 for FY 2017-18; and \$829,621 for FY 2018-19, for a total Agreement amount of \$2,488,863 for the period July 1, 2016 through June 30, 2019; and
- b. Authorize the Director of Health or Assistant Director of Health to sign up to three future amendments to this Agreement where the amendments do not exceed 10% of the original Agreement amount and do not significantly change the scope of work.

SUMMARY/DISCUSSION:

The County currently has Agreement A-12550 with Valley Health Associates (VHA) which will expire on June 30, 2016. Valley Health Associates provides Outpatient Drug Diversion Program services; and Outpatient Drug Free services and Narcotic Treatment Program services, which include methadone dosing, for AB 109 and Drug Medi-Cal eligible Monterey County residents. Valley Health Associates is one of two methadone Drug Medi-Cal certified providers in the County.

This Agreement contains the County's standard 30 day termination provision (Section 5) which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding (Section 6). Should the funding be reduced or terminated, Behavioral Health Bureau will implement a plan to terminate this Agreement as needed.

This supports the Monterey County Health Department 2011-2015 strategic plan initiative: 1) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The County Counsel and the Auditor-Controller have reviewed this Agreement as to legal form and fiscal provisions, respectively. This Agreement is on file with the Clerk to the Board.

FINANCING:

This Agreement is funded by 84% Drug Medi-Cal and 16% AB109 funding. The funds for FY 2016-17 have been included in the Health Department's Behavioral Health Bureau (HEA012, Unit 8410) FY 2016-17 Requested Budget. The funds for this Agreement for FY 2017-18 and FY 2018-19 will be included in the Health Department Behavioral Health Bureau (HEA012, Unit 8410) FY 2017-18 and FY 2018-19 Requested Budgets.
