All Member Agencies will be required to sign the COPLINK System Use Agreement and this Memorandum of Understanding prior to gaining access.
- 5.2 Data Sharing: All Member Agencies agree to share data with other Member Agencies who have a need to know and a right to know, with comprehensive, timely, accurate information about a suspect or offender to include, but not limited to, identity, prior agency contacts, citations, arrests, investigations, criminal history, and current justice status. Each agency will be required to have each employee sign an Employee Statement form agreeing not to misuse the information contained in COPLINK. Each agency will have the prerogative of not sharing those items of data that it deems sensitive or confidential. Nothing in this MOU shall be construed to mean that any Member Agency must share any type of data. The South Bay Region Node Technology Committee will develop a Guideline Document that will make a recommendation for the type of data to be shared by each agency. This document will be a guideline only and will not be binding. The data to be shared, will be the data that the Member Agency already has in its own database and no agency will be required to collect any data that it does not collect in the normal course of business.

The South Bay Region Node Technology Committee will set the criteria for the minimum number of data sets (i.e. Crime Reports, Citations, Field Investigations, Mugs, Arrests Reports, etc.) that member agencies must provide to be a member agency. In addition, the Technology Committee will adopt guidelines for agencies to withhold or suppress certain documents based on specific criteria. Based on these guidelines, each Member Agency shall determine, in the exercise of its sole discretion, which data records are shared within the system. Each member agency

shall maintain their respective source databases. Each Agency shall strive to identify and achieve common interests to enhance public safety and due process while maintaining individual privacy rights.

Each Member Agency is responsible for the internal agency security of their records and any technical support necessary to insure proper security. Member Agencies agree to confirm that their network meets current DOJ security requirements as set forth in the most current Policies, Practices and Procedures Document provided by the Department of Justice, and that SBISS will continue to meet those standards.
- 5.3.1 Liability and Indemnification: Each Member Agency takes legal and financial responsibility for the actions of their employees, officers, agents, representatives and volunteers. Member Agencies agree to indemnify, defend and hold harmless other Member Agencies to the fullest extent permitted by law from and against any and all demands, claims, actions, liabilities, losses, damages, and costs, including reasonable attorney's fees arising out of or resulting from this MOU, and that each agency shall bear the proportionate cost of any damage attributable to the fault of that agency, its governing body, officers, agents, employees and volunteers. It is the intention of the Member Agencies that, where fault is determined to have been contributory, principles of comparative fault will be followed.
- 5.3.2 Background and Fingerprint Requirements: All persons including non-criminal justice and volunteer personnel who have access to the SBISS South Bay Region Node are required to undergo background and fingerprint check. Each Agency will determine, based on their internal policies and the CLETS Policies, Practices, and Procedures, when SBISS access will not be granted to an employee. The final responsibility for maintaining the security and confidentiality of SBISS information rests with the Member Agency head or administrator.
- 5.3.3 User Access: Each employee/volunteer is required to sign an employee statement form prior to operating or having SBISS access. Each employee/volunteer shall sign an employee statement on a biennial basis. Additional requirements may be required at the discretion of an agency. A sample form is attached hereto as Exhibit C.

When a person with access to SBISS is no longer employed or no longer accessing SBISS on behalf of the Member Agency, the

Agency is responsible for removing all related passwords and security authorizations from the system.

No person with access to SBISS shall release any information or records located in SBISS without express permission of the Original Agency who provided the data. No person with access to SBISS shall release any information contained in SBISS either by Court Order or in response to a Public Records Act request unless they are the originating agency of such data. All California Public Records Act or Freedom of Information Act requests should be referred back to the originating agency.

Each Member Agency shall carry a minimum of one million dollars in general liability insurance.

5.4 Connecting with other COPLINK Nodes: The Board will continually work to expand the connectivity of the SBISS South Bay Region Node and will actively pursue opportunities to sign MOU agreements with other COPLINK nodes under the guidelines outlined in this agreement.

5.5 SBISS Node Cooperation: Participating agencies understand that the South Bay Region Node Board of Directors has authorized the Chair of the Board to sign MOU and Inter-Agency agreements with other COPLINK nodes and Law Enforcement Sharing Systems for the purpose of expanding the data sharing network.

6 Information Ownership, Release and Accuracy

6.1 Ownership and Release Constraints: Member Agencies shall retain control of and remain the official custodian of all information they contribute to the South Bay Region Node. All requests for information, California Public Records Act or Freedom of Information Act, will be referred to the Member Agency that is the owner of the requested data, and the Member Agency that is the owner of the requested data will be responsible for responding to the request for information.

6.2 Information Utilization: Any Data present in the COPLINK or law enforcement system is the proprietary information of the Member Agency contributing that Data. Each Member Agency has an affirmative

obligation to assure that any “criminal intelligence data that is entered and used through the COPLINK intel L.E.A.D product complies with 28 CFR Part 23. Member Agencies and Authorized Users may use the Data for Law Enforcement purposes only. The Member Agency responsible for contributing the Data shall have sole discretion regarding release of that information.

- 6.3 Information Accuracy: Member Agencies and Authorized Users acknowledge that Data maintained in the South Bay Region Node consists of information that may or may not be accurate. Each Member Agency agrees to do an internal audit of their own Data annually in order to review the Data for accuracy. A random sampling of different types of Data shall be selected by each agency to review and compare their Records System Data with the same data in the COPLINK system. Each Member Agency agrees to maintain a copy of their internal audit form for a period of no less than three years for review by the Board of Directors on request. A sample form is attached hereto as Exhibit D and can be used to help facilitate this audit.
- 6.4 Audit Trail: An Audit Trail will be maintained for a period of no less than three years to determine who accessed the data including the date and time when the data was accessed.
- 6.5 Data Errors: It will be the responsibility of the Member Agency to correct data errors that have been identified at that Member’s sole cost within a reasonable time, but no later than ninety-days (90) from the date of notification.
- 6.6 Criminal Discovery: Prior to releasing any data in furtherance of its statutory and constitutional obligations relating to the criminal discovery process, a member prosecuting agency shall seek express permission from the originating agency. In order to aid in the release of data, it is recommended that each contributing agency designate a Criminal Discovery Coordinator or equivalent contact person to receive, evaluate and promptly reply to such requests.

In any instance where an originating agency declines to grant such disclosure permission, the originating agency and the prosecuting agency shall confer to reach agreement on possible limitations on disclosure (including the seeking of judicial protective orders) in an attempt to protect the originating agency’s specific concerns while allowing the prosecuting agency to meet its statutory and constitutional criminal discovery obligations.

7 Funding, Costs, Personnel and Financial Considerations

- 7.1 Node Costs: Costs for the creation, initial three (3) years of maintenance and the expansion of the Node was paid for as set forth in the SBISS South Bay Region Node Share of Cost Agreement attached hereto as Exhibit A. Since the initial creation of the node, Exhibit A has and may be amended from time to time and is incorporated herein by reference.
- 7.2 Payment Administration: The Fiscal Agent shall administer payments to vendors and invoice Member Agencies for their share of cost.
- 7.3 Financial Responsibility: Initially, the hardware and software required at each Node was paid for with Grant funding. However, in the event grant funding is not available the new Member Agency will be responsible for the expense of acquiring and maintaining the hardware, software, and data communication equipment and services needed by their Agency to connect to the Node. For new member or view-only agencies not part of the cost allocation table all host related support costs shall be allocated to the sustainment of the Node and will not serve as profit. It is understood that as the system ages, there may be certain upgrades or maintenance required on the hardware at each of the Member Agencies. These upgrades or required maintenance will be the sole responsibility of the Member Agencies. Nothing included in this MOU requires any Agency to directly fund the activities of any other Member Agency. Future upgrades to the Servers and Core Infrastructure of the System will be shared between Member Agencies as indicated in the SBISS South Bay Region Node Share of Cost Agreement and approved by Board of Directors. In the event that hardware or software upgrades are required to facilitate the proper functioning of the system, the Board of Directors will notify the Member Agency in writing at least ninety (90) days in advance of the funding requirement.
- 7.4 Grant Funding: Grant funding provided by the Urban Area Security Initiative, Homeland Security Grant Program, Federal Emergency Management Agency, U.S. Department of Homeland Security has been used to offset the start-up costs for the Node. The primary use of these funds will focus on infrastructure, paying for software license maintenance, and data integration fees for the Member Agencies. The Fiscal Agent will manage all aspects of payment and reporting for grant funding.
- 7.5 Future Grant Funding: Member Agencies that individually apply for grant funding for this system should notify the South Bay Region Node Board of Directors to avoid duplicative efforts and requests for funding. Any grant funding which may result from such applications will be considered to be outside of this MOU. The Member Agencies may choose to apply

jointly for grant funding and upon the written agreement of the Member Agencies; such monies shall fall under the jurisdiction of this MOU.

- 7.6 Member Agency Employees: Employees of a Member Agency working for the benefit of the Node remain the employees of that Member Agency.

8 Amendments

- 8.1 Addition of new Member Agencies: If additional agencies choose to become Member Agencies after this MOU is executed, this Agreement shall be amended to include those agencies as signatories.
- 8.2 This MOU may be modified by presentation of the proposed changes and an affirmative majority vote of the Board.
- 8.3 All approved amendments must be in writing and approved by the Board.

9 Termination

- 9.1 MOU Termination: This MOU may be terminated by mutual agreement of all Member Agencies.
- 9.2 Member Agency Termination: Any Member Agency may terminate its participation in this MOU with or without cause upon sixty-days (60) prior written notice to the Board, unless such termination is prohibited by a grant condition or unless the Member Agency is a Host Node. If the Member Agency wishes to remove Data from the Node after terminating its participation, that Member Agency will be responsible for any costs associated with removing their Data from the Node.

Other Termination: The Board may exercise its authority to terminate the relationships established under this MOU if the majority members of the Board determine that a Member Agency is not complying with the terms and conditions of this MOU, the Cost Sharing Agreement (Exhibit A); and/or the System Use Policy (Exhibit B).

10 Miscellaneous

- 10.1 This MOU is intended to provide for a strategic plan to promote data sharing and should be amended as necessary to accomplish the goal of

fully integrating the Member Agencies, future agencies and potential future data sources.

- 10.2 From time to time the Member Agencies may develop, adopt or create additional policies and/or procedures related to other forms of information gathering and sharing, hosted by SBISS. The Member Agencies will have an opportunity to review, comment or revise these policies and once approved by the Board of Directors, the policies will be incorporated herein (See, Appendix) and the Member Agencies will be bound by the terms therein.

The parties hereto execute this MOU as of the Effective Date.

Table 1 Notes:

[1] The population is based on the 2010 census data and will provide the basis for initial cost sharing along with agency sworn counts. Percentages in table 1 are determined by the total covered population for respective agency as a portion of total County population. Sworn counts are based on California POST Statistics for Current Employed Full-Time Sworn and determine SBISS license costs as a percentage of total State sworn counts.

[2] Cost allocation Years 2, 3, and 4 represent: Year 2: (10/01/11 to 9/30/12), Year 3: (10/01/12 to 12/31/13), and Year 4: (01/01/14 to 12/31/14). The expenses allocated during these periods include but are not limited to the Host and Resource Annual costs associated with a .5 FTE Information Systems Staff.

[3] Cost allocation begins in Year 5 – January 1, 2015. The expenses allocated during this period include but are not limited to the COPLINK annual software and Integration Services Maintenance & Technical Support license fee and the Host and Resource Annual costs that include network hardware, Internet Services maintenance and the costs associated with a .5 FTE Information Systems Staff.

[a] Year 1 (7/01/13 - 6/30/14): Host site costs apply during year one and commence after implementation is complete.

[b] Year 2 (7/01/14 - 6/30/15): Grant Funding for software and integration maintenance. Excludes host site costs.

[c] Year 3 (7/01/15 - 6/30/16): To include software and integration maintenance along with host site costs.

[Item 3] Should a Probation Department determine not to continue after the completion of one year, then the remaining Departments would be responsible for sharing licensing costs for item 3. SBISS will plan to include the above costs for all future grant requests excluding host site costs. *Note: Annual Billing: Billing invoices related to host site costs will be sent during the last quarter of the first year. After the successful implementation of the module and integration of the final probation case management system, the maintenance cycle will commence. After the first annual cycle completes, Probation Departments will be responsible for sustainment of the probation module, and datasource integration maintenance. Currently host site costs

have not been eligible for grant funding coverage and as a result, member agencies have had to include these costs as part of their annual budgets.

3.7 Agency annual maintenance costs for items not covered by the grant will begin at the soonest on July 1, 2010. Each year the fiscal agent will invoice each Member Agency for the maintenance costs. The member Agency shall pay the annual payment within 30 days of receipt. If payment or payment arrangements have not been agreed to by the payment due date, services will be terminated.

3.8 Each Member shall pay a share of the Annual Maintenance Costs based on the principle that Members shall share the systems maintenance costs based on the system, sworn counts (Table 5), and member population computation or other on-going cost computation as determined by the South Bay Region Node Board of Directors. Member Agency population was based on the 2010 U. S. Census and will be updated to reflect the 2010 U.S Census numbers.

Including sworn counts, the cost allocations for each police department and Sheriff's Office will reflect the U. S. Census data with the exception that Los Gatos-Monte Sereno Police Department will be assessed the combined population allocations for the City of Los Gatos and the City of Monte Sereno and the assessment for the Santa Clara County Office of the Sheriff will be the combined population allocations for the unincorporated Santa Clara County, the City of Cupertino, the City of Saratoga, and the City of Los Altos Hills. Additionally, the District Attorney member agencies will have cost sharing allocations specific to their agencies and are reflected in above tables 4 and 5 respectively. The other exception is for all University Police Departments as their allocations will be based on campus populations.
