Referral Title: Monitoring of FCS Programs and Services

Referral Purpose: This referral requests HHHSC Committee roles and responsibilities be amended to explicitly include responsibility for monitoring the programs and services of Family and Children's Services

Brief Referral Description (attach additional sheet as required):

The Family & Children's Services (FCS) Branch of the Department of Social Services offers child protective services, foster care services, and adoption services to children and youth in Monterey County. FCS strives to keep all children and youth safe and to prevent the occurrence of child abuse and neglect. The California Department of Social Services provides formal oversight of FCS, with local programs administered by the County. The County is committed to protecting confidentiality of FCS cases while also ensuring full transparency and accountability of this exceptionally challenging work.

Other California counties have assigned specific committees with the responsibility to monitor and study the operations of Family and Children's Services to ensure that the systems involved in protecting children and supporting families are effective. In Monterey County the Board of Supervisors Health, Housing, and Human Services Committee (HHHSC) is tasked with reviewing requests and recommendations for policies regarding health and human services issues impacting the County of Monterey. This referral requests that the HHHSC Committee roles and responsibilities be amended to explicitly include responsibility for monitoring the programs and services of Family and Children's Services.

Specifically this referral requests that:

1. The HHHSC Roles and Responsibilities be amended to include "Review and make recommendations for the effective operations of Family and Children's services."
2. The Dept of Social Services provide a regular consent agenda report to the HHHSC on the programs and services provided by Family and Children's Services, generated from data provided to the State, with a scheduled presentation on FCS occurring at least twice per year
3. The Dept of Social Services provide a regular consent report to the HHHCS on the staffing of Family and Children's Services, including recruitment data.
4. The Dept of Social Services provide a yearly report to the Board of Supervisors with a summary of annual programs and services for Family and Child Services and the System Improvement Plan submitted to the State.
