- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.

The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.
- 6.05 CONTRACTOR shall not receive reimbursement for mileage or travel expenses unless set forth in this Agreement.

7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current A.M. Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to

indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:

For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:

The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials,

employees, agents, or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

- 10.01 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.02 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.03 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining

to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.05 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines (“WCAG”) 2.1, pursuant to the Americans with Disabilities Act (“ADA”). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format (“PDF”) and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:**

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 **COMPLIANCE WITH APPLICABLE LAWS:**

13.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. EXHIBIT B:

ASSURANCE OF COMPLIANCE WITH

MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.

- Provide options for services, which are consistent with the client’s beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.
3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond in an appropriate and respectful manner.
4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

- C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.
3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.
 - a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.
 - b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”) shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

(a) “Breach” shall have the same meaning as “breach” as defined in 45

C.F.R. § 164.402; however, the term “Breach” as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient’s “medical information” as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a “breach of the security of the system” under Cal. Civil Code § 1798.29.

(b) “California Confidentiality Laws” shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California’s data breach law (Cal. Civil Code § 1798.29).

(c) “Protected Health Information” or “PHI” shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity’s behalf. PHI, when used in this BAA, includes EPHI.

(d) “Services” shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement “(Services Agreement)” between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify

the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request;

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach; and

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and

expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach.

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services (“Secretary”) in a time and manner designated by the Secretary for purposes of determining Covered Entity’s or Business Associate’s compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity’s request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary. In addition, Business Associate shall promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity. The fact that Covered Entity has the right to inspect, inspect, or fails to inspect Business Associate’s internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity’s acceptance of such practices or waiver of Covered Entity’s rights under this BAA;

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual’s PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply

with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set;

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual.

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to review the Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of Privacy Practices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 Termination. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall

notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments; Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.5 Counterparts: Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 Choice of Law: Interpretation. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to

obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability. The insurance coverage limits, per claim and in the aggregate, shall not be less than the following amounts based upon the number of unique patients served under this agreement:

Unique Patients	Coverage
Less than 12,001	\$2,000,000
12,001 – 30,000	\$3,000,000
30,001 – 60,000	\$5,000,000
More than 60,000	\$10,000,000

If the Business Associate maintains broader coverage and/or higher limits than these minimums, the Covered Entity requires, and shall be entitled to, the broader coverage and/or the higher limits maintained by the Business Associate. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Covered Entity. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior

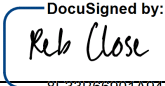

written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity’s electronic health information that would result in “information blocking” as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, “Information Blocking Rules”). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity’s electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.
