Interests & Experiences

Please tell us about yourself and why you want serve.

My name is Flavio Díaz Torres and I'd like to serve on the commission due to my strong interest in the California housing crisis and the possibility of helping the people of the county I grew up in have better housing opportunities.

Please state the reason you would like to be a member of this board committee/commission/district.

After seeing plenty of terrible living situations throughout the years and my recent work with the Cities of Greenfield and Soledad I've begun to really look for opportunities to help these cities and the

county as a whole when it comes to housing. I believe my knowledge of California housing regulations, the current conditions of housing parameters, and the support from numerous city staff across three different cities in all things housing and land use; can prove to be a supportive commission member.
