***DEED RESTRICTION***

I. WHEREAS, on this 8<sup>th</sup> day of August, 2012, **Fernando Ramirez, a single man, Jose G. Lopez and Aida Lopez, Trustees of the 2010 Lopez Revocable Trust under Declaration of Trust dated June 10, 2010, and Martin C. Moya and Elena Moya, husband and wife, as Joint Tenants, all as Tenants in Common**, hereinafter referred to as Owner(s), is the record owner of the real property as set forth in Exhibit "A" attached hereto and hereby incorporated by reference, hereinafter referred to as "the subject property"; and

II. WHEREAS, Monterey County **Planning Commission** is acting on behalf of the People of Monterey County; and

III. WHEREAS, the owner applied to the Monterey County for a **Combined Development Permit** for the development on the subject property described above; and

IV. WHEREAS, discretionary development Permit No. **PC93018** was granted on **June 30, 1993** by the **Planning Commission** in accordance with the provision of the Findings

contained in Resolution No. **93-120** attached hereto as "Exhibit B", and hereby incorporated by reference; and

V. WHEREAS, the afore said Permit was subject to the terms and conditions including, but not limited, to the following condition(s) set forth in Exhibit "C", attached hereto, and hereby incorporated by reference.

VI. WHEREAS, it is intended that this Deed Restriction is irrevocable and shall constitute enforceable restrictions; and

VII. WHEREAS, Owner has elected to comply with the condition imposed by afore said permit so as to enable Owner to undertake the development authorized by the permit.

NOW, THEREFORE, in consideration of the granting of discretionary development Permit No. **PC93018** to the Owner by Monterey County, the Owner hereby irrevocably covenants with Monterey County that there be and hereby is created the following restrictions on the use and enjoyment of said subject property, to be attached to and become a part of the deed to the property. The undersigned Owner, for himself/herself and for his/her heirs, assigns, and successors in interest, covenants and agrees to those terms and conditions set forth in Exhibit "C", attached hereto, and hereby incorporated by reference.

If any provision of these restrictions is held to be invalid or for any reason becomes unenforceable, no other provision shall be thereby affected or impaired.

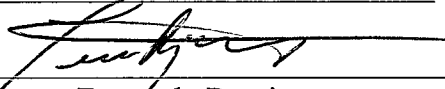

Said deed restriction shall remain in full force and effect during the period that said permit, or any modification or amendment thereof, remains effective, and during the period that the development authorized by said permit or any modification of said development, remains in existence in or upon any part of, and thereby confers benefit upon, the subject property described herein, and to that extent, said deed restriction is hereby deemed and agreed by Owner to be a covenant running with the land, and shall bind Owner and all his/her assigns or successors in interest.

The property owner agrees as a condition and in consideration of the approval of this discretionary development permit that it will, pursuant to agreement and/or statutory provisions as applicable, including but not limited to Government code Section 66474.9, defend, indemnify and hold harmless the County of Monterey or its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers or employees to attack, set aside, void or annul this approval, which action is brought within the time period provided for under law, including but not limited to, Government Code Section 66499.37, as applicable. The

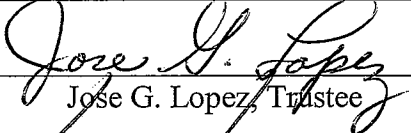

property owner will reimburse the County for any court costs and attorney's fees which the County may be required by a court to pay as a result of such action. County may, at its sole discretion, participate in the defense of such action; but such participation shall not relieve applicant of his obligations under this condition. An agreement to this effect shall be recorded upon demand of County Counsel or concurrent with the issuance of building permits, use of the property, filing of the final map, whichever occurs first and as applicable. The County shall promptly notify the property owner of any such claim, action or proceeding and the County shall cooperate fully in the defense thereof. If the County fails to promptly notify the property owner of any such claim, action or proceeding or fails to cooperate fully in the defense thereof, the property owner shall not thereafter be responsible to defend, indemnify or hold the County harmless. (RMA – Planning Department)

The Owner(s) agree(s) to record this Deed Restriction in the Recorder's Office for the County of Monterey as soon as possible after the date of execution.

PLANNING COMMISSION  
COUNTY OF MONTEREY, STATE OF CALIFORNIA

RESOLUTION NO. 93-120

A. P. # 119-162-008-000

FINDINGS AND DECISION

In the matter of the application of Fernando Ramirez (PC93-18)

WHEREAS: The Planning Commission, pursuant to regulations established by local ordinance and state law, has considered, at public hearing, a Combined Development Permit, located on Lot 4 of Assessor's Subdivision 3, Block 2, Las Lomas Tract 5, Las Lomas area, fronting on and north easterly of Las Lomas Drive, Coastal Zone, came on regularly for hearing before the Planning Commission on June 30, 1993.

WHEREAS: Said proposal includes:

- 1) Minor Subdivision Tentative Map to allow division of a 1.18 acre parcel into 4 parcels of 12,331 sq. ft., 11,894 sq. ft., 13,052 sq. ft. and 14,079 sq. ft. each and grading, and
- 2) Coastal Development Permit, and
- 3) Coastal Development Permit for trailer removal and demolition of an existing garage and concrete slab

WHEREAS: Said Planning Commission, having considered the application and the evidence presented relating thereto,

1. FINDING: The proposed development is a minor subdivision of a 1.18 acre parcel into four parcels of 1) 11,894 sq. ft., 2) 12,331 sq. ft. 3) 13,052 sq. ft. and 4) 14,079 sq. ft. This would result in an average density of 12,839 sq. ft. per unit in the Medium Density Residential or MDR/4 (CZ) Zoning District. The project will also include the removal of an existing trailer, the demolition of an existing garage and a concrete slab. The subject parcel is located on 40 Las Lomas Drive in the Las Lomas area. Access to the parcel is proposed from Las Lomas Drive.

Vegetation in the vicinity where future development will occur, consists primarily of non-native grasses.

EVIDENCE: 1) Minor Subdivision File No. (PC93-018).

2. FINDING: The project, as described in the application and accompanying materials, and as conditions, conforms with the plans, policies, requirements, and standards of the Monterey County Local Coastal Program.

Exhibit B

Page 1 of 9 Pages

**EVIDENCE:** The Planning and Building Inspection staff reviewed the project, as contained in the application and accompanying materials, for conformity with:

- 1) the certified North County Land Use Plan, and
- 2) the certified Monterey County Coastal Implementation Plan regulations for MDR/4 (CZ) Zoning District in the Coastal Zone, an
- 3) Chapter 20.144 of the Monterey County Coastal Implementation Plan regulations for development in the North County Land Use Plan Area.

3. **FINDING:** The project will not have a significant adverse impact on the environment and a Negative Declaration has been adopted by the Minor Subdivision Committee. An initial study was prepared for the project and it was determined that the project would have no significant impacts and a Negative Declaration was filed with the County Clerk on April 23, 1993, noticed for public review and circulated to the State Clearinghouse for comments.

**EVIDENCE:** Initial Study and Negative Declaration contained in File No. PC93-018.

4. **FINDING:** For purposes of the Fish and Game Code, the project will have a potential for adverse impacts on fish and wildlife resources upon which the wildlife depends.

**EVIDENCE:** Staff analysis contained in the Initial Study and the record as a whole indicate the project may or will result in changes to the resources listed in Section 753.5(d) of the Department of Fish and Game regulations. Future development of parcels as a result of the Minor Subdivision could potentially alter non-native plantlife and the soil required to sustain the habitat for wildlife.

5. **FINDING:** The project, as described in the application and accompanying materials, conforms with the applicable provisions of the Monterey County Code relative to (1) Small Water Systems, Chapter 15.04, and (2) Sewage Disposal, Chapter 15.20.

**EVIDENCE:** The project was reviewed by the Monterey County Department of Health and Public Works for conformity with the applicable provisions of the County Code. Appropriate recommendations for the project as contained in File No. PC93-018.

6. **FINDING:** There presently exists in the North Monterey County area a serious overdraft in the aquifers, together with seawater intrusion problems in the North County Zone and nitrate pollution problems throughout the area. The North County Land Use Plan, Coastal Implementation Plan, and Area Plan recognize the existence of these problems and direct that studies be made to determine the safe-yield of the North Monterey County aquifer and that procedures thereafter be adopted to manage development in the area so as to minimize adverse effects on the aquifers and preserve them as viable sources of water for human consumption.

Exhibit B

**EVIDENCE:** Ordinance #3496 of the County of Monterey adds Chapter 18.51 to the Monterey County Code to establish a Water County Area to assist in financing a study and management plans relating to the safe yield of the North Monterey County aquifers.

7. **FINDING:** The project is consistent with Section 20.144.070 of the Coastal Implementation Plan dealing with water resources.

The subject site is located in North County Land Use Plan Subwatershed No. 16, which is designated as a Watershed Restoration Area. The erosion hazard of ShE soils found on the site (according to the Department of Agriculture's Soil Conservation Service soil maps) has a K-factor of .32. A condition of project approval requires the applicant to prepare an erosion control plan which is subject to approval by the Director of Planning, as well as the USDA Soil Conservation Service, addressing the proposed improvements.

**EVIDENCE:** (1) Appendix 2A, North County Resources Maps.  
(2) United States Department of Agriculture, Soil Conservation Service; Soil Survey of Monterey 73.

8. **FINDING:** The proposed project is consistent with policies of the Local Program dealing with development in hazardous areas. The site is located in a hazardous geologic zone and a geotechnic report has been prepared for the site consistent with "Guidelines for Seismic Reports" of the California Divisions of Mines and Geology. The report, prepared by Jacob and Associates dated August 10, 1992, states that the subject site will be suitable for the proposed development provided that the recommendations of the geologic report are implemented in the design and proposed construction.

**EVIDENCE:** Appendix 2a, Resource Maps, of the Monterey County Coastal Implementation Plan.

**EVIDENCE:** Geotechnical Report prepared for the project by Jacob and Associates contained in project file MS93-018.

9. **FINDING:** The project as proposed is consistent with policies of the Local Coastal Program dealing with development in archaeologically sensitive areas. An archaeological survey has been conducted on the project site by Archaeological Consulting dated November 11, 1992. The report states that there are no identifiable archaeological resources located on site. A condition has been added to stop work in the event that any archaeological resources are found on the site.

**EVIDENCE:** Archaeological report submitted by the applicant contained in the project file. Condition No. 9.

10. **FINDING:** The recommended conditions regarding Inclusionary Housing and recreation requirements ensure that the public health, safety and welfare is preserved, protected and enhanced.

Exhibit B

- EVIDENCE: 1) Section 18.40 of the Monterey County Code (Inclusionary Housing Ordinance)  
2) Section 19.12.010 of the Monterey County Code (Recreation Ordinance)
11. FINDING: The on-site inspection of the parcel by the project planner. The site of the proposed minor subdivision is physically suitable for the type of development proposed.
- EVIDENCE: 1) File No. PC93-018, along with materials and information derived from an archaeological report by Archaeological Consulting, and a geotechnical report prepared by M. Jacobs and Associates. 2) A slope analysis has been prepared showing adequate area within each of the four parcels with less than 25% slopes.
12. FINDING: The establishment, maintenance, or operation of the use or building applied for will not under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood or to the general welfare of the County.
- EVIDENCE: The project as described in the application and accompanying materials was reviewed by the Department of Planning and Building Inspection, Health Department, Public Works Department, and the Water Resources Agency. The respective departments have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood, or the county in general.
13. FINDING: The project, as approved by the Coastal Development Permit, is appealable to the Board of Supervisors, however, it is not appealable to the California Coastal Commission.
- EVIDENCE: Section 20.140.080 G and J of the Monterey County Coastal Implementation Plan.

#### DECISION

THEREFORE, it is the decision of said Planning Commission that said Negative Declaration be adopted and that said application be granted as shown on the attached sketch, subject to the following conditions:

1. That the applicant pay the appropriate financial contribution in accordance with Ordinance 3496, adopted by the Board of Supervisors to implement an area-wide hydrological study to address groundwater overdraft and water resources in the project area. The fees shall be paid prior to the filing of the parcel map. (Planning and Building Inspection)
2. That the approved development shall incorporate the recommendations of the Erosion Control Plan as reviewed by the Soils Conservation Service and the Building Inspection section of the Monterey County Department of Planning and Building Inspection. (Planning and Building Inspection)

Exhibit B

3. That a note be placed on the final map which states, "All development on the parcels shall have a drainage and erosion control plan prepared by a registered civil engineer to address on-site and off-site impacts." (Planning and Building Inspection)
4. That a Grading Permit shall be required pursuant to the Monterey County Code relative to Grading, Chapter 16.08. (Planning and Building Inspection)
5. That no land clearing or grading shall occur on the subject parcel between October 15 and April 15 unless authorized by the Director of Planning and Building Inspection. (Planning and Building Inspection)
6. Erosion Control Plan required by the Coastal Implementation Plan shall be subject to the approval of the Water Resources Agency. (Planning and Building Inspection)
7. A deed restriction shall be recorded with the County Recorder's Office and a note shall be placed on the final map which states: "A geotechnic report has been prepared for this project by Jacob and Associates, and is on file in the Monterey County Planning and Building Inspection Library #14.03.197. All development, shall be in accordance with this report." (Planning and Building Inspection)
8. That new utility and distribution lines shall be placed underground. (Planning and Building Inspection)
9. If, during the course of construction, cultural, archaeological or paleontological resources are uncovered at the site (surface or subsurface resources) work shall be halted immediately within 50 meters (150 feet) of the find until it can be evaluated by a qualified professional archaeologist. The Monterey County Planning and Building Inspection Department and a qualified archaeologist (i.e., an archaeologist registered with the Society of Professional Archaeologists) shall be immediately contacted by the responsible individual present on-site. When contacted, the project planner and the archaeologist shall immediately visit the site to determine the extent of the resources and to develop proper mitigation measures required for the discovery. (Planning and Building Inspection)
10. Pursuant to the State Public Resources Code and the State Fish and Game Code, the applicant shall pay a fee to be collected by the County of Monterey in the amount of \$1,275. This fee shall be paid prior to filing of the Notice of Determination. Proof of payment shall be furnished by the applicant to the Director of Planning and Building Inspection prior to commencement of use or the issuance of building and/or grading permits.
11. The applicant shall comply with the recreation requirements contained in Section 19.12.010 of the Subdivision Ordinance (Title 19, Monterey County Code). (Parks Department)
12. Dedicate to County 30' from centerline of Las Lomas Drive. (Public Works)

Exhibit B

Page 5 of 9 Pages

13. File parcel map delineating all existing and required easements or rights-of-way and monument new lines. (Public Works)
14. Provide Improvement Plans for the Approval of the Director of Public Works and construct both common driveways prior to recording the parcel map. (Public Works)
15. Obtain a sewer connection permit from the Pajaro County Sanitation District, pay all fees, and provide for all necessary easements. (Public Works)
16. Participate in the traffic signals and intersection improvements at the Hall Road/Las Lomas intersection by contributing 3/129 (\$3,720.00) of the estimated costs of the improvements (\$160,000.00). (Public Works)
17. Thirty days prior to expiration date of the tentative map, Step A (8-items) of the County Surveyor's Check Off List for Parcel Map Processing shall be completed. (Public Works)
18. If required, enter into an agreement with the County of Monterey to construct standard vertical curb, gutter, and sidewalk along entire frontage of Las Lomas Drive. (Public Works)
19. Provide for 30' right-of-way serving all parcels. (Public Works)
20. Applicant must complete and file a Water Use Nitrate Impact Questionnaire with the Monterey County Water Resources Agency. (Water Resources Agency)
21. For the purpose of not impacting the 100 yr. floodplain no construction shall take place below elevation 45 feet as shown on the tentative map. (Water Resources Agency)
22. Applicant shall comply with the requirements of the Inclusionary Housing Ordinance prior to filing of the parcel map. (Planning and Building Inspection)
23. The property owner agrees as a condition of the approval of this Combined Development Permit which includes a Minor Subdivision, that it will pursuant to Government Code Section 66474.9, defend, indemnify and hold harmless the County of Monterey or its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers or employees to attack, set aside, void or annul this approval, which action is brought within the time period provided for in Government Code Section 66499.37. An agreement to this effect shall be recorded upon demand of County Counsel or concurrent with the filing of the final map, whichever occurs first. The County shall promptly notify the subdivider of any such claim, action or proceeding and the County shall cooperate fully in the defense thereof. If the County fails to promptly notify the property owner of any such claim, action or proceeding or fails to cooperate fully in the defense thereof, the property owner shall not thereafter be responsible to defend, indemnify or hold the County harmless. (Planning and Building Inspection)
