

Hello Supervisor Chris Lopez,

My name is Maria Rusconi. I am interested in the opening on the Soledad Cemetary board. I am a third generation Soledad resident. There are four generations of my family buried at the Soledad cemetery.

I have been on 2 community committees. One was the old town neighborhood committee, and the other was the tree planting committee.

The current Soledad Cemetary board is doing great things. There is a new pride and respect brought back for our Cemetary. I would love to be a part of the new vision that is being brought by the board.

Thank you for your time. Looking forward to hearing from you.

Sincerely,  
Maria Rusconi
