

*Before the Board of Supervisors in and for the
County of Monterey, State of California*

Resolution No.:

Proclaim the Month of August 2017 as)
“**Breastfeeding Awareness Month**” in Monterey County.....)

WHEREAS, the advantages of breastfeeding for infants and mothers and the use of human milk for infant feeding are supported by overwhelming scientific evidence, with advantages including health, nutritional, immunologic, developmental, psychological, social, economic, and environmental benefits; and

WHEREAS, breastfeeding decreases the incidence and/or severity of childhood health conditions including respiratory and ear infections, diabetes, overweight and obesity, sudden infant death syndrome, leukemia, and asthma, and breastfeeding promotes optimal brain development, providing children with an ideal foundation for learning readiness; and

WHEREAS, breastfeeding is an important part of preventive healthcare for mothers, as it can decrease postpartum depression, facilitate weight loss, help delay a new pregnancy, and reduce the risk of diabetes and certain types of cancer; and

WHEREAS, United States and international health organizations encourage exclusive breastfeeding of infants for six months before the introduction of complementary foods, and continued breastfeeding until the infant is at least one to two years old; and

WHEREAS, Ninety-seven of Monterey County mothers of newborns initiate breastfeeding, but only sixty-three percent are exclusively breastfeeding at hospital discharge; and

WHEREAS, the theme for this year’s World Breastfeeding Week, *Breastfeeding: Sustaining Breastfeeding Together*, calls on advocates, decision-makers and celebrants to forge new and purposeful partnerships to promote, protect, and support breastfeeding by any woman, anywhere and at anytime; and

WHEREAS, the County of Monterey is working on strategies to support mothers and increase the number of women who meet recommended breastfeeding goals, and to improve infant, maternal, and family health through the promotion, support and protection of breastfeeding in Monterey County.

NOW, THEREFORE BE IT RESOLVED, by the Board of Supervisors of the County of Monterey, on behalf of the County and all the residents thereof, proclaim the month of August 2017 as “**Breastfeeding Awareness Month**” to support breastfeeding as one of the best public health prevention measures related to infant and maternal well-being.
