Implementation Service Detail

Concierge Implementation Service for SignUp & Spaces (Tier 2)

Enjoy the freedom of letting Evanced set up the details of your software, from inputting event type and age group lists to setting up your rooms and equipment for you. Speed up your implementation by handing off these tasks to our expert Support Team. We'll have you ready to launch within 45 days! In addition to the free videos and weekly web training classes that come with Tier 1 Service, your library will enjoy 2 hours of private training for each product ordered and full product configuration. Once your site is built and delivered, you'll be able to make tweaks and changes with your dedicated Build Manager.

Pricing is valid for 30 days. All prices are in US Dollars.
