CONTRACTOR may consider a Customer account to be delinquent sixty (60) days from the date of an invoice for SFD Collection Services or MFD Cart Collection Services, and thirty (30) days from the date of an invoice for MFD Bin Collection Services, Commercial Collection Services or Roll-Off Collection Services. CONTRACTOR may charge a delinquent Customer a late fee which is the greater of \$5.00 dollars, or 1.5% per month (not compounded). CONTRACTOR may take such action as is legally available to collect or cause collection of such past due amounts.

13.03.1 In its monthly reports, CONTRACTOR will provide Contract Administrator with a list of those Customers whose accounts have become delinquent in the current month and a status update on those Customers whose accounts were listed as delinquent in the prior months report. Therefore, CONTRACTOR'S sole remedy to pursue collection of

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in

delinquent accounts is through CONTRACTOR'S or CONTRACTOR'S agent's collection efforts and/or through court collections actions initiated by CONTRACTOR or by CONTRACTOR'S collection agent.

CONTRACTOR shall invoice Customers qualifying for the low income discount at an amount equal to eighty-five (85) percent of the standard Collection Service rate as set forth in Exhibit 1.

13.10 Methods of Payment. CONTRACTOR shall provide the means for Customers to pay bills through the following methods: cash, checks, credit cards, internet payment service and/or automatic withdrawal from bank account. CONTRACTOR shall accept Customer payments at CONTRACTOR'S payment site.

Collection Service rates, fees and surcharges shall consist of some combination of the following elements: a Contractor service fee component, a franchise fee component, a diversion programs and contract administration fee component, and such other components as may be added by COUNTY during the term of this Agreement.

13.12 Full Compensation. The Contractor service fee component of the Collection service rates, fees and surcharges charged and collected by CONTRACTOR as provided for in this Article and as set forth in Exhibit 1 shall be the full, entire, and complete compensation due to CONTRACTOR pursuant to this Agreement for all costs necessary to perform all the services required by this Agreement in the manner and at the times prescribed.

13.13 Adjustments to Service Rates, Surcharges and Fees. Beginning on July 1, 2011 and annually thereafter, subject to CONTRACTOR'S compliance with all provisions of this Article, each Collection Service rate, fee or surcharge as set forth in Exhibit 1 to this Agreement shall be adjusted by the Refuse Rate Index as set forth in Section 13.13.1 below.

13.13.1 Refuse Rate Index (RRI) Adjustment. The RRI adjustment shall be the sum of the weighted percentage change in the annual average of each RRI index number between the base fiscal year, which shall be the prior preceding Calendar Year ending December 31st and the preceding Calendar Year ending December 31st and the percentage

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

change in the prior year and current year Disposal tip fee charged to CONTRACTOR at the SVSWA Disposal Facility and/or the MRWMD Disposal Facility as appropriate. Therefore, the first rate adjustment will be based on the percentage changes between the Annual Average of the RRI indices for the Calendar Year 2009 and the Annual Average of the RRI indices for the Calendar Year 2010. The RRI shall be calculated using the RRI methodology included in Exhibit 2.

13.13.2 Annual Rate Adjustment.

13.13.2.1 On July 1, 2011, and annually thereafter, the service rates, fees and surcharges set forth in Exhibit 1 shall be adjusted by multiplying them by the RRI percentage adjustment.

13.13.2.2 However, in any year that the calculation of the RRI results in a negative number, there shall be no adjustment of those service rates, fees and surcharges.

13.13.2.3 In the subsequent year the negative RRI number from the prior year shall be added to the result of the subsequent years RRI calculation and the result shall be the RRI percentage for that subsequent year, ("adjusted RRI percentage").

13.13.2.4 The subsequent year rate adjustment shall consist of multiplying the appropriate service rate, fee or surcharge by the adjusted RRI percentage.

13.13.2.5 Annual adjustments shall be made only in units of one cent (\$0.01). Fractions of less than one cent (\$0.01) shall not be considered in making adjustments. The indices shall be truncated at four (4) decimal places for the adjustment calculations.

13.14 Financial Information. On or before February 15, 2011, and annually thereafter during the term of this Agreement, CONTRACTOR shall deliver to COUNTY financial information for the specific services performed under this Agreement for the preceding full or partial Calendar Year. Such financial information shall be in the format as set forth in Exhibit 2, or as may be further revised by COUNTY from time to time. If CONTRACTOR fails to submit the financial information in the required format by February 15th, it is agreed that CONTRACTOR shall be deemed to have waived the annual rate adjustment for that year.

13.14.1 If CONTRACTOR'S failure to submit the financial information required under Section 13.14 is the result of extraordinary or unusual circumstances as demonstrated by CONTRACTOR to the satisfaction of the Contract Administrator, COUNTY, at its sole discretion, may consider the request for the annual rate adjustment.

13.14.2 As of June 1, 2011 and annually thereafter during the term of this Agreement, the Contract Administrator shall notify CONTRACTOR of the adjustment to the affected service rates to take place on the subsequent July 1st.

13.15 Retroactive Adjustments. In the event of a change in a governmental, quasi-governmental, franchise, regulatory fee, or tipping fee which becomes effective at some time other than July 1st of any year, CONTRACTOR shall be compensated for such increase through the inclusion of a "retro element" in the next rate adjustment. COUNTY and CONTRACTOR agree that the "retro element" shall be an amount needed to compensate CONTRACTOR for increases in fees paid during the period from the inception of the fee increase through the subsequent June 30th and shall not include interest, overhead, or any other costs of any type. The "retro element" shall only be included in the rate structure for twelve (12) months or that period necessary to allow CONTRACTOR to recover all retroactive amounts, if less than twelve

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

(12) months, and shall be removed prior to calculating the rates to be set as of the subsequent July 1st.

13.16 Adjustments to Franchise Fee Component. The franchise fee component shall be adjusted as needed so that it always equals:

13.16.1 the Contractor service fee component

13.16.2 divided by

13.16.3 1 minus the authorized franchise fee percentage

13.16.4 multiplied by

13.16.5 the authorized franchise fee percentage.

13.17 CONTRACTOR'S Payments to COUNTY. CONTRACTOR shall make payment to COUNTY of the diversion programs and administration fee, and the franchise fee, as set forth below, and such other fees as may be specified in this Section or as provided for in Section 13.18 below, and any other outstanding fees or obligations, together with a late fee equal to one and one half (1.5) percent per month (not compounded) of the amount of any payment obligations that are delinquent.

13.17.1 Franchise Fee. The franchise fee shall be a percentage of CONTRACTOR'S gross revenue collected each month under the terms of this Agreement. 2318 the complaints during normal business hours. All service complaints will be handled by

Article 22. Modifications to the Agreement

22.01 Agreement Modifications and Change in Law. COUNTY and CONTRACTOR understand and agree that the California legislature and the federal government have the authority to make comprehensive changes in solid waste management legislation and that these and other changes in state and federal law in the future which mandate certain actions or programs for counties or municipalities may require changes or modifications in some of the terms, conditions or obligations under this Agreement. CONTRACTOR agrees that the terms and provisions of local ordinances or regulations, including the County Code and any Joint Powers Authorities Agreement (hereafter, "JPA Agreement") between COUNTY, Monterey Regional Waste Management District and the Salinas Valley Solid Waste Authority (hereafter, collectively referred to as "Joint Powers Authorities" or "JPA") as said JPA Agreement now exists or as it may be amended in the future, shall apply to all of the provisions of this Agreement and the Customers of CONTRACTOR located within the Service Area. In the event any future Change in Law, modifications to the JPA Agreement, or directed changes by COUNTY, materially alter the obligations of CONTRACTOR, then the affected compensation as established under this Agreement shall be adjusted. Nothing contained in this Agreement shall require any party to perform any act or function contrary to law. COUNTY and CONTRACTOR agree to enter into good faith negotiations regarding modifications to this Agreement which may be required in order to implement changes in the interest of the public welfare or due to Change in Law. When such modifications are made to this Agreement, COUNTY and CONTRACTOR shall negotiate in good faith, a reasonable and appropriate compensation adjustment for any increase or decrease in the services or other obligations required of CONTRACTOR due to any modification in this Agreement pursuant to this Article. COUNTY and CONTRACTOR shall not unreasonably withhold agreement to such compensation adjustment. Modifications to this Agreement shall be made pursuant to Article 22 of this Agreement.

22.02 COUNTY Directed Service and Program Changes. COUNTY may direct CONTRACTOR to perform additional services (including new diversion programs, additional public education activities, etc.), eliminate programs, or modify the manner in which it performs existing services. Changes in the minimum diversion requirement set forth in Article 14 of this Agreement, pilot programs and innovative services, which may entail new Collection methods, targeted routing, different kinds of services, different types of Collection vehicles, and/or new requirements for Customers are included among the kinds of changes which COUNTY may direct. Upon approval by the County Board, CONTRACTOR shall be entitled to an adjustment

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

2371 in its compensation for providing such additional or modified services but not for the preparation
2372 of its proposal to perform such services.

2373 22.03 COUNTY Required Service and Program Changes. In the event CONTRACTOR
2374 fails to meet the Diversion requirements as set forth in Article 14, CONTRACTOR shall prepare
2375 a service proposal in the manner set forth in Section 22.05 below. The service proposal shall
2376 include specific program changes to allow CONTRACTOR to meet the minimum Diversion
2377 requirements of Article 14 in the subsequent year. CONTRACTOR shall not receive additional
2378 compensation for any additional or modified services performed as part of this program change
2379 nor for the preparation of its proposal to perform such services.

2380 22.04 CONTRACTOR Proposed Changes. CONTRACTOR may propose program
2381 changes to COUNTY in the manner set forth in Section 22.05 below. Upon approval by the
2382 County Board, CONTRACTOR shall be entitled to an adjustment in its compensation for
2383 providing such additional or modified services but not for the preparation of its proposal to
2384 perform such services.

2385 22.05 Service Proposal. Within thirty (30) calendar days of receipt of a request for a
2386 service change from COUNTY, or when initiating a voluntary or involuntary proposal to change
2387 current programs, CONTRACTOR shall submit a proposal to provide such service. At a
2388 minimum, the proposal shall contain a complete description of the following:

2389 22.05.1 Program objectives and goals to be used in measuring the
2390 success of the program as discussed in Section 22.08 below;

2391 22.05.2 Collection methodology to be employed (equipment, manpower,
2392 etc.);

2393 22.05.3 Equipment to be utilized (vehicle number, types, capacity, age,
2394 etc.);

2395 22.05.4 Labor requirements (number of employees by classification);

2396 22.05.5 Type of Carts or Bins to be utilized;

2397 22.05.6 Provision for program publicity, education, and marketing; and

2398 22.05.7 Five (5) year projection of the financial results of the program's
2399 operations in an operating statement format including documentation of the key assumptions
2400 underlying the projections and the support for those assumptions, giving full effect to the
2401 savings or costs to existing services.

2402 22.06 Incremental Costs. In the event the change(s) in service results in an
2403 incremental cost increase over the life of the Agreement, CONTRACTOR will be responsible for
2404 the first ten thousand dollars (\$10,000) of such increase in the aggregate. To the extent costs
2405 are projected to exceed ten thousand dollars (\$10,000), COUNTY and CONTRACTOR shall
2406 agree on the amount of additional costs to be reimbursed to CONTRACTOR prior to the
2407 initiation of the service change.

2408 22.07 Other Contractors. CONTRACTOR acknowledges and agrees that COUNTY
2409 may permit other contractors or companies besides CONTRACTOR to provide additional
2410 services not otherwise contemplated by this Agreement if CONTRACTOR and COUNTY cannot
2411 agree on terms and conditions, including compensation adjustments, of such services in one
2412 hundred twenty (120) calendar days from the date when COUNTY first requests a proposal from
2413 CONTRACTOR to perform such services.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

2414 22.08 Monitoring and Evaluation. At COUNTY'S request, CONTRACTOR shall meet
2415 with COUNTY to describe the progress of each new program and other service issues. At each
2416 meeting, COUNTY and CONTRACTOR shall have the opportunity to discuss revisions to the
2417 program. CONTRACTOR shall document the results of the new programs on a monthly basis,
2418 including at a minimum the tonnage diverted by material type, the end use or processor of the
2419 diverted materials and the cost per ton for transporting and processing each type of material
2420 and other such information requested by CONTRACTOR and/or COUNTY necessary to
2421 evaluate the performance of each program.

2422 22.09 Termination for Cause. COUNTY shall have the right to terminate a program or
2423 assign the program to a third party for cause at no cost to COUNTY or COUNTY'S ratepayers if
2424 CONTRACTOR is not achieving the program's agreed to and defined goals and objectives.
2425 Prior to such termination or assignment, COUNTY shall meet and confer with CONTRACTOR
2426 for a period of up to ninety (90) calendar days to resolve COUNTY'S concerns. Thereafter,
2427 COUNTY may terminate the program or utilize a third party to perform these services if
2428 COUNTY reasonably believes CONTRACTOR cannot meet or is not meeting the agreed to and
2429 defined project goals and objectives. Notwithstanding these changes, CONTRACTOR shall
2430 continue the program during the ninety (90) day period and, in the event COUNTY elects to
2431 utilize a third party to continue the program, thereafter until the third party takes over the
2432 program.

2433 22.10 Termination without Cause. COUNTY shall also have the right to terminate a
2434 program without cause. As a condition of the termination, COUNTY shall reimburse
2435 CONTRACTOR for all costs incurred for implementation and performance of the program that
2436 were identified in the program proposal prepared and submitted by CONTRACTOR and agreed
2437 to by COUNTY which have not been funded or otherwise recovered through program
2438 compensation at the time the program is terminated.

2439 22.11 COUNTY Directed Changes in Facilities. If COUNTY requires that
2440 CONTRACTOR change Disposal or processing facilities, the Contractor Service Fee
2441 Component will be adjusted for any increase or decrease in CONTRACTOR'S direct costs of
2442 transportation between the old and new facility, as follows:

2443 22.11.1 With respect to changes in the facilities in the boundaries of the
2444 SVSWA, the increase or decrease in transportation is measured by the shortest route between
2445 the COUNTY Department of Health, Environmental Health Division, located at 1270 Natividad
2446 Road, Salinas to the new facility that is legally traversable by Collection vehicles carrying their
2447 usual load of the appropriate material, although CONTRACTOR may choose a longer route for
2448 reason of time, traffic or other convenience without additional compensation. Distances from
2449 1270 Natividad Road, Salinas are as follows:

2450 22.11.2 to Johnson Canyon Landfill, approximately 24.6 miles;
2451 22.11.3 to Sun Street transfer station, approximately 1.84 miles;
2452 22.11.4 to Jolon transfer station, approximately 49.45 miles;
2453 22.11.5 to Carmel Marina Recycling , approximately 10.4 miles;
2454 22.11.6 to Johnson Canyon Landfill Green Waste Processing Facility
2455 approximately 24.6miles; and
2456 22.11.7 to Johnson Canyon Landfill Construction and Demolition Debris
2457 Processing Facility, approximately 24.6 miles.

Unincorporated Monterey County

2458 22.12 With respect to changes in the facilities in the boundaries of the MRWMD, the
2459 increase or decrease in transportation is measured by the shortest route between the County
2460 Health Department located at 1200 Aguajito Road, Monterey to the new facility that is legally
2461 traversable by Collection vehicles carrying their usual load of the appropriate material, although
2462 CONTRACTOR may choose a longer route for reason of time, traffic or other convenience
2463 without additional compensation. The distances from the County Health Department located at
2464 1200 Aguajito Road are as follows:

- 2465 22.12.1 to Monterey Peninsula landfill, approximately 8.4 miles;
2466 22.12.2 to Carmel Marina Recycling , approximately 21.4 miles;
2467 22.12.3 to Monterey Peninsula Green Waste Processing Facility,
2468 approximately 8.4 miles; and
2469 22.12.4 to Monterey Peninsula Construction and Demolition Debris
2470 Processing Facility, approximately 8.4 miles.

2471 22.13 CONTRACTOR will submit documentation to the satisfaction of COUNTY
2472 demonstrating the number of Collection vehicles from identified routes, with dated weight
2473 tickets, establishing the increase or decrease in mileage for a one (1) month period.

2474 22.14 The total increase or decrease in miles will be multiplied by the Collection vehicle
2475 travel cost per mile as set forth in Exhibit 1 to this Agreement to calculate the change in cost for
2476 one (1) month and annualized to calculate the change in cost for one (1) year. The one (1) year
2477 change in cost will then be divided by the gross revenue for the last complete twelve (12) month
2478 period to calculate the percentage change in travel costs. The percentage change shall be
2479 truncated at the second decimal point and shall be added to or subtracted from, as appropriate,
2480 in the next RRI calculation as set forth in Section 13.13.

2481 22.15 Modification to Exhibit 10, COUNTY Facilities. In the event COUNTY requests a
2482 modification to Exhibit 10 to this Agreement due to an addition or deletion to the COUNTY
2483 Facilities, or a change in the container size or frequency of Collection as set forth in Exhibit 10,
2484 COUNTY shall notify CONTRACTOR of the change in writing at least thirty (30) days prior to
2485 the date of such change. The written notification shall include a revised Exhibit 10 for the
2486 review of CONTRACTOR. CONTRACTOR shall respond to the request for modification of
2487 Exhibit 10 by signing the revised Exhibit 10 and returning it to the COUNTY or requesting that a
2488 meeting be held between CONTRACTOR and COUNTY to discuss the requested modification.
2489 In the event COUNTY and CONTRACTOR are unable to agree on the modification, Exhibit 10
2490 shall remain unmodified and COUNTY shall have the right to secure the services from another
2491 contractor. For purposes of this Section a change of the address of a COUNTY Facility
2492 included in Exhibit 10 is not considered a modification of Exhibit 10.

2493 22.16 Modification to Exhibit 11, Large Venue Events. On or before October 1, 2010
2494 and annually thereafter during the term of this Agreement, COUNTY shall provide
2495 CONTRACTOR with an amended Exhibit 11 showing the name, date and location of all large
2496 venue events for the upcoming Calendar Year. COUNTY shall have the right to unilaterally
2497 modify the specific events included on Exhibit 11 as long as the total number of "COUNTY
2498 sponsored" annual events does not exceed twelve (12) and as long as the estimated Collection
2499 capacity, in tons, of the added event does not exceed the median level of required Collection
2500 capacity, of four (4) tons of the events set forth on Exhibit 11 prior to the modification. In the
2501 event the COUNTY requests that CONTRACTOR provide Collection Services at large venue

events in excess of the limitations set forth in this Section, CONTRACTOR shall provide such services at a price to be mutually agreed upon between CONTRACTOR and COUNTY. In the event CONTRACTOR and COUNTY cannot reach a mutually agreed price for the requested services CONTRACTOR shall provide such services in accordance with the rates set forth in Exhibit 1 to this Agreement.

Article 23. Recordkeeping, Inspections, and Reporting

23.01 Record Keeping.

23.01.1 Accounting Records. CONTRACTOR shall maintain any and all letters, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to Customers for a minimum period of five (5) years, or for any longer period required by law, from the date of final payment to CONTRACTOR pursuant to this Agreement.

23.02 Agreement Performance Records. CONTRACTOR shall maintain all documents and records which demonstrate performance under this Agreement for a minimum period of five (5) years, or for any longer period required by law, from the date of termination or completion of this Agreement.

23.03 Reporting Requirements. Monthly and annual reports shall be prepared and submitted as set forth in Exhibit 7 in a form and manner acceptable to COUNTY. This list of requested information may be amended during the term of this Agreement at the discretion of the Contract Administrator.

23.03.1 Upon notification by the Contract Administrator that information reported by CONTRACTOR is incorrect, CONTRACTOR shall provide corrected information in the original format within three (3) Work Days unless a longer time is agreed to by COUNTY and CONTRACTOR.

23.04 Inspection. Any records or documents required to be maintained pursuant to this Agreement shall be made available for inspection or audit, at any time during regular business hours, upon written request by the Contract Administrator, COUNTY Counsel, COUNTY Auditor, or designee of any of these officers. Copies of such documents shall be provided to COUNTY for inspection at COUNTY offices when it is practical to do so. Otherwise, unless an alternative site is mutually agreed upon, the records shall be available at CONTRACTOR'S address indicated for receipt of notices in this Agreement.

23.05 Records Security. Where COUNTY has reason to believe that such records or documents may be lost or discarded due to the dissolution, disbandment or termination of CONTRACTOR'S business, COUNTY may, by written request or demand of the Contract Administrator, require that custody of the records be given to COUNTY and that the records and documents be maintained at COUNTY offices. Access to such records and documents shall be granted to any party authorized by CONTRACTOR, CONTRACTOR'S representatives, or CONTRACTOR'S successor-in-interest.

Article 24. Quality of Performance of CONTRACTOR

24.01 Intent. CONTRACTOR acknowledges and agrees that one of COUNTY'S primary goals in entering into this Agreement is to ensure that Collection Services are of the highest caliber, that Customer satisfaction remains at the highest level, that maximum diversion

Unincorporated Monterey County

2544 levels are achieved, and that materials Collected are put to the highest and best use to the
2545 extent feasible.

2546 24.02 Service Supervisor. CONTRACTOR will provide the name of the service
2547 supervisor to be in charge of the Collection Services within the Service Area to COUNTY no
2548 later than October 1, 2010. At least thirty (30) calendar days prior to replacing the service
2549 supervisor, CONTRACTOR shall notify COUNTY in writing of the name and qualifications of the
2550 new service supervisor. CONTRACTOR shall insure that such replacement is qualified and
2551 experienced. The service supervisor's work place shall be physically located in the Service
2552 Area, at all times that CONTRACTOR is providing Collection Services. In addition the
2553 supervisor shall be available to the Contract Administrator through the use of telecommunication
2554 equipment, and be able to respond to voice messages within one (1) hour at all times that
2555 CONTRACTOR is providing Collection Services. In the event the service supervisor is
2556 unavailable due to illness or vacation, CONTRACTOR shall designate an acceptable substitute
2557 who shall be available and who has the authority to act in the same capacity as the service
2558 supervisor. The service supervisor shall provide COUNTY with an emergency phone number
2559 where the service supervisor can be reached outside of normal business hours.

2560 24.03 Liquidated Damages. The parties further acknowledge that consistent and
2561 reliable Collection Services are of utmost importance to COUNTY and that COUNTY has
2562 considered and relied on CONTRACTOR'S representations as to its quality of service
2563 commitment in awarding the Agreement to it. The parties further recognize that some quantified
2564 standards of performance are necessary and appropriate to ensure consistent and reliable
2565 service and performance. The parties further recognize that if CONTRACTOR fails to achieve
2566 the performance standards, or fails to submit required documents in a timely manner, COUNTY
2567 and COUNTY'S residents and businesses will suffer damages and that it is and will be
2568 impractical and extremely difficult to ascertain and determine the exact amount of damages.
2569 Therefore, without prejudice to COUNTY'S right to treat such non-performance as an event of
2570 default under Article 27, the parties agree that the liquidated damages amount defined in this
2571 Article represent reasonable estimates of the amount of such damages considering all of the
2572 circumstances existing on the effective date of this Agreement, including the relationship of the
2573 sums to the range of harm to COUNTY, customers and the community as a whole that
2574 reasonably could be anticipated and the anticipation that proof of actual damages would be
2575 costly or impractical. In placing their initials at the places provided, each party specifically
2576 confirms the accuracy of the statements made above and the fact that each party has had
2577 ample opportunity to consult with legal counsel and obtain an explanation of the liquidated
2578 damage provisions at the time that the Agreement was made.

24.04.1

COUNTY may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representative or investigation of Customer complaints. During the first sixty (60) days of the term of this Agreement, COUNTY will allow CONTRACTOR up to five (5) Work Days to cure certain events related to the provision of Collection Services prior to assessing liquidated damages as set forth herein. However, no such consideration shall be given to events that include improper commingling of materials or failure to deliver materials to designated facilities.

2602

Prior to assessing liquidated damages, COUNTY shall give CONTRACTOR notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. CONTRACTOR may review (and make copies at its own expense) all information in the possession of COUNTY relating to incident(s)/non-performance. CONTRACTOR may, within ten (10) Work Days after receiving notice, request a meeting with COUNTY to present evidence regarding the accuracy of the facts related to the incident. If a meeting is requested, it shall be held by the Contract Administrator or his/her designee. CONTRACTOR may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The Contract Administrator or designee will provide CONTRACTOR with a written explanation of his or her determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of the Contract Administrator or designee may be appealed to the COUNTY Board. The decision of the COUNTY Board shall be final and CONTRACTOR shall have been deemed to have exhausted its administrative remedies and can thereafter challenge the decision of the County Board in the Superior Court of the County of Monterey, State of California.

2666 27.01.3 Receivership. By, or pursuant to, or under the authority of any
2667 legislative act, resolution or rule or any order or decree of any Court or governmental board,
2668 agency or officer having jurisdiction, a receiver, trustee or liquidator takes possession or control

2675 27.01.5 Final Judgment Unsatisfied. CONTRACTOR has defaulted by
2676 allowing any final judgment for the payment of money to COUNTY stand against it unsatisfied
2677 and said default is not cured within thirty (30) calendar days of entry of judgment or receipt of
2678 written notice by COUNTY to do so, whichever date occurs earlier; or

2679 27.01.6 Failure to Perform. CONTRACTOR has failed or refused to
2680 perform or observe the terms, conditions or covenants in this Agreement, including satisfactory
2681 compliance with the requirements of the service levels prescribed herein, or any of the rules and
2682 regulations promulgated by COUNTY pursuant thereto or has wrongfully failed or refused to
2683 comply with the instructions of the Contract Administrator relative thereto and; said default is not
2684 cured within thirty (30) calendar days of receipt of written notice by COUNTY to do so; or, if by
2685 reason of the nature of such default, the same cannot be remedied within thirty (30) calendar
2686 days following receipt by CONTRACTOR of written demand from COUNTY to do so,
2687 CONTRACTOR fails to commence the remedy of such default within said thirty (30) calendar
2688 days following such written notice or having so commenced, fails thereafter to diligently pursue
2689 a cure to the default.

2690 27.02 Performance Bond or Letter of Credit. In the event that the monies due
2691 COUNTY under Article 27.01.4 above or an unsatisfied final judgment under Article 27.01.5
2692 above is the subject of a judicial proceeding, COUNTY may, at its option call the performance
2693 bond or letter of credit, or hold CONTRACTOR in default of this Agreement. All bonds shall be
2694 in the form acceptable to the COUNTY Attorney; or

2695 27.03 Burden of Proof. In any dispute concerning failure to remedy or diligence in
2696 pursuing a cure, CONTRACTOR shall have the burden of proof to demonstrate: (a) that the
2697 default cannot be cured within thirty (30) calendar days, and (b) that it is proceeding with
2698 diligence to cure said default, and such default will be cured within a reasonable period of time.

2699 27.04 Interim Collection Services. In the event CONTRACTOR fails to provide
2700 Collection Services for a period of three (3) consecutive Work Days, on the fourth (4th) Work
2701 Day, COUNTY may secure CONTRACTOR'S equipment, records and other property used or
2702 useful in providing Collection Services under this Agreement in order to provide interim
2703 Collection Services until such time as the matter is resolved and CONTRACTOR is again able
2704 to perform pursuant to this Agreement. If CONTRACTOR is unable for any reason or cause to
2705 resume performance at the end of thirty (30) calendar days all liability of COUNTY under this
2706 Agreement to CONTRACTOR shall cease and this Agreement may be deemed terminated by
2707 COUNTY, and COUNTY shall retain equipment, records and other property used in providing
2708 Collection Services on an interim basis until COUNTY has made other suitable arrangements
2709 for the provision of Collection Services, which may include award of this Agreement to another
2710 contractor.

27.05 Business Records. In the event that the Agreement is terminated, CONTRACTOR shall furnish COUNTY with immediate access to all of its business records related to its Customer and billing accounts for Collection Services.

27.06 Violations. Notwithstanding the foregoing and as supplemental and additional means of termination of this Agreement under this Article, in the event CONTRACTOR'S record of performance shows CONTRACTOR has frequently, regularly or repetitively defaulted in the performance of any of the covenants and conditions required herein to be kept and performed by CONTRACTOR in the opinion of COUNTY, and regardless of whether CONTRACTOR has corrected each individual condition of default, CONTRACTOR shall be deemed a "habitual violator". If CONTRACTOR is deemed a habitual violator in the opinion of COUNTY, CONTRACTOR shall be deemed to have waived the right to any further notice or grace period to correct, and all of said defaults shall be considered cumulative and collectively shall constitute a condition of irredeemable default. COUNTY shall thereupon issue CONTRACTOR a final warning citing the circumstances. Any single default by CONTRACTOR of whatever nature, subsequent to the occurrence of the last of said cumulative defaults, shall be grounds for immediate termination of this Agreement. A history of liquidated damages imposed pursuant to Article 24 may be used as a basis for deeming CONTRACTOR as a habitual violator. Any failure by COUNTY to have imposed liquidated damages where applicable shall not prevent COUNTY from considering CONTRACTOR'S underlying failures in any determination by COUNTY that CONTRACTOR shall be deemed as a habitual violator. In the event of any default, COUNTY may terminate this Agreement upon final, written notice of cancellation to CONTRACTOR, to be effective upon the date specified in COUNTY'S written notice to CONTRACTOR. All contractual fees due, plus any and all charges and interest, shall be payable to said date, and CONTRACTOR shall have no further rights. Immediately upon the specified date in such final notice, CONTRACTOR shall cease any further performance under this Agreement.

27.07 Effective Date. In the event of any of the events specified above, and except as otherwise provided in this Article, termination shall be effective upon the date specified in COUNTY'S written notice to CONTRACTOR and upon said date this Agreement shall be deemed immediately terminated and upon such termination all liability of COUNTY under this Agreement to CONTRACTOR shall cease, and COUNTY shall have the right to call the performance bond or letter of credit and shall be free to negotiate with other contractors for the Services specified in this Agreement. For failure to perform under the terms of this Agreement, CONTRACTOR shall reimburse COUNTY all direct and indirect costs of providing interim Collection Services.

27.08 Immediate Termination. COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR in the event CONTRACTOR fails to provide and maintain the performance bond or letter of credit as required by this Agreement, CONTRACTOR fails to obtain or maintain insurance policies and/or endorsements as required by this Agreement, or CONTRACTOR fails to provide the proof of insurance as required by this Agreement.

27.09 Termination Cumulative. COUNTY'S right to terminate this Agreement is cumulative to any other rights and remedies provided by law or by this Agreement.

Article 28. Assignment

28.01 No assignment of this Agreement or any right occurring under this Agreement shall be made in whole or in part by CONTRACTOR without the express written consent of

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

COUNTY. COUNTY shall have full discretion to approve or deny, with or without cause, any proposed or actual assignment by CONTRACTOR. Any assignment of this Agreement made by CONTRACTOR without the express written consent of COUNTY shall be null and void and shall be grounds for COUNTY to declare a default of this Agreement and immediately terminate this Agreement by giving written notice to CONTRACTOR. Upon the date of such notice, this Agreement shall be deemed immediately terminated. Upon such termination all liability of COUNTY under this Agreement to CONTRACTOR shall cease. COUNTY shall have the right to call the performance bond or letter of credit and shall be free to negotiate with other contractors, or any other person or company for the service which is the subject of this Agreement. In the event of any assignment approved by COUNTY, the assignee shall fully assume all the duties, responsibilities and liabilities of CONTRACTOR set forth in this Agreement.

28.02 The use of a subcontractor to perform services under this Agreement shall not constitute delegation of CONTRACTOR'S duties provided that CONTRACTOR has received prior written authorization from the Contract Administrator to subcontract such services and the Contract Administrator has approved a subcontractor who will perform such services. CONTRACTOR shall be responsible for directing the work of CONTRACTOR'S subcontractors and any compensation due or payable to CONTRACTOR'S subcontractor shall be the sole responsibility of CONTRACTOR. The Contract Administrator shall have the right to require the removal of any approved subcontractor for reasonable cause.

28.03 For purposes of this Article when used in reference to CONTRACTOR, "assignment" shall include, but not be limited to (i) a sale, exchange or other transfer of at least fifty-one percent (51%) of CONTRACTOR'S assets dedicated to service under this Agreement to a third party; (ii) a sale, exchange or other transfer of outstanding common stock of CONTRACTOR to a third party provided said sale, exchange or transfer results in a change of control of CONTRACTOR (with control being defined as ownership of more than fifty percent (50%) of CONTRACTOR'S voting securities); (iii) any dissolution, reorganization, consolidation, merger, re-capitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation, subcontracting or lease-back payments, or other transaction which results in a change of control of CONTRACTOR; (iv) any assignment by operation of law, including insolvency or bankruptcy, making assignment for the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of CONTRACTOR'S property, or transfer occurring in the event of a probate proceeding; and (v) any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any such transfer or change of control of CONTRACTOR.

28.04 CONTRACTOR acknowledges that this Agreement involves rendering a vital service to COUNTY'S residents and businesses, and that COUNTY has selected CONTRACTOR to perform the services specified herein based on (i) CONTRACTOR'S experience, skill and reputation for conducting its Solid Waste Collection Services in a safe, effective and responsible fashion, at all times in keeping with applicable environmental laws, regulations and best Solid Waste Collection Service practices, and (ii) CONTRACTOR'S financial resources to maintain the required equipment and to support its indemnity obligations to COUNTY under this Agreement. CONTRACTOR acknowledges that COUNTY has relied on each of these factors, among others, in choosing CONTRACTOR to perform the services to be rendered by CONTRACTOR under this Agreement.

Article 29. Indemnities, Insurance, Bonds

29.01 Insurance.

29.01.1 Coverage Requirements. Without limiting its Indemnities,

CONTRACTOR will secure and maintain insurance coverage meeting the following requirements. CONTRACTOR may use a combination of primary and excess insurance coverage to satisfy these requirements. If CONTRACTOR fails to fully satisfy the Coverage Requirements set forth in this Article 29, CONTRACTOR agrees that it shall be liable for any loss, injury, damage, attorney's fees or defense costs, or expenses, that the COUNTY incurs that would have been insurable under the required coverages, if such coverages were obtained. CONTRACTOR further agrees that any failure of the COUNTY to verify the placement and continued existence of all insurance required under this Article 29, or the COUNTY'S knowledge that such requirements are not fully satisfied, shall not be considered a waiver of such requirements, or in any way alter CONTRACTOR'S obligations to provide such coverages, unless the Coverage Requirements have been amended in a writing properly executed by both the COUNTY and CONTRACTOR.

CONTRACTOR further agrees that the General Liability Insurance, Pollution Liability Insurance, and Automobile Liability Insurance required within Article 29 shall each include provisions, either by blanket endorsement(s), or by specific endorsement(s), satisfying the following requirements to be documented pursuant to section 29.01.4.2:

- "The County of Monterey, and its agents, officers, and employees" shall be an additional insured under an ISO CG 2010 11/85 form, or a functional equivalent;

- all such insurance shall include a waiver of any subrogation rights of that insurer against "The County of Monterey, and its agents, officers, and employees"; and

- all such insurance shall contain provisions that the insurance is primary and non-contributing with any other insurance or self-insurance programs maintained by the County of Monterey, and its agents, officers, and/or employees.

CONTRACTOR further agrees that the General Liability Insurance, Pollution Liability Insurance, and Automobile Liability Insurance required within this Article 29 shall each include provisions that make the CONTRACTOR responsible for the payment of any deductible or self-insured retention such that the County of Monterey and its agents, officers, and employees shall be entitled to a dollar-one defense and indemnity as additional insureds.

In addition, to the extent that any primary or excess liability policy issued to CONTRACTOR with limits of liability in excess of the minimum limits stated below provides coverage to an additional insured to the extent required by contract, this contract shall be construed to obligate CONTRACTOR to obtain additional insured protection for the COUNTY under that/those policy(ies).

29.01.1.1 General Liability Insurance written on ISO policy form CG 00 01 (occurrence) or its equivalent (and not CG 00 02 claims made) with limits of not less than the following:

- 2842 • Products/Completion Operations Aggregate: \$6 million
- 2843 • Personal and Advertising Injury: \$5 million
- 2844 • Each Occurrence: \$5 million

2845 The general liability policy must provide contractual liability
2846 coverage for CONTRACTOR'S Indemnities under Section 29.02, by endorsement, schedule or
2847 other documentation, if necessary to provide coverage.

2848 29.01.1.2 Pollution Legal Liability Coverage with a limit of not less than
2849 \$ 50 million per occurrence, including any deductible or self-insured retention, covering loss
2850 (including cleanup costs) that CONTRACTOR becomes legally obligated to pay as a result of
2851 claims for bodily injury, property damage, and cleanup costs (including expenses required by
2852 environmental laws or incurred by federal, state, or local governments or third parties) that arise
2853 or are alleged to arise from pollution conditions related to CONTRACTOR'S performance of its
2854 obligations under this AGREEMENT, including the loading, unloading, or transportation of
2855 cargo/waste, and including a defense for all such claims. For the purpose of this subsection,
2856 "pollution conditions" includes the dispersal, discharge, release, or escape of any solid, liquid,
2857 gaseous or thermal irritant or contaminant (such as smoke, vapors, soot, fumes, acids, alkalis,
2858 toxic chemicals, medical waste, and waste materials) into or upon land, any structure on land,
2859 the atmosphere, or any watercourse or body of water (including groundwater), provided the
2860 conditions are not naturally present in the environment in the amounts or concentrations
2861 discovered.

2862 The liability coverage for pollution must provide contractual liability coverage, by endorsement
2863 or schedule, if necessary, for CONTRACTOR'S Indemnities.

2864 29.01.1.3 Automobile Liability Coverage

- 2865 • written on ISO policy forms CA 00 12 pr CA 00 20 (or their equivalent)

2870 accidental spills and discharges while transporting and/or processing
2871 materials, unless such coverage is otherwise provided under the
2872 Pollution Legal Liability Coverage; and
- 2873 • covering all Vehicles (any auto).

2874 If CONTRACTOR is subject to federal regulations, CONTRACTOR also will maintain any other
2875 coverage necessary to satisfy state or federal financial responsibility requirements.

2876 29.01.1.4 Workers' Compensation and Employers' Liability
2877 insurance providing workers' compensation benefits required by the California Labor Code
2878 or by any other state labor law, and for which CONTRACTOR is responsible, and
2879 Employers' Liability coverage with limits of not less than the following:

29.01.1.5 Blanket Crime Coverage including limits of not less than twenty-five million dollars (\$25 Million) for incidents of employee theft covering losses of Customer service charges received from Customers and held by Contractor prior to remittance of Contractor payment obligations therefrom to County, with the County to be a Loss Payee under such coverage, to the extent that its interests may appear or be affected.

If CONTRACTOR fails to secure and maintain any insurance required by this Agreement, at its sole option COUNTY may secure and maintain that insurance at its expense and CONTRACTOR will pay COUNTY the COUNTY'S reimbursement costs therefore. This remedy is in addition to COUNTY'S right to declare a Default and terminate the Agreement under Article 27.

29.01.2 Insurer Qualifications. CONTRACTOR will secure insurance provided by an insurer that is acceptable to the COUNTY, is an admitted company in California, has a size category of VII or larger by A.M. Best Company, Inc., and has a rating of A or better by A.M. Best Company, Inc. unless COUNTY provides written authorization to amend this requirement.

29.01.3 Insurance Coverage Requirements for Subcontractors. For each subcontractor performing Collection Services, CONTRACTOR shall be responsible for determining, and for providing evidence to the COUNTY upon its request, that either: 1) CONTRACTOR is maintaining insurance required by this Section protecting CONTRACTOR and COUNTY interests against liabilities caused by the acts, errors or omissions of the subcontractor, or 2) the subcontractor is maintaining that insurance itself.

29.01.4 Evidence of Coverage. CONTRACTOR will provide endorsements, schedules and other evidence of coverage with respect to CONTRACTOR and any subcontractor requested by and acceptable to the COUNTY, 1) on or before the Agreement execution date, 2) Promptly upon renewal of policies, and 3) within ten (10) Work Days of COUNTY'S request.

29.01.4.1 Certificates of Insurance. CONTRACTOR will provide certificates (or other evidence of coverage) containing at a minimum, the following information with respect to CONTRACTOR and any subcontractor:

(1) Agreement name: explicitly identify this Agreement (for example, UNDER DESCRIPTION OF OPERATIONS), and if necessary to secure contractual liability coverage as an "insured contract" or otherwise, include a schedule or endorsement that specifically identifies this Agreement;

(2) Types, policy numbers, policy effective / expiration dates and limits: explicitly reference each type and corresponding limit of coverage required under this Agreement, together with identification of each required ISO policy form or confirmation of its equivalency to ISO policy forms required under this Agreement (such as "auto liability ISO form CA 00 12"). Where the Agreement does not require a specific ISO policy form, the certificate of insurance must specifically reference the required type of coverage (such as "pollution liability" under TYPE OF INSURANCE – OTHER) together with a summary description of its coverage (such as "pollution conditions caused by transported cargo" under SPECIAL PROVISIONS);

(3) Thirty (30) days' cancellation notice: contain the express condition that COUNTY must be given written notice by mail at least thirty (30) days in advance of cancellation for all policies evidenced on the certificate of insurance. Endorsements cannot contain mere

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

"best effort" modifiers or relieve the insurer from its responsibility to give that notice and the CANCELLATION information on the certificate of insurance must delete language such as "failure to do so shall impose no obligation or liability of any kind upon the insurer, its agents or representatives;"

(4) Deductibles and self-insured retentions: identify any deductible and self-insured retention. Upon COUNTY request, CONTRACTOR will reduce any self-insured retention as it applies to any COUNTY or provide a letter of credit, certificate of deposit or other financial assurance acceptable to COUNTY guaranteeing payment of all retained losses and related costs and expenses related to investigations, claims administrations, and legal defense. The letter of credit or certificate of deposit must be provided by a bank satisfactory to COUNTY; and

(5) Claims made: if any insurance coverage is written on a claims-made form (such as pollution liability), evidence that the "retro date" is before the Agreement execution date. CONTRACTOR must maintain that coverage for at least five (5) years after the termination date. Promptly upon COUNTY request, CONTRACTOR must provide COUNTY with evidence of that coverage. THIS PROVISION SURVIVES THE TERMINATION OF THIS AGREEMENT. CONTRACTOR shall continue to be responsible for having the COUNTY designated as an additional insured on all such policies.

29.01.4.2 Endorsements. CONTRACTOR must provide copies of the following endorsements or other documentation with respect to CONTRACTOR and any Subcontractor satisfactory to COUNTY; 1) additional insured endorsement to each liability policy, explicitly adding COUNTY and its "officers, agents, and employees" as additional insured; 2) waiver of subrogation; and 3) insurance is primary and not contributing with any other Insurance or self-insurance programs maintained by COUNTY and its officers and employees.

29.01.4.3 Schedules. CONTRACTOR must provide schedules or other evidence including, but not limited to, General Liability Insurance Policy form language that liability policies of CONTRACTOR and any Subcontractor provide contractual liability coverage for indemnities, such as listing this Agreement as an "insured contract."

29.01.4.4 Signature verification. At COUNTY'S request, CONTRACTOR must provide documentation verifying that the individual signing or countersigning the certificates, policies, endorsements, or other evidence of coverage of CONTRACTOR and any subcontractor is authorized to do so and identifies his or her company affiliation and title. COUNTY may require complete copies of CONTRACTOR'S insurance policies at any time.

29.01.5 Notice of claims. If any Person makes a claim against CONTRACTOR or any subcontractor exceeding the amount of any deductibles or self-insured retentions, CONTRACTOR will promptly notify COUNTY of the claim.

29.02 CONTRACTOR Indemnity, Defense and Release.

29.02.1 General. CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting or alleged to be occurring or resulting, to any and all persons, firms or corporations furnishing or supplying work,

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

2971 services, materials, or supplies in connection with the CONTRACTOR'S performance of its
2972 obligations under this AGREEMENT, and from any and all claims, liabilities, and losses
2973 occurring or resulting or alleged to be occurring or resulting, to any person, firm, or corporation
2974 for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance
2975 of its obligations under this AGREEMENT, unless such claims, liabilities, or losses arise out of
2976 the sole negligence or willful misconduct of COUNTY. "CONTRACTOR'S performance"
2977 includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S
2978 officers, employees, agents and subcontractors.

2979 Notwithstanding anything to the contrary in the forgoing provision, the indemnity obligations of
2980 CONTRACTOR herein shall not in any way extend to indemnifying and/or defending the
2981 COUNTY for or against any claim, liability, damages, liens, penalties, or any costs or obligations
2982 whatsoever arising from, or related to, the COUNTY'S setting of rates or fees under this
2983 Agreement in connection with Proposition 218, Article XIIC and Article XIID of the California
2984 Constitution. However, CONTRACTOR shall indemnify and/or defend the COUNTY in any and
2985 all cases where CONTRACTOR has initiated a request for a rate or fee increase, which is
2986 approved by the COUNTY Board of Supervisors and the COUNTY is named as a party in any
2987 such claim, and/or administrative or litigation action.

2988 29.02.2 Reimbursement of Enforcement Costs. If CONTRACTOR fails to
2989 pay any Indemnities and that failure results in any costs to COUNTY, within fifteen (15) days of
2990 COUNTY'S request, CONTRACTOR will pay COUNTY'S reimbursement costs for those costs.

2991 29.02.3 Indemnity From Employee Dishonesty. If any payments received
2992 by CONTRACTOR from Customers are lost, embezzled, or are otherwise improperly diverted
2993 as a result of the dishonesty of any employee of CONTRACTOR, before CONTRACTOR
2994 delivers the required remittance to the COUNTY from such payments, then CONTRACTOR
2995 shall not be relieved of its responsibility to make such remittances to the COUNTY, and
2996 CONTRACTOR shall indemnify and make whole the COUNTY from any such losses

2997 **Article 30. Performance Bond.**

2998 30.01 Performance Bond. CONTRACTOR shall furnish, and keep current during the
2999 term of this Agreement, a performance bond to ensure performance of this Agreement and each
3000 and every condition of this Agreement in a form acceptable to COUNTY no more than thirty (30)
3001 days after execution of this Agreement. The performance bond shall be equal to Five Million
3002 Dollars (\$5,000,000) and remain in force for the duration of this Agreement. The premium for
3003 the bond described above shall be paid by CONTRACTOR. The Surety or Sureties shall be a
3004 company or companies satisfactory to COUNTY and shall be duly authorized to conduct
3005 business in the State of California.

3006 30.02 Letter of Credit. As an alternative to the performance bond required by Section
3007 30.01, CONTRACTOR may provide for the issuance of an irrevocable standby letter of credit in
3008 the amount of Five Million Dollars (\$5,000,000) by a bank approved by COUNTY in its sole
3009 discretion (the "Bank"), for the benefit of COUNTY. The letter of credit must authorize the
3010 beneficiary COUNTY to draw, in one or more drawings, not less than Five Million Dollars
3011 (\$5,000,000) at the sole discretion of COUNTY.

3012 30.02.1 THIS SECTION WILL SURVIVE THE TERMINATION OF THE

demand for payment and drawing certificate attached thereto, must be in a form acceptable to COUNTY. The letter of credit must be transferable to any successor or assign of COUNTY.

Article 31. COUNTY Right to Perform Service

31.01 Right to Perform. In the event CONTRACTOR, for any reason whatsoever, fails, refuses, or is unable to Collect, transport, or Dispose of any or all Solid Waste, Recyclables, Green Waste, Bulky Items, Universal Waste, E-Waste, CED's, Used Oil and Used Oil Filters and/or Construction and Demolition Debris which is required by this Agreement, at the time and in the manner provided in this Agreement, for a period of more than forty-eight (48) hours, and if, as a result thereof, any or all of these materials should accumulate in COUNTY to such an extent, in such a manner, or for such a time that COUNTY should find that such accumulation endangers or menaces the public health, safety, or welfare or upon CONTRACTOR default as set forth in Article 27, then COUNTY shall have the right, even if CONTRACTOR is not in breach of this Agreement, but not the obligation, upon twenty-four (24) hours prior written notice to CONTRACTOR during the period of such emergency as determined by COUNTY, (i) to perform, or cause to be performed, such services itself with its own or other personnel and equipment without liability to CONTRACTOR; and/or (ii) to take possession of any or all of CONTRACTOR owned equipment or licensed equipment and utilize other property owned by CONTRACTOR used or useful in the Collection, transportation, and Disposal or processing of Solid Waste, Recyclables, Green Waste, Christmas Trees, Bulky Items, Universal Waste, E-Waste, CED's, Used Oil and Used Oil Filters and/or Construction and Demolition Debris and to use such property to Collect, transport, and Dispose any Solid Waste, Recyclables, Green Waste, Christmas Trees, Bulky Items, Universal Waste, E-Waste, CED's, Used Oil and Used Oil Filters and/or Construction and Demolition Debris generated within the Service Area which CONTRACTOR would otherwise be obligated to Collect, transport, and properly Dispose or process pursuant to this Agreement. In such an event, CONTRACTOR shall immediately make available to COUNTY a listing and description, including street names, of all Collection Service Collection routes.

31.02 CONTRACTOR'S Notice. Notice of CONTRACTOR'S failure, refusal, or neglect to Collect, transport, and properly Dispose or process Solid Waste, Recyclables, Green Waste, Christmas Trees, Bulky Items, Universal Waste, E-Waste, CED's, Used Oil and Used Oil Filters and/or Construction and Demolition Debris may be given verbally by telephone to CONTRACTOR at its principal office and shall be effective immediately. Written confirmation of such verbal notification shall be sent to CONTRACTOR within twenty-four (24) hours of the verbal notification.

31.03 CONTRACTOR further agrees in such event:

31.03.1 It will take direction from COUNTY to effect the transfer of possession of equipment and property to COUNTY for COUNTY'S use.

31.03.2 It will, if COUNTY so requests, keep in good repair and condition all of such equipment, provide all such equipment all with fuel, oil, and other service, and provide such other service as may be necessary to maintain said property in operational condition.

31.03.3 Subject to any labor agreements then in effect, COUNTY may immediately engage all or any personnel necessary or useful for the Collection and transportation of Solid Waste, Recyclables, Green Waste, Christmas Trees, Bulky Items,

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

Construction and Demolition Debris and/or other materials, including, if COUNTY so desires, employees previously or then employed by CONTRACTOR. CONTRACTOR further agrees, if COUNTY so requests, to furnish COUNTY the services of any or all management or office personnel employed by CONTRACTOR whose services are necessary or useful for the provision of Collection Services and for the billing and Collection of fees for these services.

31.03.4 COUNTY agrees it assumes complete responsibility for the proper and normal use of such equipment and facilities while in its possession.

31.03.5 If the interruption or discontinuance in service is caused by reason of Force Majeure as described herein, COUNTY shall pay to CONTRACTOR the reasonable rental value of equipment, possession of which is taken by COUNTY, for the period of COUNTY'S possession, if any, which extends beyond the period of time for which CONTRACTOR has rendered bills in advance of service, for the class of service involved. In any other circumstance where COUNTY provides service under this Article, COUNTY shall have no liability to CONTRACTOR and COUNTY will have all of the other remedies available to it under this Agreement or by law.

31.04 Temporary Possession of CONTRACTOR'S Equipment and Personnel. If COUNTY suffers an interruption or discontinuance of service, COUNTY may take possession of and use all of CONTRACTOR'S equipment and personnel described above until other suitable arrangements can be made for the provision of Collection Services which may include the grant of a franchise to another company.

31.05 Billing and Compensation to COUNTY During COUNTY'S Possession. During such time as COUNTY is providing Collection Services, as above provided, CONTRACTOR shall bill and collect payment from all users of the above-mentioned services. CONTRACTOR further agrees that, in such event, it shall reimburse COUNTY for any and all costs and expenses incurred by COUNTY in taking over possession of the above-mentioned equipment and property for Collection Services in such manner and to an extent as would otherwise be required of CONTRACTOR under the terms of this Agreement. Such reimbursement shall be made from time to time after submission by COUNTY to CONTRACTOR of each statement listing such costs and expenses, but in no event later than five (5) Work Days from and after each such submission.

31.06 COUNTY'S Right to Relinquish Possession. It is further mutually agreed COUNTY may, at any time, at its discretion, relinquish possession of any or all of the above-mentioned equipment or personnel to CONTRACTOR and thereupon demand CONTRACTOR resume Collection Services as provided in this Agreement, whereupon CONTRACTOR shall be bound to resume the same.

31.07 COUNTY'S Possession Not a Taking. COUNTY'S exercise of its rights under this Article (i) does not constitute a taking of private property for which compensation must be paid; (ii) will not create any liability on the part of COUNTY to CONTRACTOR; and (iii) does not exempt CONTRACTOR from the indemnity provisions of this Agreement, which are meant to extend to circumstances arising under this Section, provided CONTRACTOR is not required to indemnify COUNTY against claims and damages arising from the sole negligence of COUNTY, its elective and appointive boards, commissions, officers, employees, agents and volunteers in the operation of Collection Service vehicles during the time COUNTY has taken possession of such Collection Service vehicles.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3102 31.08 Duration of COUNTY'S Possession. COUNTY'S right pursuant to this Article to
3103 retain temporary possession of CONTRACTOR'S facilities and equipment and to render
3104 Collection Services shall terminate when COUNTY determines such services can be resumed
3105 by CONTRACTOR, or when COUNTY no longer reasonably requires such property or
3106 equipment. In any case, COUNTY has no obligation to maintain possession of
3107 CONTRACTOR'S property or equipment and/or continue its use for any period of time and may
3108 at any time, in its sole discretion, relinquish possession to CONTRACTOR.

3109 **Article 32. Strikes and Similar Labor Actions**

3110 32.01 Strikes. In the event of a strike or similar labor action, but not including a lockout
3111 as set forth in Section 32.02 below, whereby employees of CONTRACTOR refuse to perform
3112 work for CONTRACTOR at normally anticipated levels or efficiency (a "strike") which affects the
3113 ability of CONTRACTOR to provide Collection Services within the Service Area in accordance
3114 with this Agreement, the following guidelines shall apply:

3115 32.01.1 In conjunction with the execution of this Agreement,
3116 CONTRACTOR has discussed with COUNTY a strike contingency plan. From time to time
3117 during the term of this Agreement, CONTRACTOR and COUNTY shall meet to discuss changes
3118 to the strike contingency plan.

3119 32.01.2 Within twelve (12) hours of notification to CONTRACTOR by labor
3120 that it has authorized a strike, CONTRACTOR shall notify Contract Administrator, by phone and
3121 email.

3122 32.01.3 Within three (3) Work Days of a strike, if CONTRACTOR is not
3123 providing Collection Services in accordance with normal scheduled pick ups, CONTRACTOR
3124 shall meet with COUNTY to develop a strike implementation plan.

3125 32.01.4 Within five (5) Work Days of a strike, if CONTRACTOR is not
3126 providing Collection Services in accordance with the normal schedules and volumes set forth in
3127 this Agreement, or the schedules and volumes in the agreed-upon strike implementation plan, if
3128 such plan has been agreed to by COUNTY, COUNTY shall have the right, but not the
3129 obligation, to bring in outside forces to provide Collection Services which are not being provided
3130 by CONTRACTOR and charge CONTRACTOR for the reasonable direct and indirect expenses
3131 (including administrative and overhead) incurred by COUNTY in this regard.

3132 32.01.5 Within ten (10) Work Days of a strike, CONTRACTOR is to use
3133 commercially reasonable efforts to bring in alternate work forces and provide Collection
3134 Services in accordance with the normal schedules and volumes set forth in this Agreement, or
3135 the schedules and volumes in the agreed-upon strike implementation plan, if such plan has
3136 been agreed to by COUNTY.

3137 32.01.5.1 In the event CONTRACTOR'S alternate work force is unable
3138 to provide Collection Services in accordance with the normal schedules, volumes and routing
3139 set forth in this Agreement, or the schedules, volumes and routing in the agreed-upon strike
3140 implementation plan, if such plan has been agreed to by COUNTY, COUNTY shall have the
3141 right, but not the obligation, to bring in outside forces to provide Collection Services which are
3142 not being provided by CONTRACTOR and charge CONTRACTOR for the reasonable direct and
3143 indirect expenses (including administrative and overhead) incurred by COUNTY in this regard.

3144 32.01.6 In the event COUNTY elects to retain its own work force,
3145 COUNTY shall discuss the alternatives with CONTRACTOR before retaining such work force.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

Once COUNTY retains its own work force, COUNTY shall periodically, but not more often than weekly, invoice CONTRACTOR for the reasonable direct and indirect expenses of retaining such outside services and CONTRACTOR shall reimburse COUNTY for such expenses within ten (10) Work Days of invoice. COUNTY shall have the right to charge CONTRACTOR interest on invoices which are unpaid after ten (10) Work Days at the rate of one and one half (1.5%) percent per month (not compounded).

32.01.6.1 In the event of a strike, regardless of when and what level a replacement work force is deployed by CONTRACTOR, CONTRACTOR shall not be subject to liquidated damages for the first ten (10) Work Days following the actual strike.

32.01.7 After thirty (30) calendar days, if there is a continuing failure to perform Collection Services, such failure to perform shall be considered a default under Article 27 and COUNTY can cancel this Agreement between COUNTY and CONTRACTOR. In such an event, COUNTY shall not waive its right to seek damages from CONTRACTOR for any increase in cost of Collection incurred by COUNTY as a result of the breach of this Agreement by CONTRACTOR and the consequential election by COUNTY to cancel this Agreement and move forward with Collection Services alternatives.

32.02 Lockout. The provisions of Section 32.01 shall not apply in the event of a lockout by CONTRACTOR. During such lockout period, CONTRACTOR shall be required to comply with all requirements of this Agreement and shall be subject to all provisions of this Agreement for non-compliance without exception and specifically including liquidated damages and default.

Article 33. Transition to Next CONTRACTOR

33.01 Transition. In the event CONTRACTOR is not awarded an agreement to continue to provide Collection Services following the expiration or early termination of this Agreement, CONTRACTOR shall cooperate fully with COUNTY and any subsequent contractors to assure a smooth transition of Collection Services described in this Agreement. Such cooperation shall include but not be limited to transfer of computer data, files and tapes; providing routing information, route maps, vehicle fleet information, and list of SFD, MFD and Commercial Customers; providing a complete inventory of all Cans, Carts, Bins, Compactors, and Roll-off Containers; providing adequate labor and equipment to complete performance of all Collection Services required under this Agreement; taking all actions necessary to remove or, to the extent required under the terms of this Agreement, transfer ownership of Cans, Carts, Bins, Compactors, and Roll-Off Containers as appropriate to COUNTY; including transporting such containers to a location designated by the Contract Administrator; coordinating Collection of materials set out in new Containers if new Containers are provided for a subsequent Agreement and providing other reports and data required by this Agreement.

3195 Agreement. COUNTY and CONTRACTOR agree that COUNTY has made a good faith effort to
3196 incorporate all material requirements of the current JPA Agreements into the provisions of this
3197 Agreement. In the event future changes or additions to state or federal laws or regulations, or
3198 local ordinances, or the JPA Agreements affect the performance of Collection Services as set
3199 forth in this Agreement, such changes or additions shall be considered modifications to this
3200 Agreement as set forth in Article 22 of this Agreement.

3201 34.03 Nondiscrimination. CONTRACTOR hereby agrees to abide by all local, state and
3202 federal laws and regulations pertaining to discrimination in employment including that no person
3203 shall, on the grounds of race, creed, color, disability, sex, sexual orientation, national origin,

3210 designated by the Fair Employment Practices Commission or by COUNTY respectively, for the
3211 purpose of investigating Contractor's compliance with the California Fair Employment Practices

Exhibit 2 Refuse Rate Index

3400

3401

3402 The "Refuse Rate Index" adjustment shall be calculated in the following manner:

3403 The expenses of the Collection Services for the designated fiscal period shall be prepared in the
3404 format set forth in the Operating Cost Statement - Description on the following page of this
3405 Exhibit.

3406 2. The expenses of the Collection Services shall be broken down into the following six (6)
3407 cost categories: Labor; Diesel Fuel; Vehicle Replacement; Vehicle Maintenance, All Other and
3408 Disposal. Each cost category is assigned a weighted percentage factor on that cost category's
3409 proportionate share of the total of the costs shown for all cost categories.

3410 3. The following five (5) indices published by the United States Department of Labor,
3411 Bureau of Labor Statistics (BLS), and the actual change in the Disposal Facility Tip Fee are
3412 used to calculate the adjustment for each cost category. The change in each index and the Tip
3413 Fees is calculated on a twelve-month fiscal period in accordance with the terms of the
3414 Agreement. In the event any index is discontinued, a successor index shall be selected by
3415 COUNTY. Successor indices shall be those indices that are most closely equivalent to the
3416 discontinued indices as recommended by the BLS.

3417 **Cost Category**

Index

3418 Labor	Series ID: ceu6056210008 Service-Producing Industries
3419 Diesel Fuel	Series ID: wpu057303 #2 Diesel Fuel
3420 Vehicle Replacement	Series ID: wpu141301 Truck and bus bodies sold separately
3421 Vehicle Maintenance	Series ID: pcu336211336211 Industrial truck and trailer mfg.
3422 All Other	Series ID: cuura422sa0 Consumer Price Index, All Urban
3423	Consumers, All Items – Bay Area
3424 Disposal	The actual tip fee charged to the CONTRACTOR by the MRWMD
3425	and/or SVSWA Disposal Facility.

3426 4. The percentage weight for each cost category is multiplied by the change in each
3427 appropriate index to calculate a weighted percentage for each cost category. The weighted
3428 percentage changes for each of the first five (5) cost categories are added together to calculate
3429 the Collection component of the Refuse Rate Index. The appropriate Disposal component of
3430 the RRI is then added to the Collection component to calculate the RRI. While the Collection
3431 component of the RRI uses the same indices for all rates, the Disposal component uses
3432 different indices for; 1) SFD, MFD and Commercial Cart Rates; 2) MFD Bin, Commercial Bin,
3433 Roll-off, and Large Venue Events Rates for Customers within the MRWMD boundaries; and 3)
3434 MFD Bin, Commercial Bin, Roll-off, and Large Venue Events Rates for Customers within the
3435 SVSWA boundaries. (see example).

(6) County or its assigns taking or omitting to take any of the actions that County or any assign must take under the Agreement; any failure, omission or delay on the part of County or its assignees to enforce, assert or exercise any right, power or remedy conferred on County or its assigns by the Agreement, *except* to the extent the failure, omission or delay gives rise to an applicable statute of limitations defense by Contractor with respect to a specific obligation;

(7) the default or failure of Guarantor to fully perform any of its obligations set forth in this Guaranty;

(8) the bankruptcy, insolvency, or similar proceeding involving or pertaining to Contractor or County, or any order or decree of a court, trustee or receiver in any proceeding;

(10) the existence or absence of any action to enforce the Agreement;

(11) subject to the provisions of the Agreement relating to Uncontrollable Circumstances, any present or future Applicable Law or order of any government or

of any agency thereof, purporting to reduce, amend or otherwise affect the Agreement or to vary any terms of payment or performance under the Agreement;

- appraisalment,
- valuation,

- similar Applicable Laws in force now or after the date of this Guaranty, which might delay, prevent or otherwise impede Guarantor's (or Contractor's, as the case may be) performance under or County's enforcement of this Guaranty.

County may enforce its rights under this Guaranty notwithstanding any partial performance by Contractor or Guarantor, or the foreclosure upon any security (including, without limitation, any Performance Assurance) given by Contractor for its performance of any of Contractor's obligations under the Agreement.

8. DEFENSES. Guarantor may exercise or assert all legal or equitable rights, defenses, counter claims or affirmative defenses under the Agreement or Applicable Law that Contractor could assert against any Person seeking to enforce the Agreement against Contractor. Nothing in this Guaranty constitutes a waiver of those rights, defenses, counter claims or defenses that Contractor could assert against any Person seeking to enforce the Agreement against Contractor by Guarantor.

9. PAYMENT OF COSTS OF ENFORCING THE GUARANTY. Guarantor will pay all costs, expenses and fees, including all reasonable attorney's fees, which County

The Guarantor agrees that he or she will not assign or convey, transfer or lease any of or its assets, nor cause Contractor to convey, transfer or lease any of its assets, to any Person unless at least \$100,000 of unencumbered assets available to satisfy Guarantor's obligations under this Guaranty remain, without County consent.

18. COUNTERPARTS. The Guarantor may sign this Guaranty in any number of counterparts, some of which may not bear the signature of Guarantor. 19. NOTICES. All notices, instructions and other communications required or permitted to be given to or made under this Agreement must be in writing, and must be given in the manner and to the addresses provided in the Agreement for County and with respect to Guarantor and Contractor.

20. SEPARATE SUITS. Each and every default by Contractor under the Agreement gives rise to a separate cause of action under this Guaranty, and County or its assigns may bring separate suits under this Agreement as each cause of action arises.

21. HEADINGS. The Section headings in this Guaranty are for convenience only and do not govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of this Guaranty.

Nothing in this Guaranty is intended to confer on any person other than the Guarantor, County and their permitted successors and assigns under this Agreement any rights or remedies under or by reason of this Guaranty.

A court having jurisdiction enters a decree or order for relief in respect of this Guaranty, in any voluntary or involuntary case brought under any bankruptcy, insolvency, debtor relief, or similar law now or hereafter in effect, or Guarantor consents to or fails to oppose any proceeding, or any said court having jurisdiction enters a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of Guarantor or for any substantial part of Guarantor's assets (including homes, furnishings or jewelry), or orders the winding up or liquidation of the affairs of Guarantor.

Exhibit 4 Transition Plan

USA Waste of California Inc., dba Carmel Marina Corporation (CMC), a Waste Management company, has extensive experience in the successful implementation of new services for both residential and commercial accounts. While price and service are extremely important in the County's selection process, equally important is the contractor's ability to implement a new program quickly and effectively to maximize results. CMC is primed to meet these requirements.

We take the challenge of completing a smooth implementation very seriously. Based on the depth of experience and the skilled expertise of our team, our first task will be to ensure a problem-free transition for both customers and the County. CMC has a library of tested and effective customer information pieces to communicate new and changing programs effectively.

To implement the start of services, we have selected a team of specialists with an in-depth knowledge of launching and servicing comprehensive contracts such as Monterey County. Their leadership in administration, operations, maintenance, personnel training, and public education will ensure that the new program launches without any disruption of service to customers or inconvenience to County staff.

Much of the planning and preparation for the transition tasks detailed will be completed "behind the scenes", far in advance of the County start date of November 1, 2010. In fact, we propose to begin the cart exchange as early as August 1, 2010 so that unified service is in place countywide on November 1, 2010. Key transition steps will be initiated immediately following the final award of the contract to ensure that all steps are in place for the start up of services.

Early Start Timeline

Prior to Start of Collection Services/Transition Services

Carmel Marina Corporation (CMC) believes a well-organized and well-orchestrated approach is key to the success of new service initiation. As soon as the contract is awarded, we will begin working with County staff for approval and implementation on all the steps required to initiate a smooth transition.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

- 3523 1. Review and collaborate with County staff a transition timeline of all key elements.
- 3524 2. Schedule meetings with CMC team and County staff.
- 3525 3. Equipment Procurement and Delivery Plan.
- 3526 4. Public Education, Compliance and Customer Engagement Plan.
- 3527 5. CMC New and Current Employee Plan.
- 3528 6. Billing and Finance Plan.

3529 **Timeline Detailing Major Key Elements**

3530 As the current service provider, CMC is prepared to initiate new cart swaps in Monterey County
3531 months in advance of the November 1, 2010 contract start date. We believe we have the team
3532 in place and the working relationship with County staff to successfully expedite the transition.
3533 We also believe having unified, countywide service in place by the November 1, 2010 start date
3534 will contribute to increased County diversion rates and reduced carbon emissions. The sample
3535 timeline on the previous page provides a general idea of the tasks that need to be completed
3536 and at what time we anticipate beginning and ending each task.

3537 In addition to the timeline, CMC will conduct an extensive and very detailed review of the
3538 contract and its associated tasks and deadlines. A more detailed implementation plan will be
3539 developed in collaboration with the County to identify duties and assignments. As the current
3540 hauler, we know the importance of addressing each customer group's unique container needs
3541 to make sure their service requirements are met.

3542 **Scheduled Meetings with CMC and County Staff**

3543 CMC is fortunate to employ a team of managers with extensive experience in the
3544 implementation of new programs.

3545 The Implementation Team will meet weekly from the time the contract is signed until a month
3546 past the actual contract start date to address any and all issues that arise. It should be noted
3547 that County staff would be encouraged to attend these meetings.

3548 At each meeting there will be detailed meeting notes taken detailing the progress and or barriers
3549 that may arise during the implementation stage. The meeting notes will be given to County staff
3550 if unable to attend on a weekly basis. CMC will make all possible efforts to keep County staff
3551 informed, updated and aware of each smoothly implemented transition in the entire
3552 Unincorporated County.

3553 **Equipment Procurement and Delivery**

3554 **Truck ordering /delivery**

3555 After the Unified Franchise Agreement is reached, CMC will order the required trucks from their
3556 manufacturers based on the terrain of the County. These trucks will take approximately six
3557 months from order date to delivery. CMC will phase in nineteen (19) new collection vehicles and
3558 six new support vehicles between January 1, 2011 and July 30, 2011, and over the following
3559 four years, CMC will phase in the remaining 20 new collection vehicles as older trucks reach

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3560 their mileage limit. All of the new Collection trucks will run on BioDiesel B-20, a clean-burning,
3561 low emissions fuel.

3562 Upon receipt, each vehicle will be customized with approved signage and graphics. Drivers will
3563 be trained on the vehicles in the yard prior to test drives on county roads. In fact, County staff
3564 will be notified in advance of the extra trucks on the road during the current Western and
3565 Northeastern Franchise Agreements. Each truck will be inspected for safety and tested on the
3566 roads of varying terrain of Monterey County. Once the trucks are ready to be deployed, CMC
3567 will set up a time with County staff to inspect the trucks and approve their use.

3568 CMC has identified the necessary trucks and believes the November 2010 timeline for
3569 implementation is achievable.

3570 Carts

3571 The carts for the Single-Stream Refuse, Recycling, and Green Waste will be purchased through
3572 Cascade. The Cascade EcoCart is made from 40% recycled content and is designed to function
3573 optimally with both semi- and fully-automated systems. Considered by many to be the finest
3574 carts manufactured today, CMC purchases Cascade carts for the following reasons:

3575 ▪ Cascade carts are one of the most durable carts in the industry; and unlike many cross -
3576 link plastic carts; Cascade carts are **fully recyclable** when their useful life is done.

3577 ▪ Cascade uses post-consumer recycled plastic in their manufacturing process.

3578 ▪ Cascade carts have wonderful in-molded graphics that provide weather resistant, clear
3579 and concise instructions to the customer.

3580 ▪ **Manufacturer will deliver the carts and remove existing carts for recycling.**

3581 Single-Family Containers

3582 CMC will send a letter to every Monterey County resident within the current jurisdictions of the
3583 Western and Northeastern boundaries notifying them of the size, rate and frequencies of service
3584 and asking them to select the size and quantity of each materials cart. A response card and
3585 return envelope will be enclosed with a deadline of 3-4 weeks prior to the cart swap. In addition,
3586 a designated phone line for customer inquiries and responses will be provided. In the case that
3587 there is no response, CMC will default the cart size specified in the agreement of (1) 35g for
3588 refuse, (1) 64g for recycle and (1) 64g for green waste. All carts will be identified by the hauler's
3589 name and include our toll-free phone number. In addition, the carts' interior lids will be clearly
3590 labeled with the County-provided language, in both English and Spanish, pertaining to
3591 Household Hazardous Waste and recyclable containers.

3592 The manufacturing period is three months from order to delivery. Cascade will coordinate the
3593 manufacturing, shipment and neighborhood delivery program with our oversight, to all
3594 residential customers. We will provide route sheets, special service instructions and a direct line
3595 to a route manager to ensure the carts are delivered properly and the old carts are removed and

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3596 recycled if not reusable. We have found that it is better for us to focus on the collection aspects
3597 of the implementation. Complete cart delivery will take place over a 12-week period.

3598 **Multi-Family and Commercial Containers**

3599 CMC will be refurbishing a portion of existing metal containers, and purchasing some new steel
3600 and plastic containers. CMC will coordinate the exchange of old bins and carts with freshly
3601 painted containers that will feature labels displaying the hauler's name and toll-free customer
3602 service telephone number. This will provide for a seamless transition to a new collection system
3603 and the customer will not be left without a place to put their materials.

3604 CMC will be sending a letter to every Monterey County Multi-family and Commercial customer
3605 within the current jurisdictions of the Western and Northeastern boundaries notifying them of the
3606 size, rate and frequencies of service and asking them to select the size and quantity of each
3607 container. CMC will be delivering the new containers to all Multi-Family and Commercial
3608 customers based on the proposed expedited schedule.

3609 **Roll-Off Containers**

3610 CMC will be refurbishing existing metal roll-off containers, and purchasing new metal containers
3611 as needed, based on the new size offerings in the agreement. CMC will coordinate the
3612 exchange of old containers with freshly painted bins which will feature labels displaying Waste
3613 Management's name, toll-free customer service telephone number and the number of the Bin.
3614 This will provide for a seamless transition to a new collection system and the customer will not
3615 be left without a place to put their materials.

3616 CMC will be sending a letter to every Monterey County industrial valued customer within the
3617 current jurisdictions of the Western and Northeastern boundaries notifying them of new
3618 recycling program, the size, rate and frequencies of service and asking them to select the size
3619 and quantity of each container. CMC will be delivering the refurbished and new containers as
3620 needed to all industrial customers prior to the start of services based on their needs.

3621 **Public Education Plan and Outreach Activities**

3622 We look forward to working closely with the County on the design and implementation of new
3623 outreach materials. CMC knows that effective public education and promotion are crucial
3624 components to increasing resident and business participation in new services.

3625 Our public outreach and education efforts will go well beyond the requirements listed in the new
3626 collection services contract. Our approach is designed to "jump-start" additional diversion
3627 through the kick-off of new programs, early diversion implementation with the early start date
3628 proposal and to diligently pursue ongoing awareness activities.

3629 CMC will work with County staff to ensure all customers will receive advanced information on all
3630 the County's new services through a special mailing prior to the start-up of the program. Our
3631 comprehensive outreach efforts will be carefully analyzed and updated to guarantee successful
3632 long-term diversion programs.

3633 **Procedures for Submitting Public Information Material to the County for Approval**

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3634 Good communication and accountability is key to the success of any contractual relationship. To
3635 ensure a high level of communication between CMC and Monterey County, CMC will establish
3636 clear communication procedures for developing public education pieces.

3637 When developing new public information pieces, CMC will first submit the text to the County for
3638 approval. Once the County and CMC have agreed on the language for a piece, CMC will
3639 develop draft artwork for County approval. Once this approval has been received, CMC will
3640 move ahead with the finalizing of the public information pieces.

3641 CMC views this contract as an opportunity to partner with the County of Monterey to perform
3642 public education services. We will work with the County, as a partner, throughout the life of the
3643 contract. All public information pieces will be submitted to the County for review. Our proposed
3644 County review period is five working days; however, we would be happy to work with the County
3645 to develop another schedule, as appropriate.

3646 **Public Education Timeline**

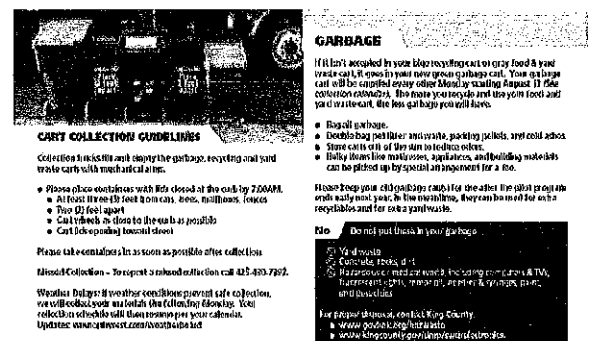

3647 **The following is the list of public education milestones that will be implemented.**

- 3748 ▪ On an ongoing basis, reminder tags will be used to remind customers about garbage
3749 and recycling guidelines.
- 3750 ▪ The week before collection service begins CMC will use our outbound dialing system to
3751 remind customers of the start of the new programs.

3752 Commercial and Multifamily Customer Audits

3753 Beginning in Q1 2010, CMC will begin visiting commercial and multi-family customers in the
3754 unincorporated portion of Monterey County. Visits by the CMC Recycling Program Team will
3755 insure the following:

- 3756 ▪ Each customer understands the change in service.
- 3757 ▪ Each customer is aware of the new programs being offered.
- 3758 ▪ Each customer's current service levels for garbage and recycling meets their needs.
- 3759 ▪ Locations of all containers and enclosure spaces are mapped for future use.
- 3760 ▪ Each customer understands the economic opportunities for recycling more waste.
- 3761 ▪ The necessary containers are in place at the start of the contract.

3762 This initial auditing of commercial and multifamily accounts will provide the County with valuable
3763 data on the amount of material that is still available to be recycled. These visits will be timed
3764 specifically to provide the County with the information it needs to create the most effective public
3765 education campaign possible. CMC will assist the County in any way possible to design such a
3766 campaign.

3767 Training

3768 The cart exchange will require education and training of supervisors, drivers, dispatch and
3769 customer service staff on the roll-out and any new procedures. All staff will be trained on
3770 acceptable (and unacceptable materials) and about the details of the transition period.
3771 Fortunately, CMC's parent company, Waste Management, has extensive experience with these
3772 transition programs, most recently in neighboring Alameda County.

3773 As the current provider, we are fortunate to have a dedicated team of drivers who are very
3774 familiar with the service areas in the current Western and Northeastern areas. We will,
3775 however, ensure that all drivers are properly trained in the new trucks and routes before they
3776 are transitioned to the streets of Monterey County.

3777 Customers will continue to receive the highest level of service to which they are accustomed
3778 because there will be minimal route changes to implement the new unified service.

3779 Billing Services Plans

3780 As the existing service provider, only CMC can ensure that there will be a transparent transition
3781 of billing services in Monterey County's new Unified Franchise Agreement.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3782 Transitioning to a new service provider can create
3783 numerous challenges, giving rise to customer complaints.
3784 Customers are especially sensitive to any errors on their
3785 billing. Fortunately, using our existing billing methodology,
3786 CMC's billing services will continue uninterrupted during the
3787 transition with no inconvenience to the customer.

3788 For the purpose of reporting and tying back key data, our
3789 billing department will be implementing a "fresh" Unified
3790 customer database specific to the County Agreement to
3791 ensure all fees, monthly, quarterly and annual reporting will
3792 meet all expectations of the requirements of the new
3793 Agreement. The information will be used to generate cart
3794 and bin customer invoices according to the contract
3795 parameters.

3796 Customers will also be notified of the option to either make
3797 payments through the mail, credit cards, electronic fund
3798 transfer, and the internet or by walking in to any one of
3799 CMC's following payment locations:

3824 In the customer engagement mailers requesting their preferred level of service, CMC will also
3825 include a section to update any current information that is in the existing database. When CMC
3826 is in receipt of the responses all old customer information will be updated. We will also provide
3827 this information to the County so that it can update its parcel data.

3864 performance bond for \$5,000,000.00 Dollars within 30 days of the execution date of this
3865 agreement.
- 3866 CMC recognizes that successful transitions require the immediate execution of specific tasks,
3867 as well as a great deal of, communication, planning and coordination in preparation for the
3868 provision of the services required by a new agreement. Even though CMC may be the current
3869 service provider CMC treats any new agreement as a fresh opportunity to provide innovative
3870 world class services to our customers. In anticipation of reaching a formal Unified Franchise
3871 Agreement with Monterey County for the provision of Solid Waste Services, CMC has the
3872 following transition tasks staged for immediate execution.
- 3873 1. Obtain Certificate of Insurance and provide original copy to County on or before the
3874 Execution Date of this Unified Franchise Agreement.
- 3875 2. Obtain \$5,000,000.00 Performance Bond and provide original copy to County within 30
3876 days of the execution date of this Unified Franchise Agreement.
- 3877 3. Pay \$170,000.00 Proposal development fee to County within 30 days of the execution
3878 date of this Unified Franchise Agreement.
- 3879 4. A Letters of Commitment for the new trucks required by the New Unified Franchise
3880 Agreement was secured as part of CMC's RFP submission, once the Unified Franchise
3881 Agreement is reached, CMC will execute orders with our manufacturer for the new
3882 trucks required. CMC will provide the service vehicle inventory and New Truck build
3883 status to the County before September 1, 2010. CMC also provided the County with an
3884 estimated schedule for the replacement of trucks through the initial term of the
3885 agreement. Delivery of the first 25 new trucks will be staggered between January 1,
3886 2011 and July 30 2011.
- 3887 5. Letters of Commitment for the carts initially required by the new Unified Franchise
3888 Agreement was secured as part of CMC's RFP submission, once the Agreement is

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

3889 reached, CMC will execute orders with our manufacturer for the new carts required for
3890 the November 1, 2010 startup of services. This will ensure that the new carts arrive early
3891 enough to allow time to prepare the new carts for delivery, collect the existing old carts in
3892 the field and deliver the new carts to all customers. CMC has a commitment from our
3893 cart delivery team to complete initial deployment of new carts in 8 weeks. In order to
3894 ensure a successful deployment and allow a cushion to complete all aspects of the
3895 delivery plan, CMC has planned 12 weeks, starting the beginning of August, to
3896 accomplish this part of the transition. Once the delivery plan is finalized, CMC will
3897 provide a copy of the plan to the County prior to implementation.

3898 In order for CMC to develop a comprehensive competitive proposal for submission to the
3899 County, all aspects of providing the Solid Waste Services requested by the County
3900 were reviewed and in some cases hypothetical situations were developed and analyzed
3901 to establish an accurate cost to provide certain services. Being the current service
3902 provider to the County, along with the development of these new hypothetical situations,
3903 has given CMC a head start on the Development of Routes Route Maps and a number
3904 of other items the County may require. This enhances CMC's ability to provide items
3905 required by the Unified Franchise Agreement on or before scheduled deadlines. New
3906 Route Maps will be provided to the County a minimum of 90 Days prior to the
3907 commencement of services.

3908 6. As the current provider of Solid Waste Services to Monterey County, CMC is familiar
3909 with all of the County's requirements and procedures for collecting, hauling, measuring,
3910 processing and reporting the materials collected in the County, as well as Billing
3911 customers for all services provided. This makes it easier for CMC to develop Waste
3912 Assessment Protocols and New Billing Invoices to submit to the County for approval
3913 prior to their respective April 1, 2010 and September 1, 2010 deadlines.

3914 7. Over the years that CMC has provided Solid Waste Services to Monterey County, CMC
3915 has worked extensively with the County in the development of Public Education
3916 Materials, much of which CMC has accumulated to date. CMC intends to use a
3917 combination of the Pub-Ed materials developed to date and newly developed Pub-Ed
3918 Materials, for the New Agreement's Public Education & Outreach Plan, to be submitted
3919 to the County on or before July 1, 2010. CMC will also use some of these materials in
3920 the development of the initial Collection Service Notice that will be sent to all customers
3921 in the First quarter of 2010.

3922 8. Once the new service agreement is reached, CMC local management will select a
3923 Service Supervisor to assign to the County. The Name of the County's assigned Service
3924 Supervisor will be provided to the County on or before October 1, 2010.

Unified Franchise Agreement for the Exclusive Collection of Solid Waste and Recyclables in
Unincorporated Monterey County

9. As part of the Emergency Backup Plan, submitted along with this transition plan, CMC has provided Emergency Contacts and their Telephone numbers.

10. CMC has completed the development of a Market Area website, which will be available to Monterey County and its customers. Monterey County and its customers will be able to view information related to the services available to them as part of the New Agreement, and will be able to take advantage of other online services such as Bill Payment, Q & A and service requests. This site is currently active and will be updated and available to Monterey and its customers far in advance of the September 1, 2010 deadline.

CMC is prepared to work closely with County Staff to complete all aspects on this transition plan on or before the deadlines specified by the County. In order to stay on Time and on Task, CMC has attached a Transition Action Plan, which will be implemented immediately after a new Unified Franchise Agreement is reached between CMC and The County.
