2. **Facility Management:** In the event that COUNTY makes use of the Facilities pursuant to Section 1 above, COUNTY will designate an official, the "Facility Manager", to manage the Facilities during the Emergency Need Operations, and DISTRICT will designate a coordinator, the "Facility Coordinator", to work with the Facility Manager regarding COUNTY's use of the Facilities. COUNTY will have primary responsibility for the management and operation of the Facilities during the Emergency Need Operations. DISTRICT shall be responsible for opening and closing the Facilities each day during the COUNTY's use.

3. **Term:** The term of this Agreement ("Term") shall be for a period of five (5) years and will commence upon execution by DISTRICT or COUNTY, whichever is later. occupancy survey of the Facilities and inventory supplies made available to COUNTY before it is turned over to COUNTY. The Facility Coordinator will identify and secure all DISTRICT equipment that COUNTY should not use while operating the Facilities. COUNTY will exercise reasonable care while using the Facilities for the Emergency Need Operations and will make no modifications to the Facilities without the express written approval of DISTRICT. If any improvements are damaged or removed by COUNTY, its authorized agents, employees or contractors, within forty-five (45) days of the closing date of Emergency Need Operations, they shall be restored or replaced by COUNTY to as near the original condition and location as is practicable.

DISTRICT shall allow COUNTY at least thirty (30) days from the date of the survey to remove any and all materials, clean and disinfect the Facilities pursuant to Section 6, and return the Facilities to an orderly condition, excluding reasonable wear and tear, at which point COUNTY’s active use and obligations under this Agreement shall terminate, with the exception of those COUNTY obligations as set forth in Sections 5, 6, and 10, which obligations shall survive termination or expiration of this Agreement.

In the event of such use by DISTRICT, DISTRICT shall provide COUNTY prior notice of such use, and shall ensure that any use by DISTRICT, DISTRICT's agent(s), lessee(s), or licensee(s) does not interfere with COUNTY's emergency use of the Facilities. Said DISTRICT use shall be subject to the Notice of Health Insurance Portability and Accountability (HIPAA) and Patient Privacy Law Compliance requirements attached hereto as **Exhibit "D"**.
 12. Status of Parties; Taxes. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the COUNTY and DISTRICT or its officer, officials, employees or agents. This Agreement Exhibit (this “Exhibit”) is part of the Emergency Facility Use Agreement (the “Contract”) between Monterey Peninsula College District (“Contractor”), and the County of Monterey (“County”), under which the Contractor is providing services to County.

This Exhibit is attached to the Contract and is part of the Contract to ensure that the Contract complies with all Federal laws, regulations and restrictions applicable to Contractor and the services being provided under the Contract.

All capitalized terms not defined herein have the meanings given to them in the Contract. The provisions of this Exhibit supplement the terms of the Contract. If there is a conflict between the provisions of the Contract and this Exhibit, the provisions of this Exhibit control.

FEDERAL PROVISIONS

- 1. Remedies.** In the event Contractor breaches any term or provision of this Contract, County has the right to pursue all available remedies at law or equity, including recovery of damages, specific performance of this Contract, and termination of this Contract. Except as expressly provided elsewhere in this Contract, each party's rights and remedies under this Contract are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to that party.
- 2. Termination for Cause and Convenience.** If County terminates this Contract for convenience, County shall pay Contractor for services provided prior to the date of termination. If County terminates this Contract due to Contractor’s breach, County may settle the Contract by negotiated agreement, pursuant to Section 9 (Disputes) of the Contract, or a combination of these methods.
- 3. Contract Work Hours and Safety Standards Act.**
 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the

overtime wages required by the clause set forth in paragraph (1) of this section.

3. *Withholding for unpaid wages and liquidated damages.* The Federal Emergency Management Agency or County shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
4. *Subcontracts.* The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

4. Rights to Inventions.

- a. General. If any invention, improvement, or discovery is conceived or first actually reduced to practice in the course of or under this Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the County and Contractor agree to take actions necessary to provide immediate notice and a detailed report to Federal Emergency Management Agency (FEMA).
- b. Unless the Federal Government later makes a contrary determination in writing, irrespective of Contractor's status (a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual), the County and Contractor agree to take the necessary actions to provide, through FEMA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 CFR, Part 401.
- c. The Contractor agrees to include paragraphs (a) and (b) above in each third party subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FEMA.

5. Clean Air Act; Federal Water Pollution Control Act.

- a. The Contractor shall comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. Section 7401 et seq., and the Federal Water Pollution Control Act, as amended, 33 U.S.C. Sections 1251 et seq.
- b. The Contractor shall report each violation of these requirements to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the California Governor's Office of Emergency Services, Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office.

- c. The Contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

6. **Debarment and Suspension Clause.** The Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

Monterey Peninsula College District (“DISTRICT”) acknowledges that it may have direct or incidental access to “Protected Health Information” or “PHI” or contact with COUNTY’s patients, clients, and or occupants of the Facility. For purposes of this exhibit of the Agreement, “Protected Health Information” or “PHI” shall have the meaning provided by the Standard for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Subparts A and E of Part 164 (the “Privacy Standards”) as promulgated by the Department of Health and Human Services (“HHS”) pursuant to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) (42 U.S.C. Section 1320d, et seq.), California Civil Code Section 56.20 et seq. and other applicable California laws (each and collectively, the “HIPAA Laws”).

The COUNTY will endeavor to implement reasonable safeguards to protect the PHI from any intentional or unintentional disclosure to third parties in violation of the Privacy Standards by implementing appropriate administrative, technical, and physical safeguards to protect the privacy of PHI, and will endeavor to implement appropriate administrative, technical and physical safeguards to limit incidental disclosures of PHI, including disclosures to DISTRICT and DISTRICT’s representative and staff. The parties agree that neither DISTRICT nor its staff shall need access to, nor shall they use or disclose, any PHI of COUNTY patients, clients and or occupants. In the event, however, PHI is disclosed to DISTRICT or its staff, either directly or indirectly and regardless of whether the disclosure is inadvertent or otherwise, DISTRICT agrees to take reasonable steps to maintain, and to require its staff to maintain, the privacy and confidentiality of such PHI, including that no PHI will be removed from the Facility by DISTRICT or its staff, and no PHI will be discussed with or otherwise disclosed to any other person or entity. DISTRICT agrees to immediately notify the COUNTY upon learning of any disclosure of PHI to DISTRICT or its staff. The Parties agree that the foregoing does not create, and is not intended to create, a “business associate” relationship between the Parties as that term is defined by the Privacy Standards. The COUNTY may terminate this Agreement without penalty if DISTRICT violates this provision.
