Resolution No.

Adopt resolution recognizing the efforts of **Cruzio** and supporting their application to the California Public Utilities Commission aiming to improve the quality of life for the community of San Jerardo by providing free broadband internet, thereby bridging the community's digital divide

WHEREAS, Cruzio submitted an application to California Public Utilities Commission for the California Advanced Serviced Fund Line Extension Program, which would afford the community of San Jerardo, in the Salinas Valley, access to full and real internet access without throttled speeds or a diminished user experience; and

WHEREAS, it is imperative to expand reliable access and adoption of high speed internet at affordable rates, particularly for low income residents; and

WHEREAS, supporting the proposal of **Cruzio** will serve a low-income community that is currently uncovered by broadband; and
