This Agreement is entered into this 28 day of APRIL, 2014, 200 by FIRST ALARM, a California corporation, hereinafter referred to as "Company," and COUNTY OF MONTEREY hereinafter referred to as "Subscriber," at: 1611 & 1615 BUNKER HILL WAY SALINAS California.

"Subscriber," at: 1611 & 1615 BUNKER HILL WAY SALINAS

1) Installation of Company Owned System: We will install the security system described below, provide repair service and the other services described herein. The alarm system is herein referred to as the "System." The System will always remain our property.

Approximate Installation Starting Date: 06-15-2014 Approximate Installation Completion Date: 10-15-2014

Starting the installation of wiring and/or delivery of equipment to your premises will constitute substantial commencement of the work to be performed. A failure by Company without legal excuse to substantially commence work within twenty (20) days from the approximate installation starting date is a violation of the Alarm Company Act. Upon completion of the installation, we will thoroughly instruct you in the proper use of the System. The city or county in which your residence is located may require that you obtain a permit for the installation, use and operation of an alarm system. Local authorities may not respond to alarm notifications until all permits or licenses for use of the System have been obtained, and therefore Company may not be able to begin monitoring until you have obtained at your expense all necessary permits or licenses, and provided Company with the license or permit number.

2) Price, Payment and Term:

Subscriber hereby agrees to pay Company, its agents or assigns, the sum of

\$ ZERO Dollars (\$ 00.00) upon execution of this Agreement and

\$ THREE THOUSAND ONE HUNDRED FORTY FOUR Dollars (\$ 3,144.00) upon completion of the installation.

For the installation of the System you agree to pay ZERO percent (0 %) of the total Install Amount shown above upon signing of this Agreement and the balance upon substantial completion of the installation. We may elect not to start to monitor the System, activate other systems, or provide other services until the total Install Amount is paid in full. For monitoring (if applicable), repair service, other services and use of the System you will pay us the Total Monthly Service Fee, in advance, starting on the first day of the month following the month in which service begins. In addition, you will pay the prorated service fee for the month in which service starts, and any applicable sales or use taxes. This Agreement will have an original term of five (5) years and automatically renew and continue for successive three (3) year terms unless canceled by either of us in writing at least thirty (30) days before the end of the original term or any renewal term. You authorize us to investigate your credit record, and to report your payment performance under this Agreement to credit agencies and credit reporting services.

Client Initial XC2V

3)Installation of System: You will permit us to install the System during our normal business hours and you will give us uninterrupted access to your premises. You warrant that you have full authority from the owner and/or other person in control of the premises to permit the installation and operation of the System under all conditions set forth herein. You have approved the locations where the control panel, audible devices, cameras, monitors, and all other devices will be installed. If the System includes an exterior audible bell, horn or siren, it is designed to shut off after sounding for not more than ten (10) minutes. You will provide 24 hour, 110 volt electrical service, including non-switched electrical outlets for the System's transformers and other electrical needs, and will make repairs to the premises (such as fixing loose doors or broken windows) that we deem reasonably necessary to facilitate the installation and operation of the System. You will provide adequate lighting for any CCTV System, and otherwise provide the proper environment for the System as we may reasonably request. We are not responsible if the installation is delayed because of bad weather, labor disputes, acts of God or other reasons beyond our control. You have the affirmative duty to inform us, prior to beginning of installation, of every location at the premises where we should not, because of concealed obstructions or hazards such as pipes, wires or other obstructions, are present any resulting damaged walls, ceiling, floors or furnishings shall be your sole expense and responsibility. If asbestos or other health hazardous material is encountered during installation, we will cease work until you have, at your sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to our personnel. In no case shall we be liable for discovery or exposure of hidden asbestos or other hazardous material. After we complete the System, you and our representative will inspect it. If something is missing or not properly installed, you will tell us within ten (10) days, otherwise the System will have been accepted by you.

4)Alarm System Monitoring Service: If you have subscribed to monitoring service, we shall connect the System(s) to our monitoring facility (the "Center"). When an alarm signal from the System is received, the Center will try to telephone the proper police or fire department or other emergency personnel and the first available person on the emergency call list; you give us; and when a non-emergency signal is received, the Center will attempt to contact you or the first available person on your emergency call list but will not notify emergency authorities. The Center reserves the right to verify all alarm signals by telephone or otherwise before notifying emergency personnel, and may choose not to notify emergency personnel if it has reason to believe that an emergency condition does not exist. We and the Center may discontinue any particular response service due to governmental or insurance requirements by giving you written notice. You consent to the tape recording of all telephonic communications between your premises and our offices, including the Center. You acknowledge and agree that both you and Company are required to comply with all laws, rules, and regulations regarding monitoring and alarm response enacted or adopted by the governmental authorities having jurisdiction over the System. If such governmental agencies, now or in the future requires physical or visual verification or multi-telephone verification (e.g. two-call verification) of an emergency condition before responding to a request for assistance, you agree to subscribe with us for such service, and you agree to pay an additional monthly fee for such service that will be added to the then current monthly fee.

5)Transmission Lines: The System includes a communicator that sends signals to the Center over your regular telephone service. You will pay for all telephone charges including any installation fee for a special RJ31X jack to connect the System to your telephone service. We recommend the use of an RJ31X or equivalent telephone jack to give the System priority over other telephones in your premises, however, when the System is activated, you will be unable to use your telephone to make other calls (such as calls to the 911 emergency operator), and therefore, you may wish to have the System connected to a second telephone line. If your telephone is out of order, placed on vacation status or otherwise not working, signals cannot be transmitted to the Center and we will not know of the telephone service problem. If a cellular communications system is used for back-up transmission of alarm signals from your premises to the Center, you acknowledge that the use of cellular systems are controlled by the California Public Utilities Commission and Federal Communications Commission and changes in rules, regulations and policies may necessitate our discontinuing such transmission facilities at our option, in which event we will substitute telephone service. Cellular transmissions may be impaired or interrupted by atmospheric conditions, including electrical storms, power failures or other conditions and events beyond our control. You may be required to execute an additional agreement for cellular transmission service. You agree to reimburse us for any costs we may incur to reprogram the communications device of the System because of area code changes or other dialing pattern changes. The use of DSL or other broadband telephone service may prevent the System from transmitting signals to the Center and/or interfere with the telephone line-seizure feature of the System. Such services should be installed on a telephone number that is not used for alarm signal transmission. You agree to notify us if you have installed or intend to install DSL or other broadband service. IMMEDIATELY AFTER THE INSTALLATION OF DSL OR OTHER BROADBAND SERVICE YOU MUST TEST THE SYSTEM'S SIGNAL TRANSMISSION WITH THE CENTER.

6)False Alarms: You agree that you and others using the System will use it carefully so as to avoid causing false alarms. False alarms can be caused by severe weather or other forces beyond our control. If we receive too many false alarms, that will constitute a breach of contract by you and we may cancel monitoring and service and seek to recover damages. You will pay any false alarm fine, penalty or fee that is charged against you, and if a false alarm fine, penalty or fee is charged to us by any governmental agency, you will pay us for the charge.

7)Repair Service: We shall provide repair service for the System. Subscriber agrees to allow reasonable access to the System. Repair service includes all parts and labor for repairs necessitated by ordinary wear and tear, but does not include window screens or disposable items such as camera film, video tape and batteries which you agree to pay for at our prevailing rates. We may substitute materials of equal quality at time of replacement and may install reconditioned used parts. All repairs shall usually be performed as soon as reasonably possible during our normal business hours which are 9:00am to 5:00pm Monday through Friday except Company holidays. You shall pay us our then prevailing premium labor rate for all repairs provided at other times which include a one-hour minimum visit charge. You shall pay us for all parts and labor necessary to repair the System as a result of damage caused by accident, misuse, acts of God, attempted unauthorized repair service, extraordinary maintenance and repair due to alterations in your premises, alterations to the System made at your request, required by the governmental agency having jurisdiction over the System, requested by your insurance provider, made necessary by alterations to your premises, damage to your premises, your failure to follow proper operating instructions provided by us with respect to the System, or any cause beyond our reasonable control. Charges for repairs will be based upon our then existing labor and material rates and will include a minimum one (1) hour visit charge and will be due and payable upon completion of the work. If you fail to pay for such charges upon completion of the work, we may terminate this Agreement.

8)Subscriber's Duties: You will instruct all other persons who may use the System on its proper testing and use. You will test the System's protective devices and send test signals to the Center in accordance with our instructions at least monthly. If the System includes space protection (e.g., microwave, infrared, photo beams or other such detectors) you will turn off, control, relocate or remove all things such as HVAC systems, pets, furniture and other such items that might interfere with such devices when they are turned on. If a problem in the System occurs you will promptly notify us. You will complete and give us an emergency information form which will include the name, telephone number and relationship of each person we may call in the event we believe there is an emergency at your premises, and other information we may require. You will notify us in writing of any changes in the information set forth on the emergency information form. You agree that we may disclose the information on the emergency information form to any governmental agency having jurisdiction over the use and operation of the System. You are solely responsible for providing and maintaining film and/or video tape for CCTV systems and we do not provide film developing or video editing services.

9)Suspension or Cancellation of this Agreement: You understand that we may stop or suspend monitoring and other services if: (i) strikes, severe weather, earthquakes or other such events beyond our control affect the operation of our Center or so severely damage your premises that continuing service would be impractical; (ii) there is an interruption or unavailability of the telephone service between the System and our Center; (iii) You do not pay the service charge due to us, after we have given you ten days notice that we are canceling service because of non-payment; (iv) we are unable to provide service because of some action or ruling by any governmental authority; and/ or (v) you become a debtor in a bankruptcy proceeding. If service is canceled or this Agreement expires or is terminated for any reason, you authorize us to remotely disconnect the System from our monitoring equipment and remove the System, decals and yard signs from your premises pursuant to Section 12. If service is suspended because you have failed to pay the charges set forth herein, and you ask us to reactivate the System, you will pay, in advance, our then prevailing re-connection fee. YOU UNDERSTAND THAT THE ALARM SYSTEM MAY NOT WORK WITH EQUIPMENT USED BY OTHER ALARM COMPANIES OR MONITORING CENTERS.

10)Termination, Default, and Removal of System: You acknowledge and agree that this Agreement is a service agreement only and THE ENTIRE SYSTEM SHALL AT ALL TIMES REMAIN THE SOLE PROPERTY OF THE COMPANY. You will not damage, encumber or dispose of the System or permit the System to be damaged, encumbered, taken from the premises, tampered with or repaired by anyone but our service personnel. In the event of loss or damage to the System or any part thereof, you agree to pay us the System's reasonable replacement value or the cost of repair as the case may be. At the expiration or termination of this Agreement or in the event of your default, you authorize us to enter your premises and to remove all or any portion of the System. We may elect to abandon all or any portion of the System. Removal of the System shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof, including, but not limited to recovery of our loss of profit for any unexpired term of this Agreement. We agree to remove the System, or any portion of the System, in a workmanlike manner, but we shall not be responsible for or have any obligation to repair minor damage to your premises (such as, but not limited to, screw or fastener holes, or paint or wall finishing damage) resulting from such removal. You will return the System to us in good condition, reasonable wear and tear excepted. You agree that installation of the System does not create a fixture to your premises. Company shall not be liable for any conditions of the premise upon removal of the System. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System. If you fail to make any payment when due we may discontinue installation, monitoring and service, terminate this Agreement and recover all damages to which we are entitled including, without limitation, the value of the work performed and the amount due to us for the unexpired term of the Agreement, including loss of profits. In addition we may impose a late charge on all payments more than thirty (30) days past due in the amount equal to ten percent (10%) of the payment amount due or maximum amount permitted by California law which ever is less.

11)Assignees and Subcontractors: We may transfer or assign this Agreement to any other security company, financial institution or other entity. Upon an assignment to another security company, Company will be relieved of any further obligations hereunder. You may not transfer this Agreement to someone else (including someone who purchases or rents your premises) unless we approve the transfer in writing. We may use subcontractors to provide installation, repair, monitoring and other services. This Agreement, and particularly sections 13 and 14, shall apply to the work and services they provide, and shall apply to them and protect our assignees and subcontractors in the same manner as it applies to and protects us.

12)Changes to the System: If you or any governmental agency or insurance interest wants us to change the System described herein, or change it after it is installed, you agree to pay our standard parts and labor charges for such changes. YOU AGREE THAT YOU HAVE CHOSEN THE SYSTEM AND YOU UNDERSTAND THAT ADDITIONAL OR DIFFERENT PROTECTION IS AVAILABLE FOR A HIGHER PRICE.

13)Company is Not an Insurer; Liquidated Damages; Limitation of Liability: You understand that (a) we are not an insurer of your property or the personal safety of persons in your premises; (b) you should provide any insurance on your premises and its contents; (c) the amount you pay to us is based only on the value of the System and services we provide and not on the value of your premises or its contents; (d) alarm systems and our monitoring and repair service may not always operate properly for various reasons; (e) a CCTV system may not detect or prevent an unauthorized intrusion onto the premises or unauthorized activities (including criminal conduct) by persons on the premises; (f) it is difficult to determine in advance the value of your property that might be lost, stolen or destroyed if the System or our service fails to operate properly; (g) it is difficult to determine how fast the police or fire department or others would respond to an alarm signal; and (h) it is difficult to determine what portion, if any, of any property loss, personal injury or death would be proximately caused by our failure to perform, our negligence, or a failure of the System.

Client Initial 

THEREFORE YOU AGREE

Even if a court decides that the Company's breach of this Agreement, a failure of the System, or our negligence, or a failure of the System installation, monitoring, repair service, or other services caused or allowed any harm or damage (whether property damage, personal injury or death) to you or anyone in your premises, you agree that our liability shall be limited to the lesser of \$250.00 or six (6) times the Total Monthly Recurring Amount, as liquidated damages and not as a penalty, and this shall be your only remedy regardless of what legal theory (including without limitation, negligence, breach of contract, breach of warranty or product liability) is used to determine that we were liable for the injury or loss.

YOU MAY OBTAIN A LIMITATION OF LIABILITY. If you wish, you may obtain from us a limitation of liability in lieu of the liquidated damages set forth above, for an additional periodic charge. If you elect this option, we will attach a rider to this Agreement which will set forth the amount of the limitation of liability and the amount of the additional charge. Agreeing to the higher limitation of liability does not mean that we are an insurer.

14)Third Party Indemnification and Subrogation. If anyone other than you, asks us to pay for any harm or damages (including property damage, personal injury or death) connected with or resulting from (i) Company's breach of this Agreement or a failure of the System or services, (ii) our negligence, (iii) any other improper or careless activity of ours in providing the System or services or (iv) a claim for indemnification or contribution, you will pay us (a) any amount which a court orders us to pay or which we reasonably agree to pay, and (b) the amount of our reasonable attorneys' fees and any other losses or costs that we may pay in connection with the harm or damages. Your obligation to pay us for such harm or damages shall not apply if the harm or damage happens while one of our employees or subcontractors is in or about your premises, and such harm or damage is solely caused by that employee or subcontractor. Unless prohibited by your property insurance policy, you agree to release us from any claims of any parties suing through your authority or in your name, such as your insured company, and you agree to defend us against any such claim. You will notify your insurance company of this release.

15)Limitation on Lawsuits; Reference: Both Company and Subscriber agree that no lawsuit or any other legal proceeding connected with this Agreement shall be brought or filed more than one (1) year after the incident giving rise to the claim occurred. Any controversy, dispute, or claim between the parties arising out of or relating to this Agreement, (other than actions brought by Company in small claims court to collect amounts due under this Agreement) will be settled by a reference proceeding in Santa Cruz County, California in accordance with the provisions of Section 638, et seq. of the California Code of Civil Procedure, or their successor section, which shall constitute the exclusive remedy for the resolution of any controversy, dispute, or claim concerning this Agreement, including whether such controversy, dispute, or claim is subject to the reference proceeding. The referee shall be appointed to sit as a temporary Judge with all the powers of a temporary Judge authorized by law. In the event that the enabling Legislation, which provides for the appointment of a referee is repealed and no successor statute is enacted, any dispute between the parties that would otherwise be determined by a reference procedure herein, will be resolved and determined by binding arbitration. The arbitration will be conducted by a retired Judge of the Superior Court in accordance with Section 1280 to 1294.2 of the California Code of Civil Procedure, as amended from time to time.

16)INCREASE IN SERVICE FEE: You acknowledge that the services fee is based upon existing federal, state and local taxes and charges. We shall have the right, at any time, to increase the Total Monthly Service Fee to reflect any additional or increased taxes, licenses, permits, or fees which may be charged to us by any utility or governmental agency relating to the services we provide and you agree to pay the same. In addition, notwithstanding any other term or condition set forth herein, after the expiration of one (1) year from the date of completion of installation, we may at any time and from time to time, but not more than once in any twelve (12) month period, increase the Total Monthly Service Fee Amount by a percentage not to exceed ten percent (10%) of the Total Monthly Service Fee in effect immediately prior to the effective date of the increase, by giving you thirty (30) days prior written notice of the amount of the increase and you agree to pay the same.

17)ENTIRE AGREEMENT. The entire and only Agreement between you and Company is written in this Agreement. It replaces any earlier oral or written understandings or Agreements. It may only be changed by a written Agreement signed by you and us. **IT MAY NOT BE CHANGED BY ANY ORAL STATEMENTS MADE BY OUR SALES AGENT.** If you have given or ever give us a purchase order for the System or service which provides for different terms than this Agreement, this Agreement will govern and be controlling. If any provision of this Agreement is found to be invalid or illegal by a court, the balance of the Agreement shall remain in force. You agree that this Agreement is performed in the state of California and shall be governed by the laws of California.

18)OUR LICENSES: ALARM COMPANY OPERATORS ARE LICENSED AND REGULATED BY THE BUREAU OF SECURITY AND INVESTIGATIVE SERVICES, DEPARTMENT OF CONSUMER AFFAIRS, SACRAMENTO, CALIFORNIA 95814. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTOR'S STATE LICENSE BOARD, WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A LATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECT MUST BE FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTOR'S STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

BY SIGNING BELOW, CUSTOMER ACKNOWLEDGES RECEIPT OF A COPY OF THIS AGREEMENT AND TWO COPIES OF THE NOTICE OF CANCELLATION FORM. SUBSCRIBER ACKNOWLEDGES AND AGREES THAT SUBSCRIBER MAY NOT RECEIVE A COPY OF THIS AGREEMENT SIGNED BY COMPANY'S MANAGER, AND SUCH LACK OF RECEIPT SHALL NOT IN ANYWAY INVALIDATE OR OTHERWISE AFFECT THIS AGREEMENT.

19)DISCLAIMER OF LIABILITY. WE DO NOT WARRANT THAT THE SYSTEM WILL ALWAYS DETECT OR HELP PREVENT, ANY BURGLARY, FIRE, SMOKE DAMAGE, WATER DAMAGE, HOLD-UP OR OTHER SUCH EVENT. WE DO NOT WARRANT THAT THE SYSTEM CANNOT BE DEFEATED OR BYPASSED OR THAT IT WILL ALWAYS OPERATE. SECTIONS 13 AND 14 OF THIS AGREEMENT LIMIT OUR LIABILITY TO THE LESSER OF \$250.00 OR SIX (6) TIMES THE TOTAL MONTHLY RECURRING AMOUNT IF YOU OR ANYONE ELSE SUFFERS ANY HARM (DAMAGE OR LOSS OF PROPERTY, PERSONAL INJURY, OR DEATH) BECAUSE THE SYSTEM FAILED TO OPERATE PROPERLY OR WE WERE CARELESS OR ACTED IMPROPERLY. YOU HAVE HAD THE OPPORTUNITY TO TALK TO OUR SALES AGENT ABOUT THIS LIMITATION AND YOU KNOW THAT YOU MAY OBTAIN A HIGHER LIMITATION OF OUR LIABILITY BY PAYING AN ADDITIONAL PERIODIC FEE TO US.
