Re: Monterra Ranch Subdivision Conditions for Phase I

Dear Randy:

The conditions of approval applied to the first phase of the Monterra Ranch Subdivision by our department have been satisfied.

Please note that the Planning Commission has reviewed the rezoning and recommended approval to the Board of Supervisors. Therefore, we need to set the hearing for the approval of the Final Map and Rezoning (of the parcels within phase I) at a meeting three weeks prior to the actual meeting date for the approval of the Final Map.

Sincerely,

Todd Bessire
