Referral Responses

31. a. Consider adoption of an ordinance adding Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking at all times with tow away authorization on Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road, in the unincorporated area of Monterey County.

b. Find that the adoption of the ordinance is categorically exempt under the California Environmental Quality Act (CEQA) pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment.
CEQA Action: Categorically Exempt.

Biography of Ray Buenaventura

Early Life and Education

Ray Buenaventura was born in Quezon City, Philippines. He spent the formative years of his childhood surrounded by the rich culture and traditions of his homeland. At the age of 10, Ray's father accepted a job offer in the United States, prompting the family to immigrate to the United States. They relocated and moved to Queens, New York. The bustling environment of New York deeply influenced Ray, exposing him to a myriad of experiences that would shape his worldview.

After five years in New York, the family moved to Daly City, California. It was here that Ray found his academic footing, eventually attending the University of California, Berkeley. He chose to major in legal studies, where he discovered his passion for law and justice.

Legal Career

Ray's journey into the legal profession was propelled by an internship at the Los Angeles Public Defender's Office. During this transformative experience, he witnessed the challenges faced by indigent clients and the dedication of attorneys who fought for their rights. Inspired by their work, Ray pursued a career as a public defender upon graduating from law school.

He began his initial legal career as a Deputy Public Defender in Los Angeles, requesting an assignment in Compton—known for its tough environment. eager to gain hands-on experience. During his first two years as a public defender, Ray handled serious cases, including homicides and gang-related offenses. His commitment to defending the underrepresented became a hallmark of his career.

After five years in Los Angeles, Ray returned to Daly City, his hometown, where he joined the Private Defender Program (PDP) of San Mateo County, the county's public defender system. This role allowed him to focus on indigent criminal defense, representing clients across a spectrum of cases, from minor offenses to capital murder. Throughout his practice, he emphasized the importance of giving a voice to those often marginalized by the justice system.

A New Chapter: Chief Public Defender

In September 2023, after years of dedication to the legal profession, Ray was offered the remarkable opportunity to become the Chief Public Defender of Lake County, California.

This role presented both a challenge and a mission: to transform a criticized private contract system into a robust public defender's office that could genuinely serve the community’s needs.

Inspired by a renewed sense of purpose, Ray accepted the position with enthusiasm. He understood that the county’s previous approach to indigent defense had fallen short, leaving many individuals without the legal support necessary to navigate their circumstances. Recognizing this void, Ray set out to create a system that prioritized effective and compassionate legal representation.

****Transforming Public Defense****

Ray's vision for the public defender’s office was rooted in a holistic approach to indigent defense. He believed that effective representation extended beyond the criminal charges at hand, recognizing the complex factors contributing to recidivism. Mental health issues, substance abuse, job instability, and familial challenges were all areas he aimed to address, developing programs that would support clients in their entirety, not just within legal confines.

Central to Ray's strategy was the implementation of an early representation model, ensuring that every defendant in custody would be seen by a lawyer promptly. This principle reinforced the office's commitment to advocacy, providing immediate support to those in need. He dedicated himself to securing in-custody releases for clients who could not afford bail, working tirelessly against the systemic biases that often plagued the justice system.

****Building a Legacy of Hope****

Under Ray's leadership, the public defender’s office came to life swiftly and efficiently, exceeding expectations from the outset. The office began accepting felony and misdemeanor appointments ahead of schedule, all while maintaining a focus on thorough and compassionate legal representation. Ray was committed to demonstrating that public defenders were not just legal representatives but passionate advocates for justice.

Ray’s commitment to building a talented and diverse team ensured that his vision for holistic representation became a reality. By fostering a collaborative and supportive environment, he cultivated an office that stood ready to deliver impactful legal assistance to all who sought justice.

CA State Bar

Ray's distinguished journey with the California State Bar commenced in 2011 when he was appointed to the Criminal Law Advisory Commission. In this role, he took on the responsibility of certifying and recertifying lawyers aspiring to become certified criminal law specialists. His dedication to excellence involved thorough investigations and evaluations to ensure that applicants met the stringent requirements of moral character and professional experience necessary for certification.

Beyond certifications, Ray played a key role in shaping the future of legal standards by creating and preparing examination questions and grading the performance of candidates of the specialist exam. His contributions were instrumental in maintaining the integrity and rigor of criminal law certification.

Recognizing the need for systemic reform, Ray sought further engagement by joining the Ad Hoc Commission on Attorney Discipline. His passion for promoting fairness and equity led him to advocate for African American male attorneys, addressing the disparities in disciplinary actions they faced. As a vocal proponent of institutional reforms, Ray championed initiatives to combat systemic racism and pushed for measures such as expungement and diversionary programs.

In 2019, Ray's commitment to justice and equity was recognized when he was appointed to the Board of Trustees of the State Bar. He continued to build on his extensive experience through active participation in several committees, including the Audit, Finance, and Access to Fairness and Justice Committees. His influence extended to significant discussions aimed at reforming the State Bar, focusing on crucial issues regarding attorney discipline and public safety.

Ray’s relentless advocacy also addressed the shortcomings in the Bar's implementation of examination procedures. He played a vital role in seeking remedies for those affected, including the establishment of a provisional license program, which received the endorsement of the California Supreme Court. His unwavering dedication to justice and equitable treatment has made him a formidable presence in the legal community and the public at large.

Awards

Ray was awarded the prestigious Joe Morozumi Award for Exceptional Legal Advocacy by the Asian American Bar Association of Northern California for his commitment to social justice and fighting for his clients. Ray also received the Outstanding Volunteer Attorney

Award–Justice & Diversity Center from the San Francisco Bar Association and the Jose Rizal Award for Public Service from the Filipino Bar Association of Northern California.

Public Service

Alongside his legal practice, Ray became involved in his community. He volunteered with various non-profits and served as a Library Commissioner for the City of Daly City. His commitment to public service led him to the Daly City Council, where he was appointed in 2011. Over the years, Ray ascended to become Mayor of Daly City, holding the position for four terms. In this role, he focused on community development and strengthening local services.

Ray has served on non-profit boards including the Pilipino Bayanihan Resource Center, KOC Foundation for Developmentally Disabled Children and Adults, Skyline President's Council, and the Pinoy/Pinay Educational Partnerships. Ray has extensive pro bono experience with non-profit agencies, including the Safe Harbor Homeless Shelter, Maple Street Shelter, Ujima Family Recovery Services, First Chance for Families, and the Eviction Defense Collaborative of San Francisco.

In his spare time, Ray enjoys flying airplanes as pilot in land and sea operations. He is instrument rated with complex ratings and tailwheel endorsements. He is a Captain with Civil Air Patrol; an Auxiliary of the United States Air Force committed to search and rescue operations. Ray is also a Command Pilot with Angel Flight West, an organization that provides free air transportation to patients seeking medical treatment.

Receive a presentation from two of the four Development Set-Aside Agencies, Monterey County Film Commission (MCFC) and Arts Council for Monterey County (Arts4MC) for FY25-26.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Receive a presentation from two of the four Development Set-Aside Agencies, Monterey County Film Commission (MCFC) and Arts Council for Monterey County (Arts4MC) for FY25-26.

SUMMARY:

The Development Set-Aside (DSA) Program was established by the Board of Supervisors to support and promote economic development through tourism promotion, filmmaking, cultural arts programs, small business outreach that strengthens the workforce, and through other programs that broaden the County's economic base to increase revenue and promote the creation and retention of jobs. The organizations that administer these services provide an annual presentation to the Board of Supervisors detailing their efforts and performance.

The Board will receive presentations from Monterey County Film Commission (MCFC), and Arts Council for Monterey County (Arts4MC) to reflect the work being conducted throughout FY25-26. These presentations will include all activities and results for the current service period.

DISCUSSION:

The Monterey County Film Commission shall boost film industry outreach by increasing the number of inquiries that have positive results; tracking the number of media productions occurring in Monterey County, and raising the total funds spent in Monterey County from film production. It shall expand education and workforce opportunities by increasing the number of Monterey County film site locations and enhancing film-related job skills.

The Arts Council for Monterey County shall develop jobs and business opportunities in the art sector through creative impact grants, training, and promotion to artists' networks and associations. It shall increase public/private partnerships with partner hotels, partner districts, and partner schools to broaden the customer base of partner businesses. It shall leverage County investment by increasing

funding from foundations, small businesses, and individuals, and swelling earned revenue from the sale of artwork. It works to expand workforce development opportunities that focus on increasing the number of students ready to work in the arts.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has approved this report as to form.

FINANCING:
Receiving these presentations does not impact the County budget.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The Development Set-Aside agencies provide programs and services that support the Board-approved Strategic Plan Goals.

Mark a check to the related Board of Supervisors Strategic Plan Goals:

____ Well-Being and Quality of Life
____ Sustainable Infrastructure for the Present and Future
____ Safe and Resilient Communities
__X_ Diverse and Thriving Economy

a. Receive a presentation from two of the four Development Set-Aside Agencies, Monterey County Film Commission (MCFC) and Arts Council for Monterey County (Arts4MC) for FY25-26.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Receive a presentation from two of the four Development Set-Aside Agencies, Monterey County Film Commission (MCFC) and Arts Council for Monterey County (Arts4MC) for FY25-26.

SUMMARY:

The Development Set-Aside (DSA) Program was established by the Board of Supervisors to support and promote economic development through tourism promotion, filmmaking, cultural arts programs, small business outreach that strengthens the workforce, and through other programs that broaden the County's economic base to increase revenue and promote the creation and retention of jobs. The organizations that administer these services provide an annual presentation to the Board of Supervisors detailing their efforts and performance.

The Board will receive presentations from Monterey County Film Commission (MCFC), and Arts Council for Monterey County (Arts4MC) to reflect the work being conducted throughout FY25-26. These presentations will include all activities and results for the current service period.

DISCUSSION:

The Monterey County Film Commission shall boost film industry outreach by increasing the number of inquiries that have positive results; tracking the number of media productions occurring in Monterey County, and raising the total funds spent in Monterey County from film production. It shall expand education and workforce opportunities by increasing the number of Monterey County film site locations and enhancing film-related job skills.

The Arts Council for Monterey County shall develop jobs and business opportunities in the art sector through creative impact grants, training, and promotion to artists' networks and associations. It shall increase public/private partnerships with partner hotels, partner districts,

and partner schools to broaden the customer base of partner businesses. It shall leverage County investment by increasing funding from foundations, small businesses, and individuals, and swelling earned revenue from the sale of artwork. It works to expand workforce development opportunities that focus on increasing the number of students ready to work in the arts.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has approved this report as to form.

FINANCING:
Receiving these presentations does not impact the County budget.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The Development Set-Aside agencies provide programs and services that support the Board-approved Strategic Plan Goals.

Local exposure: Filming's financial impact in Monterey County

Boosting the economy through film and media productions

The nonprofit Monterey County Film Commission (MCFC) has been effectively promoting Monterey County as a premier film site to the film industry since it was established by the Monterey County Board of Supervisors in 1987. To date, more than $142 million has come to county-wide communities from direct location spend by productions such as the recent "Whalefall" feature film, TV series "Big Little Lies," commercials, videos, documentaries, and fashion shoots.

Film productions take pictures and leave money in local communities, in support of accommodations, goods and services, and local crew hires. MCFC works to keep Monterey County top-of-mind as a preferable film option in a highly competitive global marketplace.

The film commission's website showcases film locations, permit details, Made-in-Monterey movie information, and maintains an online Production Resources Guide. Monterey County residents and businesses interested in being hired by on-location productions can list their contact information for free at https://Film-Monterey.org/Resources/.

MCFC is helping build and strengthen the local crew base with "Hollywood in Your Backyard" networking events, connecting with filmmakers and supporters of film. And to help future filmmakers, MCFC seeks private donations to fund its annual Director Emeritus Richard Tyler Film Student Scholarship Award for Monterey County film students.

1	2017.18	9/19/17	Board	CAO		Bokanovich	Request a presentation to the Board of Supervisors with options for commissioner compensation that supports our ability to recruit a diverse and representative pool of commissioners.	The item was presented to the Board on 10/2/2018. The Board directed that HR: 1) convene a committee of Department Heads that manage significant boards and commissions to develop a Commissioner Recruitment Strategy; 2) ask departments to provide information related to the diversity of their current volunteer Commissioner's and committee members; and 3) work with County Counsel and Auditor to determine what would be involved/required to actively implement reimbursement to these volunteers, with budget/cost implications. Referral modified on August 24, 2021 to include: A) an assessment on how commissions are being utilized; how well they are serving in their advisory function to the Board; staffing levels of various committees, and, how that may or may not contribute to their functioning; and, B) referring the referral to the Board of Supervisors - Human Resources Committee to engage in discussion and bring back recommendations to the full Board. This item was discussed with the Human Resources Committee in late January 2022. The referral was been reassigned to the County Administrative Office for response. 2	2017.20	11/19/19	Alejo	PWFP		Ishii	Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.	An initial referral was initiated on September 15, 2017. On September 1, 2017, Supervisor Alejo held a meeting with the City of Salinas, County RMA staff, and a BMX bike park and skate park engineers/designers to review the property. The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. Public comment on this item was received on January 14, 2020. Item was pulled from the June 16, 2020, Board meeting agenda and is on hold pending identification of funding. a. Consider adoption of an ordinance adding Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking at all times with tow away authorization on Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road, in the unincorporated area of Monterey County.
b. Find that the adoption of the ordinance is categorically exempt under the California Environmental Quality Act (CEQA) pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment.
CEQA Action: Categorically Exempt.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Find that the adoption of the ordinance is categorically exempt under CEQA pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment; and
b. Adopt an ordinance adding Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking with tow away authorization on Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road, in the unincorporated area of Monterey County.
CEQA Action: Categorically Exempt.

SUMMARY/DISCUSSION:
On February 10, 2026, the Board of Supervisors introduced, waived the reading, and set today's date to consider adoption of the proposed ordinance to add Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking at all times with tow away authorization on Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road, in the unincorporated area of Monterey County, and find that the adoption of this ordinance is categorically exempt per California Code of Regulations (CCR) Section 15301(c) and Section 15308 of the California Environmental Quality Act (CEQA) Guidelines. Some public comments on the proposed ordinance were received at the February 10, 2026 meeting, including additional direction from the Board. That additional direction included: a status report on the timeline of connecting the unhoused to services and resources, and; exploring expansion of the No Oversized Vehicle parking ordinance into all of Pajaro, given the recent actions taken by a neighboring municipality, the City of Watsonville. It was reported at the February 10, 2026, Board Meeting, that the City of Watsonville was considering an ordinance

that was stricter than the County's proposed ordinance.

With regards to the status: On any given day, there are approximately twelve to fifteen oversized vehicles parked with people experiencing homelessness occupying them as their primary means of housing. The Board of Supervisors directed the Homelessness Strategies and Initiatives Division to deploy homeless street outreach teams to engage with individuals and families that would be impacted by the recommended ordinance and identify possible solutions for homelessness status. Though the County is exploring a Safe Parking Program and has located potential sites, a designated and prepared location has not been developed by the writing of this Board Report.

Additional direction was to explore the expansion of the No Oversized Vehicle ordinance. Since the first reading of the ordinance, County staff have further conferred with law enforcement. While data is limited since the previous Board meeting, there is concern that a neighboring jurisdiction has enacted an ordinance stricter than this proposed County ordinance. There is also consensus among law enforcement to expand the ordinance to more roads in Pajaro. At this time, staff proposes that the Board adopt the ordinance with the current prohibition limits, and continue to monitor the conditions as part of an incremental approach. Should conditions in the future necessitate expansion of the prohibition limits, staff will return at that time.

Background

At the February 10, 2026 Board Meeting, staff reported that: In response to community concerns, Supervisorial District 2 prepared Board Referral No. 2025.11 seeking to adopt an ordinance to prohibit recreational vehicles parking on the entirety of Railroad Avenue, establish a tow-away zone, and authorizing the immediate removal of vehicles that violate this no-parking restriction. Railroad Avenue is a County maintained road in the Pajaro community, an unincorporated community south of the City of Watsonville. It is Public Works, Facilities and Parks (PWFP) staff understanding from the Board Referral, that roadside parking of recreational vehicles on Railroad Avenue has created a consistent and increasing public health and safety concern for the community and businesses of Pajaro, particularly regarding unhoused persons living in oversized vehicles along this road without appropriate services, disruptions for residents and businesses, crime, traffic hazards caused by parked vehicles blocking travel lanes, and the illegal dumping of trash and refuse.

On November 4, 2025, Public Works, Facilities and Parks (PWFP) provided the Board of Supervisors a preliminary analysis report in response to said Board referral. The Board added Allison Road for consideration, due to concerns with food safety. The Board also indicated the need for a Safe Parking Program in North Monterey County, as a location for unhoused individuals who would be displaced, and directed staff to explore options to facilitate a Safe Parking Program.

For months, the staff of the CAO-Homelessness Strategies and Initiatives Division, the Environmental Health Bureau (EHB), Monterey County Sheriff's Office (MCSO) Vehicle Abatement, California Highway Patrol (CHP), Housing and Community Development (HCD), the Office of the County Counsel, and PWFP have been contending with complaints of illegal dumping/litter, oversized vehicles parking and causing health and safety issues, parked campers, and other issues, including potential food safety issues, in this area of Pajaro. Much of this same team has been working to identify a Safe Parking Program in North Monterey County. The proposed ordinance would add Section 12.28.013

to Chapter 12.28 - STOPPING, STANDING AND PARKING of Title 12 - VEHICLES AND TRAFFIC of the Monterey County Code.

Based on the feedback and research conducted by staff, a new section of Title 12 of Monterey County Code must be established to achieve the objectives of the Board Referral request. Staff proposes an ordinance to add this new section. The ordinance will also codify the definition of an "oversized vehicle" because a definition does not exist in State law (the California Vehicle Code).

The proposed ordinance is for the protection of the public peace, health, safety and welfare of the County constituents and visitors in the Pajaro community.

To address the campers parking on Railroad Avenue, PWFP proposes to install "No Illegal Camping" signage, consistent with the already-existing Section 14.18.020(B) of Title 14 of the Monterey County Code, which prohibits camping between the hours of six p.m. (6:00PM) and six a.m. (6:00AM) on any public road. However, the proposed ordinance would apply to all times, without reference to time of day.

This proposed ordinance is one component of a broader County strategy that includes continued pursuit of a Safe Parking Program and coordination with service providers to connect unhoused individuals to shelter, sanitation, and housing resources.

OTHER AGENCY INVOLVEMENT:
PWFP staff have been working with Housing Community Development (HCD), Office of the County Counsel, Monterey County Sheriff's Office (MCSO), CAO-Homelessness Strategies and Initiatives Division, County Environmental Health Bureau (EHB), California Highway Patrol (CHP), and others. The Office of the County Counsel has approved the ordinance as to legal form.

FINANCING:
Adoption of this ordinance requires the posting of appropriate signage. These traffic control devices will be funded by the Road Fund. The cost to install the necessary signage is estimated at $6,000. Sufficient funds are available in the Fiscal Year (FY) 2025-26 Recommended Budget for the Road Fund 002, Appropriation Unit PFP004 to finance this work.

CEQA:
The adoption of the ordinance is categorically exempt under the California Environmental Quality Act (CEQA) pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The recommended action supports the Board of Supervisors' Strategic Plan Goals for Well-Being and Quality of Life, and Safe and Resilient Communities. These services will enhance the County's transportation safety and accessibility, improving the quality of life for County residents.

X Well-Being and Quality of Life

__ Sustainable Infrastructure for the Present and Future

On February 10, 2026, the Board of Supervisors introduced, waived the reading, and set today's date to consider adoption of the proposed ordinance to add Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking at all times with tow away authorization on Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road, in the unincorporated area of Monterey County, and find that the adoption of this ordinance is categorically exempt per California Code of Regulations (CCR) Section 15301(c) and Section 15308 of the California Environmental Quality Act (CEQA) Guidelines. Some public comments on the proposed ordinance were received at the February 10, 2026 meeting, including additional direction from the Board. That additional direction included: a status report on the timeline of connecting the unhoused to services and resources, and; exploring expansion of the No Oversized Vehicle parking ordinance into all of Pajaro, given the recent actions taken by a neighboring municipality, the City of Watsonville. It was reported at the February 10, 2026, Board Meeting, that the City of Watsonville was considering an ordinance

that was stricter than the County's proposed ordinance.

With regards to the status: On any given day, there are approximately twelve to fifteen oversized vehicles parked with people experiencing homelessness occupying them as their primary means of housing. The Board of Supervisors directed the Homelessness Strategies and Initiatives Division to deploy homeless street outreach teams to engage with individuals and families that would be impacted by the recommended ordinance and identify possible solutions for homelessness status. Though the County is exploring a Safe Parking Program and has located potential sites, a designated and prepared location has not been developed by the writing of this Board Report.

Additional direction was to explore the expansion of the No Oversized Vehicle ordinance. Since the first reading of the ordinance, County staff have further conferred with law enforcement. While data is limited since the previous Board meeting, there is concern that a neighboring jurisdiction has enacted an ordinance stricter than this proposed County ordinance. There is also consensus among law enforcement to expand the ordinance to more roads in Pajaro. At this time, staff proposes that the Board adopt the ordinance with the current prohibition limits, and continue to monitor the conditions as part of an incremental approach. Should conditions in the future necessitate expansion of the prohibition limits, staff will return at that time.

Background

At the February 10, 2026 Board Meeting, staff reported that: In response to community concerns, Supervisorial District 2 prepared Board Referral No. 2025.11 seeking to adopt an ordinance to prohibit recreational vehicles parking on the entirety of Railroad Avenue, establish a tow-away zone, and authorizing the immediate removal of vehicles that violate this no-parking restriction. Railroad Avenue is a County maintained road in the Pajaro community, an unincorporated community south of the City of Watsonville. It is Public Works, Facilities and Parks (PWFP) staff understanding from the Board Referral, that roadside parking of recreational vehicles on Railroad Avenue has created a consistent and increasing public health and safety concern for the community and businesses of Pajaro, particularly regarding unhoused persons living in oversized vehicles along this road without appropriate services, disruptions for residents and businesses, crime, traffic hazards caused by parked vehicles blocking travel lanes, and the illegal dumping of trash and refuse.

On November 4, 2025, Public Works, Facilities and Parks (PWFP) provided the Board of Supervisors a preliminary analysis report in response to said Board referral. The Board added Allison Road for consideration, due to concerns with food safety. The Board also indicated the need for a Safe Parking Program in North Monterey County, as a location for unhoused individuals who would be displaced, and directed staff to explore options to facilitate a Safe Parking Program.

For months, the staff of the CAO-Homelessness Strategies and Initiatives Division, the Environmental Health Bureau (EHB), Monterey County Sheriff's Office (MCSO) Vehicle Abatement, California Highway Patrol (CHP), Housing and Community Development (HCD), the Office of the County Counsel, and PWFP have been contending with complaints of illegal dumping/litter, oversized vehicles parking and causing health and safety issues, parked campers, and other issues, including potential food safety issues, in this area of Pajaro. Much of this same team has been working to identify a Safe Parking Program in North Monterey County. The proposed ordinance would add Section 12.28.013

to Chapter 12.28 - STOPPING, STANDING AND PARKING of Title 12 - VEHICLES AND TRAFFIC of the Monterey County Code.

Based on the feedback and research conducted by staff, a new section of Title 12 of Monterey County Code must be established to achieve the objectives of the Board Referral request. Staff proposes an ordinance to add this new section. The ordinance will also codify the definition of an "oversized vehicle" because a definition does not exist in State law (the California Vehicle Code).

The proposed ordinance is for the protection of the public peace, health, safety and welfare of the County constituents and visitors in the Pajaro community.

To address the campers parking on Railroad Avenue, PWFP proposes to install "No Illegal Camping" signage, consistent with the already-existing Section 14.18.020(B) of Title 14 of the Monterey County Code, which prohibits camping between the hours of six p.m. (6:00PM) and six a.m. (6:00AM) on any public road. However, the proposed ordinance would apply to all times, without reference to time of day.

This proposed ordinance is one component of a broader County strategy that includes continued pursuit of a Safe Parking Program and coordination with service providers to connect unhoused individuals to shelter, sanitation, and housing resources.

OTHER AGENCY INVOLVEMENT:
PWFP staff have been working with Housing Community Development (HCD), Office of the County Counsel, Monterey County Sheriff's Office (MCSO), CAO-Homelessness Strategies and Initiatives Division, County Environmental Health Bureau (EHB), California Highway Patrol (CHP), and others. The Office of the County Counsel has approved the ordinance as to legal form.

FINANCING:
Adoption of this ordinance requires the posting of appropriate signage. These traffic control devices will be funded by the Road Fund. The cost to install the necessary signage is estimated at $6,000. Sufficient funds are available in the Fiscal Year (FY) 2025-26 Recommended Budget for the Road Fund 002, Appropriation Unit PFP004 to finance this work.

CEQA:
The adoption of the ordinance is categorically exempt under the California Environmental Quality Act (CEQA) pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The recommended action supports the Board of Supervisors' Strategic Plan Goals for Well-Being and Quality of Life, and Safe and Resilient Communities. These services will enhance the County's transportation safety and accessibility, improving the quality of life for County residents.

ORDINANCE NO. _____

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, TO ADD SECTION 12.28.013 TO THE MONTEREY COUNTY CODE TO PROHIBIT OVERSIZED VEHICLE PARKING AT ALL TIMES WITH TOW AWAY AUTHORIZATION ON RAILROAD AVENUE AND ALLISON ROAD

County Counsel Summary

This is an ordinance for the protection of the public peace, health, and safety of Monterey County residents and visitors to prohibit oversized vehicle parking at all times along Railroad Avenue and Allison Road. This ordinance is necessary due to individuals parking oversized vehicles on Railroad Avenue and Allison Road in an unsafe manner creating obstruction of the travel lanes, and a danger to pedestrians and vehicles. This ordinance adds Section 12.28.013 to the Monterey County Code to prohibit oversized vehicle parking at all times with tow away authorization along Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and Allison Road on both sides between Railroad Avenue and San Juan Road.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. PURPOSE AND FINDINGS.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey ("County") may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. California Vehicle Code section 22507 authorizes the County to enact regulations by ordinance to prohibit or restrict the stopping, parking, or standing of vehicles on certain streets and highways, or portions thereof, during all or certain hours of the day. The parking of oversized vehicles can create public safety concerns. Oversized vehicles can obstruct access to rights-of-way, reduce sight distance, and reduce visibility at intersections and crosswalks. These obstructions can create increased hazardous traffic conditions and risks of collision, and endanger motorists, bicyclists, pedestrians, and other members of the public.

C. California Vehicle Code section 22650(b) provides that removal of a vehicle as provided in Vehicle Code section 22651 is only reasonable if necessary to achieve a community caretaking need such as ensuring the safe flow of traffic or protecting property from theft or vandalism.

D. California Vehicle Code section 22651 provides that a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, or a regularly employed and salaried employee who is engaged in directing traffic or enforcing parking laws and regulations of a county in which a vehicle is located may remove a vehicle located within the territorial limits in which the officer or employee may act, under enumerated circumstances.

Specifically, here, subsection (k) provides: "If a vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing removal."

E. In response to community concerns, on September 16, 2025, Supervisorial District 2 prepared Board Referral No. 2025.11 ("Referral") seeking to identify solutions to respond to the public peace, health and safety emergency concerns at Railroad Avenue in the Pajaro Community within the unincorporated area of North Monterey County.

F. Said Referral was made due to increased levels of parking of oversized vehicles resulting in traffic congestion, parking issues, blocked residential access and blocked emergency vehicle access at Railroad Avenue. The purpose of said Referral was for the Board of Supervisors to consider adoption of an ordinance to prohibit oversized vehicle parking on the entirety of Railroad Avenue in the unincorporated area of the County of Monterey and to establish a tow-away zone, authorizing removal of vehicles that violate this no-parking restriction to address the issue of individuals living in oversized vehicles along Railroad Avenue without appropriate services. These individuals park a variety of oversized vehicles, including motor homes, campers and trailers, to sleep and live in. The uncontrolled use of Railroad Avenue for these purposes has resulted in serious disruptions for residents and businesses as well as health and safety issues, including crime, blocking of travel lanes and dumping of trash and refuse.

G. On November 4, 2025, Public Works, Facilities and Parks ("PWFP") staff provided the Board of Supervisors a preliminary analysis report in response to said Referral. The Board added Allison Road to the prohibition due to similar health and safety issues as described above for Railroad Avenue, coupled with food safety concerns for Allison Road due to its proximity to agricultural fields. In addition, the Board directed the exploration of a Safe Parking Program for North Monterey County.

H. Given all of the above, it is necessary and appropriate for the protection of the public peace, health, and safety of Monterey County residents and visitors to prohibit parking of oversized vehicles along Railroad Avenue at all times with tow away authorization on both sides from the centerline of Salinas Road easterly to its end, and along Allison Road on both sides between Railroad Avenue and San Juan Road.

I. The adoption of the ordinance is categorically exempt under the California Environmental Quality Act ("CEQA") pursuant to sections 15301(c) and 15308 of the CEQA Guidelines because the action will involve negligible changes to the existing County regulations that govern the existing County highways and streets, and the action is for the protection of the environment.

SECTION 2. Section 12.28.013 of the Monterey County Code is hereby added to read as follows:

12.28.013 – Prohibited at all times with tow-away authorization (oversized vehicles).

For the purposes of this Section, "Oversized Vehicle" shall mean a motor vehicle under California Vehicle Code section 670, as may be amended from time to time, which also meets

one or more of the following criteria: exceeds seven (7) feet in height; or exceeds seven and a half (7 1/2') feet in width; or exceeds twenty-two (22') feet in length; or having a manufacturer's gross vehicle weight rating of ten thousand (10,000) pounds or more. Removal of vehicles in violation of this prohibition shall be processed consistent with California Vehicle Code section 22651, *et seq*. as may be amended from time to time.

No person shall stop, park, or leave standing any Oversized Vehicle, whether attended or unattended, except when necessary to avoid conflict with other traffic or in compliance with the directions of a peace officer or official traffic control device, in any of the following places at any time, and the Director of Transportation of the County of Monterey is directed to place and maintain appropriate signs or curb markings giving notice of this regulation and post signs providing for the removal of vehicles in violation of this prohibition at such places:

Allison Road, on both sides between Railroad Avenue and San Juan Road.

Railroad Avenue, on both sides from the centerline of Salinas Road easterly to its end, no person shall stop, park, or leave standing, any oversized vehicle, whether attended or unattended, except as provided in Section 12.28.010 of the Monterey County Code, as may be amended from time to time, when necessary to avoid conflict with other traffic or in compliance with the directions of a peace officer or official traffic control device.

SECTION 3. OTHER ACTIONS.

County staff are authorized and directed to take such other and further actions as may be necessary or appropriate to implement the intent and purposes of this ordinance including the posting of appropriate signage in and around the described locations.

SECTION 4. SEVERABILITY.

If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 5. EFFECTIVE DATE AND TERM.

This ordinance shall become effective on the thirty-first day following its adoption.

Consider adoption of ordinance to prohibit oversized vehicle parking at all times with tow away authorization

Board Referral No. 2025.11

Presentation Overview

- Background
- Proposed Ordinance
- Recommendations
- Questions/Comments

Location Map

Background

- Board Referral No 2025.11
  - Homeless individuals are living in recreational vehicles along this road without appropriate services.
    - Roadside parking of recreational vehicles on Railroad Avenue has created a consistent and increasing public health and safety concern for the community and businesses of Pajaro.
    - Unhoused persons living in recreational vehicles along this road without appropriate services are causing disruptions for residents and businesses, crime, traffic hazards caused by parked vehicles blocking travel lanes, and the illegal dumping of trash and refuse.
    - Seeks to adopt an ordinance to prohibit recreational vehicles parking on the entirety of Railroad Avenue, establish a tow-away zone, and authorizing the immediate removal of vehicles

Background

- November 4, 2025 Board Meeting
  - Heard Preliminary Analysis Report
  - Added Allison Road
  - identify and evaluate potential solutions for individuals residing in recreational vehicles, including the possible establishment of a Safe Parking Program.
- February 10, 2026 Board Meeting
  - 1st reading of ordinance
  - Return with status update of connections to services, and explore expanding prohibition to all roads in Pajaro

Progress Since 1st Reading

- Connecting with services
  - Visited the encampment on February 4th to examine the scope of the problem. We counted 9 RVs and was able to speak to inhabitants of 6.
  - Of the 6 encounters, only one person identified themselves as being a Monterey County resident; the others claim to be from Watsonville. This is in line with MCSOs assessment of registration of the vehicles.
  - Most of them appear to be strawberry field workers and lost their homes due to their inability to sustain rent in the off-season. One person is on disability, and one person works at a local market.

Progress Since 1st Reading

- Connecting with services
  - Santa Cruz County is working with one gentleman with a minor child enrolled in a local college prep school and has this family on track for housing. He is a senior citizen.
  - Counted about 7 children - some of the occupants openly told us, others we discovered from outreach workers or other people living in that area. All of the children go to school in Watsonville.

Progress Since 1st Reading

- Connecting with services
  - Santa Cruz County Office of Education reached out to Monterey County Office of Education to discuss their concerns about the number of homeless children going to school in Watsonville but living in Monterey County. HSI met with the two Offices of Education and Pajaro Valley Unified School District. The educational partners are working together to get these families enrolled in CalAIM, but that will not give them immediate shelter.

Progress Since 1st Reading

- Connecting with services
  - Access Support Network (DSS' contracted street outreach program) has informed all individuals of available safe parking programs, one of which is in the City of Watsonville.
  - No shelter or existing safe parking program has the capacity to accommodate large RVs in their parking lot currently.
  - The population noted it would also pose a financial burden on them to transport their children (or go to work) from Salinas/Marina/Monterey to the Pajaro Valley.
  - **Note: Chinatown Navigation Center is closing, and those clients are being prioritized at the SHARE Center and in Coordinated Entry further complicating the issue.**

Progress Since 1st Reading

- Explore expanding the prohibition to more roads in Pajaro
  - While data is limited since the previous Board meeting, there is concern that a neighboring jurisdiction has enacted an ordinance stricter than this proposed County ordinance.
  - Consensus among law enforcement to expand the ordinance to more roads in Pajaro.

Proposed Ordinance

- Add Section 12.28.013 to Title 12, Monterey County Code
  - "Oversized Vehicle" means a motor vehicle under CVC section 670 and meets one or more of the following criteria:
    - exceeds seven (7) feet in height; or
    - exceeds seven and a half (7 1/2') feet in width; or
    - exceeds twenty-two (22') feet in length; or
    - having a manufacturer's gross vehicle weight rating of ten thousand (10,000) pounds or more.
  - Removal of vehicles in violation of this prohibition shall be processed consistent with CVC section 22651, et seq. as may be amended from time to time.

Recommendations

- Find that the adoption of the ordinance is categorically exempt under CEQA pursuant to sections 15301(c) and 15308 of the CEQA Guidelines; and

- Adopt an ordinance adding Section 12.28.013 to Title 12 of the Monterey County Code to prohibit oversized vehicle parking with tow away authorization on:
  - Railroad Avenue on both sides from the centerline of Salinas Road easterly to its end, and
  - Allison Road on both sides between Railroad Avenue and San Juan Road.

RECOMMENDATION:

a. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Fifth Amendment to the Professional Services Agreement (A-15734) with Lena Nerjis Malik M.D. to provide pediatric hospitalist services, extending the term by twenty-four months (April 1, 2026 to March 31, 2028) for a revised full agreement term of July 1, 2017 to March 31, 2028, but with no change to the Board approved not to exceed amount of $300,000; and

Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to sign up to three future amendments to this Agreement where the total amendments do not significantly change the scope of work, do not exceed 10% ($10,000) of the original contract amount and do not increase the total contract amount above $310,000.

SUMMARY:

Natividad Medical Center (NMC) must arrange for the care and treatment of pediatric patients (age 0-21) who are admitted to the hospital or present to the emergency department in need of medical care. In order to provide 24/7 patient care, it requires a team of pediatricians, known as pediatric hospitalists, who primarily work in the hospital areas including the pediatric unit, labor and delivery unit, the neonatal intensive care unit and the emergency department.

DISCUSSION:

Natividad Medical Center (NMC) has an agreement with Dr. Malik to provide pediatric hospitalist services from time to time and during periods when employed/contracted physicians are not available (e.g., vacation; illness; continuing medical education; etc.). Natividad Medical Center (NMC) would like to amend the agreement to and extend the term so that Dr. Malik can continue to provide the same services without interruption. Natividad Medical Center(NMC) has obtained an independent

opinion of fair market value supporting the payment terms of this agreement.

OTHER AGENCY INVOLVEMENT:
County Counsel has reviewed and approved this amendment as to legal form. Auditor-Controller has reviewed and approved this amendment as to fiscal provisions. The amendment has also been reviewed and approved by Natividad Medical Center's Finance Committee and Board of Trustees.

FINANCING:
There is no cost to this Amendment. The total cost of this Agreement is $300,000 for the period July 1, 2017 to March 31, 2028. The actual cost is contingent upon Dr. Malik's participation in the call panel, which may fluctuate based on availability. Natividad has agreements with multiple providers to ensure sufficient coverage of the services. $50,000 is included in Fiscal Year 2025/2026 Adopted Budget. Funding will be provided from NMC's Enterprise Fund 451-9600-6608.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The services rendered in this agreement provide Natividad with the additional support it needs in order to provide reliable and high-quality patient care, which improves the health and quality of life for patients and their families.

The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the **"Services."**

Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital's needs for the Services.

1.7 Absences. If Contractor is unable or reasonably expected to be unable to provide the Services for any reason, Contractor shall provide written notification to Hospital. Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor's absence, and any unapproved absence shall constitute a breach of this Agreement.

1.8 Time Reports. Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as **Exhibit 1.8**. 1.13 Code of Conduct. Contractor hereby acknowledges receipt of Hospital's Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the **"Code"**), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor's business dealings with Hospital and Contractor's performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor's business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

1.14 Continuing Medical Education. Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

1.15 Use of Space. Contractor shall use Hospital's premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital's prior written consent.

Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

1.19 Non-Exclusive Services. The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

1.20 Compliance with Grant Terms. If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal

government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

1.21 Medical Records and Claims.

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. (b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

1.22 Records Available to Contractor. Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

ARTICLE II.
COMPENSATION

2.1 Compensation. Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the **"Compensation"**), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of One Hundred Thousand Dollars ($100,000).

2.2 Billing and Collection. Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this

Agreement (the **"NMC Services"**). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability**. Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

2.3 **Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

(i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a **"Managed Care Organization"**) designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;

(ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;

(iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or

(iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

ARTICLE III.
INSURANCE AND INDEMNITY

3.1 Evidence of Coverage. Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

3.2 **Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

3.3 **Insurance Coverage Requirements.** Without limiting Contractor's duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance**, covering Contractor with coverage of not less than One-Million Dollars ($1,000,000) per physician per occurrence and Three-Million Dollars ($3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (**"Tail Coverage"**), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance**, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars ($1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars ($1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars ($1,000,000) each person, One Million Dollars ($1,000,000) each accident and One Million Dollars ($1,000,000) each disease.

☐ Exemption/Modification (Justification attached; subject to approval).

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs.

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

3.6 Indemnification.

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV.
RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (**"IRS"**) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an **"Action"**) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor's Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars ($10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

ARTICLE V.
TERM AND TERMINATION

5.1 Term. This Agreement shall become effective on July 1, 2017 (the **"Effective Date"**), and shall continue until June 30, 2019 (the **"Expiration Date"**), subject to the termination provisions of this Agreement.

5.2 Termination by Hospital. Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;

(f) Contractor's clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, **"Government Action"** shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

6.2 Assignment. Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

6.3 Compliance with HIPAA. Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, **"HIPAA,"** the obligations collectively referred to herein as **"HIPAA Obligations"**), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

6.4 Compliance with Laws and Accreditation. Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, **"Laws"**) applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

6.5 Compliance with Medicare Rules. To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

6.6 Confidential Information.

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. **"Trade Secrets"** includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. **"Confidential Information"** includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of

example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

6.7 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

6.8 Disclosure of Interests. Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

6.9 Dispute Resolution. In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a **"Dispute"**), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the **"Dispute Notice"**), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the **"Meet and Confer"**). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (**"JAMS"**), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

(i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the **"Arbitration Notice"**). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

(ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

(iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the **"Panel"**). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.

(iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

(v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.

(vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.

(vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

(viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

6.10 Entire Agreement. This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

6.11 Exhibits. The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

6.12 Force Majeure. Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

6.13 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State.

6.14 Headings. The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

6.15 Litigation Consultation. Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

6.16 Master List. The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

6.17 Meaning of Certain Words. Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

6.18 No Conflicting Obligations. Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

6.19 No Third Party Beneficiary Rights. The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

6.20 Notices. All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Standard: MSP004-2	**Approved: MEC** 08/11 **BOT** 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

POLICY

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.

2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.

AGREEMENT

THE PARTIES AGREE AS FOLLOWS:

ARTICLE I.
CONTRACTOR'S OBLIGATIONS

1.1 Professional Services.

(a) Contractor shall, through the services of Physician, provide Specialty medical care and treatment (the **"Professional Services"**) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

(b) Contractor shall be available on an on-call basis to provide Specialty medical care and treatment to Patients (**"Coverage Services"**), along with other Panel Members, in a manner that is sufficient to ensure coverage of Hospital in the Specialty twenty-four (24) hours per day, seven (7) days a week, including all holidays, upon the terms and conditions set forth in this Agreement. For the avoidance of doubt, Contractor shall provide Coverage Services with other Panel Members, and nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor contemplates or guarantees any minimum number of twenty-four (24) hour shifts (**"Shifts"**) of Coverage Services to be provided by Contractor,

(c) Contractor shall ensure that Physician provides timely initial follow-up care for all Hospital patients referred for care by the ED or attending physician. If Physician is the physician on-call at the time of the referral, Physician shall provide any necessary follow-up care for such patients regardless of the patient's ability to pay for services at the time of the first visit.

1.2 Teaching Services. Contractor shall, through the services of Physician, provide to Hospital those teaching services set forth in **Exhibit 1.2** (collectively, the **"Teaching Services"**). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

Physician shall use his or her

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital's needs for the Services.

1.6 Absences. If Contractor or Physician is unable or reasonably expected to be unable to provide the Services for any reason for a period of greater than thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period, Contractor shall designate a qualified replacement to provide the Services on behalf of Contractor, subject to the prior written approval of Hospital. Contractor shall ensure that any such designated replacement meets any and all obligations and requirements of Contractor under this Agreement. If the length of Physician's absence is anticipated to be or actually is longer than sixty (60) calendar days, the person who provides the Services in Physician's absence shall execute a written acknowledgment in form and substance acceptable to Hospital agreeing to be bound by all terms of this Agreement. Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Physician's absence, and any unapproved absence shall constitute a breach of this Agreement.

1.7 Time Reports. Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of Physician's time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as **Exhibit 1.7**. All such information and records relating to any ED patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to ED patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. ARTICLE III.
INSURANCE AND INDEMNITY

3.1 Evidence of Coverage. Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

(a) **Professional liability insurance**, covering Contractor and Physician with coverage of not less than One-Million Dollars ($1,000,000) per physician per occurrence and Three-Million Dollars ($3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor and Physician is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor and Physician shall either continue such coverage or obtain extended reporting coverage (**"Tail Coverage"**), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

☐ Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars ($1,000,000) each person, One Million Dollars ($1,000,000) each accident and One Million Dollars ($1,000,000) each disease.

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

☐ Exemption/Modification (Justification attached; subject to approval).

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor and Physician complete their performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor, Physician, and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor and Physician shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs.

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

3.6 Indemnification.

(a) **Indemnification by Contractor.** Contractor and Physician shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's or Physician's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's and Physician's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor and Physician, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor or Physician shall be construed to make or render Contractor or Physician the agent, employee or servant of County. Contractor and Physician agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital and/or Clinic, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV.
RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor and Physician is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's and Physician's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor or Hospital and Physician. Physician shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (**"IRS"**) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor or Physician with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract with Physician.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's or Physician's professional medical judgment or the methods by which Contractor or Physician performs professional medical services; provided, however, that Contractor and Physician shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor and Physician shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor or Physician best qualified to deliver medical services to any particular patient; provided; however, that neither Contractor nor Physician shall refer any Hospital patient to any provider or health care services which either Contractor or Physician knows or should have known is excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program or state equivalent. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor or Hospital and Physician, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor, Physician or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an **"Action"**) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital and/or Clinic. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor's Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor or Physician to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars ($10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

5.3 Termination by Contractor. Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

ARTICLE VI.
GENERAL PROVISIONS

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

6.2 Assignment. This Agreement is entered into by Hospital in reliance on the professional and administrative skills of Contractor. Contractor shall be solely responsible for providing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement. Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

6.3 Compliance with HIPAA. Contractor and Physician shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, **"HIPAA,"** the obligations collectively referred to herein as **"HIPAA Obligations"**), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

6.4 Compliance with Laws and Accreditation. Contractor and Physician shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, **"Laws"**) applicable to Contractor and Physician, the provision of the Services, or the obligations of Contractor and Physician under this Agreement, including without limitation laws that require Contractor or Physician to disclose any economic interest or relationship with Hospital, the Emergency Medical Treatment and Active Labor Act and the rules and regulations thereunder (**"EMTALA"**), and California Health and Safety Code Section 1317 and the rules and regulations thereunder (**"Health and Safety Code §1317"**). Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws, including EMTALA, and Health and Safety Code §1317. Contractor and Physician shall take actions necessary to ensure that the Hospital and/or Clinic are operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

6.5 Compliance with Medicare Rules. To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, a copy of this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

If Contractor carries out any of the duties of the contract through a subcontract, with a value or cost of Ten Thousand Dollars ($10,000) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of ten (10) years after the furnishing of such Services pursuant to such subcontract, the related organization shall make available, upon written request by the Secretary, or upon request by the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents and records of such organization that are necessary to verify the nature and extent of such costs.

6.6 Confidential Information.

(a) During the term of this Agreement, Contractor and Physician may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. **"Trade Secrets"** includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. **"Confidential Information"** includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor or Physician, or to which Contractor or Physician may gain access in the performance of the Services under this Agreement, or which Contractor or Physician knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Neither Contractor nor Physician shall use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor and Physician shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor and Physician protects his, her, or its own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

Contractor and Physician prepare, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor and Physician shall return to Hospital all Confidential Information and all copies thereof in Contractor's and Physician's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Neither Contractor nor Physician shall copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

6.7 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

6.8 Disclosure of Interests. Contractor or Physician shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's or Physician's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor or Physician under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor and Physician shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

6.9 Dispute Resolution. In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a **"Dispute"**), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the **"Dispute Notice"**), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the **"Meet and Confer"**). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (**"JAMS"**), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

(i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the **"Arbitration Notice"**). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

(ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

(iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the **"Panel"**). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.

(iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

(v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.

(vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.

(vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

(viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of

Docusign Envelope ID: B2B5ED3A-1144-4DD6-A654-E2F56B03F4FE

any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

6.10 Entire Agreement. This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

6.11 Exhibits. The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated by reference into this Agreement, wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

6.12 Force Majeure. Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

6.13 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State.

6.14 Headings. The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

6.15 Litigation Consultation. Contractor shall ensure that Physician does not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall ensure that Physician does not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter

relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Physician served as a treating physician.

6.16 Master List. The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

6.17 Meaning of Certain Words. 4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

b. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to sign up to three future amendments to this Agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% ($20,000) of the original contract amount and do not increase the total contract amount above $720,000.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the First Amendment to the Professional and Call Coverage Services Agreement with Hayvenhurst Infectious Diseases Consultants, Inc. to provide infectious disease services extending the term by twenty-four months (October 1, 2026 to September 30, 2028) for a revised full agreement term of November 1, 2024 to September 30, 2028, and adding $500,000 for a revised total not to exceed amount of $700,000 in the aggregate; and
b. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to sign up to three future amendments to this Agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% ($20,000) of the original contract amount and do not increase the total contract amount above $720,000.

SUMMARY:
Natividad Medical Center (NMC) must arrange for care and treatment of hospitalized patients as well as patients who present to the emergency department in need of medical care in the specialty of infectious diseases, which focuses on the diagnosis, treatment, and prevention of infections. NMC maintains an agreement with Hayvenhurst Infectious Diseases Consultants, Inc. through which Alan Nazarian, M.D., a board-certified physician, provides infectious disease call coverage.

DISCUSSION:
NMC seeks to amend the agreement to ensure Dr. Nazarian can continue providing these services without interruption. Hayvenhurst Infectious Diseases Consultants, Inc. is compensated at a contracted

rate for services rendered under the agreement. While service volumes may fluctuate based on coverage demands, the contracted rate remains unchanged. NMC has obtained an independent fair market value opinion supporting the payment terms of the agreement.

OTHER AGENCY INVOLVEMENT:
County Counsel has reviewed and approved this amendment as to legal form. Auditor-Controller has reviewed and approved this amendment as to fiscal provisions. The amendment has also been reviewed and approved by Natividad Medical Center's Finance Committee and Board of Trustees.

FINANCING:
The cost of this Amendment is $500,000. The total cost of this Agreement is $700,000 for the period November 1, 2024 to September 30, 2028. The actual cost is contingent upon Dr. Nazarian's participation in the call panel which may fluctuate based on their availability. Natividad has agreements with multiple providers to ensure sufficient coverage of the services where the total expenditure will not exceed $262,800 annually which is included in Fiscal Year 2025/2026 Adopted Budget. Funding will be provided from NMC's Enterprise Fund 451-9600-6608.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The services rendered in this agreement provide NMC with the additional support it needs in order to provide reliable and high-quality patient care which improves the health and quality of life for patients and their families.

If Contractor or Physician is unable or reasonably expected to be unable to provide the Services for any reason for a period of greater than thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period, Contractor shall designate a qualified replacement to provide the Services on behalf of Contractor, subject to the prior written approval of Hospital. (d) **Joint and Several Liability**. Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

ARTICLE III.
INSURANCE AND INDEMNITY

3.1 Evidence of Coverage. Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

3.2 Qualifying Insurers. All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

3.3 Insurance Coverage Requirements. Without limiting Contractor's or Physician's duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance**, covering Contractor and Physician with coverage of not less than One-Million Dollars ($1,000,000) per physician per occurrence and Three-Million Dollars ($3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor and Physician is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor and Physician shall either continue such coverage or obtain extended reporting coverage (**"Tail Coverage"**), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance**, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars ($1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars ($1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars ($1,000,000) each person, One Million Dollars ($1,000,000) each accident and One Million Dollars ($1,000,000) each disease.

☐ Exemption/Modification (Justification attached; subject to approval).

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor and Physician complete their performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor, Physician, and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor and Physician shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs.

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

3.6 Indemnification.

(a) **Indemnification by Contractor.** Contractor and Physician shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's or Physician's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's and Physician's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor and Physician, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor or Physician shall be construed to make or render Contractor or Physician the agent, employee or servant of County. Contractor and Physician agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital and/or Clinic, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV.
RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor and Physician is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's and Physician's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor or Hospital and Physician. Physician shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (**"IRS"**) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor or Physician with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract with Physician.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's or Physician's professional medical judgment or the methods by which Contractor or Physician performs professional medical services; provided, however, that Contractor and Physician shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor and Physician shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor or Physician best qualified to deliver medical services to any particular patient; provided; however, that neither Contractor nor Physician shall refer any Hospital patient to any provider or health care services which either Contractor or Physician knows or should have known is excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program or state equivalent. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor or Hospital and Physician, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor, Physician or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of

insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an **"Action"**) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital and/or Clinic. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor's Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor or Physician to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars ($10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, **"Government Action"** shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

(i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;

(ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;

(iii) prevent Contractor or Physician from being able to access and use the facilities of Hospital or any Affiliate of Hospital;

(iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor or Physician referred patients to Hospital or any Affiliate of Hospital;

(v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor or Physician;

(vi) subject Hospital or Contractor, Physician, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or

(vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, **"Affiliate"** shall mean any entity which, directly or indirectly, controls, is controlled by, or is under common control with Hospital.

5.6 Effect of Termination or Expiration. Upon any termination or expiration of this Agreement:

(a) all rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's and Physician's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician;

(b) upon Hospital's request, Contractor and Physician shall immediately vacate the premises, removing any and all of Contractor's and Physician's personal property, and Hospital may remove and store, at Contractor's expense, any personal property that either Contractor or any Physician has not so removed;

(c) Contractor and Physician shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, in Contractor's or Physician's possession or under Contractor's or Physician's control;

(d) Contractor and Physician shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interferes in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital;

(e) The expiration or termination of this Agreement shall not entitle Contractor or Physician to the right to a "fair hearing" or any other similar rights or procedures more particularly set forth in the Medical Staff bylaws or otherwise; and

(f) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

5.7 Return of Property. Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's or Physician's possession or under Contractor's or Physician's control.

5.8 Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

ARTICLE VI.
GENERAL PROVISIONS

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

6.2 Assignment. This Agreement is entered into by Hospital in reliance on the professional and administrative skills of Contractor. Contractor shall be solely responsible for providing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement. Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

6.3 Compliance with HIPAA. Contractor and Physician shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, **"HIPAA,"** the obligations collectively referred to herein as **"HIPAA Obligations"**), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

6.4 Compliance with Laws and Accreditation. Contractor and Physician shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, **"Laws"**) applicable to Contractor and Physician, the provision of the Services, or the obligations of Contractor and Physician under this Agreement, including without limitation laws that require Contractor or Physician to disclose any economic interest or relationship with Hospital, the Emergency Medical Treatment and Active Labor Act and the rules and regulations thereunder (**"EMTALA"**), and California Health and Safety Code Section 1317 and the rules and regulations thereunder (**"Health and Safety Code §1317"**). Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws, including EMTALA, and Health and Safety Code §1317. Contractor and Physician shall take actions necessary to ensure that the Hospital and/or Clinic are operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

6.5 Compliance with Medicare Rules. To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, a copy of this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

If Contractor carries out any of the duties of the contract through a subcontract, with a value or cost of Ten Thousand Dollars ($10,000) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of ten (10) years after the furnishing of such Services pursuant to such subcontract, the related organization shall make available, upon written request by the Secretary, or upon request by the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents and records of such organization that are necessary to verify the nature and extent of such costs.

6.6 Confidential Information.

(a) During the term of this Agreement, Contractor and Physician may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. **"Trade Secrets"** includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. **"Confidential Information"** includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor or Physician, or to which Contractor or Physician may gain access in the performance of the Services under this Agreement, or which Contractor or Physician knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Neither Contractor nor Physician shall use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor and Physician shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor and Physician protects his, her, or its own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

Contractor and Physician prepare, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor and Physician shall return to Hospital all Confidential Information and all copies thereof in Contractor's and Physician's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Neither Contractor nor Physician shall copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

6.7 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

6.8 Disclosure of Interests. Contractor or Physician shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's or Physician's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor or Physician under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor and Physician shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

6.9 Dispute Resolution. In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a **"Dispute"**), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the **"Dispute Notice"**), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the **"Meet and Confer"**). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (**"JAMS"**), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

(i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the **"Arbitration Notice"**). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

(ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

(iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the **"Panel"**). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.

(iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

(v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.

(vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.

(vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

(viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

6.10 Entire Agreement. This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

6.11 Exhibits. The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated by reference into this Agreement, wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

6.12 Force Majeure. Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

6.13 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State.

6.14 Headings. The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

6.15 Litigation Consultation. Contractor shall ensure that Physician does not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall ensure that Physician does not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter

Docusign Envelope ID: 5FC4A10B-3233-460B-9BCC-AFE85BAD2F2E

relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Physician served as a treating physician.

6.16 Master List. The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

6.17 Meaning of Certain Words. Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

6.18 No Conflicting Obligations. Contractor represents and warrants that the execution and delivery of this Agreement and the performance of its obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's or Physician's duties under this Agreement.

6.19 No Third Party Beneficiary Rights. The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

6.20 Notices. All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

6.23 Severability. If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a.Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Fifth Amendment to the Professional and Call Coverage Services Agreement (A-14387) with Thai Lan N Tran MD Inc. to provide general and critical care surgical services, extending the term by twenty-four months (July 1, 2026 to June 30, 2028) for a revised full agreement term of June 1, 2019 to June 30, 2028 and adding $1,800,000 for a revised not to exceed amount of $4,515,000 in the aggregate; and

SUMMARY:
NMC received its designation as the Level II Trauma Center for Monterey County in January 2015. The American College of Surgeons requires critical care surgeons to be available in-house with a 15-minute response time for Level II Trauma Centers. In order to provide 24/7 care, it is necessary to maintain a core team of quality surgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit.

DISCUSSION:

NMC would like to enter into an agreement with Thai Lan Tran MD, a board-certified fellowship trained trauma surgeon to provide general and critical care surgical services as part of the comprehensive trauma services required for a Level II Trauma Center. Dr. Tran will participate in the on-call panel and will be paid a daily rate for the coverage services, which may increase due to availability and the need for coverage, but the rate of pay for services remains the same. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:

The Office of County Counsel has reviewed and approved this Amendment as to legal form, and the Auditor-Controller has reviewed and approved this Amendment as to payment provisions. The Amendment has also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees.

FINANCING:

The cost of this Amendment is $1,800,000. The total not to exceed amount of this Agreement is $4,515,000. The actual cost is contingent upon Dr. Tran's participation in the call panel which may fluctuate based on her availability. NMC has agreements with multiple providers to ensure sufficient coverage of the trauma services where the total expenditure will not exceed $1,800,000 annually which is included in Fiscal Year 2025/2026 Adopted Budget. The remaining balance will be budgeted in subsequent fiscal years. Funding will be provided from NMC's Enterprise Fund 451-9600-6608.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:

The services rendered in this agreement are required for a Level II Trauma Center and provide NMC with the additional support it needs in order to provide exceptional facilities and health programs to create safe and healthy communities where all can thrive.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a.Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Fifth Amendment to the Professional and Call Coverage Services Agreement (A-14387) with Thai Lan N Tran MD Inc. to provide general and critical care surgical services, extending the term by twenty-four months (July 1, 2026 to June 30, 2028) for a revised full agreement term of June 1, 2019 to June 30, 2028 and adding $1,800,000 for a revised not to exceed amount of $4,515,000 in the aggregate; and

SUMMARY:
NMC received its designation as the Level II Trauma Center for Monterey County in January 2015. The actual cost is contingent upon Dr. Tran's participation in the call panel which may fluctuate based on her availability. NMC has agreements with multiple providers to ensure sufficient coverage of the trauma services where the total expenditure will not exceed $1,800,000 annually which is included in Fiscal Year 2025/2026 Adopted Budget. Exhibit 2.1

COMPENSATION

1. **Coverage Services Compensation.**

(a) Hospital shall pay to Contractor an amount equal to Four Thousand Five Hundred Sixty Dollars ($4,560) per Shift of **Trauma Coverage Services**;

(b) Hospital shall pay to Contractor an amount equal to Two Thousand Dollars ($2,000) per Shift of **General Surgery Coverage Services** provided pursuant to this Agreement; provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. For the avoidance of doubt, Contractor shall not simultaneously provide Trauma Coverage Services and General Surgery Coverage Services during the same Shift.

(c) If Contractor is asked to provide trauma back-up call coverage separate of General Surgery Coverage Services, Contractor shall be paid an amount equal to Five Hundred Dollars ($500) per twenty-four (24) hour period (**"Back-up Call Coverage Compensation"**), plus One Hundred Ninety Dollars ($190.00) per each hour that Contractor is required to be physically present at Hospital, not to exceed Four Thousand Five Hundred Sixty Dollars ($4,560) per day in the aggregate.

2. **Associate Medical Director Services.** Hospital shall pay to Contractor the amount equal to Two Hundred Dollars ($200) per hour for the provision of Associate Medical Director Services, not to exceed Two Thousand Dollars ($2,000) per month.

3. **Clinic Services.** In recognition of the mutual obligations of the Parties hereunder, Hospital and Contractor acknowledge that there shall be no monetary compensation to Contractor for the Clinic Services furnished by Contractor hereunder.

4. **Non Clinic Uninsured Patient Services.**

(a) Hospital shall pay to Contractor an amount equal to then-current (as of the date of service), facility-based, Medicare Physician Fee Schedule amount for Uninsured Services (as defined below) provided by Group Physician (the **"Non Clinic Uninsured Patient Compensation"**). The Uninsured Patient Compensation shall be Contractor's sole and exclusive compensation for Uninsured Services provided by Contractor pursuant to this Agreement and Contractor shall not seek further compensation from any other source. Contractor shall be paid on the CPT codes submitted and verified by Hospital professional billing office coders.

(b) For purposes of this Agreement, **"Non Clinic Uninsured Services"** shall mean medically necessary, professional medical services that are rendered to Patients at Hospital who are not insured for medical care by any third-party payor and ineligible for federal or state medical assistance under the Medicare or Medicaid programs (collectively, the **"Uninsured Patients"**). Contractor understands and agrees that the determination of whether a patient is uninsured may not be made until sometime after the date of service. Uninsured Services do not include any Professional Services provided by Contractor to Excluded Patients.

(c) Procedures with the following modifiers will be reimbursed at the Medicare allowable rate using the current established Medicare guidelines for reimbursement when using the modifier:

(i) Procedures that are or could be billed with the modifier 22 (unusual procedural services) will not be considered for additional reimbursement to be paid to Contractor; rather the procedure will be reimbursed at the Medicare allowable rate and if other modifiers are used, the procedure will be paid at the current established Medicare reimbursement rate applying Medicare guidelines for those modifiers.

(ii) If modifier 52 (reduced services) and/or 53 (discontinued services) is/are needed for billing, the percentage of the Medicare allowable rate to be paid to Contractor will be determined by the Hospital physician billing manager and the Hospital Chief Medical Officer (CMO).

(iii) Unless a code is specifically designated as an add-on code, the Medicare rules for multiple procedure guidelines shall apply (*i.e.,* the main procedure will be paid at one hundred percent (100%) and subsequent procedures will be paid at fifty percent (50%)), consistent with Medicare reimbursement guidelines for modifiers.

(d) The Parties intend that Hospital will pay for Uninsured Services only if the Uninsured Patient has no means of paying for those services (*e.g.,* independent wealth, third-party payor, etc.). If it is later determined that an Uninsured Patient or a third-party payor will pay for the Uninsured Services the following shall apply:

(i) Hospital shall have the sole and exclusive right to bill, collect and own any and all fees that might be collected for Uninsured Services provided by Contractor pursuant to this Agreement. Contractor hereby grants Hospital the right to retain any and all collections received by Hospital for Contractor's Uninsured Services. In the event that Contractor receives any payment from third-party payors for Uninsured Services that Contractor furnishes pursuant to this Agreement, Contractor shall promptly turn over such payments to Hospital. Contractor shall designate Hospital as Contractor's

attorney-in-fact for billing for Uninsured Services provided by Contractor pursuant to this Agreement.

(ii) For any procedure without an established RVU value and/or not listed procedure (*e.g.,* x stop), Hospital will reimburse Contractor based upon Hospital's reimbursement from a payor if Hospital has received payment from a payor. In the event no payment is received from a payor, no reimbursement will be made to Contractor.

(iii) The Parties agree to resolve any and all billing, collection and reimbursement disputes as expeditiously as possible, up to and including the dispute resolution procedure outlined in the Agreement. If a claim is disputed by a payor, Contractor will make every effort to assist the Hospital billing manager to resolve the claim, If the claim is denied by the payor, and no payment is received within twelve (12) months of the service date, the amount of the disputed claim will be adjusted (recouped) from future payments due to Contractor after the twelve (12) month period.

(iv) Hospital will adjust future invoices if Hospital is unable to recover payment for surgery/treatment due to a procedure being classified by a payor as non-payable (*e.g.,* it is considered experimental, represents non-covered services, is categorized as medically unnecessary, or is otherwise excluded from coverage), or if Contractor is found to have breached a necessary reimbursement procedure (*e.g.,* scheduling a procedure from its office and not obtaining the authorization for the procedure to be performed at Hospital). No payment will be allowed to Contractor in these circumstances. At its discretion and at its sole cost and expense, Contractor may appeal to the payor any determination that a procedure is non-payable.

(e) Hospital shall pay to Contractor the Uninsured Patient Compensation, so long as Contractor submits a **"Non-Clinic Uninsured Patient Compensation Claim"**, attached hereto as **Attachment B**, with information relating to its patient encounters as follows:

(i) It has been 90 - 180 days since the date of service(s);

(ii) Contractor has made a reasonable effort to collect payment and has been rejected for payment by the responsible third party(ies) and/or patient(s) for the patient(s) listed below;

(iv) Contractor has verified that patient has not become eligible for a government sponsored program; and

(v) Contractor has completed a 1500 billing form.

4. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Eight Hundred Fifty-Four Dollars and Ninety-One Cents ($854.91) per month to compensate for Hospital's payment of professional liability insurance premiums on behalf of Contractor. This amount reflects the then-current rate, rates are subject to change.

5. **Timing.** Hospital shall pay the compensation due for Services performed by Contractor after Contractor's submission of the monthly invoice of preceding month's activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is "30 days after receipt of the certified invoice in the Auditor-Controller's Office".

ARTICLE III.
INSURANCE AND INDEMNITY

3.1 Evidence of Coverage. Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

3.2 Qualifying Insurers. All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

(a) **Professional liability insurance**, covering Contractor with coverage of not less than One-Million Dollars ($1,000,000) per physician per occurrence and Three-Million Dollars ($3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (**"Tail Coverage"**), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii)

amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

☐ Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars ($1,000,000) each person, One Million Dollars ($1,000,000) each accident and One Million Dollars ($1,000,000) each disease.

☐ Exemption/Modification (Justification attached; subject to approval).

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs.

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

3.6 Indemnification.

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV.
RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (**"IRS"**) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to govermnent mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an **"Action"**) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor's Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars ($10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

ARTICLE V.

5.1 Term. This Agreement shall become effective on July 1, 2019 (the **"Effective Date"**), and shall continue until June 30, 2021 (the **"Expiration Date"**), subject to the termination provisions of this Agreement.

5.2 **Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

5.3 Termination by Contractor. Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, **"Government Action"** shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

(i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;

(ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;

(iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;

(iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;

(v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;

(vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or

(vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, **"Affiliate"** shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

5.5 Termination without Cause. Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

5.6 Effect of Termination or Expiration. Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

5.7 Return of Property. Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

5.8 Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

ARTICLE VI.
GENERAL PROVISIONS

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

6.2 Assignment. Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

6.3 Compliance with HIPAA. Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, **"HIPAA,"** the obligations collectively referred to herein as **"HIPAA Obligations"**), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

6.4 **Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments applicable to Contractor, the provision of the Services, Hospital's trauma center designation, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital, the Emergency Medical Treatment and Active Labor Act and the rules and regulations thereunder (**"EMTALA"**), California Health and Safety Code Section 1317 and the rules and regulations thereunder (**"Health and Safety Code §1317"**), Title 22, Division 9, Chapter 7 of the California Code of Regulations (Trauma Care Systems), the County of Monterey Emergency Medical Services Trauma Care System Plan and Protocols and Policies and any applicable guidelines issued by the American College of Surgeons Committee on Trauma and/or the U.S. Department of Health and Human Services, each as amended from time to time (collectively, the **"Laws"**). Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws, including EMTALA, and Health and Safety Code §1317. Contractor shall take actions necessary to ensure that the Hospital and/or Clinic are operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

6.5 **Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

6.6 Confidential Information.

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. **"Trade Secrets"** includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. **"Confidential Information"** includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

6.7 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

6.8 Disclosure of Interests. Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

6.9 Dispute Resolution. In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a **"Dispute"**), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the **"Dispute Notice"**), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the **"Meet and Confer"**). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (**"JAMS"**), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

(i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the **"Arbitration Notice"**). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

(ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

(iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the **"Panel"**). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.

(iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

(v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.

(vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.

(vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

(viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

6.10 Entire Agreement. This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

6.11 Exhibits. The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

6.12 Force Majeure. Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

6.13 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State.

6.14 Headings. The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

6.15 Litigation Consultation. Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

6.16 Master List. The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

6.17 Meaning of Certain Words. Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

6.18 No Conflicting Obligations. Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

6.19 No Third Party Beneficiary Rights. The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

6.20 Notices. All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

6.21 Participation in Federal Health Care Programs. Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

6.22 Representations. Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

6.23 Severability. If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

Title: Practitioner Code of Conduct	**Effective:** 05/09 **Reviewed/Revised:** 08/11
Standard: MSP004-2	**Approved: MEC** 08/11 **BOT** 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

POLICY

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.

2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.

3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.

4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.

5. Contribute to the overall educational mission of NMC.

6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

EXAMPLES OF PROFESSIONAL BEHAVIOR

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.

RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or a designee to execute Renewal and Amendment No. 2 to the non-standard agreement (A-14980) with Quality Assurance Services, Inc., for radiation physics and performance testing of radiology equipment services at NMC, extending the agreement for an additional two (2) year period (January 1, 2026 through December 31, 2027) for a revised full agreement term of January 1, 2021 through December 31, 2027, and adding $70,841 for a revised total agreement amount not to exceed $254,393.

SUMMARY:

Quality Assurance Services, Inc. (QAS) is a company that provides board certified Medical Diagnostic Physicists that perform evaluations and testing of equipment found in the Radiology department. Natividad Medical Center's Radiology Department is required per Joint Commission and CDPH to have at least annually performance testing evaluations on radiographic, magnetic resonance imaging equipment (MRI), computed tomography (CT) equipment, ultrasound and nuclear medicine equipment by a qualified medical physicist who is board certified by the American Board of Radiology in the field of Medical Diagnostic Physics. The performance testing evaluation shall include the required elements identified by Joint Commission and American College of Radiology.

DISCUSSION:

Natividad Medical Center has two CT scanners, one MRI scanner, one Fluoroscopy, four x-ray machines, four x-ray portables, three radiographic fluoroscopic c-arms, one mini c-arm radiographic, one bone scanning machine, one nuclear medicine gamma camera, one Mammography x-ray unit, and

four ultrasound units requiring annual testing by the physicist. In addition, the nuclear medicine and ultrasound units are required to be tested twice a year.

Any new equipment, relocation of equipment, or major repairs of equipment need performance testing evaluations completed prior to using on patients. It is a requirement for us to meet regulatory standards, in order to continue services.

Natividad Medical Center Radiology does monitor QAS for contract deliverables on the following items.

- Certification of the Physicist
- Annual and Bi-Annual testing
- Completion of performance evaluation report and corrective actions included in the report
- Inclusion of Joint Commission Standards, and ACR standards that are required elements in the performance evaluation testing report.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this renewal and amendment No. 2 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions. The renewal and amendment No. 2 has also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees on February 6, 2026.

FINANCING:

The cost for this renewal and amendment No. 2 is $70,841 of which $35,421 is included in the FY 2025-26 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate. There is no impact on the General Fund with this action.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS SECTION:

To protect patients and staff and to ensure full compliance with state regulations and accreditation requirements, the hospital utilizes a qualified third-party medical physics company to perform state-regulated medical physics services. These specialized experts independently test and verify the safety, accuracy, and performance of medical imaging and radiation therapy equipment through required inspections, measurements, and quality assurance evaluations. This independent oversight ensures radiation is delivered only as intended, minimizes institutional risk, and supports the hospital's commitment to the highest standards of safety, quality, and trust in patient care.

Matter Type: BoS Agreement

a.Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Second Amendment to the Professional and Call Coverage Services Agreement (A-17371) with RGTACS Inc Professional Corporation, a California professional corporation dba RGTACS INC., to provide general and acute care surgical services, extending the term by 2 years (June 1, 2026 to June 30, 2028) for a revised full agreement term of June 1, 2024 to June 30, 2028, but with no change to the Board approved not to exceed amount of $500,000; and
b.Authorize the CEO or a designee to sign up to three (3) future amendments to this agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% ($20,000) of the original contract amount and do not increase the total contract amount above $520,000.

RECOMMENDATION:
It is reccomended that the Board of Supervisors:
a. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Second Amendment to the Professional and Call Coverage Services Agreement (A-17371) with RGTACS Inc Professional Corporation, a California professional corporation dba RGTACS INC., to provide general and acute care surgical services, extending the term by 2 years (June 1, 2026 to June 30, 2028) for a revised full agreement term of June 1, 2024 to June 30, 2028, but with no change to the Board approved not to exceed amount of $500,000; and
b.Authorize the CEO or a designee to sign up to three (3) future amendments to this agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% ($20,000) of the original contract amount and do not increase the total contract amount above $520,000.

SUMMARY:
NMC received its designation as the Level II Trauma Center for Monterey County in January 2015. The American College of Surgeons requires critical care surgeons to be available in-house with a 15-minute response time for Level II Trauma Centers. In order to provide 24/7 care, it is necessary to maintain a core team of quality surgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit.

DISCUSSION:

NMC would like to amend its agreement with RGTACS, Inc., for which Dr. Ginwalla, a board-certified fellowship trained trauma surgeon provides general and critical care surgical services as part of the comprehensive trauma services required for a Level II Trauma Center. Dr. Ginwalla will participate in the on-call panel and will be paid a daily rate for the coverage services, which may increase due to availability and the need for coverage, but the rate of pay for services remains the same. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:

County Counsel has reviewed and approved this Amendment as to legal form. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions. The Amendment has also been reviewed and approved by NMC's Finance Committee and Board of Trustees.

FINANCING:

There is no cost for this Amendment. The total not to exceed amount of this Agreement is $500,000. The actual cost is contingent upon Dr. Ginwalla's participation in the call panel which may fluctuate based on availability. NMC has agreements with multiple providers to ensure sufficient coverage of the trauma services where the total expenditure will not exceed $1,800,000 annually which is included in Fiscal Year 2025/2026 Adopted Budget. The remaining balance will be budgeted in subsequent fiscal years. Funding will be provided from NMC's Enterprise Fund 451-9600-6608.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:

The services rendered in this agreement are required for a Level II Trauma Center and provide NMC with the additional support it needs in order to provide exceptional facilities and health programs to create safe and healthy communities where all can thrive.

Current Status: Natividad Medical Center - Consent

Version: 1

Matter Type: BoS Agreement

RECOMMENDATION:

It is reccomended that the Board of Supervisors:
a. Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or a designee to execute the Second Amendment to the Professional and Call Coverage Services Agreement (A-17371) with RGTACS Inc Professional Corporation, a California professional corporation dba RGTACS INC., to provide general and acute care surgical services, extending the term by 2 years (June 1, 2026 to June 30, 2028) for a revised full agreement term of June 1, 2024 to June 30, 2028, but with no change to the Board approved not to exceed amount of $500,000; and
b.Authorize the CEO or a designee to sign up to three (3) future amendments to this agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% ($20,000) of the original contract amount and do not increase the total contract amount above $520,000.

SUMMARY:

NMC received its designation as the Level II Trauma Center for Monterey County in January 2015. The American College of Surgeons requires critical care surgeons to be available in-house with a 15-minute response time for Level II Trauma Centers. In order to provide 24/7 care, it is necessary to maintain a core team of quality surgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit.

DISCUSSION:

NMC would like to amend its agreement with RGTACS, Inc., for which Dr. Ginwalla, a board-certified fellowship trained trauma surgeon provides general and critical care surgical services as part of the comprehensive trauma services required for a Level II Trauma Center. Dr. Ginwalla will participate in the on-call panel and will be paid a daily rate for the coverage services, which may increase due to availability and the need for coverage, but the rate of pay for services remains the same. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:

County Counsel has reviewed and approved this Amendment as to legal form. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions. The Amendment has also been reviewed and approved by NMC's Finance Committee and Board of Trustees.

FINANCING:

There is no cost for this Amendment. The total not to exceed amount of this Agreement is $500,000. The actual cost is contingent upon Dr. Ginwalla's participation in the call panel which may fluctuate based on availability. NMC has agreements with multiple providers to ensure sufficient coverage of the trauma services where the total expenditure will not exceed $1,800,000 annually which is included in Fiscal Year 2025/2026 Adopted Budget. The remaining balance will be budgeted in subsequent fiscal years. Funding will be provided from NMC's Enterprise Fund 451-9600-6608.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:

The services rendered in this agreement are required for a Level II Trauma Center and provide NMC with the additional support it needs in order to provide exceptional facilities and health programs to create safe and healthy communities where all can thrive.

If any professional liability insurance covering Contractor is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (**"Tail Coverage"**), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor, and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs.

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

3.6 Indemnification.

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital and/or Clinic, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV.
RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (**"IRS"**) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of

DocuSign Envelope ID: 4B462B60-F494-4EFE-B72D-F36F85D58DE2

communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an **"Action"**) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital and/or Clinic. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor's Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars ($10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

5.2 Termination by Hospital. Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, **"Government Action"** shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

ARTICLE VI.
GENERAL PROVISIONS

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. (a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the **"Dispute Notice"**), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the **"Meet and Confer"**). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (**"JAMS"**), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

(i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the **"Arbitration Notice"**). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

DocuSign Envelope ID: 4B462B60-F494-4EFE-B72D-F36F85D58DE2

(ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

(iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the **"Panel"**). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.

(iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

(v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.

DocuSign Envelope ID: 4B462B60-F494-4EFE-B72D-F36F85D58DE2

(vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.

(vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

(viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

Board of Supervisors

Salinas, CA 93901

March 10, 2026

Introduced: 2/17/2026

Current Status: Natividad Medical Center - Consent

Version: 1

Matter Type: BoS Resolution

Adopt a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Section IV Employee/Bargaining Units to establish Unit FL for unrepresented Obstetrics (OB) Fellows as indicated in Attachment A;
b. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendices A and B to create the classification of Obstetrics (OB) Fellow with the salary range as indicated in Attachment B, effective March 7, 2026; and
c. Authorize and direct the County Human Resources Department and the Auditor Controller's Office to take the necessary actions to create Unit FL in the Advantage Human Resources Management (HRM) system.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider adopting a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Section IV Employee/Bargaining Units to establish Unit FL for unrepresented Obstetrics (OB) Fellows as indicated in Attachment A;
b. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendices A and B to create the classification of Obstetrics (OB) Fellow with the salary range as indicated in Attachment B, effective March 7, 2026; and
c. Authorize and direct the County Human Resources Department and the Auditor Controller's Office to take the necessary actions to create Unit FL in the Advantage Human Resources Management (HRM) system.

SUMMARY:
Natividad Medical Center (NMC) is seeking to work with the Human Resources Department to establish a bargaining unit and create a new classification for unrepresented Obstetrics (OB) Fellows.

DISCUSSION:
As part of the foundational contract negotiations with the Union of American Physicians and Dentists (UAPD), parties agreed that OB Fellows would not be covered under the negotiated Memoranda of Understanding (MOU) provisions. Therefore, County staff have identified a need to establish a new employee/bargaining unit, identified as Unit FL, to which OB Fellows could be moved as indicated in Attachment A. The creation of the new unit is in line with the County of Monterey's Employer-Employee Relations Resolution (EERR).

Separately, NMC completed a classification and compensation study of the OB Fellows. The reason cited for the request was to "establish classifications for OB Fellows with a flat rate salary." Upon completion of the study, NMC recommends the creation of the new classification OB Fellow with the flat salary as indicated in Attachment B.

As such, NMC is requesting that the County Personnel Policies and Practices Resolution (PPPR) No. 98-394 be amended to create and add Unit UX to PPPR Section VI Employee/Bargaining Units. In addition, it is recommended that the Board of Supervisors consider approving the creation of the new classification of OB Fellow with the flat salary proposed and include this classification in the newly established Unit FL.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The County Administrative Office, Human Resources Department, and Office of County Counsel concur with the recommendations.

HOUSING IMPACTS:

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute a Renewal and Amendment No. 1 with San Jose Boiler Works, Inc., for the provision of maintenance and repair including but not limited to assessments, annuals (scheduled inspection and cleaning), immediate repairs and servicing, and on-call/emergency services of boilers at all Health Department Facilities, adding $80,026 for a new total Agreement amount of $155,026 and extending the term three years for a new term of August 1, 2022 through July 31, 2028;

SUMMARY:

The Health Department is requesting approval of Amendment No. 1 with San Jose Boiler works for the repair and maintenance of boilers at all Health Department locations. Boilers are a specialized piece of equipment integral to a building's heating and ventilation systems. Boiler maintenance requires

specialty knowledge provided by a contractor.

DISCUSSION:
The Health Department manages the maintenance of heating and ventilation system which includes boilers in their buildings. Boilers provide a heat source to maintain an appropriately comfortable work environment for County customers and employees.

Boilers are specialized piece of equipment that require specialized expertise to keep them operating safely and efficiently in accordance with state and federal guidelines.

The Health Department has maintained an agreement with San Jose Boiler Company since August 1, 2022, reached the end of its term, and would like to extend the term to maintain these essential services.

This Renewal and Amendment No. 1 is being presented to the Board later than anticipated due to the contactor needing additional time to provide an updated price list. The delayed response brought past the Agreement's expiration date, resulting in the need for this Renewal and Amendment No. 1.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form, and fiscal provisions, respectively.

FINANCING:
There will be no impact to the General Fund from approval of this action. There are sufficient appropriations in the Health Departments Fiscal Year (FY) 2025-26 Adopted Budget 001-4000-8438-HEA014 to accommodate the current FY's costs. For the FYs out, provisions will be made in the Requested Budget for the appropriate year.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This agreement supports Strategic Plan Goal 1: Well-Being and Quality of Life and Goal 3: Safe and Resilient Communities by ensuring the continued safe and efficient operation of heating and ventilation systems that maintain a healthy indoor environment for County staff and clients. Extending the agreement helps meet key objectives related to maintaining safe public facilities and ensuring uninterrupted delivery of essential County services.

SUMMARY:

The County of Monterey Health Department's Animal Services Program (County) is responsible for providing animal control services in the unincorporated areas of Monterey County and City of Salinas (City) via a Joint Powers Agreement (JPA) called Hitchcock Road Animal Services (Animal Services). Animal Services, with the County as the administering agency, operates an Animal Services Center located at 160 Hitchcock Road, Salinas, California that offers an array of services, including but not limited to animal sheltering, field services, volunteers and outreach, and licensing services.

Animal Services supports the community by offering low-cost spay/neuter opportunities for both feral cats and owned pets. To meet the ongoing demand, Animal Services collaborated with the SPCA in fiscal year 24/25 as they have the ability to provide mobile spay/neuter services within local communities

as well as veterinary services for shelter animals at times when it may be needed through a contractual partnership. Renewal and Amendment No. 1 continues this partnership, allowing the SPCA to provide, on an as needed basis only, community spay/neuter services and veterinary services for shelter animals. This amendment is similar in nature to the one previously approved by the Board on August 12, 2025, for SNIPbus.

DISCUSSION:
Due to the high demand for affordable and accessible spay and neuter services, local veterinary clinics are currently unable to offer them to meet the demands of the community. This is also magnified by a shortage in veterinary staff both in the county and statewide. Due to this continuous need, Animal Services is looking to further increase opportunities and partners that can assist with providing affordable spay/neuter for pet owners within Monterey County communities. Animal Services has collaborated with the SPCA, a local organization that has the ability to provide mobile spay/neuter services within our communities, through a contractual partnership. In fiscal year 24/25, the SPCA provided 10 mobile spay/neuter clinics to pet owners in south county communities via contractual partnership with Animal Services. A total of 264 animals were spayed/neutered (211 cats and 53 dogs). Animals included came from primarily South County communities to include Bradley, Soledad, Greenfield, King City, Gonzales, Chualar, Lockwood, and San Ardo.

Animal Services has also identified that, at times, there may be a need for veterinary care or services for shelter animals. For example, this past summer, the Animal Services veterinary clinic was not fully functioning due to staff out on leave. A need for care was identified, before other veterinary agreements were in place. Animal Services reached out to the SPCA who was able to provide care for the animal in need. Animal Services would like to have a contractual partnership in place should that need arise again.

Through this Renewal and Amendment No. 1, the SPCA will provide, only as requested and approved by Animal Services, spay/neuter services and additional veterinary services for shelter animals for the duration of the Agreement. This Agreement is to maintain the contractual partnership in place should the need arise and funds become available.

This Renewal and Amendment No. 1 was presented to the Board later than anticipated due to extended discussions regarding the potential need for a Request For Proposal (RFP) process. Although an RFP was initiated, Contracts and Purchasing later determined it was unnecessary. The time spent on these considerations brought past the Agreement's expiration date, resulting in the need for this Renewal and Amendment No. 1.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form, and fiscal provisions, respectively. Risk Management has not approved the non-standard indemnity provisions.

FINANCING:
There will be no fiscal impact resulting from the approval of this action. Appropriations for this Agreement are included in the Health Department's (4000-HEA018-8601) FY 2025-26 Adopted

Budget.

All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

DS
County

~~CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.~~

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current A.M. Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

Docusign Envelope ID: A8DA4B5B-4F74-48E7-9CB4-54937877A93D

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.
(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

Docusign Envelope ID: A8DA4B5B-4F74-48E7-9CB4-54937877A93D

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:

The County of Monterey, its officers, officials, employees, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:

For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Waiver of Subrogation:

CONTRACTOR hereby grants to County a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the County by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

Docusign Envelope ID: A8DA4B5B-4F74-48E7-9CB4-54937877A93D

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
a. Approve and authorize the Contracts & Purchasing Officer or designee to execute a retroactive Amendment No. 3 to Lease Agreement No. A-12809, effective November 13, 2025 with King City Town Square, LLC. (Lessor), for approximately 8,713 rentable square feet of office space located at 200 Broadway, Suites 70 and 88, King City, California, for use by the Health Department's Behavioral Health Bureau (Health);
b. Authorize the Auditor-Controller to make lease payments of $10,174 per month in accordance with the terms of the Lease Agreement; and

SUMMARY:

The Health Department's Behavioral Health Bureau (Bureau) requests approval of Amendment No. 3 to the Lease Agreement with King City Town Square, LLC, effective November 13, 2025. This amendment will allow the Bureau to continue occupying and operating at 200 Broadway, Suites 70 and 88, in King City, ensuring the continued availability of critical service space for behavioral health programs in South County. The amendment also establishes reasonable rental adjustments that are consistent with comparable County leases.

DISCUSSION:
Since July 1, 2007, the Bureau has leased 3,737 square feet of general office space at 200 Broadway, Suite 88, King City, California, under a Lease Agreement with King City Town Square, LLC. In 2019, the Lease Agreement was amended to include an additional 4,976 square feet of office space at 200 Broadway, Suite 70, resulting in a combined total of 8,713 square feet across Suites 88 and 70. The additional space allowed the Bureau to expand its operations and better meet the behavioral health needs of the South County community.

Amendment No. 3 will commence on November 13, 2025, at a monthly rental rate of $10,174, subject to annual rental adjustments of one percent (1.00%). The Landlord will complete Premise Improvements in accordance with approved plans and specifications. The cost of these improvements-including architectural, engineering, permitting, fees, and inspections-is included in the monthly lease payment.

The Lease Agreement includes one (1) additional three-year renewal option under the same terms and conditions. Approval of this amendment will ensure the Bureau's continued occupancy and maintain adequate office and service-provision space to support the delivery of behavioral health services in South County. The rental rate is comparable to the Bureau's other leased facility located at 335-339 Gabilan Street in Soledad.

OTHER AGENCY INVOLVEMENT:
The Department of Public Works, Facilities, and Parks (PWFP) assisted with the development of this report and proposed Lease Agreement. The Office of the County Counsel and the Auditor-Controller's Office have reviewed and approved the proposed Lease Agreement as to form and fiscal provisions, respectively.

FINANCING:
This Amendment is funded with a combination of 2011 Realignment and Federal Financial Participation. There are enough appropriations in the Health Department's Behavioral Health Bureau's (HEA012, Unit 8410) Fiscal Year 2025-26 Adopted Budget. Funds for FY 2026-27 and FY 2027-28 will be included in the Bureau's (HEA012, Unit 8410) Requested Budget.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This amendment aligns with the Board of Supervisors' strategic priorities of Well-Being and Quality of Life and Sustainable Infrastructure for the Present and Future by securing a King City facility that supports the delivery of behavioral health services and enhances the quality of life for residents.

ARTICLE 1 - PREMISES

1.1 ***Description:*** LESSOR hereby leases to LESSEE and LESSEE hereby leases from LESSOR, upon the terms and conditions herein set forth, a portion of that certain real property and its appurtenances, situated at 200 Broadway Street, Suite 70 and 88, King City CA 93930 (the "Building") and described as follows: General offices consisting of approximately 8,713 rentable square feet of space, located on the 2nd floor of the Building, as designated in **EXHIBIT A1 – DESCRIPTION OF PREMISES - Current Basic Floor Plan**, attached and incorporated by this reference (hereinafter, "the Premises"). The term "rentable square feet" shall mean the "Rentable Area" of the Premises as calculated pursuant to the Building Owners and Managers Association International's Office Buildings: Standard Methods of Measurement (ANSI/BOMA Z65.1, 2010).

1.2 ***Common Areas:*** LESSEE shall also have the non-exclusive right to use at all times, in common with other tenants in the Building, any and all of the following areas which may be appurtenant to the Premises: Common entrances, lobbies, corridors, hallways, elevators, stairways and access ways, loading and unloading areas, visitor parking areas, ramps, drives, platforms, public rest rooms, common walkways and sidewalks necessary for access to the Premises, and any other public or common areas located within or appurtenant to the Building (collectively, the "Common Areas").

LESSOR, at LESSOR'S expense may need to post parking signage if deemed necessary for LESSEE'S use of the Premises.

1.4 ***Compliance with the "Americans with Disabilities Act of 1990" (ADA):*** LESSOR shall ensure that the Premises are in compliance with the Americans with Disabilities Act of 1990 ("ADA"), as amended, and, if necessary, prior to the Commencement Date, shall modify the Premises to comply with the Act and the regulations promulgated to implement the ADA requirement.

Provided the rentable square feet of the Premises, as measured by the Architect, differs from that set forth in ARTICLE 1, Section 1.1, LESSOR and LESSEE will execute a letter agreement setting forth the correct rentable square feet of the Premises (as measured by the Architect). It is agreed that when the correct rentable square feet of the Premises is determined, changes and modifications to the Lease may be required including, but not limited to, ARTICLE 3 - RENT. The cost for the Architect's services shall be equally split between LESSOR and LESSEE.

1.8 ***Right of First Refusal:*** LESSEE shall have the right of first refusal to lease any additional suites in the Building which may become available during the initial term or any extended term of this Lease. LESSEE will have up to but not more than thirty (30) days to accept or reject this additional space in writing. ARTICLE 2 - TERM

2.1 ***Lease Term:*** The term of this Lease (the "Lease Term") shall be Five (5) years, commencing on October 1, 2014 or upon issuance of a certificate of occupancy from the City of King City and LESSEE'S final walk through and approval of all Premise Improvements, -whichever is later- ("Lease Commencement Date"), and ending September 30, 2019 or Five (5) years from Lease Commencement Date, whichever is later (the "Stated Expiration Date"), with such rights of termination and extension of the Lease Term as are hereinafter set forth. In the event that the Premises are not delivered within 30 days from the date first noted in this ARTICLE 2.1, or Premise Improvements are not certified as complete within 30 days from the agreed-upon schedule for construction of Premise Improvements, County may terminate this agreement. Within thirty (30) days of the occurrence of the Lease Commencement Date, LESSEE and LESSOR shall execute a side letter agreement confirming the actual Lease Commencement Date and Stated Expiration Date for this Lease.

2.2 ***Extended Term:*** Upon completion of the initial Lease Term, the LESSEE may renew the Lease for one additional Three (3) year term ("First Extended Term"), and upon the expiration of the First Extended Term, the LESSEE may renew the Lease for a second additional Three (3) year term ("Second Extended Term"), in each case by giving LESSOR advance written notice of its intent to renew one hundred eighty (180) days prior to expiration of the initial Lease Term or First Extended Term, as applicable.

2.3 ***Monthly Rent Limit:*** LESSOR and LESSEE agree that the monthly rent in the initial term or any extended term shall be no more than ninety-five percent (95%) of the then current market "Gross Lease" rents for general office space in the King City, California area. As it pertains to this Lease, "Gross Lease" shall mean that the LESSOR will be responsible to pay for the general maintenance and repair, elevator maintenance and repair, property taxes and assessments, insurances (Real Property and lessor's risk liability), utilities and Common Area expenses out of the monthly rent paid by the LESSEE for the Premises and LESSEE shall not pay any additional rent therefor. In the event that LESSOR and LESSEE are unable to agree upon the then current market Gross Lease rents for the Premises within thirty (30) days of LESSEE'S delivery of its intent to renew this Lease as described in ARTICLE 2.2, LESSOR and LESSEE shall submit the determination of the then current market Gross Lease rent to arbitration.

ARTICLE 3 - RENT

In consideration of the continuing right of use, quiet enjoyment and possession of the Premises, LESSEE shall pay to LESSOR as monthly rent for the Premises the initial sum of Nine Thousand Eight Hundred Forty Five Dollars and Sixty Nine Cents ($9,845.69) (as it may be adjusted as provided in this Lease, "Monthly Rent"), payable on or before the first day of each month. Subject to the immediately following paragraph, LESSEE shall commence rental payments upon occupancy ("Rent Commencement Date"). If the Rent Commencement Date is other than the first day of a calendar month, then the Monthly Rent for that month shall be prorated on a daily basis, based on a thirty (30) day month. Monthly Rent shall be payable to LESSOR at the address specified in ARTICLE 6 or at such other address as LESSOR may from time to time designate in writing. Monthly Rent is inclusive of, among other things, LESSEE'S share of real estate taxes, assessments, insurances (Real Property and lessor's risk liability), and Monterey Regional Water Pollution Control Agency (MRWPCA) fee for the Premises. *[Initial rent is computed as follows: Base rent of $1.13 per square foot per month.]*

ARTICLE 4 – ANNUAL RENT ADJUSTMENT

At the end of each Year during the initial Lease Term or any Extended Term, the Monthly Rent (excluding any amortized Premise Improvement payments pursuant to ARTICLE 7.2) shall be increased by the fixed amount of one percent (1%) (so that, for example, the Monthly Rent payable during the second Lease Year shall be equal to 101% of the Monthly Rent payable during the first Lease Year). A "Lease Year" shall mean each consecutive twelve-month (12-month) period during the initial Lease Term or Extended Term, as applicable; provided, however, that (a) the first Lease Year commences on the Lease Commencement Date as provided in ARTICLE 2, Section 2.1 above, or the first day of the Extended Term as provided in ARTICLE 2, Section 2.2 above, as applicable, and ends on the last day of the twelfth calendar month thereafter; (b) the second and each succeeding Lease Year commences on the first day of the next calendar month; and (c) the last Lease Year ends on the Stated Expiration Date as provided in Section 2.1 above, or the last day of the Extended Term as provided in Section 2.2 above, as applicable, or earlier date of termination.

ARTICLE 5 - TERMINATION BY COUNTY

Notwithstanding any other provisions of this Lease, LESSEE, at its sole option, may terminate this Lease upon sixty (60) days written notice, solely on the condition that funds have not been budgeted for leasing of the property described herein. Such termination shall be without penalty to LESSEE. Such right of termination shall not be construed so as to permit LESSEE to terminate this Lease in order to lease other premises for a similar purpose within the City of King City. LESSEE represents that its intent is not to exercise its rights under this ARTICLE unless financial conditions prevent the Monterey County Board of Supervisors from budgeting funds for this Lease.

If such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, LESSOR shall forthwith give notice to LESSEE of the specific number of days required to repair the same. If LESSOR under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from the date such notice is given, LESSEE, in either such event, at its option, may terminate this Lease.

In the event of any such destruction other than total, where LESSEE has not terminated the Lease as herein provided, LESSOR shall diligently prosecute the repair of the Premises and, in any event, if said repairs are not completed within thirty (30) calendar days from the work commencement date, for destruction aggregating ten percent (10%) or less of the floor space, or within the period specified herein in connection with partial destruction aggregating more than ten percent (10%), LESSEE shall have the option to terminate this Lease. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

LESSOR and LESSEE understand that, in normal circumstances, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in occupancy of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is thus precluded from occupying, bears to the total rentable square feet in the Premises. For purposes of this ARTICLE 21, "rentable square feet" shall mean actual inside dimensions and shall not include public areas.

b. LESSEE fails to faithfully perform or observe any other covenant or undertaking required under this Lease and such failure continues for a period of thirty (30) days after written notice thereof from LESSOR to LESSEE of such default or, if such default is not reasonably curable within such thirty (30) day period, LESSEE fails to commence to cure such default within such thirty (30) day period and thereafter diligently pursue such cure to completion, or

23.1 ***Default:*** LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days after written notice by LESSEE to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. LESSEE'S obligation to provide written notice to LESSOR of a default by LESSOR is limited to those instances where knowledge of LESSOR'S default is within the actual knowledge of LESSEE.

23.2 ***Remedies:*** If LESSOR fails to cure a prospective default within the time periods outlined above, LESSEE shall have the option to cure the default or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSEE elect to cure the default itself, all reasonable costs associated with such cure, including reasonable attorneys' fees (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs. However, upon LESSOR'S failure to so reimburse timely, at LESSEE'S option, said costs shall be withheld from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 24 - CONDEMNATION

If more than ten percent (10%) of the floor space area of the Premises is taken or condemned for a public or quasi-public use, or the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 25 - HOLDING OVER

If LESSEE remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two month-to-two month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon sixty (60) days' written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 26 - WAIVER

Any waiver of any term or condition of this Lease must be in writing and signed by LESSEE and LESSOR. The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 27 - QUIET POSSESSION

LESSOR, to the best of LESSOR'S ability, shall also be responsible for ensuring that all other tenants in the building or complex do not interfere with the quiet enjoyment of the LESSEE.

ARTICLE 28 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgagor or beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 29 - ESTOPPEL CERTIFICATE

Within thirty (30) days of written notice by one party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments and whether the lease, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

30.6 ***Interpretation of Conflicting Provisions:*** In the event of any conflict or inconsistency between the provisions of this Lease and the provisions of any addendum or exhibit attached hereto, the provisions of this Lease shall prevail and control.

30.7 ***Successors and Assigns:*** This Lease and the rights, privileges, duties, and obligations of LESSEE and LESSOR under this lease, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successor, permitted assigns, and heirs.

30.10 ***Construction of Lease:*** LESSEE and LESSOR agree that each party has fully participated in the review and revision of this Lease and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this lease or any amendment to this Lease.

30.11 ***Counterparts:*** This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Lease.

30.12 ***Integration:*** This Lease, including the exhibits and addenda, represents the entire agreement between LESSEE and LESSOR with respect to the subject matter of this Lease and shall supersede all prior negotiations, representations or agreements, either written or oral, between LESSEE and LESSOR as of the effective date of this Lease, which is the date that LESSEE signs this Lease.

ARTICLE 31 - MAJOR APPLIANCES

Installation of major appliances such as vending machines, refrigerators, stoves, etc., must be approved by LESSOR prior to installation. The LESSOR will grant installation approval for new appliances only. Such approval shall not be unreasonably withheld.

ARTICLE 32 – PROPERTY TAX EXEMPTION

LESSOR will cooperate with LESSEE and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the Premises pursuant to ARTICLE XIII, Section 3 of the California Constitution. LESSOR will apply the amount of any reduction of tax resulting from such exemption either in the form of a cash payment or of rental credit to LESSEE as soon as possible after LESSOR

receives the benefit of tax exemption.

If such exemption is granted for a fiscal year which is, in whole or in part, after the date of expiration or earlier termination date of this Lease, then, with respect to that portion of such fiscal year which is after the expiration of the term of this Lease, LESSOR will pay LESSEE the amount of such reduction of tax in cash.

ARTICLE 35 – CUSTODIAL SERVICE SPECIFICATIONS

   a. LESSOR shall provide for LESSEE'S approval the complete and detailed proposed Plans and Specifications for the Premises Improvements, the design of which shall conform to LESSEE'S approved program for use of the Premises.

   b. LESSEE shall provide LESSOR with written notice of its approval or disapproval of the Plans and Specifications within five (5) business days after receipt of such Plans and Specifications. If LESSEE disapproves the Plans and Specifications, LESSEE shall describe the reasons for its disapproval in reasonable detail in LESSEE'S notice of disapproval. LESSOR shall revise the Plans and Specifications to satisfy the issues giving rise to LESSEE'S disapproval and submit the revised Plans and Specification to LESSEE as provided in clause 2.a of this Exhibit C.

   c. During construction, LESSOR and LESSEE'S Representative (as defined below) shall confer periodically regarding the progress of the work and the approximate cost of the work completed. LESSEE'S Representative may request changes, modifications or alterations to the Plans and Specifications by written change order delivered to LESSOR, but no such change shall be made without the written approval of LESSOR, which approval shall not be unreasonably withheld. LESSOR shall approve or deny each LESSEE change order within four (4) business days, and LESSOR shall also provide to LESSEE'S Representative, by written notice to LESSEE, an estimate of the maximum cost of each change order within five (5) business days after the delivery of the change order to LESSOR. No work based upon a change order shall be undertaken unless and until LESSEE'S Representative shall have approved (by notice to LESSOR) LESSOR'S cost estimate.

   d. If LESSOR determines that a change proposed by LESSEE will delay completion of the construction beyond the period allocated for such construction, LESSOR shall, within four (4) business days, notify LESSEE'S Representative of the estimated length of the delay caused by LESSEE'S request. LESSEE'S Representative shall advise LESSOR within two (2) business days after receipt of such notice as to whether LESSOR shall proceed with requested change, modification or alteration. LESSOR

shall not make the requested change to the Plans and Specifications without LESSEE'S approval of any proposed time extensions.

e. If LESSOR requires that LESSEE clarify or refine the Plans and Specifications, then LESSEE'S Representative shall meet with LESSOR for the purpose of clarifying or refining the Plans and Specifications within two (2) business days after LESSEE'S receipt of LESSOR'S request therefore. No such clarification or refinement shall be deemed to be a change order.

LESSEE shall approve or disapprove such revised Plans and Specifications within two (2) business days after receipt and shall not unreasonably withhold its approval.

g. LESSOR shall not be responsible for any delays in the time for completion of construction resulting from LESSEE'S delay. For purposes herein, LESSEE'S delay in the completion of the construction of the Premise Improvements are delays that may arise solely as a result of: (1) LESSEE'S failure to comply with its obligations set forth in subsection b, d, e, or f, above, within the time specified; (2) any change directed by LESSEE after notification to LESSEE that the change will delay completion of the construction as provided in subsection d, above; or (3) extra time required to obtain any long lead items specified by LESSEE. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.

a. At any time during the construction of the Premise Improvements, LESSEE may reject any work that does not conform to the Plans and Specifications or does not meet good and workmanlike standards as reasonably interpreted by and at the sole discretion of the LESSEE.

b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct prior to LESSEE'S acceptance of possession in order for the work to conform to the Plans and Specifications. LESSOR shall immediately

commence to complete or correct the items listed by LESSEE, except those it contends are not justified. If LESSEE fails to deliver such a list within the five (5) business day period, LESSEE shall be deemed to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.

c. Acceptance by LESSEE shall not be unreasonably withheld.

7. Notices: All notices required or permitted hereunder shall be in writing and shall be delivered as indicated in ARTICLE 6 of the Lease to which this Exhibit is attached.

PROPOSITION 65 WARNING

CALIFORNIA PROPOSITION 65 WARNING. This warning is provided in compliance with the requirements of California's Proposition 65, due to exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of _____.

> **"WARNING: MATERIALS INCLUDED IN THE CONSTRUCTION OF THE PREMISES AND PROPERTY WILL EXPOSE YOU TO FORMALDEHYDE AND OTHER CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FURTHER INFORMATION MAY BE OBTAINED FROM THE MANAGER/OWNER."**

This warning is provided to inform tenants of the exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue for as long as _____ engages in ongoing construction on and around the surrounding property.**

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. _____, has made no inquiries of our material suppliers concerning these matters. _____ is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.

County may shorten the Correction Period to no less than 7 calendar days if County determines that Hospital's action or inaction has seriously threatened or will seriously threaten public health and safety. If Hospital has not remedied each deficiency prior to the end of the Correction Period to the satisfaction of County, or County has not approved a plan of correction within the Correction Period, County may terminate this Agreement upon written notice to Hospital, specifying the effective date of termination. No opportunity to cure is required prior to County's termination of this Agreement for failure by Hospital to complete any plan of correction imposed by County.

5.4 Obligations After Termination

The following sections shall remain in full force and effect after termination of this Agreement: (1) Section 6.1 (Records Maintenance), (2) Section 6.2 (Right to Audit, Inspect, and Copy Records, (3) Section 7 (Indemnification), (4) Section 11 (Confidentiality), and (5) Section 15.5 (Applicable Law and Forum).

Hospital agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to Hospital's performance or obligations under this Agreement. County shall have the right to select its legal counsel at Hospital's expense, subject to Hospital's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Hospital or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

Approve and authorize the Chair to execute a minor Amendment (Amendment No. 1) to the Hitchcock Road Animal Services (HRAS)' Joint Powers Authority (JPA) Joint Exercise of Powers Agreement (JPA Agreement) to clarify the JPA's insurance coverage obligations and satisfy potential carrier requirements.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
Approve and authorize the Chair to execute a minor Amendment (Amendment No. 1) to the Hitchcock Road Animal Services (HRAS)' Joint Powers Authority (JPA) Joint Exercise of Powers Agreement (JPA Agreement) to clarify the JPA's insurance coverage obligations and satisfy potential carrier requirements.

SUMMARY:

Staff requests that the Board approve a minor Amendment (Amendment No. 1) to the JPA Agreement to clarify the JPA's insurance coverage responsibilities The amendment would remove extraneous insurance requirements from the JPA Agreement and confirm that the JPA's sole insurance obligation is to maintain comprehensive general liability coverage, consistent with current practice and insurer requirements. Approval by the County and the City of Salinas is required to finalize the amendment, which was previously approved by the JPA Board by a 4/5 vote on November 20, 2025.

DISCUSSION:

JPA Staff and Risk Management have been working to secure insurance carrier quotes and comprehensive general liability coverage for itself and its governing Board. The JPA Agreement currently requires that the JPA also obtain insurance coverage for automobile liability, workers' compensation, and excess liability. (JPA Agreement at p. 9, § 3.9.) However, as Administering Agency, the County is responsible for these additional coverages. Consequently, a prospective carrier requested amendments to the JPA Agreement to clarify that the only coverage obligation the JPA actually has is for comprehensive general liability coverage.

On November 20, 2025, a 4/5 majority of the JPA Board approved these revisions. Both the County and the City of Salinas must also separately approve these changes and execute the amended JPA Agreement. Attached to this report are both a redlined and a clean copy of the proposed amended JPA Agreement. The only suggested edits are to remove the extraneous coverage requirements and to

conform language to reflect that only a singular coverage obligation remains.

Staff ask the Board to approve the JPA Agreement Amendment No. 1 and that the Chair of the Board execute the Amendment No. 1. The JPA is bringing the same Amendment to the City of Salinas' City Council for its approval, hopefully in March 2026.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and the Auditor-Controller have reviewed and approved this Amendment No. 1 as to legal form, and fiscal provisions, respectively. The Hitchcock Road Animal Services Agency Board of Directors reviewed and approved this amendment consideration during their JPA Board meeting on November 20, 2025.

FINANCING:
There will be no fiscal impact resulting from the approval of this action. Appropriations for this Agreement are included in the Health Department's (4000-HEA001-8601) FY 2025-26 Adopted Budget.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This recommendation supports the Safe and Resilient Communities goal by ensuring clear and appropriate allocation of insurance coverage responsibilities, thereby reducing risk exposure and strengthening governance and operational resilience. Clarifying liability coverage aligns with key objectives related to effective risk management, fiscal responsibility, and continuity of public services.

AMENDMENT NO. 1
TO THE
JOINT EXERCISE OF POWERS AGREEMENT
BY AND BETWEEN THE COUNTY OF MONTEREY
AND THE CITY OF SALINAS,
JOINT POWERS AUTHORITY:
"HITCHCOCK ROAD ANIMAL SERVICES AGENCY"

THIS AMENDMENT NO. 1 to the JOINT EXERCISE POWERS AGREEMENT (the Agreement), Resolution No. 22-500 is made by and between the County of Monterey (COUNTY/Lead Agency), a political subdivision of the State of California and City of Salinas (CITY), established as the Joint Powers Agency: Hitchcock Road Animal Services (JPA/Agency) with respect to the following.

WHEREAS, on December 26, 2022 the County of Monterey and the City of Salinas entered into a JOINT EXERCISE OF POWERS AGREEMENT (JPA AGREEMENT), Resolution No. 22-500 for the term January 1, 2023 and until terminated pursuant to Article IX of the JPA AGREEMENT, for the use of the Animal Services Center and the provision of other animal services; and

WHEREAS, on January 1, 2023, Hitchcock Road Animal Services Agency (HRAS) was established with the objective of merging the City of Salinas and the County of Monterey entities, for the betterment of all animals in our communities' requiring services, as well as the residents and taxpayers of both entities, with the ability to utilize shared equipment, resources, and personnel; and

WHEREAS, the COUNTY serves as the Administering Agency for HRAS under the Joint Powers Act, encompassing the contracting parties: County of Monterey and City of Salinas; and

WHEREAS, Article III, Section 3.9 of the Agreement requires that HRAS obtain sufficient insurance "to protect the Agency and its Member Agencies from claims for damages arising from the activities of the Agency, its Board of Directors, officers, and employees" by obtaining comprehensive general liability insurance as well as excess liability, worker's compensation insurance, and automobile insurance; and

WHEREAS, the COUNTY's role as Administering Agency includes providing staff and vehicles to HRAS, meaning that the COUNTY's insurance covers all such obligations besides comprehensive general liability insurance; and

WHEREAS, HRAS has been working to obtain comprehensive general liability insurance coverage. As part of that process, a potential carrier asked HRAS to amend the JPA Agreement to clarify insurance coverage responsibilities as between the JPA and the COUNTY as the Administering Agency. The Amendment removes extraneous insurance requirements from the JPA Agreement and confirms that the JPA's sole insurance obligation is to maintain comprehensive general liability coverage, consistent with current practice and insurer requirements. Other coverages required by the JPA Agreement are covered by the County. Approval by the COUNTY and CITY is required to finalize the amendment, which was previously approved by a 4/5 vote of the JPA Board on November 20, 2025. There are no

NOW THEREFORE, HRAS hereby agree to amend the JPA AGREEMENT as follows:

1. **Section 3.9, "Indemnity and Insurance", Section 3.9, shall be amended and restated as follows,** "Section 3.9. Indemnity and Insurance. The Agency shall defend, indemnify, and hold harmless each Member Agency to this Agreement and its respective Board of Director members, officers, agents and employees, from all claims, losses, damages, costs, injury, and liability arising out of the Agency's performance of its obligations under this Agreement. The Executive Director shall obtain, and keep in place, a comprehensive general lability policy of insurance with coverage and a limit sufficient to protect the Agency and its Member Agencies from claims for damages arising from the activities of the Agency, its Board of Directors, officers, and employees. The Board of Directors shall, from time to time, set the appropriate level of coverage and shall determine whether additional insurance coverage is appropriate. Each Member Agency shall be named as an "additional insured" on each policy of insurance."

2. Except as provided herein, all remaining terms, conditions, and provisions of the JPA AGREEMENT are unchanged and unaffected by this AMENDMENT NO. 1 and shall continue in full forces and effect as set forth in the JPA AGREEMENT.

3. The recitals to this Amendment No. 1 are hereby incorporated by this reference.

4. A copy of the Amendment No. 1 shall be attached to the original JPA AGREEMENT executed by COUNTY on December 26, 2022

In addition, the Executive Director may not alter the capital budget, utilize any reserve contingency, or increase the total amount of the approved expenditure without the prior approval of the Board of Directors. The Executive Director may recommend expenditures for approval separate from the budget process, in which case the approval of the Board of Directors is required prior to any actual expenditure. The Executive Director must seek authorization from the Board of Directors for budgetary transfers or adjustments above $10,000, as necessary.

Section 8.1. Continuation of Agreement. Notwithstanding the provisions of Section 9.1, each Member Agency agrees that the withdrawal of a Member Agency pursuant to the provision of this Agreement shall not result in the termination of this Agreement or otherwise affect the ability of the Board of Directors of the remaining Member Agencies to carry out and fulfill the purposes of this Agreement provided that two or more Member Agencies continue to participate. If, however, the withdrawal results in only one Member Agency continuing to participate, this Agreement shall be deemed to be terminated by mutual agreement and the provisions of Article IX shall apply.

Section 8.2. Withdrawal. A Member Agency may withdraw from the Agency by providing written notice thereof to the Agency. The withdrawal shall become effective on the first day of the fiscal year which is at least six (6) months after service of the notice of withdrawal. Except as provided in Section 8.1. above, the Withdrawal shall in no way affect the rights or obligations of the remaining Member Agencies nor shall it relieve the withdrawing Member Agency of its obligation to pay any amounts due and owing under the terms of this Agreement. In the event that Bonds have been issued, the withdrawing Member Agency shall remain liable for the payment of its proportional share of those Bonds and any interest. Each Member Agency shall retain the right to use its proportionate share of the Joint Facility.

Section 8.3. Waiver of Distribution Upon Withdrawal. Subject to the limitations contained in Section 9.1 below, withdrawal from the Agency shall constitute a waiver of any right which that Member Agency may have to any of the Assets or Cash Reserves of the Agency. Any Member Agency which has withdrawn from the Agency shall likewise waive its right to the distribution of any of the Assets or Cash Reserves of the Agency occasioned by the subsequent dissolution of the Agency.

ARTICLE IX

Section 9.1. Termination. By agreement approved by a vote of three-fourths (3/4) or more of the Board of Directors, the Member Agencies may mutually agree to terminate this Agreement and dissolve the Agency at any time. Upon termination of this Agreement, the debts and obligations of the Agency shall be divided between the Member Agencies based upon the percentages set forth in Section 9.3.

Section 9.2. Effective Date of Termination. The termination of this Agreement shall become effective on the first day of the fiscal year which is at least twelve (12) months after the notice of withdrawal under Section 8.1 or the submission of a written notice of termination submitted to the Board of Directors which has been approved by all of the Legislative Bodies of the current Member Agencies.

Section 9.3. Disposition of Assets. On the effective date of the termination, the Agency shall be dissolved, and each current Member Agency shall, within a reasonable time, receive its proportionate share of the assets of the Agency and contribute its proportionate or otherwise defined share toward the discharge of any enforceable liabilities incurred by the Agency as the same appear on the books of the Agency.

Section 9.3.1. Upon the termination of this Agreement, any assets acquired by the Agency during the period of its existence, which are still on hand, and all unencumbered cash reserves (collectively, "Assets and Cash Reserves") shall be distributed to the current Member Agencies in the following manner: The total amount of maintenance and operating costs paid by each current Member Agency into the Operating Fund during the entire existence of the Agency shall be added together and the percentage of which each Member Agency's total is in relation to the whole, shall be determined. (For any Member Agency which has withdrawn prior to termination of the Agreement, the amounts paid by that Member Agency shall be equally divided among the current Member Agencies based upon the above percentage, based on appraised value of the assets as of the effective date of the termination.)

Section 9.3.2. The distribution of assets may be made in kind or assets may be sold and the proceeds thereof distributed to the Member Agencies after discharge of all enforceable liabilities.

Section 9.3.3. In the event the current Member Agencies cannot agree upon an appropriate distribution, the City Managers and County Administrative Officers of all current Member Agencies, or their respective designees, shall meet promptly for the purpose of developing a method for distributing the Assets and Cash Reserves among the current Member Agencies.

Section 9.4. Winding Up the Agency. Following dissolution, the Agency shall remain in existence for the sole purpose of winding up the Agency's affairs, which shall include, but shall not be limited to, the distribution of the Assets and Cash Reserves and the closing out of business and accounts.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
Approve the County of Monterey Emergency Medical Services Plan for 2025 and authorize the Emergency Medical Services Agency Director to submit the Plan to the California Emergency Medical Services Authority.

SUMMARY:

California Health and Safety Code (HSC), Division 2.5, Section 1797.254 requires counties with an established Emergency Medical Services (EMS) program to develop, file, and annually update a local EMS Plan with the California EMS Authority (EMSA). The County of Monterey's 2025 EMS Plan updates the previously approved 2022-2024 EMS Plan. Approval of the 2025 EMS Plan allows the EMS Agency to remain in compliance with its statutory requirements.

DISCUSSION:

HSC, Division 2.5, Section 1797.254 requires any county that establishes an EMS program to develop a local EMS Plan, file it with EMSA, and provide annual updates to EMSA thereafter. The County of Monterey's initial EMS Plan was filed in 1984 under the State EMS System Standards and Guidelines in effect at that time.

The County of Monterey EMS Plan submitted for Board approval represents the fifteenth comprehensive revision of the County's EMS Plan since the most recent version of the State EMS System Standards and Guidelines were published in June 1993. This submission covers the 2025 calendar year and updates the EMS Agency's most recent EMS Plan that covered the years 2022 through 2024. The 2022-2024 Plan was approved by the Board on January 28, 2025, and by EMSA on March 19, 2025. The 2025 EMS Plan includes an updated executive summary, table of contents, and revised data within the plan's tables.

Approval of the 2025 EMS Plan enables the EMS Agency to meet its statutory requirements pursuant to HSC, Division 2.5, Section 1797.254.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
County Counsel has reviewed and approved this Board Report as to form.

FINANCING:
There are no General Fund Impacts resulting from this Board action.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This recommendation supports the Board of Supervisors Strategic Goal A: Well-Being and Quality of Life. The 2025 EMS Annual Plan establishes the overall design and key components of the EMS system. The Plan provides for an exceptional EMS system to support the health and quality of life of Monterey County residents and visitors.

Executive Summary

The County of Monterey Emergency Medical Services (EMS) Agency (EMS Agency) is a Bureau within the County of Monterey Health Department and is designated by the Board of Supervisors as the local emergency medical services agency (LEMSA) for the County of Monterey. The agency's primary responsibilities are to plan, implement, and evaluate an Emergency Medical Services (EMS) system that meets or exceeds the minimum standards developed by the California EMS Authority (EMSA). Key components of this include system monitoring/oversight, medical control, policy/procedure development and implementation, monitoring compliance with laws/regulations, certification/accreditation of EMS personnel, EMS system planning, as well as educational program approval and monitoring.

The mission of the EMS Agency is to lead the County of Monterey EMS System through establishing highest standards of emergency medical care, system operations, and medical disaster preparedness for the benefit of the people of the County of Monterey. The County of Monterey EMS System is comprised of ground and air ambulance providers, dispatch/communication centers, fire and rescue service providers, hospital emergency departments, specialty care centers for trauma, stroke, and ST elevation myocardial infarction (STEMI) patients, and the County of Monterey EMS Agency. The collaborative efforts of these EMS System partners strengthen our ability to provide emergency medical services to citizens of and visitors to the County of Monterey.

California Health and Safety Code (HSC), Division 2.5, Section 1797.254, requires LEMSAs to submit an EMS Plan to EMSA and provide annual updates thereafter. This EMS Plan Update is intended to meet the requirements of HSC, Division 2.5, Section 1797.254.

This document represents the 2025 annual update of the County of Monterey EMS Agency. This plan submission updates the most recent plan for the County of Monterey which covered calendar years 2022 through 2024. The County of Monterey EMS Agency received notice of EMSA's approval of the EMS Plan covering 2022 through 2024 on March 19, 2025.

The County of Monterey EMS Agency completed several accomplishments and system improvements during the period covered by this document. Key accomplishments included:

- In January 2025 the County of Monterey issued a Request for Proposals (RFP) for an ambulance services provider for the County of Monterey Exclusive Operating Area (EOA). Interested parties were required to submit their proposals by April 2025. After a thorough proposal review process, the County of Monterey issued a tentative award letter to American Medical Response West (AMR). In July 2025 the County of Monterey Board of Supervisors approved an agreement between the County of Monterey and AMR for Advanced and Basic Life Support Ambulance Services, Interfacility and Critical Care Transport, Standby, and Communication Services for the EOA.
- After the approval of the agreement with AMR, the EMS Agency immediately began with the Contractor to ensure that the necessary actions were taken to successfully implement services by the start of the agreement's Operational Period on February

1, 2026. During this time, the EMS Agency held multiple meetings with key stakeholders to provide updates on implementation progress and receive feedback.

- Completed annual updates of our policies and treatment protocols. We also continued to expand our policy and protocol development cycle plan to increase educational outreach efforts and opportunities for stakeholder input.
- Obtained approval of our renewal application related to our local optional scope of practice permitting the administration of buprenorphine to patients exhibiting signs or symptoms of opioid withdrawal or who were successfully resuscitated following an overdose on opioids.
- Began attending regular meetings with representatives from the medical staff at Salinas Valley State Prison (SVSP) to share information and discuss improvements to responses to and transports from the facility.
- Executed an agreement with a vendor to allow electronic processing of applications for EMT Certification and Paramedic Accreditation. The system will streamline the processing of applications and provide better communication with applicants.
- EMS Agency staff and the Medical Director participated in local crisis intervention training for law enforcement officers by presenting information on EMS policies related to behavioral health patients and answered questions on interactions between EMS and law enforcement.
- Worked with NCTI-Bay Area to review their application to open a Paramedic Program satellite location in Monterey County. The EMS Agency approved NCTI's application in July of 2025. Shortly thereafter, the first cohort of students began the didactic component of their training. Students who successfully complete the Paramedic Program will be eligible to receive 30 college units.
- During 2025 the EMS Agency successfully brought the fourth and final of our four hospitals fully online with a bidirectional health data exchange program with all EMS provider agencies.
- Fulfilled the role of the Medical Health Operational Coordinator (MHOAC) and maintained all 17 public health functions through a 24-hour-per-day, 365-days-per-year single point of contact for the program. Debra Hopgood, Acting EMS Director/Bureau Chief, serves as the MHOAC designee. The County of Monterey EMS Agency complies with Health and Safety Code Sections 1797.152 and 1797.153. The EMS Agency and MHOAC cooperate in the creation of a Medical and Health Disaster Plan for the County of Monterey and assist in the coordination of medical and health disaster resources as outlined in Section 1797.153. The MHOAC coordinates with the Regional Disaster Medical Health Coordination program as well as local and state health officials and agencies.

We thank our EMS service providers, emergency dispatchers, hospital personnel, emergency management personnel, and community throughout the County of Monterey who have demonstrated their commitment to supporting the County of Monterey EMS System and helping to make these improvements possible in our ongoing effort to meet the needs of our community.

RECOMMENDATION:
a. Approve and authorize the Director of the Department of Social Services or designee to sign Amendment No. 2 to Agreement #5010-219 with Community Human Services to provide a year-round shelter for youth who are homeless in the County of Monterey adding $15,370 for a new contract total of $135,370 with no change to the contract term of July 1, 2022 through June 30, 2026; and

SUMMARY:
This agreement provides supplemental funding for the operations of the Safe Place Youth Shelter, operated by Community Human Services (CHS). The Safe Place Youth Shelter serves young adults ages 18-24 that are experiencing homelessness.

DISCUSSION:
Safe Place provides year-round shelter for young adults experiencing homelessness on the Monterey Peninsula. The Youth Shelter operates 7 days a week from 7 p.m. - 7 a.m. Services include 2 meals per day, and guests are provided information and referral assistance with completion of application forms for mainstream benefits. The agreement is for County's contribution of ongoing operational support for the period of July 1, 2022 through June 30, 2026.

Safe Place programs are consistent with the intent and approved uses of Homeless Housing, Assistance and Prevention (HHAP) Round 2 funding. The youth shelter qualifies for utilization of

HHAP 2 youth set-aside funds which requires a minimum amount of the total HHAP 2 allocation be spent on youth specific services to address homelessness on this population.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor-Controller's Office as to financial provisions.

FINANCING:
This agreement is funded with Homeless Housing, Assistance and Prevention (HHAP) Round 2. Sufficient appropriations and estimated revenues for SOC004 are included in the FY 2025-26 Adopted Budget.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This agreement correlates to the Well-Being and Quality of Life Strategic Plan Goal adopted by the Board of Supervisors by supporting year-round shelter and supportive services for transition-age youth experiencing homelessness. The continued operation of the Safe Place Youth Shelter promotes safety, housing stability, and access to basic needs and benefit navigation, helping vulnerable young adults stabilize their circumstances and move toward improved long-term well-being.

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as "the Administrative Simplification provisions," direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the "HIPAA Privacy Rule"); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement ("the Agreement") to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties' continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term "Protected Health Information" means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY's behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

DocuSign Envelope ID: BA7C9EEA-E5BF-4BEA-833F-CCF90DE18661

(a) CONTRACTOR agrees:
(i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement ,(if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
(ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
(iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.

(b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
(i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
(A) the disclosure is required by law; or
(B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
(ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

(c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure

DocuSign Envelope ID: BA7C9EEA-E5BF-4BEA-833F-CCF90DE18661

COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

CONTRACTOR agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. CONTRACTOR agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, CONTRACTOR agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that CONTRACTOR has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that CONTRACTOR will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to CONTRACTOR of such belief within a reasonable time after forming such belief, and CONTRACTOR fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of CONTRACTOR under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind CONTRACTOR, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which CONTRACTOR provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this Certification and the Agreement are intended to establish the minimum requirements regarding CONTRACTOR's use and disclosure of Protected Health Information.

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to

1.04 Payment for Audit

CONTRACTOR shall bear all costs in connection with, or resulting from, any audit and/or inspections including, but not limited to, actual cost incurred and the payment/repayment of any expenditures disallowed by COUNTY, State or Federal government entities, including any assessed interest and penalties.

If CONTRACTOR is exempt from federal audit procedures under UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS (Uniform Guidance), then payment for this audit shall be made by CONTRACTOR with resources other than grant funds, or those used for matching purposes. If CONTRACTOR is not exempt from federal audit procedures under the UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS (Uniform Guidance), the cost of audits made in accordance with the provisions of this part are allowable charges to Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with the provisions of applicable Uniform Guidance cost principles, other applicable cost principles or regulations.

II. Contractor Records

Funds provided by COUNTY shall be accounted for separately in CONTRACTOR's books and records. CONTRACTOR shall keep a systematic accounting record of the receipt and disbursement of COUNTY funds. CONTRACTOR shall permit COUNTY to audit, examine and to copy excerpts and transcripts from such records and to conduct audits or reviews of all records including, but not limited to, invoices, materials, personnel records, bank account records, business records, billing statements, payroll records, business expense records, and all other data related to matters covered by this Agreement. CONTRACTOR shall maintain such data and records in an accessible location and condition for a period of at least four (4) years from the close of this Agreement term, or until after the conclusion of any audit, whichever occurs last. The State of California and/or any Federal agency providing funds for this Agreement shall have the same rights conferred upon COUNTY herein. CONTRACTOR shall keep records that are sufficient to permit the tracing of funds to a level of expenditure adequate to ensure that the funds have not been unlawfully spent. CONTRACTOR's records shall describe and support the use of funds for the agreed upon project or services outlined in this Agreement.

III. Recovery of Overpayments: If any audit shows that COUNTY has paid to CONTRACTOR any amount in excess of properly allowable costs, then CONTRACTOR shall reimburse COUNTY for that amount, either by a cash payment made within thirty (30) days after COUNTY notifies CONTRACTOR of the overpayment, or by an offset made by COUNTY against any payments owed by COUNTY to CONTRACTOR under this or any other contract.

This Agreement is supported with State and Federal funds and requires compliance with all regulations under the following laws:
F.1 Clean Air Act, as amended. [42 USC § 7401]
F.2 Federal Water Pollution Control Act, as amended. [33 USC 1251, et seq.]
F.3 Environmental Protection Agency Regulations. [40 CFR 29] [Executive Order 11738]

Docusign Envelope ID: 231F1EF9-D0E8-4EE3-9299-91C89400B078

(OAA) programs. It is also intended to be used as a reference tool for monitoring and for internal and external audits.

The Program Guide defines the responsibilities for providing OAA and OCA assistance and/or related support services to eligible older adults, adults with disabilities, family caregivers, and residents in long-term care facilities.

The Program Guide is maintained, updated, and revised by CDA.
