1. **Customer Orders.** Effective as of the date of both signatures below ("**Effective Date**"), the Rental Customer Order and Support Customer Order (collectively, "**Customer Orders**"), (i) are each a separate and distinct agreement between CareFusion and Customer for the applicable Products or Services; and (ii) are governed by the Master Agreement and applicable Schedule(s) executed by the Parties.

2. **One-Time Fees** Any one-time shipping, implementation or service fees listed on the Product Schedule attached hereto ("**One-Time Fees**") will be invoiced on the first day of the month following the date the Customer Orders are signed by both Parties and are due and payable net thirty (30) days from the date of the invoice.

3. **Software - Subscription License; Term; Fees.** If applicable, the Subscription Fee for Software is listed on the attached Product Schedule under the "Monthly Rental Fee" column. The Subscription Fee also includes maintenance services for the Software during the Subscription Term as set forth in the applicable Schedule. The Initial Subscription Term for Software is the number of months equal to the Rental and Support Term set forth on the attached Product Schedule, beginning on the Term Begin Date stated in the applicable Implementation Timeline. If there is no Term Begin Date in an Implementation Timeline, then the Term Begin Date will be the first day of the month following the date the Software is Accepted. The Subscription Term is non-cancellable. Unless a Party provides sixty (60) days' prior written notice of its intent to terminate at the end of the initial Subscription Term, the Subscription Term will continue on a month-to-month basis ("**Extended Term**") at the Subscription Fee stated in the then-current Pyxis® product price catalog. Either Party may terminate the Extended Term upon thirty (30) days' prior written notice.
