SUMMARY:

On July 11, 2023, the Board of Supervisors set July 25, 2023, as the date for a Public Hearing to consider placing past due sanitation service charges for County Service Area 75-Chualar (CSA 75) on the property tax rolls to facilitate collections. This matter has been properly noticed for the time and place to hold such a hearing. Assessments from twenty (20) parcels totaling \$17,961.56 will be in the form of a lien placed on the subject real properties until such time that the delinquent balance is

paid in full.

DISCUSSION:

In 1999, the Board of Supervisors adopted ordinances removing sanitation service charges from the tax rolls and instead, provided for collection through a monthly billing system. On June 22, 2004, the Board of Supervisors adopted Ordinance No. 04225 establishing procedures for collection of delinquent fees for CSA 75-Chualar. The procedures include holding a Public Hearing once a year to hear the report of delinquent fees and any protests or objections by property owners liable to be assessed for delinquent fees (Attachment B).

Certain property owners in CSA 75-Chualar have accrued unpaid balances for calendar year 2022 on accounts for twenty (20) parcels despite multiple billing notices. The proposed action will result in a Public Hearing to consider placing past due sanitation service charges for CSA 75-Chualar on the property tax rolls to facilitate collections regarding these twenty (20) accounts with past due balances.

On June 17, 2023, and July 11, 2023, affected property owners were notified by letter that they have delinquent accounts. The letter informed each property owner that past due amounts as of December 31, 2022, are subject to collection through a lien on their property. Notice of the July 25, 2023, public hearing was mailed, not less than ten (10) days prior to the hearing, to property owners listed in the Report. Also, a public hearing notice (Attachment C) was published in the Monterey County Weekly not less than ten (10) days prior to said hearing.

OTHER AGENCY INVOLVEMENT:

Monterey One Water (MIW) acts as the billing agency for CSA 75-Chualar. Placement of the liens on the property tax rolls is facilitated by the Treasurer-Tax Collector's Office.

FINANCING:

Collectively, past due amounts for calendar year 2022 for CSA 75 currently total 17,961.56 from 20 parcels. In accordance with the Monterey County Fee Schedule, Late Payment Penalties are assessed at 1.5% of past due amounts pursuant to California Health and Safety Code Section 5473. In accordance with Ordinance No. 04225, penalty fees are included in the total amount listed in Attachment B. CSA 75-Chualar's main revenue source comes from sewer fees with additional revenue allocated from a portion of the general property tax and investment income from the Unassigned Fund Balance. Additionally, revenue from the prior year's delinquent accounts is collected when property tax payments are made in December and April of the following year. All calendar year 2022 past due account balances and late penalty and lien transfer fees collected will be deposited to Fund 093 for CSA 75. CSA 75 is in the fifth year of a five-year rate increase. The FY2023 revenue budgeted was \$3,560,442 with revenue collected totaling \$3,637,045. The FY2023 expenditure budget was \$3,600,500 with year-to-date expenditure obligations totaling \$1,183,208. The current fund balance is \$2,694,567. The current budget can accommodate this decrease in revenue until the past due accounts can be collected on the FY 23-24 property tax rolls in December 2023 and April 2024. Delinquent payments may also be made through the date of the public hearing.
