Dear Mr. Marshall & Board of Supervisors

I am writing this letter and asking for your consideration in reducing some per diem interest on the lien in the amount of \$19,904.60, on APN #199-071-004, 169 Old Stage Road, #C, Salinas Ca 93908. The home is currently on the market for sale. The Title Company informed me that a lien for an inclusionary bond was recorded in 1995. I didn't know that it is accumulating \$0.88 per day until paid.

I'm an 89 years old and lost my husband Bud over 6 years ago, (09/06/2018). I can't remember any inclusionary bond, further more I never received any communication or request for payment from anyone. My husband and Anthony Lombardo & Associates in 1995 handled all details in reference to the subdivision. Is it possible to discount the interest and not penalize me for a lien that I had no knowledge about? I would greatly appreciate anything you can do.

Respectfully,

Janet A. Fischer
