Scope of Work / Payment Provisions

I. Description of All Services to be Rendered by CONTRACTOR:

Intraoperative image guided navigational surgery (IGS) allows the surgeon to operate within a surgical site whose standard anatomical landmarks may be ambiguous because of tumor, infection, fracture or previous surgery. Studies suggest that IGS may result in decreased complications, increased disease removal, decreased length of stay and in some cases decreased operative time.

META Dynamic will supply the Brainlab neuronavigation system which includes the equipment, hardware and software to perform neurosurgery. Digital patient data is uploaded from the computed tomography (CT) or magnetic resonance imaging (MRI) located at NMC to the Brainlab neuronavigation system in the Operating Room (OR) assisting the surgeon in identifying the right surgical approach. Surgeons are guided through procedures with real time data allowing for smaller skull openings and minimizing damage to healthy structures. With the universal instrument holder (VarioGuide™), preplanned trajectories can be targeted systematically within seconds and anytime during the surgery.

The equipment will arrive from META Dynamic within twenty-four (24) hours of surgery. The META Dynamic technician will arrive within one (1) hour of surgery to set up the equipment. The technician will assist the surgeon with the operation of the equipment.

This service will take place at Natividad Medical Center in one of the surgical suites located on the 2nd floor.

II. CONTRACTOR Obligations:

- Deliver a navigation system within twenty-four (24) hours prior to the scheduled surgery.
- Technician to arrive one (1) hour before the scheduled start time of the surgery.
- Maintain equipment in good working condition.
- Ensure technicians are properly trained and credentialed to work in a hospital environment.
- Provide documentation of the services for each patient upon completion of the surgical procedure.

III. NMC Obligations:

- NMC shall pay an amount not to exceed \$180,000 for the performance of work set forth in the Scope of Services.
- Provide a safe haven for the equipment during its time at the hospital.
- Provide appropriate electrical connections and other services for the functioning of the equipment.
- Provide a Bio Med technician to quality check the equipment before start of each scheduled surgery.

- Provide request of services within one (1) day of each surgery when the equipment and services is requested.
- Provide access to the CT / MRI scans of the operative patients.
- Provide an operating suite large enough to accommodate the extra equipment.
- Provide competent staff to participate in surgery.

IV. Patient Data:

- All data provided by Natividad Medical Center (County of Monterey) belongs to Natividad Medical Center (County of Monterey). All records compiled by CONTRACTOR in completing the work described in this Agreement, including but not limited to written reports, studies, drawings, blueprints, negatives of photographs, graphs, charts, plans, source codes, specifications and all other similar recorded data, shall become and remain the property of Natividad Medical Center (County of Monterey). Use or distribution of Natividad Medical Center (County of Monterey) data by CONTRACTOR is prohibited unless CONTRACTOR obtains prior written consent from Natividad Medical Center (County of Monterey).
- For systems hosted or stored on equipment not owned by Natividad Medical Center (County of Monterey), CONTRACTOR shall furnish all data to Natividad Medical Center (County of Monterey) upon request by Natividad Medical Center (County of Monterey) at any time during the term of this Agreement in a useable format as specified by NMC and at no additional cost to Natividad Medical Center (County of Monterey).
- Notwithstanding anything to the contrary contained in this Agreement, it is understood and agreed that CONTRACTOR shall retain all of its rights in its proprietary information including, without limitation, methodologies and methods of analysis, ideas, concepts, expressions, know how, methods, techniques, skills, knowledge and experience possessed by CONTRACTOR prior to this Agreement.

V. Pricing/Fees:

- For pricing, please refer to attached schedule.
- There shall be no travel reimbursement allowed during this Agreement.
- Sales tax is applicable to rental fees, technician time and single use products at the prevailing tax rate for the hospital. Please note that the State Board of Equalization has ruled that technician time is taxable because the equipment, which is not owned by the Contractor, is not rented without a technician.
- CONTRACTOR to submit invoices upon completion of deliverables.
- NMC may, in its sole discretion, terminate the contract or withhold payments claimed by the CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.
- CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.
