GENERAL TERMS & CONDITIONS:

- The purpose of this Quotation is to facilitate a written agreement for Customer's use of colocation services in the designated IBX.
- The services offered in this Quotation are subject to suitable and available capacity in the IBX.
- · Prices quoted do not include any applicable taxes or surcharges or shipping charges which are the responsibility of the Customer.
- · Additional power circuit charges will be a function of the Customer's specific configuration and time of orders; this quotation cites both non-recurring and monthly recurring charges for circuit types specified by the Customer.
- Any increases in external power costs will be passed through, and any increase more than 10% will be documented.
- · Prices quoted are valid for 30 days.
- Power usage will be billed each month, where applicable.
- · Services will be billed in local currency unless agreed otherwise.
- After the first twelve (12) months of the Initial Term and for every twelve (12) months thereafter, Equinix will change the Fees for all Space and Services at a rate not to exceed 5% per year.

DEFINITIONS:

Cage — The cage in the IBX Center in which the Services are delivered by Equinix. If the cage is a shared cage, "Cage" will refer to the cabinets in the shared cage that are licensed by Customer.

NRC — Non-Recurring Charges. Certain Equinix Services bear a one-time charge, usually billed upon installation or set-up.

MRC — Monthly Recurring Charges. Certain Equinix Services bear a monthly recurring charge, billed in advance.

PEC — Provisioned Electrical Capacity. The total amount of usable electrical power (Volts x Amps x 0.8)/1000, expressed in kVA.
